**MINUTES OF A REGULAR PUBLIC MEETING OF THE
MAYOR AND BOARD OF ALDERMEN
OF THE TOWN OF VIDALIA, LOUISIANA,
HELD ON TUESDAY, MAY 12, 2026 AT 6:00 P.M.
IN THE TOWN HALL MEETING ROOM, 200 VERNON STEVENS BLVD.,
VIDALIA, LOUISIANA**

The Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, met, in regular session, in the Town Hall Meeting Room on Tuesday, May 12, 2026, at 6:00 p.m.

There were present: Mayor Buz Craft, Aldermen Jon Betts, Alderman Robert Gardner, Alderman Triand "Tron" McCoy, Tommy Probst and Brent Smith.

There were also present: Piara Wilson, Municipal Clerk., Debra Moak, Chief Financial Officer; Brad Burget representative of Smith, Taliaferro & Purvis Law Firm., Municipal Attorney; Jay LaSyone, Chief Administrative Officer; and members of the press.

The meeting was opened by Mayor Buz Craft and the Pledge of Allegiance was recited by those present, followed by the invocation given by Alderman Betts.

A quorum being present, Mayor Craft declared the Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, to be duly convened, in regular session, as the governing authority of said municipality, and opened the meeting for the conduction of business.

After being reviewed, the typed minutes of the regular town meeting were approved with no changes. Alderman Gardner made a statement in regards to agenda item number 13 pertaining to Aldermen travel, stating that for future travel, all aldermen should stay at the host hotel to avoid incidental charges. There being no other discussion, the motion for the approval of the minutes was made by Alderman Betts, seconded by Alderman Smith, and unanimously carried.

Mayor Craft then asked if anyone had any comments on current agenda items. Mr. Craig Sanders approached the Board to speak on Agenda item number 9 in reference to the golf cart ordinance for the Town of Vidalia. He proceeded his conversation by stating the state statute pertaining to golf carts, questioning who will oversee the ordinance and written citations, before asking the Aldermen to not vote on the ordinance if they could benefit from the ordinance or if they have used golf carts for their personal use. The next person to speak was Mr. Ray Ainsworth. He stated that he would also like to speak on agenda item number 9 but would rather do so during the public hearing. Being no further comments, Mayor Craft proceeded to the formal agenda.

Agenda Item No. 1 was the presentation of the financial statement for March 2026 by Debra Moak, CPA, and Chief Financial Officer. Ms. Moak began by explaining the various fund balances, which summaries included a comparison of actual expenses to budget expenses. Following that, the summary sheets, previously given to the Aldermen, were reviewed in detail, including a report on the positive and negative fund balances and indicated the net changes in the various funds. She then reported on which revenues are under budget and which are over budget at

this time. She then brought the Aldermen up to date on several items of interest, which items included: cash in the bank; investments; total assets and liabilities and combined revenues and expenses revenue. Following that, Mayor Craft thanked Mrs. Moak for the great work she does for the Town.

Agenda Item No. 2 was presentation of financial audit for Town of Vidalia for fiscal year 2024-2025 by Scott Adams with Silas Simmons. Scott Adams spoke on behalf of Silas Simmons, thanking the Town for giving them the opportunity to serve as the external auditors. He began his presentation of the June 30, 2025 audit report stating that the audit was presented in a timely manner and no issues were reported from the Louisiana Legislative Auditors. He also stated that they have issued an unmodified opinion which is a clean opinion, praising Debra and staff for the great work they do. Liabilities were increased by \$3 million from the previous year which was caused by general operating expenditures or payables. The Town ended the year with a net position of \$112 million which is an increase of \$18.6 million from the prior year. After giving a thorough presentation of the report, Mr. Adams advised the Board that there were not any findings to report related to the financial reporting process. The Mayor thanked Mr. Adams and Silas Simmons for the work they do for the Town.

Agenda Item No. 3 was Board discussion and vote to approve the Summer Youth Program for Greater Mt. Carmel Missionary Baptist Church by Raymond Riley, Sr. Mr. Riley approached the Board and presented the Summer Youth Program, which has operated for 33 years to keep teenagers off the streets and provide activities. The Board requested detailed accounting for public funds, including invoices, copies of checks for employees and how money was spent on materials, etc., in which Mr. Riley stated he had not been asked for in previous years. Mr. Riley stated that employees were paid in cash which was identified as an issue requirement payment by check and proper documentation. Alderman Gardner asked if Mr. Riley could be provided a detailed letter of the Boards request. It was determined that the Clerk, would get the letter to Mr. Riley before the end of the week. After further Board discussion, a motion was made by Alderman McCoy to table the discussion until the special meeting on May 26th at 5:00pm, seconded by Alderman Probst and unanimously carried.

Agenda Item No. 4 was Board discussion and vote on approval of Occupational Licenses. There being only one application, Alderman Betts made the motion to approve Sabrina Dore Agency located at 1640 Carter St. in Vidalia, La., seconded by Alderman Gardner and unanimously carried.

Agenda Item No. 5 was Board discussion and vote on approval of outdoor sign applications. There being two sign applications, the first being Smitty's Phone Repair located at 4007 Carter St. in Vidalia, La. A motion to approve was made by Alderman Betts, seconded by Alderman Smith and unanimously carried. The second application was Sonic located at 1119 Carter St. in Vidalia, La., a motion to approve the sign application was made by Alderman Gardner, seconded by Alderman Probst and unanimously carried.

Agenda Item No. 6 was presentation of dividend check from Louisiana Worker's Compensation Corp. to Town of Vidalia for low worker's comp. claims for 2025 (Beau Pilgrim, Reed Insurance). At this point, Mayor Craft recognized Mr. Beau Pilgrim with Reed Insurance and invited Mr. Pilgrim to come down and take pictures with the Board before making the presentation. Mr. Pilgrim displayed a large replica check exceeding \$200,000 from Reed Insurance to the Town of Vidalia which represents a dividend from the Worker's Comp to the Town because of the money that the employees have saved by being very safety conscious. After Mr. Pilgrim's presentation, Alderman Betts upon accepting the dividend payments, thanked Beau and the Worker's Compensation for initiating this program and thanked all of Vidalia's Town workers for making this possible by being so safety conscious.

Agenda Item No. 7 was Board discussion and vote to approve a resolution awarding bid to T.L. Construction, LLC for the project of D.A. Biglane Road Reconstruction. A resolution to award bid to T.L. Construction LLC for the D.A. Biglane Road Reconstruction was discussed with a base bid of \$3.2 million and an alternation option for an additional \$276,00. The alternation option was proposed to stabilize the road base due to unstable soil conditions in the area. Concerns were raised about the lack of guarantee for the alternate's effectiveness, as it's a new product to the engineers involved who can't speak to experience on its effectiveness. Utility Supervisor Cornell Lewis spoke in support of the alternate explaining its design is like a honeycomb which helps contain the base and prevents erosion, stating "it'll be worth doing because it does work". A motion was made by Alderman McCoy to table the decision on the bid to allow for more research into the alternate products longevity and use in other communities. The motion was seconded by Alderman Probst and unanimously carried.

(A COPY OF THE RESOLUTION IS ATTACHED HERETO AND MADE A PART HEREOF).

Agenda Item No. 8 was Board discussion and vote of approval for AirMed Care Network Municipal Site Membership for Town of Vidalia, La. for April 2026 – April 2027. Representatives were present for AirMed Care during discussion. The renewed contract ensures extended service with discounted rates for Vidalia residents and includes city employees, even those not residing within Vidalia. During discussion, topics included service challenges such as how 911 dispatch operates on a rotation system based on proximity and availability in which AirMed Care has no control and individuals needing and/or having the right to request AirMed Care directly to 911 dispatch or the local hospital. AirMed Care offers nationwide coverage which is a benefit that the other local services in the area are not providing. The average flight with AirMed Care is approximately \$78,000. A recommendation was made to increase education and awareness among residents about their right to request AirMed Care if they are members, potentially using stickers or cards. A request was made to ensure Vidalia residents only pay for the extended coverage, not full coverage if they are already covered by the municipal plan. A motion to approve membership was made by Alderman Betts, seconded by Alderman Gardner and unanimously carried.

Agenda Item No. 9 was public hearing of an ordinance providing for the allowance of carts to be permitted by the Town of Vidalia and allowed to be driven on streets with the Town of Vidalia corporate limits per LA. R.S. 32:299.4 (G). A motion to enter public hearing was made by Alderman Betts, seconded by Alderman Smith and unanimously carried. The Mayor declared the public hearing to be open and asked for anyone that has questions, to approach the mic. Ms. Cassandra Lynch spoke stating the importance of safety features that are needed on the golf cart such as lights, safety belts and the need for a driver's license, and where the golf carts can be driven. She also stated that the golf carts work well for campgrounds and retirement communities. Mr. Ray Ainsworth spoke stating the Town already has an ordinance that is not being followed. He also stated his concern for signage for the use of golf carts, those benefiting from the ordinance along with language from various Louisiana Revised Statutes. Police Chief Joey Merrill also spoke stating the difference between golf carts and LSVs. He explained that LSVs are Low Speed Vehicles which require a tag just like a care. They are equipped to be road ready with lights, seat belts, etc., to be driven on the road. He also stated that the Ordinance will allow golf cats and LSVs on the highway. They will have to have insurance, street legal lights, turn signals, obey all traffic signals, mirrors, insurance, etc. Mayor Craft read off some questions that were previously asked before asking council for his thoughts on the Ordinance. Mr. Brad Burget made mention of his recommendations and changes for the Ordinance before the Mayor asked for a motion to exit public hearing. A motion to exit public hearing was made by Alderman Gardner, seconded by Alderman Probst and unanimously carried.

Agenda Item No. 10 was Board discussion and vote to approve an ordinance providing for the allowance of carts to be permitted by the Town of Vidalia and allowed to be driven on streets within the Town of Vidalia corporate limits per LA. R.S. 32:299.4 (G). Being no further discussion by the Board, the Mayor entertained a motion to approve the ordinance with the mentioned changes. A motion was made by Alderman Betts, seconded by Alderman Smith, with a roll call vote as follows; YAYS: Alderman Betts, Alderman McCoy, Alderman Probst, and Alderman Smith; NAYS: NONE; ABSENT: NONE; ABSTAIN: Alderman Robert Gardner. The motion carried.

(A COPY OF THE ORDINANCE IS ATTACHED HERETO AND MADE A PART HEREOF)

Agenda Item No. 11 was an Introduction of an Ordinance adopting the operating budget of revenues and expenses for the Town of Vidalia, Louisiana, for the fiscal year 206-2027. Being only an Introduction, no discussion was needed. Mayor Buz Craft announced that there will be a special meeting on May 26, 2026 at 5p.m. to discuss and approve the budget for the next year.

(A COPY OF THE ORDINANCE IS ATTACHED HERETO AND MADE A PART HEREOF)

Agenda Item No. 12 was Mayor's Updates. Before going over his updates, the Mayor asked for a motion to add an agenda item. A motion was made by Alderman Smith and seconded by Alderman Betts to add the agenda item. The agenda item is a resolution authorizing Samuel Davis to act as the designated representative for the Town of Vidalia for the Natural Gas Distribution Infrastructure Safety and Modernization Grant. A motion to approve the resolution was made by Alderman Probst, seconded by Alderman Gardner and unanimously carried. The Mayor proceeded with his updates which included infrastructure projects and community development projects. He also made the Board and public aware of the grand opening for Polk Park. Before ending the meeting, the Mayor reminded the Board about the special budget meeting that was rescheduled to May 26, 2026 at 5:00pm.

Agenda Item No. 13 was adjournment. The Mayor then asked for a motion to adjourn and the motion to adjourn was made by Alderman McCoy seconded by Alderman Smith, and unanimously carried. The meeting was adjourned.

ORDINANCE NO. _____

AN ORDINANCE PROVIDING FOR THE ALLOWANCE OF CARTS TO BE PERMITTED BY THE TOWN OF VIDALIA AND ALLOWED TO BE DRIVEN ON STREETS WITHIN THE TOWN OF VIDALIA CORPORATE LIMITS PER LA. R.S. 32:299.4 (G)

BE IT ORDAINED, BY THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF VIDALIA, LOUISIANA, in regular session, duly convened as the governing authority of said municipality, that:

Section 1. This proposed Ordinance was previously introduced at the regular meeting of April 14, 2026; and

Section 2. After due notice of advertising of this proposed ordinance in the official journal on the 29th day of April, 2026, and public hearing held at the Mayor and Board's regular meeting on the 12th day of May, 2026, it is hereby ordained and adopted as an Ordinance of the Town of Vidalia, Louisiana, that:

WHEREAS, Vidalia, Louisiana is empowered to adopt amendments and revisions of its ordinances by Louisiana Revised Statutes; and

WHEREAS, the Mayor and Board of Aldermen are desirous of exercising said power; now therefore

BE IT ORDAINED by the Mayor and Board of Aldermen of the Town of Vidalia, Louisiana that the following provisions shall apply:

SECTION 1. DEFINITIONS

- "DOTD" means the Department of Transportation and Development.
- "Driver" means every person who drives or is in actual physical control of a vehicle.
- "Cart" means an electric four-wheeled vehicle originally intended for use off-road on golf courses and other green spaces whose maximum speed is twenty-five miles per hour.
- For purposes of this section only, cart will NOT include utility terrain vehicle as detailed in LA. R.S. 32:299.3.
- Cart does not include four-wheelers or other vehicles that do not meet the specifications defined within this ordinance and specifically does not include any gas-powered vehicle.
- "Highway" means the entire width between the boundary lines of every way or place publicly maintained and open to the use of the public for vehicular travel including bridges, causeways, tunnels and ferries; synonymous with the word "street".
- "Local municipal authority" means every council, commission, or other board given authority by the constitution and laws of this state to govern the affairs of a municipality.
- "Motor vehicle" means every vehicle which is self-propelled. "Motor vehicle" shall also include any "golf cart" as described above equipped with the minimum motor vehicle equipment appropriate for vehicle safety as required in this ordinance.
- "Municipality" means an incorporated village, town, or city created under the authority of the constitution or laws of this state.
- "Operator" means every person who drives or is in actual physical control of a motor vehicle upon a highway.
- "Owner" means a person who holds legal title to a vehicle or who is entitled to possession of the vehicle.
- "Police officer" means every officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations.
- "Private Road or driveway" means every way in private ownership used for vehicular travel by the owner and those having permission from the owner.
- "Right-of-way" means the privilege of the immediate use of the highway.
- "Roadway" means that portion of a highway improved and used for vehicular traffic.
- "Shoulder" means the portion of the highway contiguous with the roadway for stopped vehicles and emergency use.
- "Sidewalk" means the portion of a highway between the curb lines and adjacent property lines intended for pedestrians.
- "State maintained highway" means any highway maintained in the state highway system.
- "Street" means the entire width between boundary lines of a way publicly maintained and open for vehicular travel.
- "Traffic" means pedestrians, vehicles, and other conveyances while using a highway.
- "Traffic control device" means all signs, signals, markings and devices used to regulate or guide traffic.
- "Traffic control signal" means a traffic signal manually, electrically, or mechanically operated by which traffic is alternately directed to stop and proceed.
- "Vehicle" means every device by which persons or property may be transported upon a public highway except devices moved by human power or used exclusively on rails.

SECTION 2. RULES AND REGULATIONS

- This ordinance allows for the operation of carts on public streets, roads, pathways within the Town of Vidalia.
- This ordinance pertains only to carts as defined herein and does not apply to lawn mowers, tractors, or other means of conveyance.
- By adopting this ordinance, the Town of Vidalia is regulating such vehicles for public safety purposes. All operators and passengers operate carts at their own risk.
- Operation of carts on streets or highways must comply with this ordinance and all applicable state laws.
- The Town of Vidalia assumes no liability for operation of carts on public streets.
- Before operating on town streets, the owner must purchase and maintain liability insurance in at least the minimum amount required by the State of Louisiana.
- Proof of insurance must be provided to the Vidalia Police Department at the time of application and must be carried on the cart at all times.
- Operators must possess a valid driver's license and must have the license in their possession while operating the cart.
- Carts must be equipped with:
 - Rearview mirror
 - A reliable steering apparatus
 - Red reflectorized warning devices in both the front and rear of the vehicle.
 - Headlights and brake lights
 - Brakes sufficient to stop the cart safely
 - Safety belts for driver and passengers
 - Safe tires
- Cart operators must yield the right-of-way to pedestrians, motor vehicles, bicycles and overtaking vehicles at all times.
- All passengers must be properly seated while the cart is in motion.
- Carts shall not be operated on city sidewalks unless designated by the Town Council.
- Cart operators must comply with all state traffic laws and local ordinances.

SECTION 3. PERMIT, APPLICATION AND REVOCATION

- All carts operated within the Town of Vidalia must display a valid "Permit of Operation" sticker issued by the Vidalia Police Department.
- The non-refundable annual permit fee shall be set annually by the Vidalia Town Council.
- The permit must be renewed annually.
- The Chief of Police or designee may refuse to issue or revoke a permit if necessary to ensure public safety.
- Application for a permit shall include:
 - Applicant name, address, and phone number
 - Date of birth
 - Driver's license number and state of issuance
 - Copy of driver's license
 - Insurance carrier name and policy number
 - Date of application

- Applicant signature acknowledging the ordinance
- A permit may be revoked if:
 - Material misrepresentation is made in the application
 - Liability insurance lapses
 - The operator cannot safely operate the cart
 - The operator's driver's license is suspended or revoked
 - Revocation may be appealed to the Mayor and Board of Aldermen.
 - Any person violating any section of this ordinance shall be subject to a fine of one hundred dollars (\$100) and court costs. Upon three convictions within one calendar year, the permit shall be revoked. All alleged offenses shall be tried in Vidalia City Court before the Town Magistrate. As per L.A. R.S. 32:299.4 (D), any golf cart operated upon a municipal street shall be registered with the State of Louisiana, through the Department of Public Safety and Corrections, Office of Motor Vehicles, as an off-road vehicle and shall display a decal issued by the Office of Motor Vehicles.

The foregoing Ordinance was read and considered, section by section, and as a whole, and the vote thereon was as follows:

YEAS: Alderman Betts, McCoy, Probst and Smith
NAYS: NONE
ABSTAINING: Alderman Robert Gardner
ABSENT: NONE

WHEREUPON, the foregoing ordinance was declared to be duly adopted this 12th day of May, 2026, to be effective immediately.

/s/ Piara Wilson _____ /s/ Buz Craft _____
MUNICIPAL CLERK BUZ CRAFT, MAYOR

THE FOLLOWING RESOLUTION WAS OFFERED BY A MOTION MADE BY ALDERMAN PROBST, SECONDED BY ALDERMAN GARDNER.

A RESOLUTION AUTHORIZING SAMUEL DAVIS TO ACT AS THE DESIGNATED REPRESENTATIVE FOR THE TOWN OF VIDALIA FOR THE NATURAL GAS DISTRIBUTION INFRASTRUCTURE SAFETY AND MODERNIZATION GRANT.

BE IT RESOLVED by the Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, in regular session convened, that:

WHEREAS, the Town of Vidalia desires to seek funding through the Natural Gas Distribution Infrastructure Safety and Modernization Grant for the purpose of improving, modernizing, and enhancing the safety and reliability of the Town's natural gas distribution infrastructure; and

WHEREAS, the Town of Vidalia recognizes the importance of complying with all requirements, guidelines, and obligations associated with the grant program; and

WHEREAS, it is necessary to appoint an authorized representative to act on behalf of the Town of Vidalia in all matters pertaining to the submission, administration, and execution of the grant application and any resulting agreements;

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Board of Aldermen of the Town of Vidalia hereby authorize Samuel Davis to serve as the designated representative for the Town of Vidalia for the Natural Gas Distribution Infrastructure Safety and Modernization Grant Program.

BE IT FURTHER RESOLVED that Samuel Davis is hereby authorized and empowered to:

Submit all grant applications, certifications, assurances, agreements, and related documents;

Act as the official point of contact for the grant;

Provide additional information and documentation as required;

BE IT FURTHER RESOLVED that this authorization shall remain in full force and effect until amended or rescinded by official action of the Mayor and Board of Aldermen of the Town of Vidalia.

ORDINANCE NO. _____

AN ORDINANCE ADOPTING THE OPERATING BUDGET OF REVENUES AND EXPENSES FOR THE TOWN OF VIDALIA, LOUISIANA, FOR THE FISCAL YEAR 2026-2027

WHEREAS:

- This proposed ordinance was previously introduced at the May 12, 2026 Regular Meeting of the Mayor and Board of Aldermen;
- Due notice of the introduction of this proposed Ordinance was advertised in the official journal on the 13th day of May, 2026; and
- A public hearing was held by the Board of Aldermen on the 26th day of May, 2026;

NOW THEREFORE:

BE IT ORDAINED, by the Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, in Regular Session duly convened as the governing authority of said municipality, that:

SECTION I. The attached detailed estimate of revenues and expenditures by Departments, for the fiscal year beginning July 1, 2026, and ending June 30, 2026, be and the same is hereby adopted to serve as "Budget of Revenues and Expenditures" for the Town of Vidalia during the said period.

SECTION II. The adoption of this Operating Budget of Revenues and Expenditures by and the same is declared to operate as an appropriation of the amounts therein set forth with the terms of the budget classifications.

SECTION III. The Mayor is hereby authorized to take all actions necessary and appropriate for the implementation of the Operating Budget of Revenues and Expenditures for the fiscal year 2026-2027. All such actions must be in compliance with La. R.S. 33:321.et seq.

The above and foregoing Ordinance was read and considered, section by section, and then on motion by _____, seconded by _____, was submitted to a vote, as a whole, and the vote thereon was as follows:

MINUTES OF A SPECIAL PUBLIC MEETING OF THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF VIDALIA, LOUISIANA, HELD ON TUESDAY, MAY 26, 2026, AT 5:00 P.M. AT THE VIDALIA TOWN HALL MEETING ROOM, 200 VERNON STEVENS BLVD., VIDALIA, LA

The Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, met, in special session, at the Vidalia Town Hall meeting room, in Vidalia, Louisiana, on Tuesday, May 26, 2026, at 5:00 P.M.

There were present: Mayor Buz Craft, Aldermen Jon Betts, Alderman Robert Gardner, Alderman Triand "Tron" McCoy, Tommy Probst and Brent Smith.

There were also present: Debra Moak, Chief Financial Officer; Jay LaSyone, Chief Administrative Officer; and members of the press.

There were absent: Piara Wilson, Municipal Clerk and a representative of Smith, Taliaferro & Purvis Law Firm was not present.

The meeting was opened by the Mayor with the reciting of the Pledge of Allegiance by those present, and the invocation was given by Alderman Betts.

A quorum being present, the Mayor declared the Board of Aldermen of

the Town of Vidalia, Louisiana, to be duly convened, in special session, as the governing authority of said municipality, and opened the meeting for the conduct of business.

The Mayor asked if anyone had comments on current agenda items. Noting that no one had any questions or comments, advised that he will continue with the formal agenda.

Agenda Item No. 1 was Board discussion and vote to approve the Summer Youth Program for Greater Mt. Carmel Missionary Baptist Church led by Mr. Raymond Riley Senior. During discussion, Mayor Craft explained the need for financial accountability including receipts and checks which are required for public funds. Alderman Probst questioned if Pastor Riley received a letter with guidelines which was received by Pastor Riley. While discussing the letter, Pastor Riley questioned the specific requirements of mandatory sign-in/out for children, stating that it seemed unconstitutional or impractical. Alderman McCoy made a statement that the program seems viable and necessary and proposed that the Board revisits this agenda item and put in place some rules on how the program should be. He further stated that if he votes tonight, his vote would be no for the program as it is currently being operated. The Mayor asked for a motion to approve the program as is. For a lack of a motion, no action was taken. The Mayor asked for another motion that the agenda item be tabled until the next regular meeting, in which this motion also failed. Before leaving, Pastor Riley thanked the Board and Mayor for the support over the years before stating that he will not be back to ask for funding again. He also stated that the program has operated for three decades without sign-in requirements and financial accountability only began around 2017.

Agenda Item No. 2 was Board discussion and vote of approval of a resolution to award bid to T.L. Construction LLC for the BigLane Road reconstruction project. The Mayor called on Keith Capdepon with Bryant Hammett and Associates who gave a demonstration of the project. During his presentation, Mr. Capdepon stated that the standard design includes soil cement, geogrid netting, a rock base course, and four inches of asphalt. An optional alternate component was discussed which included a four-inch-tall plastic geometry (geocell) designed to contain the 610-rock base, aiming to prevent reflective cracking, particularly on the section from the bridge to the airport. The geo-membrane is intended to keep the road from flattening out, prevent rotting and manage reflective cracks in soil cement. The alternate adds approximately \$250,000 to the projects estimated \$3.2 million cost. A motion was made by Alderman Probst, seconded by Alderman Betts to approve the road project with the alternate option.

(A COPY OF THE RESOLUTION IS ATTACHED HERETO AND MADE A PART HEREOF).

Agenda Item No. 3 was a public hearing on an ordinance adopting the operating budget of revenues and expenses for the Town of Vidalia, Louisiana for the fiscal year 2026-2027. At this time, the Mayor entertained a motion to enter into public hearing which was made by Alderman Betts, seconded by Alderman Smith and unanimously carried. Being no comments from the public, the Mayor entertained a motion to exit public hearing which was made by Alderman McCoy, seconded by Alderman Probst and unanimously carried.

Agenda Item No. 3 was board discussion and vote on an ordinance adopting the operating budget of revenues and expenses for the Town of Vidalia, Louisiana for the fiscal year 2026-2027. The Mayor thanked Debra Moak, Municipal Accountant for her work on the budget and gave appreciation for all employees for efficient department management and professional bookkeeping. He also stated that this is strictly an operating budget for us to run the Town and serves as an appropriations instrument that gives us the authority to pay bills for the Town as they come due. The Utility Department Supervisor, Cornell Lewis spoke to make a change to the Utility Department budget regarding an excavator purchased two years ago. Mr. Lewis plans to trade in the current excavator and purchase a new one after putting it out for bid. Fire Chief Johnny Evans also spoke about necessary roof repairs at the old fire station. Insurance should cover the damages but a cost at this time is undetermined. There being no further discussion for additions to the budget, the Mayor entertained a motion to adopt the budget with these corrections for the fiscal year 2026-2027. A motion to adopt the budget of revenues and expenses for the Town of Vidalia for the fiscal year 2026-2027, including proposed revisions for the Utility Department and the Fire Department roof was made by Alderman Betts, seconded by Alderman McCoy followed by a roll call vote. The roll call vote is as follows: YEAS: Alderman Betts, Gardner, McCoy, Probst and Smith; NAYS: NONE; ABSENT: NONE. The motion carried and the budget for the fiscal year 2026-2027 was adopted.

(A COPY OF THIS ORDINANCE IS ATTACHED HERETO AND MADE A PART HEREOF).

Agenda Item No. 4 was adjournment. Being no further discussions, the Mayor entertained a motion to adjourn. The motion was made by Alderman McCoy, seconded by Alderman Probst and unanimously carried.

PROCEEDINGS OF THE SCHOOL BOARD OF THE PARISH OF CONCORDIA, STATE OF LOUISIANA, TAKEN AT A REGULAR MEETING HELD ON THURSDAY, MAY 21, 2026

The School Board of the Parish of Concordia, State of Louisiana, met in Regular Session at the Media Center, 508 John Dale Dr, Vidalia, Louisiana, on Thursday, May 21, 2026, at 6:00 P. M. The meeting was called to order by Board President Fred Butcher. Following the prayer and pledge, President Butcher declared that the Board was ready for the transaction of business.

Board members present were Mrs. Lisette Forman, Mr. Fred Butcher, Mr. Fred Marsalis, Mrs. Angela Hayes, Mrs. Dorothy Parker, Mr. Derrick Carson, Mr. Nathan Cloessner, and Mr. Wayne Wilson. Mrs. Vanessa Houck arrived at 6:14 P.M. at the beginning of the Finance Committee Report.

President Butcher noted that comment cards were available on the table with the agendas. He explained that if anyone wanted to make a comment regarding an action item on the agenda, they should fill out a comment card and bring to the table where the board members were seated and they would be acknowledged when the item they were interested in came up.

Superintendent Bachus recognized the Vidalia High School DECA club members in attendance. The Superintendent announced that the club members had recently attended the International DECA Conference in Atlanta, GA. While at the conference, they competed in a number of various DECA programs with 17,000 other high school attendees. The club's officers addressed the members of the board explaining the goals and purposes of the organization. Also, thanking the board members, Superintendent Bachus and their sponsor, Mrs. Neashion Davis, for their support.

Superintendent Bachus recognized the Ferriday High School Cheerleaders. She and Mr. Carson presented the three captains, who were also seniors, with a plaque in honor of their accomplishments. The group was just recently successful in winning the championship of The One Global Competition in Orlando, Florida. Their sponsor, Jasmine Schiele-Emery, thanked the board members for their support and acknowledgement of the hard work of the cheerleaders.

The committee reports were given next.

- The Educational Policy report was given by Mrs. Parker.
- The Finance Committee report was given by Mrs. Forman and Mr. Butcher. Mr. Butcher called a special board meeting for Tuesday, May 26, 2026, at 6:00 PM to discuss a tax situation. The meeting will be held at the media center. Coach Burget, the new football coach from Vidalia High School, attended the meeting and spoke with the committee about the needs of the football program.

It was moved by Mr. Marsalis and seconded by Mrs. Forman to add an item to the agenda, Item A.1. "VHS Football Program Needs." A roll call vote was requested.

Mrs. Parker	Yea
Mr. Marsalis	Yea
Mrs. Houck	Yea
Mr. Carson	Yea
Mrs. Hayes	Yea
Mr. Wilson	Yea
Mr. Cloessner	Yea
Mrs. Forman	Yea
Mr. Butcher	Yea

The motion passed unanimously with 9 yeas, 0 nays, 0 absent and 0 abstentions.

- The Building & Grounds Committee report was given by Mr. Carson.

It was moved by Mrs. Parker, seconded by Mr. Marsalis and unanimously carried to approve the minutes from the regular April 9, 2026, meeting. The minutes of the special meeting held on April 30, 2026, were unanimously approved on a motion by Mrs. Parker and seconded by Mr. Marsalis.

Mrs. Patricia Sessions presented the invoices in the amount of \$6,159,445 for the month of April 2026. It was moved by Mrs. Parker, seconded by Mr. Marsalis and unanimously carried to accept the report as given.

Mrs. Rhonda Moore presented the Personnel Report. The report was available in the board members' folders.

Jelvontae Goffner, 12 Month Janitor, Monterey High School, to 12 Month Janitor, Vidalia Lower Elementary School, effective April 22, 2026.

Irma Pryor, Paraprofessional, Ferriday Junior High School, to School Secretary, Ferriday Junior High School, effective March 23, 2026.

Terminations:

Jessica Bradley, Paraprofessional, Vidalia Upper Elementary School, effective March 10, 2026.

Retirements:

Sheila Lewis, School Social Worker, Special Populations, effective June 30, 2026.

Linda Henderson, 10 Month Janitor, Ferriday Junior High School, effective June 5, 2026.

Kimberly Godfrey, Teacher, Vidalia Lower Elementary School, effective June 1, 2026.

Karen Walker, Teacher, Vidalia Lower Elementary School, effective June 9, 2026.

Darlene Pickett, Teacher, Vidalia High School, effective May 22, 2026.

Catherine Green, SFS Technician, Ferriday High School, effective May 28, 2026.

Ricky Collins, Principal, FHS Freshman Academy, effective June 30, 2026.

Christine Washington, Principal on Assignment, Monterey High School, effective May 28, 2026.

Sandra Peoples, Teacher, Ferriday Junior High School, effective May 22, 2026.

Michael Burget, VHS football coach, informed the board that he had recently spoken to the Finance Committee concerning the condition of the weight room, its equipment and the condition of the football program's uniforms and equipment. He indicated that the overall dollar value of a basic needs assessment, as was presented to each of the board members earlier, was in the amount of \$33,905.

Steven Hawkins, representing the newly re-established VHS Quarter Back Club, informed the board that his group is a non-profit organization with the specific goal of supporting the school's football program. He indicated that funds generated via fundraisers and etc., would not become a part of the school overall finances, but they would have been raised in overall support of the program and to meet the individual needs of the students in the program.

It was moved by Mr. Marsalis, seconded by Mrs. Forman and unanimously carried to loan Vidalia High School the above referenced funds for the procurement of the needed equipment. This loan and the terms of its repayment is to meet with the approval of the school principal, Mrs. Allison Jowers. Repayment of the loan is to be made via installments throughout the term, that is not to exceed three (3) years.

Mr. Carson stated that he has not heard of a report on the roof of the Southern Designs building so he had no update at this time. Mr. Butcher said he would check with Mr. William McElroy with M3A Architects to see if he might have an update by next Tuesday. A firm in Baton Rouge is supposed to come and check on the roof.

Superintendent Bachus gave an update on the Town Hall Meeting, or collaboration meeting, at Vidalia Junior High School, saying that the meeting is scheduled for Friday, June 5, 2026, at 4:30 PM in the VJH Gym. The purpose of the meeting is to get input from the community as to the current facility needs and challenges, as well as needed renovations and improvements for the school.

Mr. Cloessner gave an update on the lighting requirements for the Monterey Softball Field. He informed the board that Concordia Electric has agreed to install the lights, but they could not provide the light fixtures themselves. With our maintenance department recently receiving a quote in the amount of \$24,729.26, it was moved by Mr. Cloessner, seconded by Mrs. Forman and unanimously carried that the board provide the funding for the light installation, in an amount not to exceed the referenced quotation.

Aaron Davis with Bryant Hammett & Associates reported on the Ferriday and Vidalia football fields. He said the field in Vidalia shows some improvement, but the field in Ferriday does not show much improvement. The solution for the Ferriday field is to re-sod the length of the field between the hash marks. Mr. Carson asked about the cause of the lack of growth, and Davis said

- high use of it when it was first put down,
- there is a clay layer that that was brought in which is preventing the grass from penetrating and making a strong stand, and
- the high pH level in the water.

Davis' recommendation was to strip 4 inches of soil from the field in Ferriday and add sand and chicken litter before re-sodding it. The cost would be \$38,500. He said Dr. De Boer with LSU AgCenter recommended using robotic mowers on the field, which only weigh about 40 pounds. These would be mowing every day.

It was moved by Mrs. Parker, seconded by Mrs. Hayes and unanimously carried to re-sod the football field in Ferriday.

It was moved by Mrs. Forman, seconded by Mr. Marsalis and unanimously carried to approve the 2nd reading of Policy JGFB "Supervision of Students."

Board members were provided with a draft of the Athletic Code of Conduct in their folders. There was some discussion of the draft. Mrs. Parker asked that the code be signed by the parents and the students and returned before they play. Mr. Carson requested that the draft be sent to the school board's attorney for review.

It was moved by Mr. Carson, seconded by Mrs. Parker and unanimously carried to approve the Athletic Code of Conduct pending approval by the attorney.

It was moved by Mrs. Parker, seconded by Mrs. Forman and carried to approve Option 1 of the 26-27 school calendar with Mr. Butcher voting nay. The 26-27 school year will begin Thursday, August 6, 2026, and will end Friday, May 21, 2027.

It was moved by Mr. Marsalis, seconded by Mr. Carson and unanimously carried to approve the new custodian uniforms. The new uniforms will be in use beginning with the 26-27 school year.

Superintendent Bachus introduced the first reading of the updated Title IX policy which was provided by our attorney's office.

Announcement by the superintendent:

Concordia Parish has been called "A District On The Rise," and we were recognized based on our scores in reading in a national research study by Harvard, Stanford and Dartmouth universities. The study showed that our reading scores were consistently high for the past four years. Superintendent Bachus noted that all of our scores increased, but their study only looked at the reading data. She thanked the teachers who were present for their hard work and dedication.

Mr. Jon Guice, the board's attorney was present and introduced the matter of executive session. At 7:15 PM it was moved by Mrs. Parker and seconded by Mrs. Forman to go into executive session to discuss a personnel matter. A roll call vote was requested since a two-thirds majority vote was required

Mrs. Parker	Yea
Mr. Marsalis	Yea
Mrs. Houck	Yea
Mr. Carson	Yea
Mrs. Hayes	Yea
Mr. Wilson	Yea
Mr. Cloessner	Yea
Mrs. Forman	Yea
Mr. Butcher	Yea

The motion passed unanimously with 9 yeas, 0 nays, 0 absent and 0 abstentions.

At 8:20 PM it was moved by Mr. Marsalis, seconded by Mrs. Parker and unanimously carried to return to regular session.

President Butcher asked for a motion to add an item to the agenda. It was moved by Mrs. Parker and seconded by Mrs. Forman to add an item, which will be Item K, to the agenda "To Address the Recorded Audio Tape of the Ferriday High School Football Players' Conversation with the Superintendent." A roll call vote was requested:

Mrs. Parker	Yea
Mr. Marsalis	Yea
Mrs. Houck	Yea
Mr. Carson	Yea
Mrs. Hayes	Yea
Mr. Wilson	Yea
Mr. Cloessner	Yea
Mrs. Forman	Yea
Mr. Butcher	Yea

The motion passed unanimously with 9 yeas, 0 nays, 0 absent and 0 abstentions.

It was moved by Mr. Carson and seconded by Mr. Marsalis to place a letter of reprimand as drawn up by the attorney Jon Guice with Hammonds & Sills in the superintendent's personnel folder for the actions of the superintendent along with the superintendent receiving training from Mr. Bruce Walker at ULM depending on his schedule and that a letter of apology is to be read at the next school board meeting as well as a statement of apology to be given to the affected players at Ferriday High School. A roll call vote was requested:

Mrs. Parker	Yea
Mr. Marsalis	Yea
Mrs. Houck	Yea
Mr. Carson	Yea
Mrs. Hayes	Yea
Mr. Wilson	Yea
Mr. Cloessner	Yea
Mrs. Forman	Yea

Mr. Butcher Yea
 The motion passed unanimously with 9 yeas, 0 nays, 0 absent and 0 abstentions.

There being no further business, it was moved by Mrs. Parker, seconded by Mrs. Forman and unanimously carried to adjourn. The meeting was adjourned at 8:25 PM.

Date: May 19, 2026

Time: 9:30 AM

Location: Superintendent's Office, Concordia Parish School Board Central Office

Committee Members Present
 Dorothy Parker, Committee Member
 Fred Marsalis, Committee Member
 Angela Hayes, Committee Member

Administration Present
 Toyua Bachus, Superintendent

Call to Order

The Education and Personnel Committee meeting was called to order at 9:30 AM by the committee.

Personnel Updates

Superintendent Bachus provided the committee with an update on personnel matters, including employee leaves, resignations, transfers, terminations, and retirements.

Leaves of Absence

The Superintendent reported that several employees are currently on approved leave

Resignations and Transfers

Promotions and New Hires

Terminations

Retirements

The Superintendent announced several retirements, including:

Sheila Lewis
 Linda Henderson
 Kimberly Godfrey
 Karen Walker
 Ricky Collins
 Christine Washington
 Sandra Peoples

Athletic Code of Conduct and Title IX Policy Update

Superintendent Bachus presented revisions to the district's Athletic Code of Conduct and Title IX policy. The revisions were developed to:

Align with federal Title IX requirements;
 Ensure compliance with Louisiana High School Athletic Association regulations;
 Establish due process procedures for athletic discipline.
 Address bullying, hazing, attendance, and social media conduct; and Clarify expectations for student-athletes, coaches, parents, and spectators.
 The policy also includes procedures related to:
 Academic eligibility and tutoring;
 Practice schedules;
 Transportation and supervision;
 Equipment accountability; and
 Fundraising and financial procedures.

Athletic Financial Procedures

The committee reviewed updated procedures for athletic fundraising and expenditures, including:

Depositing all athletic funds into school accounts;
 Requiring school checks for purchases;
 Implementing a \$25 bus cleaning fee per sport; and
 Charging \$1 per mile for bus maintenance.

These measures are intended to strengthen financial accountability and ensure consistent practices across all athletic programs.

Other Updates

Superintendent Bachus provided the committee with additional updates, including:
 Upcoming district town hall meeting dates;
 Progress on the Monterey High School softball field lighting project; and
 Ongoing discussions with external partners regarding recruiting and facility improvements.

Action Items

- Superintendent Bachus will email the revised Athletic Code of Conduct and Title IX policy to all board members for review.
- The policy will be presented to the full Board for consideration and approval at the next regular board meeting.
- Copies of the athletic handbook will be printed and distributed to all student-athletes and parents.
- Coaches will receive training on the updated policies at the first coaching meeting in July 2026.

Adjournment

6/17 \$72

Upon a motion by Mr. Probst, duly seconded by Mr. Simpson to enter the public hearing on adopting the revised ordinance 2023-11-27 to add East Road, East Cotondale Rd., and West Cotondale Rd., to the five-ton weight limit. Motion carried unanimously.

Upon a motion by Mr. Probst, duly seconded by Mr. Washington to close the public hearing on adopting the revised ordinance 2023-11-27 to add East Road, East Cotondale Rd., and West Cotondale Rd., to the five-ton weight limit. Motion carried unanimously.

Upon a motion by Mr. Edwards, duly seconded by Mr. Washington to adopt revised ordinance 2023-11-27 to add East Road, East Cotondale Rd., and West Cotondale Rd., to the five-ton weight limit. Motion carried unanimously.

Upon a motion by Mr. Washington, duly seconded by Mr. Bachus to approve adopting a resolution approving the issuance, sale, and delivery of not to exceed \$875,000.00 taxable excess revenue bonds of sewerage district #1 of the Parish of Concordia, State of Louisiana, and providing for related matters. Motion carried unanimously.

Upon a motion by Mr. Washington, duly seconded by Mr. Simpson to approve adopting a resolution authorizing President Lewis to execute any and all ACT 1

(CONTINUED TO PAGE 8B)

Public Notices

(CONTINUED FROM PAGE 7B)

(Sewer Improvements) documentation. Motion carried unanimously.

Upon a motion by Mr. Washington, duly seconded by Mr. Edwards to approve to adopt a resolution authorizing President Lewis to execute any and all ACT 461 (Drainage Improvements) documentation. Motion carried unanimously.

Upon a motion by Mr. Probst, duly seconded by Mr. Simpson to approve advertising for a public hearing to adopt an ordinance on battery energy storage systems. Motion carried unanimously.

Upon a motion by Mrs. Allen, duly seconded by Mr. Bachus to approve the following alcohol beverage permits:

- Illusions, LLC (Ferriday)
- Dodge Oile Company dba Dodge Store (Vidalia)
- Paul's Grocery (Monterey)
- The Landing & RV Park (Monterey)
- Sonny's Food Mart (Jonesville)
- 84 One Stop (Ferriday)

Upon a motion by Mr. Probst, duly seconded by Mr. Edwards to cite the following ordinance violations:

Mr. Lewis – 582 Stephens Road (grass)

Work orders from the Jurors were next brought forward. A motion was made by Mr. Probst, duly seconded by Mr. Tiffiee to approve the following:
•Mr. Simpson – Ditches with trees in them behind church (Roundtree to Vail Acres) Need to be cleaned out.
•Mrs. Allen – Harbor Road address still being used as a turnaround needs more gravel added further in.

The following updates were provided for Superintendent's Work Orders: 610 (yards) – 80 yds Bob Rife, 152 yds on Haphazard, 140 on Boggy Bayou, 15 yds on Poole Rd. (Monterey), 50 yds on Poole Road (Ferriday), 30 yds on Pete Davis, 35 yds on Deacon Whales, 7 yds on Loop Road, 74 yds on South Prong, 30 yds on Dan Howard, 30 yds on Decon Whales.

Maintenance Gravel – 44yds on Poole Rd. (Ferriday) and 15yds Poole Road (Ferriday). A motion was made by Mr. Probst, duly seconded by Mr. Tiffiee to approve the superintendent's work orders. Motion carried unanimously.

New Business:

Mr. Bachus checked on the waterbug and was advised it was paid for.

Mr. Washington – Advised that the finance committee met prior to the meeting and discussed ordinance fines with grass fines being \$200.00, junk and rubbish \$500.00 due to the hours of labor and equipment that will have to be used.

Mr. Lewis – Memorial Day weekend 5/22 they will begin on new chiller, and there may be some interruptions, and asked everyone to bear with us. We will also receive some designs for the front of the courthouse. Mr. Lewis also asked what were everyone's thoughts on constables handling the fines and citations for ordinance violations.

Mr. Simpson – discussed the sewer department's rates are being increased and they were not came through the Jury for discussion. Mr. Lewis advised that the sewer department advised that had a rate study conducted.

Upon a motion by Mr. Simpson, duly seconded by Mrs. Allen to send a letter to the Sewer District requesting them at the June 8th meeting. Motion carried unanimously.

Mr. Lewis – provided a chiller update, the old chiller has been moved out, new chiller is in place and will hopefully be complete by next week. Mr. Lewis also notified everyone that power will be shut off the first part of July to replace the breaker box Mr. Lewis also notified everyone that we should have new courthouse plans for the front of the building.

Mrs. Allen – advised that she has been getting positive feedback on the fresh paint in the courthouse.

Mr. Guillery – advised that tanks will be here on May 30th, and that the rake is cheaper that initially quoted.

Mr. Tiffiee – Ditch near Peel Cross Road needs cleaning.

Upon a motion by Mr. Edwards, duly seconded by Mrs. Allen to adjourn. Motion carried unanimously.

CERTIFICATE

I, Ariella Carter, Secretary/Treasurer of the Concordia Parish Police Jury do hereby certify that the above and foregoing is a true and correct copy of the minutes of the Concordia Parish Police Jury at which a quorum was present and participating on the 26 th day of May 2026, in Vidalia, Louisiana.

Ariella Carter, Secretary/Treasurer

6/17 \$106.50

PUBLIC NOTICE OF INTENT AND OF PUBLIC HEARING

PUBLIC NOTICE IS HEREBY GIVEN by the Board of Aldermen of the Town of Vidalia, Louisiana, of its intent to consider the adoption of the following Ordinance at its June 25th, 2026, Special Meeting, at 12:00 P.M. Noon, at the Vidalia Town Hall Meeting room:

AN ORDINANCE AMENDING THE OPERATING BUDGET OF REVENUES AND EXPENSES FOR THE TOWN OF VIDALIA, LOUISIANA, FOR THE FISCAL YEAR 2025-2026

NOTICE IS HEREBY FURTHER GIVEN that a public hearing will be held prior to the consideration of the adoption of the foregoing Ordinance, which was previously introduced at the June 9th, 2026, Regular Meeting, at the time and place indicated above.

Vidalia, Louisiana, this 17th day of June, 2026.

BY:

/s/ Piara Wilson
PIARA WILSON, MUNICIPAL CLERK

Equal opportunity employer

6/17 \$22.50

Notice

Notice is hereby given, pursuant to Article IV, Section 21(D)(1) of the Louisiana Constitution, that on June 1, 2026, Entergy Louisiana, LLC ("ELL"), a public utility providing retail electric and gas service throughout the State of Louisiana, filed with the Louisiana Public Service Commission ("LPSC") public and confidential version of its Formula Rate Plan ("FRP") Rider Schedule FRP Evaluation Report and Workpapers for Test Year 2025.

The filing reflects an earned return on common equity ("EROE") for the 2025 Evaluation Period/Test Year of 9.63%, which is within the approved FRP dead band and results in no change in FRP base revenue.

Changes in FRP Revenue include a reduction in credits flowing through the Tax Adjustment Mechanism, additions to transmission and distribution plant in service reflected through the Transmission Recovery Mechanism and Distribution Recovery Mechanism, respectively, and a decrease in credits flowing through the MISO Cost Recovery Mechanism. These changes result in a net increase in FRP Revenue of \$226 million.

The resulting FRP factors to be applied to the respective ELL rate classes effective for customer bills rendered on and after the first billing cycle of September 2026 are as follows:

Ln No.	Rate Class	Total ELL FRP Rate Adj.
1	RESIDENTIAL	100.7855%
2	SMALL GENERAL SERVICE	93.2446%
3	GENERAL SERVICE	96.3035%
4	MUNICIPAL PUMPING SERVICE	102.9310%
5	LARGE POWER SERVICE	82.9259%
6	HIGH LOAD FACTOR SERVICE	82.7593%
7	LARGE LOAD HIGH LF POWER SERVICE	80.9583%
8	LARGE INDUSTRIAL SERVICE	86.5556%
9	LIGHTING SERVICE	94.5556%

It is estimated that the proposed adjustment in rates will have the following effects upon applicable Legacy ELL customers' typical monthly bills: for a Residential customer using 1,000 kWh the bill would change by approximately \$6.35; for a Small General Service customer using 50 kW and 12,500 kWh the bill would change by approximately \$80.47; for a Large General Service customer using 1,000 kW and 500,000 kWh the bill would change by approximately \$1,887.73.

It is estimated that the proposed adjustment in rates will have the following effects upon applicable Legacy EGSL customers' typical monthly bills: for a Residential customer using 1,000 kWh the bill would change by approximately \$6.35; for a Small General Service customer using 5000 kWh the bill would change by approximately \$34.62; for a Large General Service customer using 500 kW and 255,500 kWh the bill would change by approximately \$897.06.

For questions and comments regarding ELL's filing, please call the LPSC toll free at (800) 256-2397. Additionally, the filing, including its attachments, the public version of which may be viewed in the Records Division of the LPSC at the following address:

The Water We Drink

LAKE ST JOHN WATERWORKS DISTRICT 1
Public Water Supply ID: LA1029006

We are pleased to present to you the Annual Water Quality Report for the year 2025. This report is designed to inform you about the quality of your water and services we deliver to you every day (Este informe contiene informacn muy importante sobre su agua potable. Traduzclo o hable con alguien que lo entienda bien). Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water.

Our water source(s) are listed below:

Source Name	Source Water Type
WELL 2 BACK WELL	Ground water
WELL 3 FRONT WELL	Ground water

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. Contaminants that may be present in source water include:

Microbial Contaminants - such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.

Inorganic Contaminants - such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial, or domestic wastewater discharges, oil and gas production, mining, or farming.

Pesticides and Herbicides - which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.

Organic Chemical Contaminants - including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.

Radioactive Contaminants - which can be naturally-occurring or be the result of oil and gas production and mining activities.

A Source Water Assessment Plan (SWAP) is now available from our office. This plan is an assessment of a delineated area around our listed sources through which contaminants, if present, could migrate and reach our source water. It also includes an inventory of potential sources of contamination within the delineated area, and a determination of the water supply's susceptibility to contamination by the identified potential sources. According to the Source Water Assessment Plan, our water system had a susceptibility rating of "MEDIUM". If you would like to review the Source Water Assessment Plan, please feel free to contact our office.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amounts of certain contaminants in water provided by public water systems. Food and Drug Administration regulations establish limits for contaminants in bottled water which must provide the same protection for public health. We want our valued customers to be informed about their water utility. If you have any questions about this report, want to attend any scheduled meetings, or simply want to learn more about your drinking water, please contact: JAMIE MCCARTNEY at 318-757-3853.

There is no safe level of lead in drinking water. Exposure to lead in drinking water can cause serious health effects in all age groups, especially pregnant people, infants (both formula-fed and breastfed), and young children. Some of the health effects to infants and children include decreases in IQ and attention span. Lead exposure can also result in new or worsened learning and behavior problems. The children of persons who are exposed to lead before or during pregnancy may be at increased risk of these harmful health effects. Adults have increased risks of heart disease, high blood pressure, kidney or nervous system problems. Contact your health care provider for more information about your risks.

The Louisiana Department of Health and Hospitals - Office of Public Health routinely monitors for constituents in your drinking water according to Federal and State laws. The tables that follow show the results of our monitoring during the period of January 1st to December 31st 2025. Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk.

In the tables below, you will find many terms and abbreviations you might not be familiar with. To help you better understand these terms, we've provided the following definitions:

Parts per million (ppm) or Milligrams per liter (mg/L) - one part per million corresponds to one minute in two years or a single penny in \$10,000.

Parts per billion (ppb) or Micrograms per liter (ug/L) - one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.

Picouries per liter (pCi/L) - picocuries per liter is a measure of the radioactivity in water.

Treatment Technique (TT) - an enforceable procedure or level of technological performance which public water systems must follow to ensure control of a contaminant.

Action Level (AL) - the concentration of a contaminant that, if exceeded, triggers treatment or other requirements that a water system must follow.

Maximum Contaminant Level (MCL) - the "Maximum Allowed" MCL is the highest level of a contaminant that is allowed in drinking water. MCL's are set as close to the MCLG's as feasible using the best available treatment technology.

Maximum Contaminant Level Goal (MCLG) - the "Goal" is the level of a contaminant in drinking water below which there is no known or expected risk to human health. MCLG's allow for a margin of safety.

Maximum Residual Disinfectant Level (MRDL) - The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

Maximum Residual Disinfectant Level Goal (MRDLG) - The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLG's do not reflect the benefits of the use of disinfectants to control microbial contaminants.

Level 1 Assessment - A study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in our water system.

Level 2 Assessment - A very detailed study of the water system to identify potential problems and determine (if possible) why an E. coli MCL violation has occurred and/or why total coliform bacteria have been found in our water system on multiple occasions.

violation has occurred and/or why total coliform bacteria have been found in our water system on multiple occasions.

Our water system tested a minimum of 2 sample(s) per month in accordance with the Total Coliform Rule for microbiological contaminants. With the microbiological samples collected, the water system collects disinfectant residuals to ensure control of microbial growth.

Disinfectant	Date	HighestRAA	Unit	Range	MRDL	MRDLG	Typical Source
CHLORINE	2025	1.3	ppm	0.36 - 2.61	4	4	Water additive used to control microbes

In the tables below, we have shown the regulated contaminants that were detected. Chemical Sampling of our drinking water may not be required on an annual basis; therefore, information provided in this table refers back to the latest year of chemical sampling results.

The State of Louisiana regularly monitors source water per State and Federal Regulations. Treated water samples are monitored to further evaluate compliance.

Source Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
FLUORIDE	8/12/2025	1.4	1.4	ppm	4	4	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories

Source Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
COMBINED RADIUM (226 & 228)	8/12/2025	1.92	0 - 1.92	pCi/l	5	0	Erosion of natural deposits
GROSS BETA PARTICLE ACTIVITY	8/12/2025	1.75	1.54 - 1.75	pCi/l	50	0	Decay of natural and man-made deposits.

Lead and Copper	Date	90TH Percentile	Range	Unit	AL	Sites Over AL	Typical Source
COPPER, FREE	2022 - 2024	0	0 - 0.1	ppm	1.3	0	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD	2022 - 2024	0	0	ppb	15	0	Corrosion of household plumbing systems; Erosion of natural deposits

Disinfection Byproducts	Sample Point	Period	Highest LRAA	Range	Unit	MCL	MCLG	Typical Source
TOTAL HALOACETIC ACIDS (HAAs)	1078 HWY 570	2025	33	8.5-40.5	ppb	60	0	By-product of drinking water disinfection
TOTAL HALOACETIC ACIDS (HAAs)	261 WLDLIFE AND FISHERIES RD	2025	22	8.3-28.7	ppb	60	0	By-product of drinking water disinfection
TOTAL HALOACETIC ACIDS (HAAs)	5861 HWY 568	2025	31	7.4-38.3	ppb	60	0	By-product of drinking water disinfection
THM	1078 HWY 570	2025	38	9.2-45.6	ppb	80	0	By-product of drinking water chlorination
THM	261 WLDLIFE AND FISHERIES RD	2025	18	8.7-20.9	ppb	80	0	By-product of drinking water chlorination

THM	5861 HWY 568	2025	30	7.7-35.9	ppb	80	0	By-product of drinking water chlorination
-----	--------------	------	----	----------	-----	----	---	---

Source Secondary Contaminants	Collection Date	Highest Value	Range	Unit	SMCL
CHLORIDE	8/12/2025	49	49	MG/L	250
IRON	8/12/2025	0.05	0.05	MG/L	0.3
PH	8/12/2025	7.59	7.59	PH	8.5

MANGANESE	8/12/2025	0.01	0.01	MG/L	0.05

+++++Environmental Protection Agency Required Health Effects Language+++++
Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. LAKE ST JOHN WATERWORKS DISTRICT 1 is responsible for providing high quality drinking water and removing lead pipes, but cannot control the variety of materials used in plumbing components in your home. You share the responsibility for protecting yourself and your family from the lead in your home plumbing. You can take responsibility by identifying and removing lead materials within your home plumbing and taking steps to reduce your family's risk. Before drinking tap water, flush your pipes for several minutes by running your tap, taking a shower, doing laundry or a load of dishes. You can also use a filter certified by an American National Standards Institute accredited certifier to reduce lead in drinking water. If you are concerned about lead in your water and wish to have your water tested, contact LAKE ST JOHN WATERWORKS DISTRICT 1 or JAMIE MCCARTNEY at Phone: 318-757-3853. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available at http://www.epa.gov/safewater/lead. The full lead and copper report for LSJWW can be viewed in our office at 1185 Hwy. 569 Ferriday, La.

There are no additional required health effects notices.

There are no additional required health effects violation notices.

+++++
Thank you for allowing us to continue providing your family with clean, quality water this year. In order to maintain a safe and dependable water supply we sometimes need to make improvements that will benefit all of our customers.

We at the LAKE ST JOHN WATERWORKS DISTRICT 1 work around the clock to provide top quality drinking water to every tap. We ask that all our customers help us protect and conserve our water sources, which are the heart of our community, our way of life, and our children's future. Additional information on the water system can be found at www.lsjww.com/watergrade, or our website lsjww.com. Our water grade for 2025 was a 99%. Please call our office if you have questions.

PROCESS VERBAL

I Sally B Lewis Tax Collector for the Village of Clayton, Louisiana, do hereby certify that the forgoing and attached pages hereto and made a part hereof, is a true and correct list of delinquent taxpayers who have failed to pay their taxes for 2025, showing their names, post office addresses and a brief description for their properties on which taxes are due, and the amount of the taxes: that the parties have failed to pay the taxes assessed to them on the property described in this list and a printed and written notice has been mailed to each of them by certified mail and signed by my official notifying them that the property would be sold according to the law; that each of the notices showed the amount of the taxes due.

In faith whereof, I have closed the process Verbal this 13th day of May 2026 in the presence of two undersigned witnesses over the age of 14 years.

s/s Sally B. Lewis
Tax Collector
