

# Thank You

Spirit Hall Ice Arena extends its sincere gratitude to the following sponsors for their generous support in making Skate Around the Christmas Tree a memorable success.

POWDER RIVER CONSTRUCTION generously provided exclusive use of a 40-foot scissor lift, allowing for the hanging of lights, placement and filling of snow machines, and installation of extension cords along the ceiling. Their contribution was essential in bringing this event to life.

HOME FIRE FOOD contributed decorations and shared their creativity and time by helping design and decorate the event space.

CRAZY DAISY FLORAL enhanced the magic of the evening with the donation of a beautiful mistletoe display for our "Meet Me Under the Mistletoe" area.

We are deeply thankful for the time, resources, and support donated by these sponsors to help make Skate Around the Christmas Tree a wonderful experience for our community.
