1.26 Deputy HODGES' statement continued:

"As the pursuit traveled south on State Highway 287 toward Decatur, I continued southbound on State Highway 287 in an attempt to catch up to the pursuit. I then heard radio traffic indicating that the suspect vehicle had exited the Farm to Market Road 51 ramp and turned right onto Business 380 West.

At this time I exited State Highway 287 southbound and entered United States Highway 380 westbound. As I approached the Wise County Sheriff's Department Office I observed the suspect vehicle and pursuing law enforcement vehicles traveling west on Business 380 approaching the intersection of United States Highway 380 and Business 380. I observed gray smoke coming from the suspect vehicle; and the suspect vehicle failing to yield to pursuing law enforcement vehicles which had their overhead lights activated.

As the suspect vehicle entered the intersection it struck and drove underneath an eighteen wheeler. I observed the suspect vehicle to be dragged by the eighteen wheeler, and then observed the eighteen wheeler drive over the suspect vehicle. The suspect vehicle came to rest near the outside shoulder of United States Highway 380, partially in the east barrow ditch."

1.27 Deputy HODGES' statement continued:

"After seeing the collision I advised dispatch of the collision. I then turned left at the intersection of Business 380 and United States Highway 380. I positioned my patrol vehicle in the intersection facing eastbound approximately twenty yards from the suspect vehicle, and facing toward the rear of the suspect vehicle.

I observed the suspect vehicle to be partially engulfed in flames; I did not believe the driver survived the collision. As I was placing my vehicle in park, I observed the driver of the suspect vehicle, a white male, exit the vehicle, turn toward me, and square his body in my direction. I then observed the suspect driver to have a black handgun in his right hand.

As I was attempting to exit my patrol vehicle, I observed the suspect driver stare directly at me, point the black gun directly at me, and fire multiple rounds directly at me. As the suspect driver fired his weapon at me I knew I was going to die. I observed the suspect driver's pistol recoil as I ducked while exiting my patrol vehicle."

1.28 Deputy HODGES' statement continued:

"After avoiding the suspect's attempt to shoot me by ducking, I continued exiting my patrol vehicle and then immediately drew my issued Sig Sauer P-226 service pistol. As I was drawing my issued service pistol I feared for my life and safety, and knew that I had to stop the driver's assaultive actions before he killed me or someone else.

As I was continuing to exit my vehicle, clearing my patrol vehicle's driver side door, and bringing my weapon up toward the suspect driver, I observed the suspect driver standing directly in front of me. At this time I began engaging the suspect driver by firing my issued service pistol two (2) or three (3) times at the suspect driver.

After I fired my issued service pistol I observed the suspect on the ground. At this time I observed Wise County Sheriff's Department Deputy Cavin RIGGS approaching the suspect driver from my right. Both Deputy RIGGS and I cautiously approached the suspect driver with our weapons

T) ██████████ stated "EVIL" never made mention of the Colorado murders and did not act strange or different on the phone preceeding "EVIL'S" death, with the exception of the phone call ██████████ received from "EVIL" on the day of "EVIL'S" death.

U) ██████████ stated the second to last call he received from "EVIL" was not out of the ordinary, and that "EVIL" was "hanging with a chick," and trying to get his license. ██████████ stated that phone call came from a "719" area code. ██████████ stated he did not know that "EVIL" had a car at this time, but eluded that he was not sure if "EVIL" was on the run. ██████████ stated, due to "EVIL'S" extreme paranoia, he rarely spoke on the phone of anything of any relevance.

V) ██████████ stated he received a call from "EVIL" on the day of the Texas shooting. ██████████ believed he received the call approximately one (1) hour before "EVIL" was killed, and after "EVIL" shot the Montague County Deputy. ██████████ based his conclusions on the fact that this was the first time "EVIL" displayed a change in behavior or seemed excited. ██████████ stated he spoke to "EVIL" for approximately 45 seconds. ██████████ stated he did not hear any police sirens or shooting in the background. ██████████ believed the call came from a "719" area code. ██████████ stated "EVIL" said, in an extremely excited manner, that he was in a bind and needed to go to ██████████ house. ██████████ stated that he asked "EVIL" four (4) times what "EVIL" did. ██████████ stated that "EVIL" would not answer him and that he finally heard a click and the call went dead. ██████████ stated it sounded like "EVIL" was in a car at the time of the phone call. ██████████ stated "EVIL" knew that ██████████ lived in ██████████, but did not know ██████████ address.

he did not know anything that "EVIL" was going to do. ██████ stated, due to "EVIL'S" paranoia, "EVIL" would never have told anyone what he was planning to do or what he did unless he was speaking to that person face to face. ██████ believed that if "EVIL" told anyone it would be "THOR" or MIDDLETON.

X) ██████ stated "EVIL" would not have been able to find anyone dumb enough in "211" to commit the murders with him. ██████ stated he knew of multiple "stompings" that "211" had ordered, but never knew of an actual murder "211" ordered. ██████ stated that "EVIL" was "fucking 211" and that "211" would not go after the Director because it would be "bad for business." ██████ stated "211" would not order the Director's "hit" because the Director had just gotten there. ██████ did not believe "211" really ordered "hits," and because no one in their right mind would carry out such an order. ██████ stated if something like this was ordered, only "211 General" Ben DAVIS could order it.

received electronic correspondence from Ranger PHILLIPS describing Ranger PHILLIPS' efforts to track down an Austin area phone number EBEL called multiple times. A synopsis of Ranger PHILLIPS' investigation follows:

On 04-02-2013, Ranger PHILLIPS followed up on information regarding telephone communications that occurred between EBEL (303-881-2130) and cellular telephone (512-789-4393). With the assistance of Texas Department of Public Safety criminal analysts, the subscriber of 512-789-4393 was identified as Norma Raven DIVINE, W/F, DOB ██████████, of 4605 Tobago Cove, Austin, Texas. Ranger Phillips traveled to DIVINE'S residence and contacted her husband, Thomas Lynn DIVINE, W/M, DOB ██████████. Ranger Phillips later interviewed Norma DIVINE and determined her nephew, Ruben Paul SUSTAITA, H/M, DOB ██████████, of Waco, Texas, had previously contacted her via EBEL'S cellular telephone, upon SUSTAITA'S release from custody at a Colorado State penitentiary, on 02-12-2013.

Ranger Phillips interviewed SUSTAITA, and learned he had befriended EBEL while incarcerated. According to SUSTAITA, EBEL met him at a bus stop in Denver, Colorado, on the date of SUSTAITA'S release, and provided SUSTAITA with money for food and a warm jacket. SUSTAITA later traveled to his home town in Waco, Texas, and continued contact with EBEL, via his personal cellular telephone (254-400-0899), over the next few weeks. SUSTAITA moved in temporarily with DEVINE on 03-20-2013, in order to attend culinary school in Austin, Texas. SUSTAITA, last spoke with EBEL, approximately one (1) week prior to moving to Austin. SUSTAITA saw EBEL'S picture on the news and learned of his death. (See report of Company "F" Texas Ranger Gary PHILLIPS - RF-2013-00114 for specific details of interview.)

1.93 On 04-03-2013, at approximately 11:55 PM, Ranger HOLLAND interviewed ██████████ in the Henderson County Jail. ██████████ had

1.97 On 04-10-2013, at approximately 10:30 AM, Ranger HOLLAND spoke by telephone to ██████████ court appointed attorney, ██████████ ██████████ agreed to speak to ██████████ reference ██████████ providing additional information to Ranger HOLLAND.

1.99 On 04-11-2013, at approximately 8:30 AM, Ranger HOLLAND interviewed ██████████ at the Henderson County District Attorney's office in the presence of his attorney ██████████. Ranger HOLLAND admonished ██████████ in the presence of his attorney that ██████████ did not have to speak to Ranger HOLLAND. ██████████ stated that he was willing to cooperate with Colorado authorities, if Colorado authorities would provide him assurances that he would not be prosecuted for the information he provided. ██████████ stated the following:

A) ██████████ had no knowledge of the murder of Denver County Assistant District Attorney Shawn MAY.

B) EBEL had gotten into trouble with Ben DAVIS, a "211" General, while passing on communication from a "211" General named "JD." DAVIS placed EBEL back on "Prospect" status because EBEL had written his own opinions on "211" communication. Because of EBEL'S actions, EBEL "had to do something" for DAVIS.

C) EBEL told ██████████ (while in prison) that he (EBEL) would have to do some "wild shit" for DAVIS when he (EBEL) was released from prison.

D) EBEL spoke by telephone to ██████████ numerous times after EBEL'S release from prison. The majority of phone calls were non-relevant communications, which ██████████ described as simply normal communication between friends. However, ██████████ did recall specific communication in which EBEL spoke of having to do something for DAVIS. ██████████ believed that EBEL did not know what he had to do for DAVIS, only that it would be "wild shit."

E) Prior to CLEMENTS' murder, EBEL telephoned ██████████ and stated that he (EBEL) had to get a hold of "Hog." EBEL stated that he needed a place to stay in Colorado Springs. ██████████ subsequently called "Hog" and advised "Hog" to call EBEL.

F) Sometime after CLEMENTS' murder, ██████████ noticed a missed telephone call from a number he recognized as "Hog's" cellular phone. Approximately thirty minutes after said call, ██████████ called the phone number back. A male answered the phone and identified himself as "Jimbo." ██████████ immediately recognized the voice to be that of "Jimbo." "Jimbo" asked if ██████████ had seen or heard from EBEL, and stated that EBEL was heading south because he (EBEL) had done something. "Jimbo" asked ██████████ if he had seen the news about the murder of CLEMENTS. ██████████ responded he had heard of the murder. "Jimbo" stated, "I had him (EBEL) do that."

1.101 ██████████ interview continued:

G) ██████████ asked "Jimbo" why he had EBEL murder CLEMENTS. "Jimbo" responded, "don't worry about it." "Jimbo" informed ██████████ that EBEL was heading south and that EBEL may be coming ██████████ way. "Jimbo" ordered ██████████ to look after EBEL, if he came ██████████ way. "Jimbo" stated EBEL had money and would not be there long, but that ██████████ needed to look out for EBEL. ██████████ became "freaked out" and scared, and informed

H) Later that evening, around 9:00 PM to 10:00 PM, ██████████ called "Hog," utilizing ██████████ roommate's cellular telephone. "Hog" was "freaked out" and stated, "shit is fucked up." "Hog" stated that EBEL was staying at his brother's house in Colorado Springs, and that "Hog" had arranged for EBEL to stay there. "Hog" stated that he was "pissed off" that he arranged for EBEL to stay with his brother, because "Hog" did not know what EBEL was going to do.

I) ██████████ received a telephone call from EBEL after CLEMENTS' murder. EBEL stated he was "migrating south," and asked ██████████ if he knew of any "211" members that lived in Pueblo, Colorado. ██████████ advised that he did not know of anyone, and advised EBEL to stay in a hotel. ██████████ noted that EBEL was not "freaked out," and acted like nothing had happened.

1.102 ██████████ interview continued:

J) The following night, ██████████ received a phone call from EBEL. EBEL stated he was in New Mexico or West Texas, near Amarillo. EBEL advised ██████████ he wanted to stay at ██████████ residence. ██████████ told EBEL that he could not stay at his house. EBEL responded that he was not mad at ██████████, because he needed to travel south, not East. EBEL stated that he would get a hotel in Amarillo, and then travel to the "DFW" area and "post up" there for a while, before traveling south.

EBEL stated that he was "in a bind." ██████████ asked EBEL what the problem was, multiple times. EBEL did not answer ██████████ and eventually terminated the communication. This was the last communication ██████████ had with EBEL.

L) ██████████ knew that "Hog's" father was in the Texas prison system, and believed that he was only a "Wood" and not affiliated with "ABT" or "AC." ██████████ had been in contact with SUSTAITA in the past. ██████████ knew SUSTAITA from the being in the same Colorado prison with SUSTAITA. ██████████ attempted to secure employment for SUSTAITA in the oil fields, but eventually lost contact with SUSTAITA.

M) While in prison with EBEL, EBEL requested ██████████ to buy him a mask when he was released. EBEL stated he wanted the mask because he had a "fascination with masks." After EBEL'S release from prison, EBEL telephoned ██████████ and asked ██████████ if he had bought the mask. ██████████ lied and said that he did buy the mask. EBEL requested ██████████ mail the mask to him in Colorado. ██████████ later utilized his credit card and bought a face mask for EBEL. ██████████ later mailed said mask to EBEL in Colorado. ██████████ did not know why EBEL wanted the mask.
