Criminal Defense Attorney Wyoming FAQs • Part One

How quickly should I hire a criminal defense attorney after being charged?

Evidence collection and court scheduling often begin soon after an arrest. If you wait too long, important opportunities may pass before action is taken. Holmes Law Team recommends contacting an attorney early, so your defense begins before deadlines fall into place. Acting quickly helps protect your options and future planning.

Can I switch attorneys if I am unhappy with my current representation?

Yes. You have the legal right to choose a different attorney if communication or preparation is lacking. Wyoming courts usually allow this as long as the schedule is not disrupted. A new criminal defense attorney can review your case and offer guidance on whether a transition might benefit your defense.
