

SCHOOL CROWDING

Guilford County Schools continues to deal with space concerns at schools. For some, there are too many students and not enough space. For others, space abounds, but enrollment is down. Officials are trying to figure out how to best use school space.

This list does not include standalone magnet programs, such as Weaver Academy or the early and middle colleges.

SCHOOL	CAPACITY*	2014-15 ENROLLMENT
High schools		
Andrews	1,225	869
Dudley	1,700	1,399
