

# PAST JANESVILLE SPRING ELECTION TURNOUT

Below is the total number of voters who cast ballots in the city of Janesville in the 2024 and 2025 local spring elections, based on voting data obtained from the Rock County Clerk's Office, broken down by three distinct city sectors. Historical boundaries have long generally defined Janesville's southside as being city voting wards 7-13, south of the Rock River where it curves east and west, and south of the city's fourth ward. The westside is generally defined as city voting wards 1-6, west of the Rock River. The eastside is generally considered to encompass city voting wards 14-37, including most areas east of the Rock River.
