

Proposed business improvement district

The proposed BID district splits downtown Janesville into three special assessment zones. Owners of properties assessed within the BID district boundaries pay a special assessment based on their zone.

■ Properties in Zone 1 would be charged \$2.25 per \$1,000 of assessed valuation.

■ Properties in Zone 2 would be charged \$1.50 per \$1,000 of assessed valuation.

■ Properties in Zone 3 would be charged \$1 per \$1,000 of assessed valuation.

Some parcels within the proposed BID district's boundaries, including city-owned properties and residential properties, are exempt and would not be charged the BID district's special assessment.
