

## Bids & Proposals

The Gulf Coast Water Authority (GCWA) will receive Sealed Bids for **replacing existing culvert crossings, stone riprap protection, metal beam guard fence installation, and roadway pavement replacement at Briscoe Canal at McKeever Road Crossing**, Bid Number **6052**. Bids will be accepted until **2:00 PM** local time on **Wednesday, October 14, 2026**. Solicitation response will be received electronically via the CivCast Website ([www.civcast.com](http://www.civcast.com)). GCWA will publicly open and read aloud the names of the Bidders and the monetary amount of the Bid. A **NON-MANDATORY** Pre-Bid meeting will take place at **10 AM** on **Wednesday, September 30, 2026**, at **David A Sauer Operations Center; 4351 East Highway 6, Alvin, Texas 77511**. Bid Documents including plans, specifications, bond requirements, and other conditions of Bid are available at **[www.civ-cast.com](http://www.civ-cast.com)**. GCWA may award a contract in accordance with the conditions stated in the Bid Documents. All inquiries regarding this bid must be submitted in written form via the CivCast portal. GCWA desires to foster an environment that will advance and enhance participation from "Historically Underutilized Business" (HUB) in all areas of procurement. Accordingly, GCWA encourages contractors to utilize HUB certified subcontractors for this project. "Historically Underutilized Businesses" or "HUBs" shall have the meaning assigned by Texas Government Code Section 2161.001(2).
