

**In Memory of
My Brother
Sgt. John F Plunkard
Killed in South Vietnam
April 8, 1968**

**Forever young
You will always be
No more growing old
No more tragedy**

**When my time comes
And we cross paths
When we meet
I hope it lasts**

**In a war you fought
Fifty eight years ago
People may forget
I won't though**

***In loving memory of my
brother, RIP A/ATW Joe***
