Just thought I'd let you know
How bad is Casper getting hit?

11/30/19, 12:17 PM

Patrick Davidson's iPhone (+13076809127)

8 inches or so. Still snowing - no wind, yet

11/30/19, 12:30 PM

Louise Carter-King (3076801532)

Maybe it won't

11/30/19, 12:31 PM

Patrick Davidson's iPhone (+13076809127)

It's supposed to but we can hope. Driving back tomorrow doesn't look like fun

Regarding Shays email they should be contacting the county

12/2/19, 1:42 PM

Patrick Davidson's iPhone (+13076809127)

I sent a response. Not a county issue but a landlord issue (private drive)

Sounds good

12/3/19, 8:10 AM

Louise Carter-King (3076801532)

Good morning Pat
Geno said we could do some Xmas videos with council before the meeting tonight. Maybe start at 6 with videos and then come back up for meeting or vice versa?
What do you think? We have pretty light pre meeting. As well as meeting!

12/3/19, 8:13 AM

Patrick Davidson's iPhone (+13076809127)

You have to start the meeting at 6:00. You can always immediately adjourn and go down stairs for videos. I figured to fill in the pre meeting with an exec to follow up on my morning meeting with the school on SRO and aquatics, but we can skip that.

12/3/19, 8:14 AM

Louise Carter-King (3076801532)

Ok. I think since council asked about it (shay) we could go ahead. We might still have time for exec anyway

12/3/19, 8:15 AM

Patrick Davidson's iPhone (+13076809127)

Sounds good.

12/3/19, 8:16 AM (Viewed 12/3/19, 8:17 AM)

Louise Carter-King (3076801532)

Maybe Jennifer could send out a heads up to council in case they want to wear their best jeans 😎

12/3/19, 8:18 AM

Patrick Davidson's iPhone (+13076809127)

Ok. I will have her reach out to them.

12/3/19, 8:33 AM

Patrick Davidson's iPhone (+13076809127)

Remember, you likely should not say Merry Christmas but should use Happy Holidays or Seasons Greetings

12/3/19, 8:34 AM (Viewed 12/3/19, 8:41 AM)

Louise Carter-King (3076801532)

Pat I think we better maybe say both. I know we would hear about it if we didn't

12/4/19, 8:21 AM

Patrick Davidson's iPhone (+13076809127)

Mayor, I spent a lot of time last night on the text/voicemail issue. I think you need to visit with Wendtland on it so that he knows the nature and the extent of what was said. That puts him in the best position to figure out the proposed release for Reyes. I can visit with him, but I don't know what was said, when calls were made, etc. He will likely need that information and you have it.

12/4/19, 8:22 AM

Louise Carter-King (3076801532)

Lord. I hope I can remember
Can you send me his number?

12/4/19, 8:22 AM

Patrick Davidson's iPhone (+13076809127)

Yes

12/4/19, 8:23 AM

Patrick Davidson's iPhone (+13076809127)

I called him and talked to him
I will tell you later

12/5/19, 1:12 PM

Patrick Davidson's iPhone (+13076809127)

Jessica Sedars wants city employees to light off fireworks so she doesn't have to get insurance. We can't take that responsibility. Janie told her no. Kent told her no. Sawley told her no (she said that you gave permission with the letter). Only time before she goes to either you or i. Wanted you to have heads up

12/5/19, 1:35 PM (Viewed 12/5/19, 1:38 PM)

Louise Carter-King (3076801532)

Ok. I will say no. I never said that. She told me that Mark Anderson from college was going to

12/5/19, 1:39 PM

Patrick Davidson's iPhone (+13076809127)

College doesn't have coverage and Jessica won't buy. She was bluffing Sawley - he knows what the letter says

12/5/19, 1:40 PM (Viewed 12/5/19, 1:56 PM)

Louise Carter-King (3076801532)

Ok good

12/6/19, 12:06 PM

Patrick Davidson's iPhone (+13076809127)

Good afternoon Mayor. Since you have a meeting with Phil on Monday, I wanted to reiterate what I told him. I did not say I was in favor of it being on the ballot. I did suggest that overall it would be useful if it could pass, and that he needed a clearly defined plan of how to use the funds. Didn't want Phil to throw me under the bus.

12/6/19, 12:57 PM (Viewed 12/6/19, 1:00 PM)

Louise Carter-King (3076801532)

He better not

12/6/19, 1:48 PM

Louise Carter-King (3076801532)

Are you busy?

12/10/19, 3:51 PM

Patrick Davidson's iPhone (+13076809127)

Rusty turned in a liquor license application for transfer

12/10/19, 3:51 PM (Viewed 12/10/19, 3:52 PM)

Louise Carter-King (3076801532)

Ok

12/10/19, 3:54 PM

Patrick Davidson's iPhone (+13076809127)

He stopped by to visit for a few. He is telling CVB tomorrow that they don't have money right now to help build it out. He has the attorney general doing an opinion as to taxing for funds for college (the one we said we couldn't do 2 years ago). That is actually a positive thing. We can visit later

12/10/19, 3:55 PM

Louise Carter-King (3076801532)

Ok. So should I say what the city's position is?

12/10/19, 3:55 PM

Patrick Davidson's iPhone (+13076809127)

Let him set the tone then we can simply agree if necessary

12/10/19, 3:56 PM (Viewed 12/10/19, 3:59 PM)

Louise Carter-King (3076801532)

Well they were going to give me floor first but I can change that

12/10/19, 3:59 PM (Delivered 12/10/19, 4:00 PM)

Patrick Davidson's iPhone (+13076809127)

I don't see it as a big deal either way

12/10/19, 9:07 PM (Viewed 12/10/19, 9:58 PM)

Louise Carter-King (3076801532)

Pat I am truly upset at Bruce.
Most blatant display of conflict of interest I have ever seen!
I would like to get your opinion or some Attys position on what we can do in upcoming meetings. It was just embarrassing

12/11/19, 8:18 AM

Patrick Davidson's iPhone (+13076809127)

Good morning Mayor. The conflict is there but he acknowledged it and stated its existence. Frankly, it is not the worst the city has seen (Murphy has that honor) and is less detrimental or bad than those done by other, current council members because this is all above board.

While it is frustrating it isn't illegal to have the discussion. The vote is key and he knows that. I do think it is in bad taste, particularly to invite the lobbyist, but at this point there is nothing to act on

12/11/19, 8:19 AM

Louise Carter-King (3076801532)

Ok I just felt him trying to change the amount of permit or license is clearly a conflict

12/11/19, 8:20 AM

Patrick Davidson's iPhone (+13076809127)

It is a conflict but it is in the open and that is important. Obviously we haven't heard the end of it either

12/11/19, 8:48 AM (Viewed 12/11/19, 8:50 AM)

Louise Carter-King (3076801532)

No but I may shut him down anyway

The banquet was very nice
I was at cemetery this morning for wreaths deal and Rusty and DG were there
They told me Mark is planning on resigning Tuesday effective beginning of January
I will explain the details when we have a chance to talk about it
That should dominate the news because we or they will go through all the mess like we did
last time as far as choosing replacement etc.
Never a dull moment!

Patrick Davidson's iPhone (+13076809127)

We (the city) needs to leave all this stuff up to the county to figure out. I don't think we have the time, money or expertise to do this stuff right

12/20/19, 10:54 AM

Patrick Davidson's iPhone (+13076809127)

Patrick Davidson's iPhone (+13076809127)

According to Fire Dept own Facebook page: fire had 239 donations, law had 216 donations. Those are total donations. Team fire had 71, team law had 64. I do not have info on actual PD yet

1/3/20, 4:02 PM

Louise Carter-King (3076801532)

Ok. Said no one was there from PD. Maybe with Jim out nobody getting the word out

1/3/20, 4:03 PM

Patrick Davidson's iPhone (+13076809127)

I don't think Jim's presence has much to do with it. He has been here most of the past couple weeks. I'll find out more.

1/3/20, 4:03 PM

Good morning mayor. So I put Shay's list in an internet search engine. About 90% of what he wrote came from the goals of the city of Lakewood, Washington. Word for word. The balance appears to have come from the city of Champaign, Illinois. Thought you would be interested.

1/7/20, 8:15 AM

Louise Carter-King (3076801532)

Ha. We called that one

1/7/20, 8:34 AM (Viewed 1/7/20, 8:36 AM)

Tim said he's thinking about applying for commish 🤔

1/7/20, 8:44 AM

That would be interesting

1/7/20, 8:45 AM

Louise Carter-King (3076801532)

Surely he's kidding. He would have to go to meetings

1/7/20, 9:38 AM

I'm not certain. Full time job, similar compensation and full health insurance?

1/7/20, 10:23 AM

Louise Carter-King (3076801532)

He won't do it
I'm contemplating saying something about Mark tonight
During his reign we accomplished a lot? I know he ruined joint dispatch but he was good for the college. Would you think about it? Rusty will be there too

1/7/20, 10:25 AM

Patrick Davidson's iPhone (+13076809127)

Anything you say may get twisted around by the wing nuts. I would distance myself as far as you could. Not our circus or monkeys. We don't know all the background and what all is going on. You want to keep your name away from affairs, suicides and murders(?)

1/7/20, 10:26 AM

Louise Carter-King (3076801532)

I know but I really don't know anything about that
I did say he was good for college etc to NR.
Maybe I will
just let it go

1/7/20, 10:28 AM

Patrick Davidson's iPhone (+13076809127)

I think it's because we don't know enough about all those things is the exact reason to say nothing. NR will run stories but isn't going to let go of this. I think there is the potential for too big of stories

1/7/20, 10:29 AM

Louise Carter-King (3076801532)

Well I did give them a statement

1/7/20, 10:29 AM

Good morning mayor. I have two issues regarding Bruce that I need guidance on.
First he has a crappy vehicle on his property and the neighbors are complaining. The next step is Amy to send a letter.
Second, we do another \$30MM transfer next meeting. Should that be a separate agenda item like last night?

1/8/20, 8:36 AM

Patrick Davidson's iPhone (+13076809127)

That item would be available to the press as it is a Saturday topic. I still think that is ok?

From finance on fire Dept. The additional 5%, assuming the same operating budget, is about \$280k. This is over and above the \$300k (or whatever it was) they want for the new positions/raises.

Bottom line we will likely expend at least \$450k more from general fund for fire operations this year unless things change

1/23/20, 12:35 PM

Louise Carter-King (3076801532)

So total?

1/23/20, 12:46 PM

Patrick Davidson's iPhone (+13076809127)

This year city payment: \$1.96MM. Increase to 40% this year takes it to \$2.24MM. Now additional \$150k+ for new staff/raise takes it to \$2.4MM for general fund. Fleet at least \$500k from 1%

1/23/20, 12:49 PM

Louise Carter-King (3076801532)

So I will say we will consider giving 150k n they figure it out

1/23/20, 12:49 PM

Patrick Davidson's iPhone (+13076809127)

Yes, to be used as the board directs

Question - on council community service - do we address with commissioners the fact hospital has issues and reason we gave money to operate programs not make it look nice?

Good morning mayor. Did they make a selection last night?

1/24/20, 8:12 AM

Mckowen Raney and Fabres wife. Monkeys think if they can't get the guy they will get his

wife

Every seat was filled. We have to fumigate the chambers and I want a new chair. Vikki ruined mine I'm sure

Thanks. Or trade mine out with Shays. It's hard to believe those freaks live and breathe here. Wow. Palmer was clearly the most qualified but that doesn't matter to them

Let's give it a month or two more to get numbers in, and nearer a completion of ACO and city west.

In all seriousness, Geno is still working with the tech and computer people to figure out best options for speakers microphones and cameras. Probably couple weeks still to go there.

We will roll over the funds into the next budget to ensure it gets started no later than we have to

1/24/20, 8:30 AM

Louise Carter-King (3076801532)

Fine

1/24/20, 8:34 AM

needed to let someone know.

Thank you.

1/28/20, 6:47 AM

Good morning. I won't make it this morning. I will be there for noon meeting

1/29/20, 2:54 PM

Patrick Davidson's iPhone (+13076809127)

So, Tony was approached by Harvey Jackson regarding the lots the city owns down by the college. So far, Harvey has only left a couple of voicemails. Tony will get more info. Harvey wants at least one for coffee shop. Funny, nobody has approached the city for these lots in the past 20 years. Only now - after an executive session at retreat - does someone show any interest. Further, it happens to be the same exact plan as someone who attended that exec session.

1/29/20, 2:56 PM

Louise Carter-King (3076801532)

Pat that makes me so mad
They are not for sale as far as I am concerned

1/29/20, 2:57 PM

Ok. Hope Tony asks him where he got info on it

Second item. Bender was in my office today. He was wanting to discuss compensation plan. It is clear that our conversation with DG, Rusty and Carol went directly back to him. Not good at all. We need to be careful about those meetings

1/29/20, 3:00 PM

Louise Carter-King (3076801532)

He knew our plan?

1/29/20, 3:02 PM

We can shut those down and I will tell DG why

1/29/20, 3:02 PM

He knew that I had doubts as to why he picked certain departments on the comp plan. He said that he felt his credibility was being challenged in a back door manner. He did not say he knew the plan but I think he does

1/30/20, 12:59 PM

Patrick Davidson's iPhone (+13076809127)

I do. I visited with Sawley. His suggestion was to incorporate it into the master plan that we will need to have completed anyways. I think the Gering, Nebraska example of \$2.8MM is probably in the area. Sawley did say for \$500k to \$750k we could alter one of the fields at Dalby. I think it's an interesting suggestion but overall I don't like it. I want to force stuff to the ECSC

1/30/20, 1:00 PM

The CCCD people were interested in the project itself, not necessarily the financial side. Mike stayed and talked to them. Latta said we're bordering on mismanagement of funds because he paid off the debt 20 years ago (and cut everyone's salaries for 3 years to do so) and we should have been saving as much as the state would allow us to save for projects like this. And we should tap into all those savings for these critical functions before spending a dime on any other projects. Fortner said we should bond the project, a loan is the last thing we should do. The energy industry is fading away. They both wanted to know how much we had "saved" so Mike directed them to our CAFR on the website. Murray just wanted to make sure that larger users were paying their proportionate share.

Good morning mayor. Sales tax data is in. We are up over last month by about \$150k. Still well above budget for the month and the year. Overall up about 17% for the entire fiscal

Patrick Davidson's iPhone (+13076809127)

I'm sending you the email

2/6/20, 11:23 AM

Patrick Davidson's iPhone (+13076809127)

We have an angry citizen named Lance Gallion (he is part owner in G&G landscape). He bought a lot at 10th and Richards which has no water meter or tap and hasn't since the 1980s. He is demanding one at the city's expense. Cole, Ry and I have all told him it is the builder/owner responsibility. He doesn't like the answer. We have tried to be reasonable but he is not. He said he would "get the money one way or the other from the city" which I take to mean through our city contracts. Not cool. Thought you should know. Tony happened to sit in on the conversation just so you know.

I hate that guy is part of G n G
I wonder if his partners knows
He is part owner or do we know?

2/6/20, 11:38 AM

Patrick Davidson's iPhone (+13076809127)

Yes, he is part owner with his brother. Said Mike Cole is the biggest a-hole he had ever dealt with. Cole might be lots of things but I found this kind of funny. I'm sure Cole was respectful but firm as to the "no". It is unfortunate on bidding projects. I don't like contracts being threatened however.

Good afternoon Mayor. Couple of items. First I am going to need to be out of the office

Monday to get Liam lined out in Cheyenne. Didn't think I would have to but now looks like I should.

Second, Dana Miller Eiland has heard power 2 play might be coming here and wants an update. Don't know how she found out but now it is known.

Third, Tony did talk to Harvey Jackson. He was evasive as to how he knows of Econ develop of college lands. Claims he has always known the master plan called for coffee shop (untrue). Anyways our feeling is Shay but who knows

2/7/20, 12:40 PM

Louise Carter-King (3076801532)

It is Shay
As far as Dana goes there is nothing to update

2/7/20, 12:43 PM

Patrick Davidson's iPhone (+13076809127)

Dana will be reaching out to you. I would deny much of it.

Why? What does she want?

2/7/20, 12:45 PM

Patrick Davidson's iPhone (+13076809127)

Well if Cory can't get it who can?

2/11/20, 1:09 PM

Patrick Davidson's iPhone (+13076809127)

It is somewhat similar to how we did Condrey. City council didn't receive that info for individual raises. Cory is concerned about how some was determined. Overall he is pushing but knows nothing we do now will stop it

2/11/20, 1:10 PM

Patrick Davidson's iPhone (+13076809127)

It's these issues, though, that make the separation of fire seem real attractive some days

2/11/20, 1:10 PM

Pat we are sticking to our flat amount

2/11/20, 1:12 PM

Cory will be getting me a real rough estimate of budget. He expects overall ask for city to be in excess of \$500k.

I recognize we are sticking by the number. I am not sure council will stay unified in this one

Patrick Davidson's iPhone (+13076809127)

I will go then. If you would like to join me that would be good. I will not give them much room to gossip or crazy ideas for the paper. Bottom line - the implementation of budget changes now does not mean the city can or will fund them into the future

2/12/20, 1:19 PM (Viewed 2/12/20, 1:20 PM)

2/12/20, 1:21 PM

Patrick Davidson's iPhone (+13076809127)

Cory knows I'm thinking about it. Won't tell anyone else. I won't plan on speaking but if asked a question that is an easy response

2/12/20, 1:22 PM

Louise Carter-King (3076801532)

Ok I might come up if you have a minute. I hope they don't put us on the spot because we are not giving them 500k extra

2/12/20, 1:56 PM

Patrick Davidson's iPhone (+13076809127)

I think we need to see what their final budget looks like. Cory said that the new members of the board and the chief think we HAVE to give them the amount they demand. Cory has corrected the Chief. Del is pushing this all the way at this point

2/13/20, 9:56 AM

Patrick Davidson's iPhone (+13076809127)

I agree. You have 3 major issues here: (1) the JPA needs updated to clarify, (2) traditionally the fire Dept is micro managed by county so they believe they are controlled by county and (3) DG. You look at minutes and DG is way involved.

I am so sick of being treated like we are nothing but a check

2/13/20, 10:30 AM

Patrick Davidson's iPhone (+13076809127)

I will run numbers to some extent. Problem is we don't know final running request yet.

My comment as to holding back funding to this years is that we pay 40% of the agreed to number. We can agree to pay the old number plus our additional 5% or ???

2/13/20, 10:42 AM

Louise Carter-King (3076801532)

Ok. I want them to regret not including us or listening to us when we did meet with them I have lost any respect I had for Bender. He's been nothing but pretending that the city matters

2/13/20, 10:46 AM

2/13/20, 3:49 PM

Patrick Davidson's iPhone (+13076809127)

That's what our plan is to do. Look at all the good, the bad and what we can live with.

Met with Bender. Overall, it was a reasonably good conversation. I chewed on him a little but not bad. I think he is still getting influenced by DG or at least the board is.

He asked me the best questions which I think narrows down our issues.

What is the direction the city and county want from him. There is a disconnect from his board and the city and county. What level of service do the elected officials want? Do they want a fire Dept that is appropriate for our community? Do they want a fire Dept that appears to be good for our community? It's a legitimate question.

We can visit more so I can explain it better.

2/13/20, 4:19 PM (Viewed 2/13/20, 4:33 PM)

Louise Carter-King (3076801532)

Ok. I still think he is ignoring the fact that we are 50/50 partners with county on capital and damn near that on operations. We needed to be involved with compensation We have the expertise. The county doesn't

Mayor: I had a surprise visit from DG today, inquiring about fire Dept and salary. He was snooping for info but I didn't give him much.

Told him we had talked extra bodies not raises. Fire board chose raises. I told him the request is \$700k more to city than last year. He asked on their HR and I said our discussions and concerns not incorporated or followed up on.

He wants to talk fire update to JPA through small committee. He appeared only interested in volunteers not showing up.

I don't think he is happy, but I don't get the idea it is directed at us

I got the sense he is concerned

2/21/20, 1:16 PM

Louise Carter-King (3076801532)

Ok. Hopefully we will be prepared when we do meet

2/21/20, 1:16 PM

Patrick Davidson's iPhone (+13076809127)

I think the letter from city becomes irrelevant now

2/21/20, 1:17 PM

Patrick Davidson's iPhone (+13076809127)

Prepared in what context? He wants to talk budget immediately but the future of fire in near future

2/21/20, 1:17 PM

Louise Carter-King (3076801532)

Yes. Might as well have it all out when we meet. We should have exec before and tell council we will just tell them
They might as well hear it from us

2/21/20, 1:18 PM

Louise Carter-King (3076801532)

I meant prepared with demands we want before we agree to funding

2/21/20, 1:18 PM

Patrick Davidson's iPhone (+13076809127)

I think we need to figure out the board makeup first. You on board, etc. then go from there more steps

2/21/20, 1:19 PM

Louise Carter-King (3076801532)

I want to have our top 3 concerns or demands whatever we want to call them
Board makeup
Wright and ?

2/21/20, 1:19 PM

Patrick Davidson's iPhone (+13076809127)

You and I have lunch Monday. I will have more put together then for us to discuss.

2/21/20, 1:20 PM

Louise Carter-King (3076801532)

Ok. That's what I meant about being prepared to meet with them
They are going to be gutshot

2/21/20, 1:22 PM

Louise Carter-King (3076801532)

I will be blunt when we meet with them
They kiss Wrights ass but treat us horrible. We are tired of being out voted on everything
and taken advantage of

2/21/20, 1:27 PM

Patrick Davidson's iPhone (+13076809127)

In light of some of this do we still want Shay meeting? You had suggested Monday
afternoon

2/21/20, 1:29 PM

Louise Carter-King (3076801532)

I don't know what to think about the Corey and Shay situation
I think it's waste of time to meet with him but he wants to of course. Just get tired of his
communication platitudes
What do you think?

2/21/20, 1:29 PM

Patrick Davidson's iPhone (+13076809127)

Punt for now but that's my thoughts

2/21/20, 1:30 PM

Patrick Davidson's iPhone (+13076809127)

Again if plan is to remove Cory and Joe from board then that discussion might need to take
place first

2/21/20, 1:31 PM

Louise Carter-King (3076801532)

With council you mean?

2/21/20, 1:31 PM

Patrick Davidson's iPhone (+13076809127)

Yes

2/21/20, 1:31 PM

Louise Carter-King (3076801532)

I want wright guy gone

2/21/20, 1:31 PM

Patrick Davidson's iPhone (+13076809127)

But if Shay is still fired up then he will be a problem on this too

2/21/20, 1:32 PM

Patrick Davidson's iPhone (+13076809127)

Wright is long term issue that cannot be fixed right a way

2/21/20, 1:32 PM

Louise Carter-King (3076801532)

Yes he has his reputation ruined blah blah. I doubt anyone thinks any less of him then they already did

2/21/20, 1:33 PM

Louise Carter-King (3076801532)

Pat if you and I get on the board we would still be getting outvoted

2/21/20, 1:33 PM

Patrick Davidson's iPhone (+13076809127)

Getting this resolved with fire is an 18 month plus chess game.

2/21/20, 1:33 PM

Louise Carter-King (3076801532)

If he stays on funding will change immediately

2/21/20, 1:34 PM

Patrick Davidson's iPhone (+13076809127)

Yes, we get outvoted BUT they get a direct say from the funding entity. We don't block the vote but they also don't get to say we don't participate and they don't get to pull a fast one. We can tell them they approve but we won't fund...

2/21/20, 1:34 PM

Louise Carter-King (3076801532)

If county wants to pay their share so be it.

2/21/20, 1:35 PM

Louise Carter-King (3076801532)

Ok Pat do you think by Monday you can come up with a figure we can do? I will tell county they can get difference from Wright or themselves

2/21/20, 1:36 PM

Louise Carter-King (3076801532)

And we need to discuss fleet

2/21/20, 1:38 PM

Patrick Davidson's iPhone (+13076809127)

No. We cannot have numbers by Monday - not with reasonable certainty. We are months from solidifying any revenue numbers

2/21/20, 1:39 PM

Louise Carter-King (3076801532)

Pat I will push for you being on board. I will serve as well unless someone else wants to. I like you on there because you know our budget and your former job was an attorney 😎 I will tell council you are imperative to be on it, other position can be discussed

2/21/20, 1:40 PM

Patrick Davidson's iPhone (+13076809127)

We can likely pay same as last year plus the additional from 35% to 40%

2/21/20, 1:40 PM

Patrick Davidson's iPhone (+13076809127)

That doesn't take into consideration raises or extra staff

2/21/20, 1:41 PM

Louise Carter-King (3076801532)

That is ballpark I would like to be in. Maybe 225 more for staff and raises or is that too much?

2/21/20, 1:41 PM

Patrick Davidson's iPhone (+13076809127)

That is likely the ballpark

2/21/20, 1:42 PM

Patrick Davidson's iPhone (+13076809127)

So, meeting with county on 5th if possible. Meet with Shay Monday?

2/21/20, 1:43 PM

Louise Carter-King (3076801532)

I still hate it
I will tell county I don't like us paying 40 because of Wright
I guess. But hour at max. I will not have him drone on and on

2/21/20, 1:44 PM

Louise Carter-King (3076801532)

Do we know how much Grabick is asking for and do we have to have it on agenda the next week?

2/21/20, 1:54 PM

Patrick Davidson's iPhone (+13076809127)

I don't know how much he wants. He is set as part of the work session. Shouldn't be long

2/21/20, 2:04 PM (Viewed 2/21/20, 2:25 PM)

Louise Carter-King (3076801532)

Ok. Just didn't know if Ry would know anything

2/21/20, 2:25 PM

Patrick Davidson's iPhone (+13076809127)

He knows the basics to run the meeting

2/21/20, 2:26 PM

Patrick Davidson's iPhone (+13076809127)

Grabick won't ever tell us anything in advance. Only council

2/21/20, 2:26 PM

Louise Carter-King (3076801532)

Ok. Just sometimes I have questions on logistics but we can figure it out

2/21/20, 2:33 PM

Patrick Davidson's iPhone (+13076809127)

Grabick wants \$2500 evidently

2/21/20, 2:34 PM

Patrick Davidson's iPhone (+13076809127)

Easy to work into budget, tell him we will look at doing so

2/21/20, 2:35 PM

Patrick Davidson's iPhone (+13076809127)

I confused it with Woessner who indicated he needed something like \$6500 for traveling Vietnam memorial

2/21/20, 2:35 PM

Louise Carter-King (3076801532)

Ok. Oh yeah forgot about him. Ugh

2/21/20, 2:35 PM

Patrick Davidson's iPhone (+13076809127)

Indicated to county during meeting month ago

2/21/20, 2:35 PM

6500 total or each of us?

2/21/20, 2:36 PM

Patrick Davidson's iPhone (+13076809127)

Total I believe but he wants BBQ etc so need to listen to his request

2/21/20, 2:37 PM

Thank you for reaching out to her

2/21/20, 3:03 PM

Patrick Davidson's iPhone (+13076809127)

I forced HR to get coverage letter that I then sent to Diane with my apologies

2/21/20, 3:05 PM

Louise Carter-King (3076801532)

Ok but you did see email that I saw? Had John seen it?

2/21/20, 3:06 PM

Patrick Davidson's iPhone (+13076809127)

That one - yes I did see it. John must have seen it. I'll address that issue too

2/21/20, 3:07 PM

Louise Carter-King (3076801532)

Ok. Sorry. Hate to cause trouble but wasn't right blaming Diane

2/21/20, 3:08 PM

Hospital?

3/3/20, 4:14 PM

Patrick Davidson's iPhone (+13076809127)

Cop MOU. There is no ordinance involving college cops. MOU allows ticket writing authority into city court

3/3/20, 4:14 PM

Louise Carter-King (3076801532)

Ok. I was confused. Well should be easy to rescind if that's direction council chooses

3/3/20, 4:16 PM

180 day notice or 30 days after resignation by Hloucal as Chief.

3/12/20, 8:33 AM

Louise Carter-King (3076801532)

Fk. Let's be prepared. I think with the way the economy is now and how it will be then we will be ok being prudent. I will say we aren't even considering raises cuz of economy

3/12/20, 8:34 AM

What happens if they get stuck out of country for weeks? We don't have to hold jobs do we?

3/12/20, 10:56 AM

Patrick Davidson's iPhone (+13076809127)

Depending. May have FMLA issues. That is other parts of the issues

3/12/20, 10:57 AM

Patrick Davidson's iPhone (+13076809127)

Federal legislation working on this right now through senate and House

3/12/20, 10:57 AM

Louise Carter-King (3076801532)

Ok. So John is looking into that? At least they have to use their vacation I guess

3/12/20, 10:58 AM

Louise Carter-King (3076801532)

I just want to do everything we can to limit one of our employees spreading it

3/12/20, 10:58 AM

Patrick Davidson's iPhone (+13076809127)

Yes. These are the issues we are walking through right now. This is not just as easy as mandating it

3/12/20, 10:58 AM

Patrick Davidson's iPhone (+13076809127)

We can only limit to some extent.

3/12/20, 10:59 AM

Louise Carter-King (3076801532)

I know Pat. How about 2 I come over?

3/12/20, 10:59 AM

Sure. Anytime works for me

3/12/20, 11:00 AM

3/15/20, 5:55 PM

No school til April 3rd by the Governor

3/15/20, 5:56 PM

Patrick Davidson's iPhone (+13076809127)

Not exactly. Suggestion. Each district gets to decide

3/15/20, 5:56 PM

I can't imagine going against him

3/15/20, 5:57 PM

CDC now recommends cancelling events with over 50 participants. I will get SLT together in the morning to figure out what we can distance, do from home, etc

3/15/20, 5:58 PM

Louise Carter-King (3076801532)

Ok. There are cities in Colorado and Utah closing bars and restaurants

3/15/20, 5:58 PM

Patrick Davidson's iPhone (+13076809127)

You need to give some thought who you want to replace me as acting when/if I get it

3/15/20, 5:58 PM

Louise Carter-King (3076801532)

Don't get it

3/15/20, 5:59 PM

Louise Carter-King (3076801532)

I think we need to talk about slowly closing depts that can work from home

3/15/20, 6:00 PM

Patrick Davidson's iPhone (+13076809127)

I do not believe we currently have authority to shut down most events. Statute isn't clear for 1st class cities.

Agree on departments

3/15/20, 6:01 PM

Louise Carter-King (3076801532)

Let's check and see
I'm surprised Rec center hasn't been and senior center

3/15/20, 6:01 PM

I'd like to be at slt if you don't mind

3/15/20, 6:02 PM

You have no emergency powers by city code. You have broad powers for health and safety but no ordinances in place

3/15/20, 6:02 PM

Louise Carter-King (3076801532)

You run it I just want to hear what everyone thinks and ideas to do this

3/15/20, 6:02 PM

Let's me get ahold of SLT and start arranging the meeting. Will keep you posted.

3/15/20, 6:04 PM (Viewed 3/15/20, 6:06 PM)

8:00 tomorrow in 3rd floor conference. I have Ry, Cole, Chuck, Cindy, Brent, Sawley, Jennifer, and Tony. Michelle not back that early but Cindy is filling in for her. Waiting to hear from Cindy

3/15/20, 6:19 PM

Geno, Aguirre and Cindy have not yet responded. I presume they will be there

3/15/20, 6:27 PM (Viewed 3/15/20, 6:29 PM)

We need to ask slt to really be careful about traveling. And to talk to their people. If people

don't know now to stay home they should We need dept heads the most but even they could possibly work from home though that's not ideal
Also should talk about council meeting and precautions we should take

3/15/20, 6:30 PM

Patrick Davidson's iPhone (+13076809127)

I made a list last night I'm working through

3/15/20, 6:30 PM

Patrick Davidson's iPhone (+13076809127)

Lots of things we should just shut down.

3/15/20, 6:30 PM

Patrick Davidson's iPhone (+13076809127)

It's going to cost money but in long run not enough to matter

3/15/20, 6:31 PM (Viewed 3/15/20, 6:32 PM)

Louise Carter-King (3076801532)

Pat this is crazy. They are comparing us to Italy about 2 weeks ago
I would think planning would be relatively easy to send home
We need to think how we could minimize customer service exposure to the public

3/15/20, 6:33 PM

Patrick Davidson's iPhone (+13076809127)

We will walk through every floor, area by area. Building inspections go home, planning go home. Customer service needs to vary operations. Mail or credit card over phone or drop off in drop box. Lots of things we have discussed last few days. Just need to implement

3/15/20, 6:34 PM (Viewed 3/15/20, 6:35 PM)

Louise Carter-King (3076801532)

Yes. We got this

There is more than just bills and claims. That is the most vital, but uncontested or small engineering projects are also on consent. Just so you are clear.

I am not comfortable extending this meeting out any longer than necessary for Tim's land board request. We need to get in and out. We aren't even in control of that mess. The exception is if we can use this to get rid of Skyler

3/17/20, 8:45 AM

He wants to just bid out or just award. Some could be done that way but membrane roofs are different. He also wants to work with "a company he knows" from out of state. Bottom line he doesn't want CMAR which is how the majority of board wants to proceed

3/17/20, 9:39 AM

They are being led down a horrible path. This can and will get ugly really fast with poor advice. Just watch Lander, you'll see it become an epicenter and our first death(s) will be from there. We don't want to be on that radar. Patel is not looking at the science, just at his outdated knowledge.

Medical facilities can be quickly over run with this virus and in little position to do much. Our citizens are being put at exceptional risk without knowing it by CC leaders.

Ok. I'm sure that's what Tim wants to discuss is the decision of CMAR and bidding it out

I'm getting info - waiting to forward to you

Ok

3/17/20, 3:34 PM

Patrick Davidson's iPhone (+13076809127)

3/17/20, 3:35 PM

Louise Carter-King (3076801532)

Ok. Hope it's simple

At some point we need to address with citizens. We know when it's out. Dozens of calls from citizens within minutes doesn't really help with limited staff

3/17/20, 3:36 PM

Patrick Davidson's iPhone (+13076809127)

Outage is a small area of Westover, Hidden Valley, Westridge and Pronghorn Ranch area. Per SCADA, an auto switch opened up causing the fault. It's downstream from the Hidden Valley Substation. It is not related to this morning's outage.

Good morning mayor. I'm going to try working from home today.

Council is to host senior center luncheon on the 26th (next Thursday). Recommend you cancel

3/18/20, 7:46 AM

Louise Carter-King (3076801532)

Yes. Cancel

3/18/20, 7:47 AM

Patrick Davidson's iPhone (+13076809127)

Will do. That was also dealing with census - we will come up with another day and different plan

Louise Carter-King (3076801532)

Ok. Storm tonight?

3/18/20, 8:01 AM

Louise Carter-King (3076801532)

Pat could you think about and have staff think about how we could possibly let people adopt pets? In Colorado they have set up a way for people to make appts and only come in one at a time. With people stuck at home its a good time. Also maybe reduce number of pets for staff to take care of. Ask staff to brainstorm or research?

3/18/20, 8:02 AM

Patrick Davidson's iPhone (+13076809127)

The underlying issue is people want/need to shop for them, interact with them before hand

3/18/20, 8:03 AM

Patrick Davidson's iPhone (+13076809127)

And they bring their kids

3/18/20, 8:04 AM

And then people return them in a day or two

3/18/20, 8:05 AM

Louise Carter-King (3076801532)

Yes. Well if we could look into it
Other places are doing it
I agree there is risk but if we could just research and see what we could do to minimize risk. Video animals? No more than 2 people at time
I don't know. Obviously I have too much time on my hands 😎

3/18/20, 8:05 AM

3/18/20, 11:54 AM

3/18/20, 11:58 AM

Talked with PD regarding animal control. Have 2 employees out this week so can't alter adoptions until late next week at earliest. Depending on staffing we might be able to do certain limited dealings with public. Perhaps outside in the big open kennel areas we toured. They are getting back to me with possibilities

3/18/20, 1:43 PM

Louise Carter-King (3076801532)

Ok thanks Pat

Talked to Robert on land board. They all want the meeting to get contractors lined out this spring. They are doing the meeting in the area where we did dinner last week to maintain big distances. Part of their push is getting their budget approved for city and county. As of today nothing yet from county HR as to what salary study says. Robert thinks Jeff holding line on budget, but acceptance of staffing study licks us in for the future. Not good

Just talked to Jeff at Camplex. They still don't have anything useable from county HR. County HR not making right changes, has positions wrong, etc. He is having Rene create it using some of county numbers. Such a mess. Anticipate no change really to that portion of budget

3/18/20, 2:03 PM

Louise Carter-King (3076801532)

Ok

3/19/20, 7:28 AM

Louise Carter-King (3076801532)

Good morning Pat
I had a question about rent. A lady asked if people can be evicted. I saw the president talk about it but didn't know what to tell her

I can email you if that's easier to get question out

3/19/20, 7:30 AM

Patrick Davidson's iPhone (+13076809127)

As far as I know. The government short of marshal law has no ability to interfere in the private contract. However the circuit court could cut her slack potentially

3/19/20, 7:33 AM

Louise Carter-King (3076801532)

I may email Tony. I am sure we will hear more about this

3/19/20, 7:44 AM

3/19/20, 7:45 AM

Patrick Davidson's iPhone (+13076809127)

Also notice how every organization that can is tying their operations to the school resuming. Alex is going to come under lots of pressure soon

3/19/20, 7:47 AM

Louise Carter-King (3076801532)

Pat I saw where congress is looking at suspending the law or rule about not being able to vote remotely because they have members of Congress sick
Alex better not buckle. I think a lot of parents would not send their kids

3/19/20, 7:48 AM

Patrick Davidson's iPhone (+13076809127)

I saw that on Congress too. Do you want us to find a way to bend the rules for council?
(You are not impacted by what congress does, they have different laws to follow)

3/19/20, 7:51 AM

Louise Carter-King (3076801532)

If you don't mind. We don't know what next few weeks will look like and we should be prepared if members of council and myself get sick. If we had to cancel a meeting cuz of quorum hopefully we could still vote
Pat the county is telling groups they still have to present at county next week for 1%. Are they insane?

3/19/20, 7:54 AM

Patrick Davidson's iPhone (+13076809127)

We will start working on it. You will get a cautionary warning from Cindy, Tony and I just so we are on the record.

County refuses to acknowledge anything.

3/19/20, 7:55 AM

3/19/20, 8:08 AM

Louise Carter-King (3076801532)

Council of community services is having an emergency meeting today. I asked Wendy to ask board to use that 250k to help people with rent etc
She will let me know
If we could have a question page maybe it would help
Obviously we have to step up since no one else is

3/19/20, 8:10 AM

Patrick Davidson's iPhone (+13076809127)

Agree we have to provide more info, but I would caution that the public needs to be involved too. They should call businesses to see if open, etc. we will not have everything and will be criticized accordingly.

Geno sent email to start figuring it out. Hoping chamber can help him in this

3/19/20, 8:13 AM

Louise Carter-King (3076801532)

Ok thank you. Do you mind if I ask the governor on the rent question? I don't know if he could ask landlords for temporary relief or what he has authority to do. Ask people to just be human?
Hell Pat I feel ill equipped to answer these questions except to steer them to CCS which I hate overloading them as well

3/19/20, 8:18 AM

Patrick Davidson's iPhone (+13076809127)

You can forward your questions however you like mayor. You can ask landlords to be nice but you have no authority over the jerks. Short of martial law the governor cannot either.

These questions are handled by attorneys and the state bar every day with or without a virus. The same questions are raised when people lose jobs, are laid off, etc. we get them all the time. The difference is you are now getting them because they think you can help. There is really little new with some of these things that SLT deals with daily. Council and you just weren't aware because we run the city pretty efficiently

3/19/20, 8:19 AM

Louise Carter-King (3076801532)

I know we do. This is just such extreme circumstances I hate just answering no But I better start

3/19/20, 8:20 AM

3/19/20, 8:43 AM

The consequence of having everything made in China. China doesn't fill orders for medical supplies when we need them.

I also suspect in the end billions were stolen that should have been for supplies but no one paid attention. Like the \$600 toilet seats of the '80s. Remember that mess?

3/22/20, 7:43 PM

Louise Carter-King (3076801532)

Ok. Well then do you think Council Skypes in or what?
April 7 going to be very interesting I'm going to send you something that talks about the math. I think it's probably far fetched but maybe not.
If this lady is half right it will be catastrophic

3/22/20, 7:43 PM

Louise Carter-King (3076801532)

Because I like numbers, math, science and rationalization, I'm going to break this down for you for a second about why we should be taking this social isolation thing seriously. I'll use Campbell County as a reference and statistics from the article I posted a couple of days ago (in case you'd like to refer back to it).

CC population = 46,242

We have 1 reported case but statistically there are 27 times the number of reported cases just floating around out there either with minor symptoms or no symptoms just out there spreading the germiness.

It takes, on average, 6.2 days for the number of cases to double. So by the following dates we can anticipate this many "actual" cases (not necessarily diagnosed or test confirmed)

March 26th = 54 cases

April 1st = 108 cases

April 7th = 216 cases

April 13th = 432 cases

Now lets's stop there. So in 3 1/2 weeks' time, we will have 432 cases in Campbell County. 20% of those cases, or 86.4 people, will require hospitalization. Does anyone know how many beds CCMH has (I actually don't know this, so legit asking?)?

5% of those cases, or 21.6 people, will require stays in the ICU. I do know how many ICU beds CCMH has. Twelve. So where are the other 9.6 people going to go? Because remember this is nationwide so Denver, Rapid, Billings and everywhere is going to have the same problem.

2.5% of those cases, or 10.8 people, will need intensive help via ventilators or ECMO's. I also know how many ventilators CCMH has. Eight. So pick 2.8 people to die because we can't offer them enough medical support, right here in our county, in the next 3 1/2 weeks.

At this point the fatality rate is 3.4% which means that 14.7 people will die, right here in Campbell County because of COVID-19 and this is a moderate estimate. And that's only on cases through April 13th. So... is anyone ready to 100% hunker down yet and let this thing ride out from the safety of your own house?

3/22/20, 7:51 PM

Patrick Davidson's iPhone (+13076809127)

Numbers are similar to what I've seen done in other analysis. I ran 80% infection rate, 10% of that requiring advanced medical and 5% of that requiring intubation. Results are basically the same. We have insufficient supplies. Assumes lots of things which prove right

in some parts of the world but not others.

I'm trying to simply buy time with the budget with my proposal. Time gives you financial options to logically implement.

As a society and as a country we are going to have to decide at what point is the global economy more valuable than a few hundred thousand lives. Unfortunately that is the ultimate question.

3/22/20, 7:51 PM

Patrick Davidson's iPhone (+13076809127)

As for April 7th we will have it figured out before then

3/22/20, 7:52 PM

Patrick Davidson's iPhone (+13076809127)

I anticipate a phone video option but it must be for emergency use in the future and not standard way of doing business when this is all over

From Hloucal:

Frontier bowl is closed and has signs up saying they are completely closed until April 6. Camel Lanes said they are not having any league bowling and are only doing food delivery or selling package liquor take out. Bell Knob was closed also. County Club was packed. We're telling them to close the club house. They can only sell package for anyone golfing which looks like they can still operate.

3/23/20, 4:13 PM

Patrick Davidson's iPhone (+13076809127)

Scratch that. Country Club was not packed. Just the parking lot. They have the bar closed and blocked off. They are restricting entry to the building to 5 or less people at a time to pay to good etc. They are staggering people golfing to reduce interactions. So looks like all 4 places were in compliance. Not sure where the info is coming from.

I know this is a rhetorical question

Louise Carter-King (3076801532)

If people had sense we would not be in this no win situation.

I think the fields and practice fields should be considered outdoor Rec centers where multiple people congregate and can't or don't use social distancing so yes let's shut them down

The governor is discussing Order #1. It does not allow delivery of alcohol, it continues drive up windows. It does not change local ordinances or code. It would allow a retail to sell package, which they already do. It does not allow bars and grills to do anything related to booze because they can't sell for offsite consumption. 4/4/20, 10:19 AM (Viewed 4/4/20, 11:02 AM)

Louise Carter-King (3076801532)

Pat I think we should consider having our cops and anyone who is in contact with the public wear masks. I would like to ask the public to wear hand made or anything but N95 I've been talking about it with Geno.
We should lead the way as usual

4/4/20, 11:04 AM

Patrick Davidson's iPhone (+13076809127)

Let me see what we have in our own stock that PD can use. You don't want N95? You want to make the suggestion public via Facebook? Have you visited with council and public health? Just asking so I know where we are going with this

4/4/20, 11:08 AM

Louise Carter-King (3076801532)

Geno said public health already talking about it. I don't want general public wearing N95. homemade should be fine
Want our cops protected first but I know if we leave it up to them most would not wear them
Follow cdc recommendations
I got a text last night from Ted Jerred asking city to lead the way on this. He's about as conservative as they come
If people aren't staying home at least urge people who have to go out to wear them

4/4/20, 11:09 AM

Louise Carter-King (3076801532)

I will send a text to council asking if anyone has an issue with it

4/4/20, 11:11 AM

Patrick Davidson's iPhone (+13076809127)

Let me visit with PD. Jim will have to issue order and amend SOP to get it going. If we mandate masks for employees I think we have to provide them per fed employment law

4/4/20, 11:12 AM

Patrick Davidson's iPhone (+13076809127)

I don't know if we have them to use that way

4/4/20, 11:15 AM (Viewed 4/4/20, 11:16 AM)

Louise Carter-King (3076801532)

Ok. That is where I would like to use home made if possible. CCH has levels of risk which shows what type of mask to wear for their employees.
I would like employees who have any contact with public to wear them
I believe our cops should to show the public how serious we are taking this

4/4/20, 11:17 AM

Patrick Davidson's iPhone (+13076809127)

That's fine but fed law says we require it then we have to provide them. I'm inquiring with Aguirre as to how it works.

I have text into Jim to see what he has on hand to use

4/4/20, 11:18 AM

Louise Carter-King (3076801532)

Ok thank you

4/4/20, 11:18 AM

4/4/20, 11:19 AM (Viewed 4/4/20, 11:20 AM)

Louise Carter-King (3076801532)

I am thinking only employees who have contact with public and when they are in public
Getting mail etc

4/4/20, 11:29 AM

Louise Carter-King (3076801532)

Maybe save n95 for when it gets worse. Cops could wear home made or procedural masks
until it gets worse

4/4/20, 11:43 AM

Louise Carter-King (3076801532)

Council would like to see this too. Lead by example etc

4/4/20, 11:44 AM

Patrick Davidson's iPhone (+13076809127)

I've visited with Hloucal and Aguirre and reviewed fed law quickly. If we require it then we
must provide them. So we cannot order it. We have only N95 masks and less than a weeks
worth for PD. There are insufficient numbers of other masks available from any source. We
don't have them and can't get them.

You have Geno craft a statement asking people to stay inside. If people go outside in areas
with public, to please cover their nose and mouth. Suggest people make own masks and
there are lots of videos on-line. State that you are leading by example for the community.

Thoughts?

4/4/20, 11:45 AM

Louise Carter-King (3076801532)

If we can acquire masks other than N95 can we enforce?

4/4/20, 11:46 AM

Louise Carter-King (3076801532)

Home made?

4/4/20, 11:46 AM

There aren't masks to be had

4/4/20, 11:46 AM

Patrick Davidson's iPhone (+13076809127)

Home made is fine if you ask them to do so. If we order it we have to provide them

4/4/20, 11:47 AM

Louise Carter-King (3076801532)

Ok. I will check on supply and how we can get more

4/4/20, 11:48 AM

Ok and I will check with Boller from cch. She already has a drive going

4/4/20, 11:53 AM

Patrick Davidson's iPhone (+13076809127)

Ok. But to be clear, if you mandate it they have to be factory not homemade

4/4/20, 11:54 AM (Viewed 4/4/20, 11:58 AM)

Louise Carter-King (3076801532)

Ok I guess it's not possible then. Hope we don't get sued by not protecting our cops

Patrick Davidson's iPhone (+13076809127)

We can't be sued for it.

4/4/20, 12:01 PM

4/4/20, 12:04 PM

Patrick Davidson's iPhone (+13076809127)

In the meantime is Geno preparing a statement or do I need to visit with him on it

4/4/20, 12:08 PM

Louise Carter-King (3076801532)

We talked about it. I would like him too. I was hoping if we asked public we could say we are requiring our employees to do so as well. Maybe we can just say we are skiing them to since masks are scarce

4/4/20, 12:10 PM

Patrick Davidson's iPhone (+13076809127)

I think asking is great and we should for public and staff. Once he drafts something let me know and we can all visit. I wish public health or governor would just order us all home for 10 days just to see what happens

I know one think we will buy a lot of in the next year or two. I'm making a shopping list for the city when this is over

4/4/20, 12:11 PM

Louise Carter-King (3076801532)

Good plan

4/4/20, 12:13 PM

Patrick Davidson's iPhone (+13076809127)

Agree. It's not time for everyone to take day and go to the store

4/4/20, 1:24 PM

Louise Carter-King (3076801532)

And since Walmart took the step I think it's making people go to Smiths and Albertsons so they don't have to wait in line

4/4/20, 1:25 PM

Patrick Davidson's iPhone (+13076809127)

Likely. Worried about lines getting into Walmart now

Thank you! I want one

4/6/20, 1:57 PM

Louise Carter-King (3076801532)

Can I just give the number to call to Michelle or whoever can buy them? I am sure it will take a credit card

Yes

Louise Carter-King (3076801532)

Ha rightly so

4/7/20, 9:31 AM

Patrick Davidson's iPhone (+13076809127)

Cory called. Fire Chief is presenting 2 different budgets tomorrow night that is in excess of what city and county have agreed to do. Appears Cory and Case won't support but county appointees and Wright will. Cory just giving me heads up. One budget sounds like \$300k more than what we said, other is \$600k more than what we said. Cory talked to Rusty as well, Rusty asked them to hold line. Cory told him that he doesn't have votes to stop it

4/7/20, 9:32 AM

Louise Carter-King (3076801532)

We aren't budging

Wow. And you explained that to dg.

4/8/20, 6:08 PM

4/8/20, 6:09 PM

Patrick Davidson's iPhone (+13076809127)

They have to cut, or ask funding agencies for more

4/8/20, 6:09 PM

Patrick Davidson's iPhone (+13076809127)

You are forcing them to a budget. Never done before

4/8/20, 6:09 PM

Louise Carter-King (3076801532)

Good

4/8/20, 6:10 PM

Patrick Davidson's iPhone (+13076809127)

If council holds together

Patrick Davidson's iPhone (+13076809127)

No

4/8/20, 6:15 PM

Patrick Davidson's iPhone (+13076809127)

So, taking the \$2.4MM as the city payment, the entire fire budget for ops should be about \$6MM. So if there is a vote above \$6MM for operations, you know there is an issue

They do it backwards as far as discussion

4/8/20, 6:51 PM

Patrick Davidson's iPhone (+13076809127)

Good in fact we made progress and some divisions really stepped up. Terrible in what all we are having to do. In light of our WAM meeting \$5MM isn't likely enough

They could if they held off on raises couldn't they?

Real close. At least 2

4/8/20, 8:02 PM

4/8/20, 8:03 PM

4/8/20, 8:06 PM

Patrick Davidson's iPhone (+13076809127)

If they want to forgo fleet they could have the \$250k for operations. Same expense from 1% as we look at building budget

4/8/20, 8:06 PM

Louise Carter-King (3076801532)

I thought we said no? Pat they really have to make tough decisions. Next year will probably be worse

We did because we were not putting fire into 1%

Good morning mayor. FYI got phone from Cory last night. He thought a few on board didn't necessarily realize we were on the phone so they got caught off guard slamming us that way in public then being called out on it.

Case sent me text messages thanking us for holding the line on the board and Bender. He is worried about who to get to replace Cory and will come up with suggestions

4/9/20, 8:11 AM

Louise Carter-King (3076801532)

Let's leave in budget for now

I think council needs prepared to cancel the splash park and field 4 for now. We do have to get them done before Spring 2022 but we have time.

We also need to discuss closing the pool for the summer

4/9/20, 12:23 PM

When is date we have to cancel by on either or both?

He is the public health

4/14/20, 2:22 PM

Ok. That's good I guess
All or nothing

Let's talk about it. Probably doesn't. Most people won't read if it's too long. But I don't think it will hurt anything

I bet we will hear about Garf request. She makes a good point

4/14/20, 4:13 PM

Louise Carter-King (3076801532)

If council decides to give mainstreet the extra 5k where does it come from?

4/14/20, 4:14 PM

Patrick Davidson's iPhone (+13076809127)

It comes either from increasing the 6% or taking from someone else. Numbers are that tight. I'm ok with going above the 6% if we need to

4/14/20, 4:14 PM

Louise Carter-King (3076801532)

Could you ask Chief to see how much domestic violence calls have increased and be prepared to discuss them?
I thought we were at 6.5?

Patrick Davidson's iPhone (+13076809127)

Yes 6.5

4/14/20, 4:16 PM

When we talk about social agencies will the letter be read from Garf?

4/14/20, 4:16 PM

Patrick Davidson's iPhone (+13076809127)

Domestic calls do not equate to GARF. Can't use one to determine the other. I will ask

4/14/20, 4:17 PM

Patrick Davidson's iPhone (+13076809127)

No. Garf is not on the agenda

4/14/20, 4:17 PM

Per council

4/14/20, 4:18 PM

I thought we referred people to Garf? What would we do with battered women or men if there wasn't Garf?

4/14/20, 4:19 PM

Patrick Davidson's iPhone (+13076809127)

People go to Garf and get referred to Garf. Battered people do not always report to law enforcement

4/14/20, 4:20 PM

Louise Carter-King (3076801532)

True. I just remember when Garf was started city and county housed battered women. Usually in hotels

4/14/20, 4:34 PM

Patrick Davidson's iPhone (+13076809127)

Agree it needs to be seriously looked at. All agencies will request more and blame covid.
Some is legitimate.

Although, could be like Dana Miller Eiland claiming she is essential business because she makes signs for the hospital. Everybody wants their chance at Covid money or Covid sympathy

4/14/20, 4:35 PM

Louise Carter-King (3076801532)

Ha. True

4/14/20, 4:35 PM

4/14/20, 4:36 PM

Louise Carter-King (3076801532)

Ok. It makes sense calls have gone up. My house could be next 😎
Garf is on ground zero as well

4/14/20, 4:37 PM

Patrick Davidson's iPhone (+13076809127)

Overall calls are down 50%. Domestic is likely up. Teenage drunk parties way up

4/14/20, 4:37 PM

Louise Carter-King (3076801532)

I bet they are. I heard about one at Lubnau's house

4/14/20, 4:39 PM

4/14/20, 4:40 PM

Louise Carter-King (3076801532)

Tony researched liquor license and spoke to county attorney - they are both frankly lost on this serving issue. Do YOU want us to halt sales on the coarse. If you do we can make it work since both licenses are ours to control. Let's discuss in exec. Might be good to do just as push back against county power grab

4/14/20, 4:51 PM

Louise Carter-King (3076801532)

Let's discuss. I thought I heard Patel say he wants to treat all the same.

4/14/20, 4:51 PM

Nobody truly gets punished or damaged by doing so

4/14/20, 4:51 PM

Louise Carter-King (3076801532)

Other than lost revenue?

4/14/20, 4:51 PM

Patrick Davidson's iPhone (+13076809127)

It's your licenses. Patel doesn't need to control. We control this

4/14/20, 4:52 PM

Louise Carter-King (3076801532)

Ok. Let's discuss tonight in exec

4/14/20, 4:52 PM

Patrick Davidson's iPhone (+13076809127)

Lost revenue is an issue but not massive right now and one is lost rec income.
If not, tomorrow we need to say we aren't doing anything with licenses

4/14/20, 4:54 PM (Viewed 4/14/20, 4:55 PM)

Louise Carter-King (3076801532)

Ok. It would probably be only til end of April anyway if gov lifts. I think it's a mistake if he does unless cases start declining

4/14/20, 4:56 PM

Patrick Davidson's iPhone (+13076809127)

I just want to be clear - I think we should do it. Tie it to governor order for now as to date. However there is zero indication that we will not be in this same boat until mid May

4/14/20, 4:57 PM

Louise Carter-King (3076801532)

Ok. I am fine with it

4/14/20, 4:59 PM

Patrick Davidson's iPhone (+13076809127)

I think we should but my motives are all to get power back from commissioners. The attempted power grab is something we will never recover from if we don't exercise it now

4/14/20, 4:59 PM (Viewed 4/14/20, 5:00 PM)

4/14/20, 5:04 PM

Louise Carter-King (3076801532)

4/14/20, 5:05 PM

Patrick Davidson's iPhone (+13076809127)

Ok. It's not on agenda but maybe exec - guess it doesn't matter

4/14/20, 5:07 PM

Louise Carter-King (3076801532)

Yes that's fine
You need a break

Louise Carter-King (3076801532)

Good morning Pat. Are you going to be up at office today?

4/16/20, 9:47 AM

Patrick Davidson's iPhone (+13076809127)

Yes. Been here since 7:30 😎

4/16/20, 9:47 AM

Louise Carter-King (3076801532)

What do you have today. I'd like to meet sometime

4/16/20, 9:48 AM

Patrick Davidson's iPhone (+13076809127)

I have time over the lunch hour or from about 4:00 until call in at 5:15

4/16/20, 9:49 AM

Patrick Davidson's iPhone (+13076809127)

I have 40 minutes or so now if you want to talk

4/16/20, 9:50 AM

Louise Carter-King (3076801532)

Ok. I will come up and social distance at noon. No I want to talk in person. Want to have lunch to help out local eateries?

4/16/20, 9:50 AM

Patrick Davidson's iPhone (+13076809127)

We could. We can let Angela know and she can get it for us

4/16/20, 9:51 AM

Louise Carter-King (3076801532)

Ok let's do.

4/16/20, 9:51 AM

Patrick Davidson's iPhone (+13076809127)

Oriental salad?

4/16/20, 9:52 AM

Louise Carter-King (3076801532)

That's fine. I really don't care. Can they deliver or I could pick up on way

4/16/20, 9:53 AM

Louise Carter-King (3076801532)

No 2 call in today
Hope we can get dept heads on phone if we need them

4/16/20, 9:53 AM

Patrick Davidson's iPhone (+13076809127)

Ok. Should be able to. That opens up my calendar also with no 2:00.

4/16/20, 9:54 AM

Louise Carter-King (3076801532)

I know if Dg is busy nothing can happen

4/16/20, 9:54 AM

Patrick Davidson's iPhone (+13076809127)

Meeting sounds ominous. Should I prepare anything?

4/16/20, 9:55 AM (Viewed 4/16/20, 9:56 AM)

Louise Carter-King (3076801532)

You know my head has been spinning ever since our meeting on Tuesday. Want to talk about options. I would like to leave with clear plans

4/16/20, 9:56 AM

Patrick Davidson's iPhone (+13076809127)

Ok. Sounds good.

4/16/20, 9:58 AM

Patrick Davidson's iPhone (+13076809127)

Nathan called about fire. He wants info about staffing. Good conversation and he has looked at stuff pretty thoroughly. We can visit sometime on it

4/16/20, 9:59 AM

Louise Carter-King (3076801532)

Ok. Today is fine. He is best council for sure

4/16/20, 5:14 PM

Patrick Davidson's iPhone (+13076809127)

Sounds like they are having dinner. Mainly listening unless direct question

4/16/20, 5:15 PM

Louise Carter-King (3076801532)

Lord. This is so ridiculous

4/16/20, 5:18 PM

Patrick Davidson's iPhone (+13076809127)

They have no idea of how bad they sound do they?

4/16/20, 5:18 PM

Louise Carter-King (3076801532)

I doubt it

4/16/20, 5:32 PM

Patrick Davidson's iPhone (+13076809127)

This is painful - hazard pay

4/16/20, 5:33 PM

Louise Carter-King (3076801532)

Brutal

4/16/20, 5:33 PM

Patrick Davidson's iPhone (+13076809127)

Asking about \$4000 is silly

4/16/20, 5:34 PM

Louise Carter-King (3076801532)

At least we aren't sitting there

4/16/20, 5:34 PM

Patrick Davidson's iPhone (+13076809127)

Of course, we put in our # prior to their staffing numbers from county

4/16/20, 5:34 PM

Patrick Davidson's iPhone (+13076809127)

So now county has to make them hold the line

4/16/20, 6:01 PM

4/16/20, 7:08 PM

I have no idea. Filling up time

4/16/20, 7:09 PM

Regardless of the question, it's always directed to JR

4/16/20, 7:09 PM

Louise Carter-King (3076801532)

Wonder if Bender notices

4/16/20, 7:11 PM

Patrick Davidson's iPhone (+13076809127)

I think this is all a put up job. Bender knows he is the filler until JR hits retirement for years of service so Fox can slide into Chief. We need to consider our voting in new JPA if we want or don't want Fox as new Chief

4/16/20, 7:12 PM

Louise Carter-King (3076801532)

I don't

4/16/20, 7:12 PM

I am going to test the waters with Nathan today about both projects

4/17/20, 11:04 AM

Patrick Davidson's iPhone (+13076809127)

Shay called. Wants to know the logistics of using funds from splash park etc to build waste water without rate increase. Just so you are aware

4/17/20, 11:04 AM

Louise Carter-King (3076801532)

Did you tell him that doesn't work

4/17/20, 11:05 AM

Patrick Davidson's iPhone (+13076809127)

I explained it. He asked that I double check with Michelle. I will do so and then send email saying it doesn't work

4/17/20, 11:06 AM

Louise Carter-King (3076801532)

Lord. He thought if we took 3 million and put it in wastewater that we wouldn't have to raise rates?

4/17/20, 11:07 AM

Patrick Davidson's iPhone (+13076809127)

It would get us a good "kick start" so we could delay rates

4/17/20, 11:07 AM

What a chicken

4/17/20, 11:09 AM

Yep. Rusty and Dg want to open it all wide open

4/17/20, 2:09 PM

Patrick Davidson's iPhone (+13076809127)

The answer to your park issue could be viewed in light of hospital cuts too. Everyone taking big cuts - gives you easy non-political out

4/17/20, 2:10 PM

Louise Carter-King (3076801532)

Yes. Would you rather we just scratch the whole project?
I truly think if we do we won't ever do it

4/17/20, 2:11 PM

Patrick Davidson's iPhone (+13076809127)

That's my biggest concern is that it never gets done. We could cancel and give me direction to get it figured out in the next 6 months. Forces it to stay on track but gives you an out

4/17/20, 2:12 PM

Louise Carter-King (3076801532)

Yeah at least get the rate increase in place

4/17/20, 2:12 PM

Trump did not say Wyo should open. Trump said Wyoming can't be treated same as New York or others

I was sent this regarding opening up the City, I thought it might cheer you up.

Did previous civilizations deal with whiners like this?

"Man, we've gotta open the gates."

"We've been through this, Phil. The Mongols are still outside."

"But I've gotta harvest my turnips"

"MONGOLS"

"Ugh. But we've been in here or WEEKS."

"That's how sieges work, Phil."

"But the Mongols have barely killed anyone in days."

"That's because of the walls, Phil."

"Are you sure? Maybe the Mongols aren't that dangerous." "..."

"I'm just saying, how bad could it be. They can't kill ALL of us"

"That is literally the thing they do."

"But my turnips..."

4/17/20, 3:37 PM (Viewed 4/17/20, 3:38 PM)

Louise Carter-King (3076801532)

That's so true!!!

Nathan was tougher than I thought. Hope I can get 3 votes

4/18/20, 7:42 AM

Patrick Davidson's iPhone (+13076809127)

Good morning mayor. Hate to bother you on the weekend but it's regarding the splash park issue.

Ry reviewed all bids in detail. NONE of the bids meet bid specifications with regard to the ADA park improvements. They all went with cheaper products and not what was specified by Janie in the process.

To stay true to the parks Dept planning this, and to get the best product that the city specified by name, etc in the bids, we likely should reject all bids. It is a very solid reason to do so.

We then rebid the park only which Joe and Ry believe could still be accomplished this calendar year for opening in fall. We are researching more now but that seems like an easy "out" for Tuesday but still keeps us moving forward.

4/18/20, 7:54 AM (Viewed 4/18/20, 8:03 AM)

Louise Carter-King (3076801532)

Ok. I'm good with that. Gives everyone an easy out.
I talked to Nathan about wastewater and believe it or not he was hesitant about voting for May 1st. I believe I got him convinced but he hadn't really read your or Coles emails. He is very much opposed to doing anything with splash park or anything out there. If he runs again I don't think he will support it next year either.
Shay called me last night. He is good with wastewater and does not want to piecemeal the park but he would be ok on waiting til next year to do it.
I think Shay will make the motion and Nathan will second.

I will call rest of council over weekend but I am fairly certain I have 4 votes.

In light of all this do we need to meet Monday morning like we were going to?

The only thing I worry is unless the economy miraculously recovers I don't see us doing anything next year out there.
Do you know if we have received anymore emails or comments for this meeting? I sure hope not

Thanks Pat. I think most important issue is May 1 on wastewater

4/18/20, 8:14 AM

Patrick Davidson's iPhone (+13076809127)

I think we should visit Monday - it can just be phone or video.

It is an easy way to proceed right now. We will work at preserving the money we have now so that hopefully we can do something next year. Still the goal but it relieves pressure to do it now.

Good news on rates. Hate for council to split on something as relatively easy as this but that happens.

4/18/20, 8:14 AM

Patrick Davidson's iPhone (+13076809127)

No new emails that I am aware of

4/18/20, 8:23 AM (Viewed 4/18/20, 8:28 AM)

Ok let's meet and maybe have some of Slit and Joe or whomever on the line to discuss best way to proceed
It's a relief really to have splash pad issue decided for us

Dang

I sent a response and cc you on it

4/19/20, 3:52 PM

Ok. Hope he can stay focused
He is just relating everything to the oil market and his business

4/19/20, 3:54 PM

I think your last paragraph is the most important

4/20/20, 8:17 AM

Patrick Davidson's iPhone (+13076809127)

I have a 1:1 with Ry at 9:00. Do you want me to include you in the start of the phone call to cover splash parks? Do you want me to send email to council informing them the bids don't meet spec and we recommend voting down. Thoughts?

4/20/20, 8:22 AM

Louise Carter-King (3076801532)

That's probably what we should do. Let's include Sawley on the call. I want to nix the whole park and who knows when we will take it off shelf
I know Parks brd have been involved and excited and I want him to hear it at same time

4/20/20, 8:23 AM

Patrick Davidson's iPhone (+13076809127)

Ok. Let me see if I can move stuff around.

4/20/20, 8:24 AM

Louise Carter-King (3076801532)

Ok. Just for part about park

Patrick Davidson's iPhone (+13076809127)

Right.

4/20/20, 8:24 AM

Louise Carter-King (3076801532)

And we have to strategize on wastewater.

4/20/20, 8:29 AM

Patrick Davidson's iPhone (+13076809127)

You should have calendar invite. We do the park discussion, I then need 15 minutes with Ry to do rest of his meeting then let's do wastewater discussion at 10 via video?

Louise Carter-King (3076801532)

Ok. Just us?

4/20/20, 8:30 AM

Patrick Davidson's iPhone (+13076809127)

Yes. Did you want someone else too?

4/20/20, 8:30 AM (Viewed 4/20/20, 8:33 AM)

Louise Carter-King (3076801532)

No not yet I guess. I have only talked to shay and Nathan

4/20/20, 8:36 AM

Patrick Davidson's iPhone (+13076809127)

I think the bottom line is this - we can really do whatever council wants on wastewater - however rates get adjusted or not. Long term it comes with a price, potentially a heavy price. We can adjust but council can't claim they didn't know or understand when it becomes a bigger financial crisis in the future. They really cannot balk at 20% or 25% increase if we wait a year or more.

4/20/20, 8:36 AM (Viewed 4/20/20, 8:37 AM)

Louise Carter-King (3076801532)

I get it. But Pat when Nathan struggles to understand it worries me

4/20/20, 8:38 AM

Patrick Davidson's iPhone (+13076809127)

Two issue come up. First he is new and this is hardest decision he has had to make. Second, he wants to truly understand it so he can make informed decision. Tim only cares about how he looks and if he is liked.

4/20/20, 8:39 AM

Louise Carter-King (3076801532)

Shay gets it though and that's scary. I will call rest of council after we talk

4/20/20, 11:01 AM (Viewed 4/20/20, 11:28 AM)

Prices just went negative

4/20/20, 12:19 PM

How does that happen?

4/20/20, 12:20 PM

With oil now trading in small or negative numbers we have no way to figure out revenue for the upcoming year. This is getting rather scary

4/20/20, 12:37 PM

Louise Carter-King (3076801532)

It's so insane. Protests all over the nation. Like 3rd world country

4/20/20, 12:38 PM

Patrick Davidson's iPhone (+13076809127)

I think we hold on splash park. I've tried to stay neutral and present info but I think we should hold back for now. We may need those dollars to run the city

4/20/20, 12:39 PM

Louise Carter-King (3076801532)

Ok. And just FYI coach brought up what hospital did with salaries

Talked with Shay. He seems to want to go forward with everything. Just so you are aware.

We asked me a very simple question: are we financially ok right now and are we in a better spot going into this downturn as opposed to 2016? The answer is yes. We are in a stronger position today than in 2016 and at this time we are strong financially. Obviously breakdown in economy will cause concern in the future. For now we are good and the projected budget is good

We have discussed plans over the last several days. Those will be discussed tonight in pre-meeting. Will start running our equipment on 12 hour shifts, on rotation. Tim:

Ok thanks. Is it to early to get Gino to put out that fire?

4/28/20, 9:59 AM

Louise Carter-King (3076801532)

Gino probably has tried to right?

4/28/20, 9:59 AM

Patrick Davidson's iPhone (+13076809127)

My response:

Yes. Governors orders do not come out until sometime after 4:00 this afternoon. Also council needs to be aware that it will reduce pot hole repairs and if that is an acceptable balance

4/28/20, 9:59 AM

Louise Carter-King (3076801532)

Not to me

4/28/20, 9:59 AM

Patrick Davidson's iPhone (+13076809127)

Response to Tim still:

The other issue is streets will be cleaned out of general rotation so we can paint. People want their street first which may not work into the calculations. Sawley talking about it tonight and he is finishing up plans

4/28/20, 10:02 AM

Patrick Davidson's iPhone (+13076809127)

Geno has not said anything because I have not visited with council yet. Can't get ahead of what we need to discuss

4/28/20, 10:03 AM

Louise Carter-King (3076801532)

Well I don't want pot holes to be behind sweeping. We can't enforce parking lots unless we do our own potholes

4/28/20, 10:04 AM

Patrick Davidson's iPhone (+13076809127)

Agree. But financially these are the decisions council is going to be facing next couple years potentially.

4/28/20, 10:04 AM

Louise Carter-King (3076801532)

True

4/28/20, 10:08 AM

Louise Carter-King (3076801532)

Pat I thought reason we weren't sweeping is cuz of gov's orders not cuz financially

4/28/20, 10:08 AM

Patrick Davidson's iPhone (+13076809127)

My budget message will be sobering for council I'm afraid. There is no "normal" to go back to. We have been on a roller coaster for 5 years. We need to stick with the basis of the 2016 budget as the constant baseline for operations and services. In years we have more revenue we plan the expenditures. We do more. For now we cannot have these large swings

4/28/20, 10:09 AM

Patrick Davidson's iPhone (+13076809127)

Maintenance on the machines is the reason in light of governors orders. You want to hire contractors then it becomes a financial issue in finding the money

4/28/20, 10:09 AM

Louise Carter-King (3076801532)

Ok. I don't want to if it takes money away from street repair

4/28/20, 10:10 AM

Patrick Davidson's iPhone (+13076809127)

Ok. We can discuss at lunch

4/28/20, 10:10 AM

Louise Carter-King (3076801532)

Ok

4/28/20, 3:11 PM (Viewed 4/28/20, 3:13 PM)

Louise Carter-King (3076801532)

We didn't talk about yard waste

4/28/20, 3:15 PM

Patrick Davidson's iPhone (+13076809127)

I've got to get full time employees back first, then get drug tests for returning seasonals, then bring them on at wastewater. Once wastewater is open then get garbage trucks lined out. Remember different trucks used for yard waste.

4/28/20, 3:18 PM (Viewed 4/28/20, 3:20 PM)

Louise Carter-King (3076801532)

Probably get questions tonight

4/28/20, 3:26 PM

Patrick Davidson's iPhone (+13076809127)

Sent you new orders

4/28/20, 3:28 PM

Louise Carter-King (3076801532)

Saw them. Ok then
Rec center is gym?

4/28/20, 3:31 PM

Patrick Davidson's iPhone (+13076809127)

Up to Patel to decide. I believe it is. Did you read the orders because to say they are "open" isn't quite the case

4/28/20, 3:32 PM

Louise Carter-King (3076801532)

No just skimmed it. I saw there were still restrictions on opening and running

4/28/20, 3:33 PM

Patrick Davidson's iPhone (+13076809127)

Lots of restrictions. Don't know how rec center could possibly open

4/28/20, 3:34 PM

Patrick Davidson's iPhone (+13076809127)

Restaurants and bars still closed except curbside food

4/28/20, 3:35 PM

Louise Carter-King (3076801532)

Good. I thought it looked like just salons So happy we can get tatoos!!

4/28/20, 3:35 PM

Patrick Davidson's iPhone (+13076809127)

Those are separate orders

4/28/20, 3:37 PM

Louise Carter-King (3076801532)

But I thought it was all in same order.

4/28/20, 3:39 PM

Patrick Davidson's iPhone (+13076809127)

No, there remain 3 separate orders each with own rules and applications

4/28/20, 3:40 PM

Louise Carter-King (3076801532)

Ok. Do you think we can start sweeping?

4/28/20, 3:41 PM

Patrick Davidson's iPhone (+13076809127)

Again, the orders never stopped sweeping. Our plans did.

4/28/20, 3:41 PM

Patrick Davidson's iPhone (+13076809127)

It's fine. We will open stuff back up as soon as we can.

4/28/20, 3:42 PM

Louise Carter-King (3076801532)

I know. Essential services.
If salons can open we can seeep

4/28/20, 3:42 PM

Louise Carter-King (3076801532)

Sweep

4/28/20, 3:43 PM

Patrick Davidson's iPhone (+13076809127)

I will address at SLT and we will get things moving.

Just recognize the message we are sending - we cared about the pandemic yesterday but not tomorrow

4/28/20, 3:43 PM

Louise Carter-King (3076801532)

He's better today

4/28/20, 4:46 PM

Patrick Davidson's iPhone (+13076809127)

So a little news but not much. Do we need an exec tonight? I guess I hadn't asked

4/28/20, 4:47 PM (Viewed 4/28/20, 4:48 PM)

Louise Carter-King (3076801532)

Let's not unless something comes up during

4/28/20, 4:48 PM

Louise Carter-King (3076801532)

Let's include yard waste in warmups

4/28/20, 4:48 PM

Patrick Davidson's iPhone (+13076809127)

Ok

4/28/20, 4:49 PM (Viewed 4/28/20, 4:50 PM)

Louise Carter-King (3076801532)

I

4/28/20, 4:50 PM

News Record wants to know if city hall is open tomorrow

4/28/20, 4:53 PM

Louise Carter-King (3076801532)

Ok good. Were we going to skip it for May?

4/28/20, 4:53 PM

Louise Carter-King (3076801532)

God they are idiots

4/28/20, 4:53 PM

Patrick Davidson's iPhone (+13076809127)

We didn't know on yard waste. We will do it now I guess.

4/28/20, 4:54 PM

Louise Carter-King (3076801532)

Well won't we be charging for May? I don't want to take to landfill. Too expensive

4/28/20, 4:56 PM

Patrick Davidson's iPhone (+13076809127)

If we don't charge for May then it's free for that month. Or we can implement next week beginning Monday. If that's what is the plan we make it work

4/28/20, 4:57 PM (Viewed 4/28/20, 5:10 PM)

Louise Carter-King (3076801532)

Well can we be ready at drop off? Get couple of park guys to work it until we get seasonals on? Don't open to public just our trucks?

4/28/20, 5:12 PM

Patrick Davidson's iPhone (+13076809127)

That's Cole Dept so he can come up with the solution to get his guys on it. Perhaps he can bring back a couple of his seasonals.

Trash removal is the real issue regardless of how it comes in.

Parks employees will be sweeping

4/28/20, 5:16 PM

Patrick Davidson's iPhone (+13076809127)

Talked with Geno. He has no idea what the topics are for radio tomorrow. I assume sweeping, yard waste, bars

4/28/20, 5:38 PM (Viewed 4/28/20, 5:40 PM)

Louise Carter-King (3076801532)

Ok. Do we need to make a decision tonight on yard waste because of billing?

4/28/20, 5:41 PM

Patrick Davidson's iPhone (+13076809127)

Not necessarily. We can just work around it I think

4/28/20, 5:42 PM

Louise Carter-King (3076801532)

Ok. I just don't want to take to landfill. Too expensive

4/29/20, 12:26 PM

Great 😬. Why is tony reluctant?

4/29/20, 1:58 PM

Patrick Davidson's iPhone (+13076809127)

He thinks it's for nothing. He thinks council won't do anything with it. If they do, then he has to prosecute and work. Today it sounded like just not wanting to do the work

4/29/20, 1:58 PM

Louise Carter-King (3076801532)

Ha ok

I told her about Clikeman. They are going to watch tomorrow and let us know what happens. They don't want it to open in violation of governors orders. We can use their concerns and our own to push the issue

4/29/20, 2:42 PM (Viewed 4/29/20, 2:46 PM)

Patrick Davidson's iPhone (+13076809127)

Will do

4/29/20, 9:21 PM

Louise Carter-King (3076801532)

Will Public health warn Humphreys?

4/29/20, 9:22 PM

Patrick Davidson's iPhone (+13076809127)

That is what I meant by different issues. Patel has been to the office in person several times. We got involved with Humphreys after Jane called

4/29/20, 9:23 PM

Patrick Davidson's iPhone (+13076809127)

Public health should tomorrow. We can let them know

4/29/20, 9:24 PM (Viewed 4/29/20, 9:25 PM)

Ok. We have to back them and I think council will especially since county shut down office

Judges decide these things, just remember that. We are following the order and the presumed legitimacy of those orders

anything with the license

4/29/20, 9:28 PM

Or just not renewal next year

4/29/20, 9:31 PM

Ok. Will PD let you know when they cite them?

Patrick Davidson's iPhone (+13076809127)

I will. Jim wants to visit this morning. It may be on that topic. Can you review the email so we can get that to council before citations are written? Once we write one, the flood gates will open I'm afraid. (The situation we have been trying to avoid)

4/30/20, 8:00 AM (Viewed 4/30/20, 8:01 AM)

Louise Carter-King (3076801532)

I sent you response. I like it. Hard to say what council will say. I will stress that it's not fair to bars and restaurants that are following the orders

4/30/20, 8:03 AM

Patrick Davidson's iPhone (+13076809127)

Agree. This just stinks. Personally - between you and me - I've always thought the orders over stepped authority. BUT nobody challenged them in court, and therefore they are a lawful order whether we like them or not. Lots of laws I do not like nor agree with. Yet I follow them.

4/30/20, 8:04 AM (Viewed 4/30/20, 8:05 AM)

Louise Carter-King (3076801532)

Exactly. We didn't do this but we need to enforce them

4/30/20, 8:06 AM

Patrick Davidson's iPhone (+13076809127)

And it stinks for everyone just doing their job. The business will bring this upon themselves then blame us.

Ok. Scott said Carol was going to call you. Apparently the commissioners are working on asking for a county wide exception for bars and restaurants of some type? May be something for Geno to mention in the press if we can?

Ok. Hope he stays tough

4/30/20, 9:57 AM

I am ok with looking into it but unless it is a well thought out plan I'm not sure we can be on board.

4/30/20, 12:30 PM

Nothing official. As mentioned in the email I sent this morning this is a new tactic

4/30/20, 1:15 PM

Patrick Davidson's iPhone (+13076809127)

Uncle Freddy has been told to close what they are doing. Giving them an hour or so to wrap things up and PD will be back for citations as necessary

Bruce claims Lubnau gave him this direction and that the governor has talked to Lubnau and it is allowed. I highly doubt it. If his defense is the governor or his attorney said it was OK then they can deal with it in court. PD anticipates writing ticket before end of day

4/30/20, 1:18 PM

Louise Carter-King (3076801532)

Glad Lubnau is running everything

4/30/20, 1:47 PM

Patrick Davidson's iPhone (+13076809127)

Bruce is demanding you call him. I really suggest you do not do it. You gain absolutely nothing from doing so. He has an attorney. If the governor gave him a variance then there is nothing for us to visit with him on

4/30/20, 1:50 PM

Louise Carter-King (3076801532)

Pat I will call our attorney and have him deal with it

I think I have Jane convinced that any variance being sought will need the commissioners, the city, Wright and public health to agree to. (That way we still have veto power). I don't have authority to sign. You don't have authority to sign, so must go to Council. That takes time. This thing may fix itself before we get to it 😎

4/30/20, 3:04 PM

Patrick Davidson's iPhone (+13076809127)

Not happy with Carol. Agreeing to discuss and agreeing to whatever the county says is NOT the same thing. Palmer trick she learned

Bruce has shut down except for curbside and is not planning on pushing the orders.

Clikeman will not reopen tomorrow in violation of the orders. But after talking to him he had some questions so he is talking to Tony. I also think he will slam us on Facebook for holding up his grand re-opening or whatever he had in mind

4/30/20, 4:08 PM

5/1/20, 12:13 PM

Louise Carter-King (3076801532)

Ok. And we can explain that it will take a lot longer than May 5?

5/1/20, 12:15 PM

Patrick Davidson's iPhone (+13076809127)

According to AG it will take 10-15 days to process a variance application. This is a total waste of time

5/1/20, 12:16 PM

Patrick Davidson's iPhone (+13076809127)

We won't have conditions after next round

5/1/20, 12:16 PM

5/1/20, 12:16 PM

That's the part that's stupid

5/1/20, 12:16 PM

But commissioners said we don't need AG permission just state PH and gov

5/1/20, 12:17 PM

Correct but AG reviews every legal document prior to governors signature. And for most things, like contracts, it requires 3 AG signatures

Walk over. Does it apply to anyone in the city?

Does what, the order?

Yes. Would it work for anyone except for the liquor part

5/1/20, 1:21 PM

Patrick Davidson's iPhone (+13076809127)

The language of importance is: "Restaurants and bars may open on May 5, 2020 for outdoor business only."

I suppose the rest would work if we remove bars and make regency to no outside liquor sales

5/1/20, 1:21 PM

Patrick Davidson's iPhone (+13076809127)

Reference to no

5/1/20, 1:21 PM

End of next week for state to act on this

5/1/20, 6:21 PM

Louise Carter-King (3076801532)

We should retract our request

5/1/20, 6:21 PM

Patrick Davidson's iPhone (+13076809127)

He isn't going to allow it. We can always kill it with state too

Louise Carter-King (3076801532)

DG said there's probably 200-300 people at office. Cars lining the hiway

From Tony:

Hey I just got a call from Jenny at the County Attorneys Office. She indicated that she hasn't been able to finalize a draft because she can't get the approval from the commissioners for various reasons, like some haven't read it yet. She indicated as far as she knows they are all still on board to move forward with the variance. I'm not so sure all of them are still on board. Anyway she will get me a draft tomorrow at the earliest. The longer the Commissioners wait the less likely the State will grant variance.

5/2/20, 1:33 PM (Viewed 5/2/20, 2:29 PM)

Louise Carter-King (3076801532)

I heard from dg and rusty. They don't think it has a chance in hell

5/2/20, 2:29 PM

Patrick Davidson's iPhone (+13076809127)

Agreed. That's why I was ok with running it.

5/4/20, 8:06 AM

Patrick Davidson's iPhone (+13076809127)

So far the county attorney office has not provided any draft for review

5/4/20, 8:09 AM

Louise Carter-King (3076801532)

I bet they don't give us one

5/4/20, 8:11 AM

Patrick Davidson's iPhone (+13076809127)

Tony tried reaching out several times but the phone number they gave him was simply to the front desk at the county attorney office.

Once the file whatever, we will look at it and determine if we need to intervene

5/4/20, 8:12 AM

Louise Carter-King (3076801532)

Ok. It will be interesting to see what Patel does with it

5/4/20, 8:13 AM

Patrick Davidson's iPhone (+13076809127)

You might let Jane know we have seen nothing to review so they are aware

5/4/20, 8:14 AM

Louise Carter-King (3076801532)

Ok I will text her. I think commissioners were meeting this morning so maybe they will do it then

5/4/20, 8:31 AM

Patrick Davidson's iPhone (+13076809127)

Jessica has set an invite for a downtown development meeting for 11:30 tomorrow morning. Are we having our typical Tuesday lunch? If not are we attending?

I can't think of a worse date and time but they didn't ask us

5/4/20, 8:32 AM

Louise Carter-King (3076801532)

Which would you rather do? They must not want us too bad by not checking with us first

5/4/20, 8:33 AM

Patrick Davidson's iPhone (+13076809127)

There are like 20 people on the meeting including commissioners, Shay etc. it's to create the DDA I guess

5/4/20, 8:34 AM

Louise Carter-King (3076801532)

Wow. Well hell we probably should be on

5/4/20, 8:34 AM

Patrick Davidson's iPhone (+13076809127)

I agree we should be on it. Ugh. Any day but Tuesday's

5/4/20, 8:35 AM

Louise Carter-King (3076801532)

I know. I'm surprised commish can be on

5/4/20, 8:35 AM

Patrick Davidson's iPhone (+13076809127)

They are invited at least. I think we have to do it because Shay just might show up

5/4/20, 8:36 AM

Louise Carter-King (3076801532)

True

5/4/20, 8:36 AM

Patrick Davidson's iPhone (+13076809127)

Dave King doesn't know it has to go through Patel it sounds like

5/4/20, 2:29 PM

Patrick Davidson's iPhone (+13076809127)

More shockingly Patel didn't know it needed to go through him

5/4/20, 2:30 PM

Louise Carter-King (3076801532)

I think he does

5/4/20, 2:31 PM

Patrick Davidson's iPhone (+13076809127)

He asked what the process was after commissioners met.

It then goes to Patel. Right the Dave King didn't know, but then again not in his job duties either

5/4/20, 2:32 PM

Louise Carter-King (3076801532)

Well his name was on the document

5/4/20, 2:33 PM

Patrick Davidson's iPhone (+13076809127)

But they have not shown it to him at least as of Friday

5/4/20, 2:37 PM

I know Was this a published meeting

5/4/20, 2:38 PM

Patrick Davidson's iPhone (+13076809127)

Haven't seen it yet

5/4/20, 3:52 PM

Patrick Davidson's iPhone (+13076809127)

They are supposed to send it but don't know

5/4/20, 3:52 PM

Louise Carter-King (3076801532)

NR said they gave it to Patel

5/4/20, 3:53 PM

Patrick Davidson's iPhone (+13076809127)

Want to get ahold of Jane and let her know we haven't seen it?

5/4/20, 3:53 PM

Patrick Davidson's iPhone (+13076809127)

May help hold Patel up

5/4/20, 4:05 PM

Patrick Davidson's iPhone (+13076809127)

Forwarded you an email

5/4/20, 4:05 PM

Louise Carter-King (3076801532)

I did tell her

5/4/20, 4:26 PM

Louise Carter-King (3076801532)

Do you have problems with newest variations?

5/4/20, 4:27 PM

Patrick Davidson's iPhone (+13076809127)

So looking at the order - don't really like all of it.

Your call on whether to tell Governor we do not agree, or request Patel to hold it up

5/4/20, 4:28 PM

Louise Carter-King (3076801532)

Let's see what Patel says or does. After what he said other day you think he will ok it?

5/4/20, 4:29 PM

Patrick Davidson's iPhone (+13076809127)

I don't know if he will or won't

5/4/20, 4:29 PM

Louise Carter-King (3076801532)

Me either. Be dumb if he does but I still think state will refuse

5/4/20, 4:30 PM

Louise Carter-King (3076801532)

And will take them long time. Bruce K called again. I didn't answer

5/4/20, 4:30 PM

Patrick Davidson's iPhone (+13076809127)

If you don't say anything now it could go forward where he hopes state won't sign it.

Carol was so helpful in her email

5/4/20, 4:30 PM

Louise Carter-King (3076801532)

I noticed

5/4/20, 4:34 PM

Patrick Davidson's iPhone (+13076809127)

I think if you truly want to hold this up you either need to act or have council discussion it tomorrow in exec

5/4/20, 4:34 PM

Louise Carter-King (3076801532)

Do we have any authority? Commission doesn't think we do

5/4/20, 4:36 PM

Patrick Davidson's iPhone (+13076809127)

You have the right to ask Patel and others not to sign it. You have no technical authority to stop it but telling Governor you cannot and do not support it in behalf of the city does matter

5/4/20, 4:37 PM

Louise Carter-King (3076801532)

Ok. Jane said she was going to tell Patel that city has not discussed it

5/4/20, 4:38 PM

Patrick Davidson's iPhone (+13076809127)

That's good. I think you still have to decide how you are going to respond and if you are ok with it or not

5/4/20, 4:39 PM

Louise Carter-King (3076801532)

What are our main reasons we don't like it? That they are doing it at all?

5/4/20, 4:41 PM

Patrick Davidson's iPhone (+13076809127)

Public health has said it is a bad idea to do indoor dining as it puts people at risk. The same message that caused you to want to pull support Friday night. Nothing has changed. So either Del is right or Patel is right in the analysis. That's where you are at.

5/4/20, 4:42 PM

Louise Carter-King (3076801532)

Ok. Well if Patel changes his mind then I don't have much to stand on. I will be disappointed if he does

5/4/20, 4:43 PM

Patrick Davidson's iPhone (+13076809127)

It's ok if you don't want to make a decision on this point and rely on Patel or state. Just tell me so we can focus on other things.

5/4/20, 4:44 PM

Louise Carter-King (3076801532)

Ok. Let's just see what Patel does

5/4/20, 4:44 PM

Patrick Davidson's iPhone (+13076809127)

Ok. We won't review it then and will just see where it ends up

5/4/20, 4:45 PM

Louise Carter-King (3076801532)

Ok. If Patel asks us our opinion we can talk with him

5/4/20, 4:46 PM

Patrick Davidson's iPhone (+13076809127)

At that time you will still need to decide

5/4/20, 4:47 PM

Louise Carter-King (3076801532)

I think it is ridiculous for the reasons Patel stated on Friday but if he signs it and sends it on I don't have much to back me saying don't do it

5/4/20, 8:33 PM

Patrick Davidson's iPhone (+13076809127)

Patel is signing the order in the morning

5/4/20, 8:35 PM (Viewed 5/4/20, 8:37 PM)

Louise Carter-King (3076801532)

I sent you email from Carol to Tony.

5/4/20, 8:38 PM

Louise Carter-King (3076801532)

Ok

5/4/20, 8:39 PM

Patrick Davidson's iPhone (+13076809127)

5/4/20, 8:40 PM

Louise Carter-King (3076801532)

I don't understand Patel. At all. I don't mind boycotting. Let them handle it and the consequences

5/4/20, 8:41 PM

Louise Carter-King (3076801532)

We will handle the city

5/5/20, 7:36 AM

Louise Carter-King (3076801532)

Jane said she and Patel are calling me this morning

5/5/20, 7:36 AM

Patrick Davidson's iPhone (+13076809127)

It will be interesting

5/5/20, 7:37 AM

Louise Carter-King (3076801532)

I will ask him to at least put in cover letter that Campbell County is choosing the almighty dollar over lives

5/5/20, 7:38 AM

Patrick Davidson's iPhone (+13076809127)

Or you could send that letter

5/5/20, 7:40 AM

Louise Carter-King (3076801532)

We will discuss that. I could write a nice letter talking about how dare the gov try to protect

us. How dare he try to prevent us from drinking a beer just to protect our most vulnerable

5/5/20, 7:41 AM

Patrick Davidson's iPhone (+13076809127)

Or that we have video council meetings but if we go to a bar we are ok

5/5/20, 7:42 AM

I see trump is going to have a rally in AZ. Maybe they will pack the stadium

5/5/20, 7:53 AM

5/5/20, 3:39 PM

Patrick Davidson's iPhone (+13076809127)

Yes, but you passed a specific resolution when we are doing on-line that they would be read into the record. Sooner we get to May 19, the sooner we can quit this kind of stuff

5/5/20, 3:40 PM

Louise Carter-King (3076801532)

Ok. That's fine. So just read them during written comments

Just checked online for sales tax. It's in. I don't understand.... Total check is \$3,677,321. Last month was \$3,479,392, so it went UP by almost \$200k. I don't get it!! Budget is \$3,275,000 so it's \$400k over that!!

5/5/20, 5:32 PM

I'm not counting on that til we double check. That's crazy

5/5/20, 5:32 PM

Hey can throw axes outside or inside without city consent.

I don't know what to think on virus. We are going to get things back running and hope for the best. Gordon has press conference today so we can see what he thinks is going to happen with the state orders

5/8/20, 2:33 PM

No they didn't know I was on
Maybe tomorrow. I don't know how they will spread the word. Leave it to commissioners

It's not official but state public health chick told Patel

5/13/20, 10:28 AM

Patrick Davidson's iPhone (+13076809127)

Ultimately some will get caught up, some will have payment plans, some will go to collection, some will get written off in bankruptcy. It's far too early to know how this ends up. The numbers are up a little but it's something we deal with all the time anyways.

5/13/20, 10:28 AM

\$360k is way too much to write off

5/13/20, 10:34 AM

Patrick Davidson's iPhone (+13076809127)

As I said though, you won't be writing off the whole \$360k, but every year a tiny portion of rate increases is based on people not paying their bill.

Louise Carter-King (3076801532)

Right ok

5/13/20, 10:36 AM

Ok. I can email them
What all should I tell them on why

5/14/20, 11:48 AM

Patrick Davidson's iPhone (+13076809127)

I think it could be as simple as city interest to get new attorney.

Could be his lack of support or discussing city concerns and being unresponsive to concerns. Lack of professionalism in responding to concerns of funding agency.

Could be his failure to provide guidance and advice vs his active participation in setting policy

5/14/20, 11:53 AM (Viewed 5/14/20, 11:54 AM)

5/20/20, 2:08 PM

Patrick Davidson's iPhone (+13076809127)

KLJ is the city's representative. Lance must have told them that the products are equivalent and as such the prices do become important.

However, I do not believe for one moment that is truly what is taking place. I have not been happy with KLJ through any of this park project

5/20/20, 2:09 PM (Viewed 5/20/20, 2:28 PM)

Louise Carter-King (3076801532)

Yes. He is

5/21/20, 9:39 AM

Patrick Davidson's iPhone (+13076809127)

We visited a while yesterday

5/21/20, 9:40 AM

Louise Carter-King (3076801532)

How much are they asking for do you know? I don't think they will listen to DG

5/21/20, 9:41 AM

Patrick Davidson's iPhone (+13076809127)

They aren't asking for anything. They give us money to make up for destroying coal. As we discussed they are funded by billions of dollars in backers

5/21/20, 9:41 AM

Louise Carter-King (3076801532)

Ok. We should take their money then

5/21/20, 9:41 AM

Patrick Davidson's iPhone (+13076809127)

That's why I don't understand why we are doing this

5/21/20, 9:42 AM

Patrick Davidson's iPhone (+13076809127)

The money comes at the loss of coal jobs

5/21/20, 9:42 AM

Louise Carter-King (3076801532)

Well we are losing them anyway

5/21/20, 9:42 AM

Patrick Davidson's iPhone (+13076809127)

Do you want to run on that platform

5/21/20, 9:43 AM

Louise Carter-King (3076801532)

Ha. Not really

5/21/20, 9:44 AM

Patrick Davidson's iPhone (+13076809127)

Understand the financial backers are not just after coal. Lots of other agendas from their funding organizations. Most our state generally do not support

5/21/20, 9:45 AM

Louise Carter-King (3076801532)

So we probably won't get any money then

5/21/20, 9:46 AM

Patrick Davidson's iPhone (+13076809127)

We just need to be mindful of what is being requested

5/21/20, 9:46 AM

Phil got us into this

5/21/20, 9:46 AM

I'm not happy about it

5/21/20, 9:47 AM

Louise Carter-King (3076801532)

Of course he did
What does DG think?

5/21/20, 9:48 AM

Patrick Davidson's iPhone (+13076809127)

We should get what money we can but we don't want hand outs. We don't want windmills we want to build windmills. We don't want to just have solar panels we also want to make them

5/21/20, 9:49 AM

Louise Carter-King (3076801532)

That would be the best

5/21/20, 9:55 AM

I will find out

5/21/20, 1:07 PM

Patrick Davidson's iPhone (+13076809127)

He was told to proceed under the contract as identified. He was told if he had a need to still meet to call Angela to schedule a time for you and I to meet with him. Lance has not called 3rd floor to schedule any meeting. I assume it goes nowhere by pushing back on a meeting

5/21/20, 1:09 PM (Viewed 5/21/20, 1:10 PM)

Louise Carter-King (3076801532)

Ok. As long as he adheres to contract. We should make sure they do. I'm sure we will 😎

Colorado teams coming this weekend because team sports are prohibited in Colorado due to covid

5/22/20, 11:53 AM

Louise Carter-King (3076801532)

Please know and understand that I am not raising a stink because my boss is pressuring me or that I'm doing it because he signs my paycheck. This city is past ready to get back to some sort of normal. I think we've been back up and going long enough that we could have had this situation taken care off.
I just want that to be clear because there's some that think different I'm afraid.

5/22/20, 12:14 PM (Viewed 5/22/20, 12:25 PM)

Louise Carter-King (3076801532)

I understand that. Remember how hard we worked to get those colleges to come play ball? Those teams as well came here because they couldn't play in there home states. We marketed them! Why? Because we wanted to showcase our fields. Those teams more than likely will never come back! They didn't bring families that would spend money in our restaurants or buy motel rooms. Here we have teams that will bring moms, dads, brothers , sisters and grandparents. Spend money in our economy and we have done nothing to accommodate this. Again, I'm not yelling at you, just venting. I'll be honest, the only reason I got with you is because nobody else will listen to me at this time and the reason for that is because they think because Jeff is my boss, it isn't a valid complaint. I'm here to say, he apologizes every time he calls me! But unfortunately says I'm the only person that listens to him! Really? Are we not going to listen to Jeff Gray because he signs Councilman Carsrud's paycheck?! I just can't fathom that we would not do whatever we could to make this tournament happen.

5/22/20, 12:25 PM

I didn't answer his calls so I'm getting these

With pool I simply was hoping Council has patience. Operations are entirely up to county under MOU. I don't know when they will get it opened

5/27/20, 2:48 PM

Louise Carter-King (3076801532)

That is crazy on 250. Did they officially call off Frontier Days or would it just be impossible?

5/27/20, 2:49 PM

Louise Carter-King (3076801532)

Might as well let county take heat for pool
So 4th of July basically cancelled except for fireworks?

Louise Carter-King (3076801532)

Ok I will look at it. Coach and others have been getting calls

6/4/20, 1:13 PM

Patrick Davidson's iPhone (+13076809127)

I have been getting the group text. I hope they all remember that the group text discussions that way still are a violation of public meeting act - whether prayer or chickens

6/4/20, 1:14 PM

Louise Carter-King (3076801532)

Clem is stirring the pot. So to speak 😏

6/4/20, 1:14 PM

Patrick Davidson's iPhone (+13076809127)

I'll just pull myself off the group so I don't know it is happening 😏

Louise Carter-King (3076801532)

Louise Carter-King (3076801532)

Pat this is from Coach

6/5/20, 10:51 AM

Pat I had someone call about shelstads sign across from prime rib. Could you check and see if it's in easement please?
Let the sign season begin!

It looks like citizens of Gillette are going to have a Fourth of July celebration anyhow. What's the chances of us donating the funds that we were going to give the county to them? It would be a really awesome gesture. They are going to have the pancake feed hotdog feed parade etc.

I think we should keep in mind the Gov. Gordon outline for public gatherings.

Outdoor gatherings up to 250 persons to be permitted under new health orders
May 27, 2020
CHEYENNE, Wyo. – Governor Mark Gordon has announced that updated public health orders effective June 1 will ease restrictions on public gatherings, allowing outdoor gatherings of up to 250 people.
The updated orders allow for outdoor events to occur with social distancing and increased sanitization measures in place. Sporting events, rodeos and other events will be permitted to have up to 250 spectators in attendance, in addition to the event participants.

Patrick Davidson's iPhone (+13076809127)

I believe we set aside \$4,000 for fireworks. If we want to pull that funding for hotdogs, then that's councils decision. We do not fund the balance of the 4th events because of all the costs we incur with parks OT, extra police, etc.

6/7/20, 11:13 AM (Viewed 6/7/20, 11:38 AM)

I don't have Facebook at all for these exact reasons. I only know what is sent to me

6/12/20, 5:25 PM

Patrick Davidson's iPhone (+13076809127)

Maybe something like this:

"It is unfortunate that Lundvall has sought to disclose limited information from Tuesday's executive session. As we all took an oath to follow the laws of the state of Wyoming, we cannot comment or refute the statements made by Lundvall. Obviously, the disclosure of confidential information by Lundvall, merely continues to demonstrate his lack of integrity and his inability to follow the law. This is a pattern of behavior for which the Gillette City Council cannot support Lundvall in his brief hiatus or with his return to local politics."

I know....it's too strong but theme wise consider it

6/12/20, 5:26 PM (Viewed 6/12/20, 5:31 PM)

I think we can accomplish that but you have to be vague enough to not do the same

6/12/20, 5:32 PM

6/12/20, 5:32 PM

Louise Carter-King (3076801532)

Now Scott Clem is adding his two cents on this!

Re-elect Shay Lundvall! The cancel culture strikes again. This time it came from our own mayor of Gillette, Louise Carter King and some of our city council. Forcing the resignation of a sitting councilman because you don't like what they said on social media is unbecoming of any mayor. It's petty and juvenile and Gillette deserves better. What a shame. While Shay Lundvall already resigned, his name will be on the ballot this election. Ward 3 residents, I'm encouraging you to vote him back in. He would like to continue to serve. Push back against this politically correct cancel culture crowd!

6/15/20, 8:15 AM

6/15/20, 9:40 AM

We end it by making one last clear statement identifying the problems, and leave it at that. You aren't changing minds, that time has lapsed, now just trying to stop the dialog among reasonable people. We do press release, give the posts, identify accordingly and move in

6/19/20, 10:44 AM

Patrick Davidson's iPhone (+13076809127)

Shawn. As we travel around always Enzi drive and many of the streets south of town and beautification projects are well manicured. Last summer you spent some funds on a beautician project to the right on Curley on the right as you come over the over pass. Well, it looks terrible. Not mowed, weeds galore, bare spots that were never seeded etc. opposite side mowed poorly, didn't weed eat around fire hydrants and so on. Warlow is always mowed in inconsistently etc. Have felt for years that our end of town is not taken care of as the south end of town. How can we hand this. Believe you and Mr. Carsurd need to take a trip

around our area. Thanks for all your doing and like basketball city council members need to move the around their areas. Keep Looking Up 🏠🏠 Starguy 🏀🏀

Good morning Mayor. I spent quite a lot of time last night thinking about Shay's sudden interest in everything, and the ever increasing demands. I think this is going to become a larger problem looking at what we need to accomplish. I think today's meeting will be valuable in seeing what tone he takes. (Guess I'm maybe venting a little - thanks for listening)

Does he have a point at all with that street? I didn't appreciate his tone when he said let's do it and see what happens. He cannot change our course of business on his own

No. We never do. We rely on clerks.

It really IS that big of a deal. You were clear that when the first meeting is that poorly done we can only move up this year. I am taking corrective action

Well I know it will get better. We usually don't have all those issues on appts and banks etc Just perfect storm with new council, new President etc

Mon, Jun 15, 9:40 AM

We end it by making one last clear statement identifying the problems, and leave it at that. You aren't changing minds, that time has lapsed, now just trying to stop the dialog among reasonable people. We do press release, give the posts, identify accordingly and move in

Pat chickens went more than ok. Sawley will be sad that we didn't christen city west with chickens 🐔. Would have been appropriate with the sculpture he has in front 😎

Ok. It is kind of weird with no preacher and I don't want Tim praying for chickens

Ok good

Visiting with Jim in a few to figure out Vomhoff issues on float

Just let it go. He wants to get arrested. It will just get worse if he gets stopped. I'm so sick of it all

Sounds good. It stinks but is right decision. Want me to contact Carol?

No. Just let them handle it

And thanks for your help

You are welcome

Thank you GPD

I saw this. Shelstad now having issues with commissioners over a NASCAR comment

Did GPD call him in?

Supposed to have group in parking lot at 6:00 pm

Pat I just sent you that

PD did speak with him. I think he asked to come down to speak in person

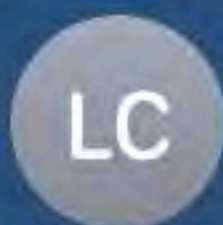

He said they called him in. I would like you to verify

Yes. Just have seen the comment more than once

Weird how county has my back more than city

Mayor, we visited on this earlier today. An arrest - which is not an option - would do nothing but cause more problems. There is no violation of any law by riding uninvited in the parade. In that instance, the county making any "arrest" is in your interest

At least DG, Rusty, and Bob maul tried. It would be nice if city at least had appearance of having mayors back

Police are trying to keep the peace in a difficult situation for all. The city does have your back.

cancellation yet. Will work out official reason for the cancellation

Ok good. Sorry Pat. Coach was adamant. He said why give more reasons to all the haters to pile on

We will figure it out. Please just keep me in the loop on these things so I can make adjustments accordingly

I did. I bothered you on a Sunday

Understand.

Pat you need down time too. I hate bothering you on a weekend

Ok. We will cancel first thing in the morning to meet the rules. We can visit at lunch.

Ok thanks

Louise >

Yes litigation, personell

We can talk when you come up - after Dana - I don't think you have either of those right now. Shay no longer falls under either

Coach wants to talk personnel

Ok

Litigation if council wants to hear why we cannot be recalled since there is petition going around. That might be weak

We will call it legal advice, but that is a stretch since we all know there is no means to use a petition

You have nothing to apologize for Shay!! We are all entitled to our own opinions, however the liberals cannot accept anyone who won't conform to there beliefs so they target elected officials and use these shameful tactics. Christy and I will be voting for you in November. Stay Strong my friend!

Shay's email shows how that Edwards just wants to be a

He told her and she still came and yelled. She is hideous

Glad we have an expert on council 🙄

How did Wasson take the news?

Sent you email to review.

Shay set up council and staff and is now back tracking. He could have said anything but let staff and I take the brunt of something he knew was

Shay set up council and staff and is now back tracking. He could have said anything but let staff and I take the brunt of something he knew was right. We were ambushed and he knows it. He could have intervened. He did not

Wasson was upset but I understand. I think just really disappointed

I think your email shows staff and councils frustration with our meetings
Of course Shay didn't help
No surprise there.

Monday. Should I get another test from you now? Wait? Or go to public health?

Public health remains closed as far as I know. I can arrange to get you another test Monday

Ok sounds good. Thanks for all the support Pat. Out of curiosity, does the city contact those of my positive or do I?

You do. The information will go to public health but they are swamped and won't contact trace I don't think

Delivered

May I send it? Is it appropriate?

I think so Pat

I sent you one more. It may be too much

Shay thinks that all was win/win?

I guess

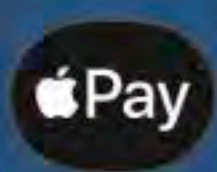

Well ok

Glad we are solving problems today 😎

How did we function without Shay?

You saw the email where he knew Edwards was going to go off on ADA park

Billy told me Tiegs gets loaded up on booze and is 10 feet tall. He was a railroader with Billy

I did see that one. What a set up job

Been nice of him to speak up in MTG and let everyone know they met and he answered her concerns.
Wow
