Both parties announced ready for trial. Defendant waived the right of trial by jury and entered the plea indicated above. The Court admonished Defendant. It appeared to the Court that Defendant was mentally competent to stand trial, made the plea freely and voluntarily, and was aware of the consequences of the plea. The Court received the plea and entered it of record. Having heard the evidence submitted, the Court **FINDS** that such evidence substantiates Defendant's guilt. However, the Court **FINDS** that it is in the best interest of society and Defendant to defer proceedings without entering an adjudication of guilt and to place Defendant on deferred adjudication community supervision.

Therefore, the Court **ORDERS** no judgment entered at this time. The Court further **ORDERS** Defendant placed on deferred adjudication community supervision for the period of time indicated above as long as Defendant abides by the conditions of the deferred adjudication community supervision.

The Court **FINDS** that the Presentence Investigation, if so ordered, was done according to the applicable provisions of Subchapter F, Chapter 42A, Tex. Code Crim. Proc.

The Court **Orders** Defendant to pay the fines, court costs, reimbursement fees, and restitution as indicated above and further detailed below.

The document setting forth the conditions of deferred adjudication community supervision is attached and incorporated herein by this reference.

____ (Defendant to initial) The Court **FINDS** that Defendant was admonished and acknowledged that, pursuant to Article 42A.301 of the Texas Code of Criminal Procedure, a risk and needs assessment will be conducted with respect to Defendant for purposes of determining the conditions of community supervision. The Court **FINDS** that Defendant agrees to the following standard conditions of community supervision which are hereby imposed prior to the risk and needs assessment being conducted.
