BUSINESS REPORT

Mrs. Boquet presented the board members with an update of the monthly budget. She let the board know that the increase of funds shown for the 2021-2022 total funds, is due the the ESSER Funds Indirect Cost. The Net Gain shown on the 3-year comparison indicated a net gain for the 2020-2021 for a total of \$927,577.04 reflecting the ESSER Funds. Although the 2021-2022 net gain was low, it is still a positive amount. This is the final full year of the ESSER Funds. There have been some adjustments on the Master Bank account, due to the bus accident, which caused numerous injuries, in the Workers Comp. account. Mrs. Boquet shared with the board members the Renovation and Construction Funds, these funds also include, bus maintenance, small building project at the Central Office, and other small projects that she will share at the next meeting. With that, she ended her report.

SUPERINTENDENT’S REPORT

PRESIDENT’S REPORT –

Mr. Kelly addressed the board about the passing of Mr. Reeves, a long time bus driver for the school board, and asked that they pray for the family. In addition, he congratulated Mrs. Cynthia Swayzer and Mr. Brady Cox, on their appointments to Principal and Assistant Principal at Crowville Junior High School. Mr. Kelly reminded the board members to complete the Disclosure Statement and return it to the state department before September 15.

The Franklin Parish School Board met for its regular scheduled agenda meeting on Tuesday, August 30, 2022.

Present for the meeting were Mr. Eddie Ray Bryan, Mrs. Alaina Nichols, Mr. Danny Davis, Mr. Richard Kelly, Dr. Jacqueline Johnson, and Mr. Tim Eubanks.

Absent from the meeting was Mrs. Mia Dunn.

President Richard Kelly called the meeting to order, Chaplain Danny Davis led in prayer and President Kelly led the Pledge of Allegiance.

The Maintenance Committee was called to order by Mrs. Alaina Nichols. Mr. Gullatt informed the board that we have had leaks everywhere. Doug has contacted roofers about the warranty on the work in reference to old and new leaks. This was due to the sheer amount of volume of rain that we received. I hope that in September we will have more information on that. We are still waiting to see if the legal team needs to be contacted and get involved, we will. This Friday we will be playing Bastrop here instead of there, due to them putting down new turf. So now we are hustling trying to get our field prepared for the game. We will be voting on the Air conditioning bid on the next part of the meeting. I did not want to wait until the regular meeting on September 15. These will be spread out for every school. Mr. Danny asked about giving these repair jobs to people in the state. Mr. Guice answered by saying there are things we can do to address preferences for future projects. With no other references to discuss, Mrs. Nichols concluded the Maintenance Committee meeting.

The Finance Committee Meeting was called to order by Dr. Jacqueline Johnson. Mrs. Rebecca Boquet shared that we are beginning our audit. With that, we have the Compliance questionnaire that will be presented at the regular meeting on September 15. We are also getting close to finalizing the ending budget. At the last meeting, I had mentioned that we still had our head barely above water, well we just sank. Workers Comp claims have affected the budget mainly due to the accident last school year. I will have the ending budget added to the next scheduled meeting on September 15. Utility bills have gone higher in the last several months, adding to the deficit. In addition, an increase in insurance and fuel cost. With no other items to discuss, Dr. Johnson concluded the Finance Committee meeting.

SPECIAL MEETING - AUGUST 30, 2022  
The Special Meeting was called to order by Mr. Kelly.

Mrs. Alaina Nichols motioned that the Special Meeting Agenda by amended to add the following item, the approved procedures to govern disciplinary hearings conducted pursuant to LA RS:17:443, 17:444 and 17:493  
Dr. Jacqueline Johnson seconded the motion.

Mr. Danny Davis asked for a discussion on the motion.

Mr. Jon Guice stated that in 2014 Act 1 was changed and expanded its applicability to tenured teachers and added principles, assistant principals, supervisors, bus drivers, and everyone. Forethought amended our policy to say that the school board would utilize the procedures approved. While looking at them, I do not think they have been updated. It is my recommendation that they be updated for the upcoming school year. I have added an attachment that has the needed upgraded policy changes. These are standards used across the other school districts. This clears up the misconception that school board members have the authority to hire and fire. The only employee that the school board members have that authority to do so is the superintendent. The policy states that for tenured employees, they are entitled for a hearing before a disciplinary hearing officer. That is why we are adopting these procedures tonight.  
The definition of a hearing officer is either a retired judge or a practicing attorney or mediator.

The Franklin Parish School Board met for its regular scheduled agenda meeting on Tuesday, September 27, 2022 at 5:00 PM.

Present for the meeting were Mr. Eddie Ray Bryan, Mrs. Alaina Nichols, Mr. Danny Davis, Mr. Richard Kelly, and Mr. Tim Eubanks.

Absent from the meeting was, Dr. Jacqueline Johnson, and Mrs. Mia Dunn.

President Richard Kelly called the agenda meeting to order.

Mrs. Alaina Nichols called the Maintenance Committee to order. Mr. Troy Bell reported for Mr. John Gullatt who was absent from the meeting. He started by letting the board know of the situation at the school office concerning the air conditioner units being out. Doug Clark, Maintenance Supervisor, has spoken with the company that went on the roof to see what was causing the outage. It was reported that the unit was leaking what seemed to be oil. The units are no longer under warranty so prices are being collected to see what the cost will be to replace. Mr. Bell stated that the cost is going to be upward of \$30,000 plus. The reason for the cost is greatly due to the need for a crane that will need to be rented to hoist the units to the roof. Mr. Eddie Ray Bryan asked what is the time frame for repairing the intercom system at Fort Necessity School? It was damaged when lightning hit the school building during a severe thunderstorm. Mr. Bell let Mr. Bryan know that the system has been placed on BidSync and it will be two to three weeks before the bid ends. Mr. Eubanks asked when Baskin School will have cameras installed? He knows that other schools in the district have their cameras installed. Mr. Bell answered that he believes the cameras are being installed at this time. With no other business to discuss, Mrs. Nichols adjourned the Maintenance Committee meeting.

Mr. Tim Eubanks called the Finance Committee Meeting to order. Mr. Eubanks mentioned that he has noticed that fuel prices have decreased in the past month. Mrs. Boquet stated that utilities and fuel are still high and at this rate it will be hard to sustain with the decrease in the student body. She also indicated that insurance will increase in January. Mrs. Alaina Nichols stated that it seems when teachers and staff get an increase in pay, insurance is sure to follow. Mrs. Boquet informed the board that the business office is working on multiple audits at this time and is working on the finance report showing the deficit at the end of the year. She also stated that when the indirect cost from the ESSER funds ends and decisions that will need to be made. She feels that once ESSER ends the state will audit those funds. So at this point she is making sure that all the I's are dotted and the T's have been crossed. Mr. Danny Davis will we be short on money when those funds end? Mr. Bell said we will need to make some changes when that happens. Mrs. Nichols stated that other districts have come up with ways to make things work, surely we will be able to do the same. Mr. Bell stated that last year approximately 156 students left the school system to enter homeschool. He feels that when those students return to the school system, they will have to be caught up. Although there are teachers that have left school districts and are now teaching homeschool students, some are not being taught at all. Mr. Davis asked how the cuts in the budget will affect academic goals? Mr. Bell said that the district has been working diligently the past few years to create a better curriculum. He also let the board know that performance scores will be out in the next few weeks. With no other business to discuss, Mr. Eubanks adjourned the Finance Committee meeting.

VISITOR: MASTER SERGEANT EMMA BLACKSHIRE

MS Blackshire told the board that October is Bullying Awareness Month. She wanted to invite the board to the Anti-Bullying Rally that will be held October 22, 2022 at the Franklin Parish High School Parking lot from 10:00 a.m. to 2:00 p.m. The rally will be a service learning project for the JROTC students. In 2019 Louisiana was number 6 in the nation for bullying, number 5 for physical fights and number 2 in suicide. Bringing awareness to bullying is an important part to help students know what to do when they see bullying happening around them. Right now students will not report bullying to adults because they feel that adults don't care. When they do report it, nothing ever happens to the person that was reported. MS Blackshire asked board members to attend the rally to show their support for the students.

CARROL PINNELL-ALLISON - LSU AGCENTER 4-H AGENT

Mrs. Allison let the board members and visitors know that October 3, 2022, was the beginning of National 4-H week. Mrs. Allison gave the board members the quarterly report that gave a look at what has been going on with 4-H in the past few months. This year has been difficult for the agriculture producers due to the high cost of fertilizer and fuel and the high temperatures during the summer months. Area Assistant Horticultural Agent Marcie Wilson set-up booths at the Gilbert and Crowville Farmer's markets where information was given out about Fall Vegetable Planting guides. Mr. Neil West was present at the meeting where Mrs. Allison introduced and congratulated him on being added to the 4-H Volunteer Hall of Fame. Mr. Neil started helping with the shooting sports after being asked by Mr. Joe Walters in 2005. Last year the 4-H Shooting Sports participants made it all the way to the BB Nationals in Arkansas. Eli Rogers, a freshman at Franklin Parish High School, spoke to the board about how much 4-H has been a big part of his life and has helped him to become a productive student at the high school. He and Samantha Shelton have been nominated to the State Executive Board. Mr. Rogers wanted to thank the Franklin Parish School Board for their support of the 4-H Organization.

BUSINESS REPORT

Mrs. Rebecca Bouquet reported to the board that the business office had several things that had happened today and became of that, the accounts payable report was not printed in time for the meeting. The report will be presented at the next regular meeting. Mrs. Boquet did report that revenues are up about \$50,000 from last year but the expenditures are up about \$400,000. The biggest cause is the utility bills. The budget shows the General Administration which is the superintendent's office. There are a lot of charges that hit there throughout the year. At the end of the year we pull them out and transfer them to other accounts. One of those are retiree benefits and retiree insurance. These run about \$200,000 a month. These funds accumulate through the year then we allocate them to the general functions. This month's interest and principal on our debt, we will be through with that in 2026. Mrs. Nichols asked how many retiree/retirees that are employed at this time? Mrs. Latanga Blackson said there are about 6-7 teachers that fall in that category. She also mentioned that she is required to run in the local paper every month by law an ad that falls under critical shortage. This is required until they are filled with a teacher that is not retired.

SUPERINTENDENT'S REPORT

Mr. John Gullatt wanted to thank everyone that checked on him while he was out. We are getting some drainage work done at Baskin. Once they are completed there they will move to the next school. October 7-12, 2022 we will be out for Fall Break and then November 8th we will be out for Election Day. The next meeting will be October 25th for the agenda meeting and November 1st for the Regular meeting. I will get the meeting that Mr. Jon Guice conducts set up possibly split it into two meetings.

PRESIDENT'S REPORT –

Mr. Kelly stated that the board will have the Superintendent Evaluation Contract at the next regular meeting. I feel that Mr. Gullatt has been doing a great job but it is something that is required.
