

# MEMORIAL DAY

A day we honor our loved ones by decorating their final resting place. This act of remembrance can be done any day of the year, but it's especially poignant on this national day.

As we continue to maintain the beauty of our cemeteries we remind you that all temporary decorations need to be removed by **June 8th**.

*If you have any questions, please contact our office at 307-682-3125.*
