

Is Dementia Impacting You or Your Family?

Learn Key Steps to Maintain Independence and Protect Your Family and Savings.

In 2022, it's estimated more than 6 million Americans will be affected by dementia and its most common form, Alzheimer's disease. Join local elder law attorney, Dennis J. Toman to discover the **3 ACTION STEPS** every family must know when dealing with dementia. This **FREE SEMINAR** offers a helpful path of information and encouragement, drawing on his years of experience helping others on the same journey.

Whether you're early in the diagnosis or already dealing with issues such as how to find, get and pay for the right care, please know that you're not alone. Our team of Certified Dementia Practitioners® is ready to help. Seminar attendees will have the opportunity to receive Attorney Dennis Toman's **FREE BOOK**, "You're Not Alone: Living with Dementia," plus a **FREE Meeting** about **Dementia Care Vision Planning**, a \$495 value at no cost to you. So, we welcome you to sign up today.

Attorney Dennis Toman will be your Seminar Host.
