

Congrats!!

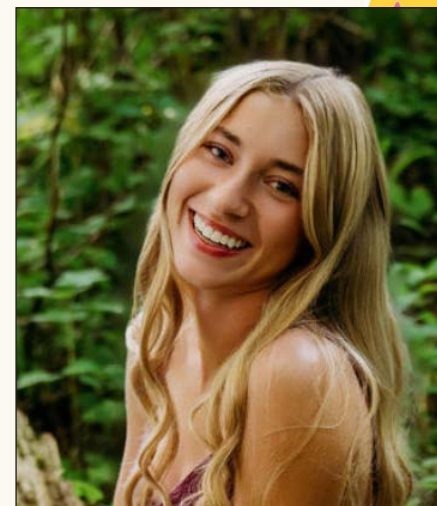

Student Of The Week

Well Done

ELEANA GARCIA

Thunder Basin High School

Thunder Basin High School Senior Eleana Garcia is an exceptional leader, excelling in both academics and athletics. As a dedicated student-athlete, she represents the school with pride, integrity, and sportsmanship on the tennis and basketball courts. In tennis, she was named All-State twice and All-Conference in singles, breaking a school record. The dedication to her roles and studies is unwavering, a testament to her reliability and commitment. Beyond athletics, Eleana has demonstrated outstanding leadership as both Junior Class President and Senior Class

President, always striving to make a positive impact on her classmates and school community. She is in the Student Council, the National Honor Society, and the National Art Honor Society.

The daughter of Sammy and Bobbie Garcia, Eleana has high ambitions and plans to earn her master's degree in speech-language and hearing science. Her goal is to work with kids in the school district, a future that promises outstanding contributions to her community.

Thunder Basin High School Art Teacher Mrs. West shares, "As Class

President, a proud member of the National Art Honor Society, and an active voice in Student Council, Eleana leads with passion and purpose. Known for her quick wit, creativity, and artistic flair, she brings energy and joy to everything she does. Her dedication and work ethic are unmatched, making her a senior who not only stands out but truly deserves to be celebrated."

Thunder Basin High School Principal Mike Daniel adds, "We are proud of Eleana and all she has done for our school. Her future is very bright, and we are excited to see all the things she

accomplishes after graduation."

Eleana truly embodies what it means to be Bolt-driven, compassionate, and inspiring to all who know her.

The Student of the Week is sponsored by the Gillette News Record, The Campbell County School District and the businesses on this page. The student from the county's junior high and high school ranks, is chosen by the school district. In addition to this special honor, the student receives a free day pass from the Campbell County Recreation Center and \$25 from the Gillette News Record.
