

Bids & Proposals

The Gulf Coast Water Authority (GCWA) will receive Sealed Bids for **South Line Air Relief Valve Replacement - Phase 2** at **various locations within Galveston County**, Bid Number **6034**. Bids will be accepted until **2:00 PM** local time on **Tuesday, October 13, 2026**. Solicitation response will be received electronically via the CivCast Website (www.civcast.com). GCWA will publicly open and read aloud the names of the Bidders and the monetary amount of the Bid. A **NON-MANDATORY** Pre-Bid meeting will take place at **1:00 PM** on **Wednesday, September 30, 2026**, at **Thomas S Mackey Water Treatment Plant; 4001 5th Ave N., Texas City, Texas 77591**. Bid Documents including plans, specifications, bond requirements, and other conditions of Bid are available at **www.civ-cast.com**. GCWA may award a contract in accordance with the conditions stated in the Bid Documents. All inquiries regarding this bid must be submitted in written form via the CivCast portal. GCWA desires to foster an environment that will advance and enhance participation from "Historically Underutilized Business" (HUB) in all areas of procurement. Accordingly, GCWA encourages contractors to utilize HUB certified subcontractors for this project. "Historically Underutilized Businesses" or "HUBs" shall have the meaning assigned by Texas Government Code Section 2161.001(2).
