

WANTED: FUREVER HOMES

Adopting a shelter pet is easy, and it's the best way to stop widespread animal suffering

TWISTER

Australian Kelpie • Female • Young

Current on Vaccinations • House-trained

Twister is a young and energetic girl looking for an active home that can give her lots of love and attention. She has a high prey drive, so a home without small dogs or cats is required.

ALVIN

Domestic Short Hair • Male • Adult

Current on Vaccinations • House-trained

Alvin is a big, laid-back guy with a gentle soul who loves nothing more than a good petting session. His front paws are declawed, so he needs an indoor-only home to be pampered in.
