5/30/1926 - 11/17/2013

## **HAPPY BIRTHDAY**

Dad always said,  
*“A person really only has  
one Birthday which is the  
day they’re born”*

Well dad, today marks  
100 years since that day.

Our treasured memories  
of you are all the  
birthdays and days in

between we had with you, our busy farmer dad, during  
our growing up days and when we had families of our  
own. On this Springtime Birthday, we celebrate those  
days we had together and the many lessons learned-  
precious memories, how they linger”

**Carrying you in our hearts forever,  
Doug, Donnie, Dyke, Donna Lee and families**
