### NOTICE TO BIDDERS

#### DICKINSON BAY OYSTER REEF RESTORATION PROJECT

The Galveston Bay Foundation (GBF) will receive sealed bids for the DICKINSON BAY OYSTER REEF RESTORATION PROJECT until 2:30 pm. on Thursday, April 23, 2026, at 1725 Hwy 146, Kemah, TX 77565. An optional pre-bid meeting will be held at the aforementioned address on Tuesday, April 7, 2026; at 10:30 a.m. Bidders are specifically advised that any bid delivered after the deadline will be returned unopened.

Bids should be addressed to the attention of Sally Clark, Project Manager, and should include the following information on the outside of the envelope: Title of Project ("DICKINSON BAY OYSTER REEF RESTORATION PROJECT"); Bidder's Name; and Bidder's Return Address.

The winning bidder will be expected to enter a contract with GBF within (30) days from the date of the bid opening.

The project is located within Dickinson Bay in Galveston County, TX. The project consists of the procurement, transportation and deployment of materials to construct up to 2.0 acres of intertidal oyster reef.

An electronic copy of the bid package may be obtained from GBF by contacting the Project Manager; [sclark@galvbay.org](mailto:sclark@galvbay.org) or (979) 255-8628.
