Student Of The Week

GAVIN STEELE Campbell County High School

Gavin Steele, a Campbell County High School Senior, is a driven, motivated individual whose accomplishments, such as being a member of the National Honor Society (2023-present), on the Principal's Honor Roll (2022-present), winning 2nd place in World Language-Short Story in 2025, and taking numerous enriched and dual enrollment courses through Gillette College, reflect his dedication.

The son of Bruce and Angela Steele, Gavin enjoys golfing with his family, reading fiction novels, and playing video games with his friends and sister. His character is marked by kindness,

motivation, and a desire to give back, as he plans to pursue a degree in Psychology at the University of Wyoming with the goal of helping others and contributing to his community.

Campbell County High School Teacher Troy Nellemoe speaks highly of Gavin and shares, "Gavin's classroom motivation is shown in his excellent study habits, kind and helpful personality, and his resilience. His drive in science encourages the drive of those around him. We need more Gavins in our classrooms! Congratulations and good job, Gavin."
