Dear Nisley Families,

I hope this message finds you well during what I know is a time of transition and change for your family. As the principal of Fruitvale Elementary, I want to extend a warm welcome to you and your children as you prepare to join our school community.

We understand that the closure of Nisley Elementary may bring a variety of emotions for students and families alike—excitement, apprehension, sadness, and everything in between. Please know that we are here to support you every step of the way. Our goal is to make this transition as smooth and welcoming as possible for your children and for you.

To help your family feel at home, we are in the process of planning several events, including open houses, school tours, and orientations, along with fun activities to help everyone get to know our staff, our campus, and our wonderful school traditions. We'll share more details about these events in the coming months.

In the meantime, I encourage you to visit our website <https://fruitvale.d51schools.org/> and follow us on Facebook <https://www.facebook.com/FruitvaleD51/> to learn more about Fruitvale. These resources are great ways to get a glimpse of our vibrant school community and stay updated on important news and events.

We are truly excited to welcome Nisley Elementary families to Fruitvale. Together, we will create a positive and nurturing environment for all students to grow and thrive. Please don't hesitate to reach out to our office (970) 254-5930 if you have any questions or concerns.

Warm regards,

Angela Galyon

Principal

Fruitvale Elementary
