Student Of The Week

BRISBAN IVORY Twin Spruce Junior High School

Brisban Ivory, an 8th-grade student at Twin Spruce Junior High, is recognized for her hardworking nature, kindness, and leadership. She actively participates in softball, basketball, track and field, and as a Hope Squad member, demonstrating her commitment to both academics and extracurricular pursuits. Her goal of attending college to become a physical therapist highlights her ambition and dedication, inspiring her teachers to celebrate her achievements.

Twin Spruce Junior High teachers, Mrs. Matson—English Teacher, Mr. Stevens—Health Teacher, Ms. Boys—FACS Teacher,

and Mrs. Larson—Speech/Language Pathologist speak very highly of Brisbane and share the following:

"Brisban brings fantastic energy to the classroom. She has a remarkable ability to brighten the mood and enhance the learning environment through her positive interactions with other students and her genuine thoughtfulness and interest in learning. She is the kind of student every teacher hopes to have—hardworking, dedicated, and proud of the quality of her work—while also being kind to her peers and bringing a wonderful sense of humor that makes her a joy to be around. Brisbane approaches both academics and

athletics with determination, consistently challenging herself to excel, and she naturally leads with a positive attitude and strong character. Her kindness, respect for peers and teachers, and ability to form lasting connections are felt not only in the classroom, but throughout the halls of Twin Spruce Junior High and beyond. She is a delight to see each day and a student whose bright personality and leadership are valued by many."
