

Congrats!!

Student Of The Week

JACKSON ROBB

Wright Junior-Senior High School

Wright Junior-Senior High School Senior Jackson Robb exemplifies leadership and excellence as a role model for his peers. He actively participates in football, basketball, and track, always striving to excel in every sport. He is an All-State track athlete, and his academics and athletics are important to him, which highlights his positive influence within the school community.

The son of Mandy and Justin Robb, Jackson loves the outdoors and enjoys hunting, fishing, and camping. He values his family and friends and loves spending quality time with them. Jackson's plans include pursuing a degree

in diesel technology at Sheridan College.

Wright Junior-Senior High School PE Teacher Wade Messner shares, "Jackson demonstrates tremendous leadership within the class as well as on the field. He is always willing to help coach other kids in the skills necessary in the classroom and on the field. He is the consummate role model for his peers, regardless of the sport or activity. He has been an all-state track athlete and continues to look at ways to get better on the academic side and in the athletic world."

The Student of the Week is sponsored by the Gillette News Record, The Campbell County School District and the businesses on this page. The student from the county's junior high and high school ranks, is chosen by the school district. In addition to this special honor, the student receives a free day pass from the Campbell County Recreation Center and \$25 from the Gillette News Record.
