

December 10, 2025

Our Valued Customers and Vendors,

After 44 years of serving our community, I will be officially closing my business on December 20th 2025. This was not an easy decision, but it is the right one for myself, my family, and my employees.

I want to extend my heartfelt thanks to each of you. Your loyalty, trust, and continued support over the decades made it possible for my business to grow, overcome challenges, and remain a proud part of this community. Whether you were with us from the early days or joined us somewhere along the way, we are genuinely grateful.

To our customers – thank you for choosing us, recommending us, and standing by us.

To our vendors – thank you for your partnership, reliability, and dedication. We could not have operated successfully for so many years without you.

As we begin closing operations, we will do our best to ensure that any remaining commitments are completed or properly transitioned. If you have any questions, please feel free to reach out.

Thank you again for the past 44 years. It has been an honor to work with you.

With gratitude,

Greg Dougherty
