## NOTICE

NOTICE is hereby given pursuant to article IV, section 21 (D) (1) of the Louisiana Constitution, that on April 29, 2021, Entergy Louisiana, LLC ("ELL"), an electric public utility having facilities to provide retail electric service to residential, commercial, industrial, and governmental customers in fifty-eight Parishes of the State of Louisiana, filed with the Louisiana Public Service Commission ("LPSC") an Application ("Application") for recovery in rates of costs related to Hurricane Ida and Hurricanes Laura, Delta, and Zeta and Winter Storm Uri.

The Application requests the following: (1) find ELL's storm costs for Hurricane Ida of \$2.54 billion and Hurricanes Laura, Delta and Zeta and Winter Storm Uri of \$31.9 million to be reasonable and necessary and approve their recovery from customers; (2) authorize ELL to recover carrying charges on the approved storm restoration costs from the date on which the storm restoration costs were incurred until the date that bonds are issued pursuant to a financing order or until the storm restoration costs are otherwise recovered; (3) specify and approve the manner in which the storm restoration costs will be functionalized and allocated to rate classes within ELL's retail jurisdiction; and (4) grant such other relief to which ELL may be entitled.

The Company's Application, including proposed changes to the rates and charges, may be viewed in the Office of the Louisiana Public Service Commission in Baton Rouge, Louisiana.

## IN THE JUVENILE COURT OF MADISON COUNTY, TENNESSEE

STATE OF TENNESSEE  
DEPARTMENT OF CHILDREN'S SERVICES

### PETITIONER

vs.

No. 61-54,449

LINDSEY FITE  
AUSTIN DAVIS  
JOHN LANOY

### RESPONDENTS

IN THE MATTER OF:  
John Robert Lanoy DOB: 10/7/2015  
Kayden Michael Fite DOB: 8/14/2019

## CHILDREN UNDER EIGHTEEN (18) YEARS OF AGE

### ORDER OF PUBLICATION

It appearing to the Court from the allegations of the Petition in this cause and the affidavit of the Petitioner that the whereabouts of the Respondent, John Allen Lanoy, are unknown and that ordinary process of law cannot be served upon him, It is, therefore, ordered that Respondent, John Allen Lanoy, be served by publication of the following notice for four (4) consecutive weeks in The Concordia Sentinel, a newspaper published in Concordia Parish, Louisiana.  
TO JOHN ALLEN LANOY:

The State of Tennessee, Department of Children's Services, has filed a petition against you seeking to terminate forever your parental rights to John Robert Lanoy on the grounds that you have willfully abandoned this child and for other reasons. It appears that ordinary process of law cannot be served upon you because your whereabouts are unknown. You are, therefore, ordered to respond by appearing in Court or filing an Answer to the Petition filed against you. A copy of the Petition may be obtained at the office of the Juvenile Court of Madison County, 110 Irby Street, Jackson, Tennessee 38301; 731-988-3913. This notice will be published for four consecutive weeks. The last date of publication will be 6/1/22. You must appear in Court on 7/7/22 at 11:00 a.m. to defend, or file an Answer within 30 days, or a Default Judgment or judgment on the facts will be taken against you and a hearing to terminate your parental rights will be set. All future hearings and/ or documents filed in this cause shall be filed with the clerk and shall be considered as service upon you. You may request your copy from the clerk.

ENTER this 5th day of May 2022.

## MINUTES OF A REGULAR PUBLIC MEETING OF THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF VIDALIA, LOUISIANA, HELD ON TUESDAY, APRIL 12, 2022 AT 6:00 P.M. IN THE TOWN HALL MEETING ROOM, 200 VERNON STEVENS BLVD., VIDALIA, LOUISIANA

The Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, met, in regular session, in the Town Hall Meeting Room on Tuesday, April 12, 2022, at 6:00 p.m.

There were present: Mayor Buz Craft, Aldermen Jon Betts, Tommy Probst, Brent Smith, and Alderwoman Rosa I. Demby.  
There was absent: Alderman Gardner.

There were also present: Piara Wilson, Municipal Clerk; Debra Moak, Municipal Accountant; George C. Murray, Jr., Municipal Attorney; Jay LaSyone, Municipal Manager; Pam Middleton, Executive Assistant to the Mayor; and members of the press.

The meeting was opened by the Mayor and the Pledge of Allegiance was recited by those present, followed by the invocation given by Alderwoman Demby.

A quorum being present, the Mayor declared the Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, to be duly convened, in regular session, as the governing authority of said municipality, and opened the meeting for the conduct of business.

After being reviewed, the typed minutes of the regular meeting of March 8, 2022, were approved with no changes. The motion for approval of the minutes was made by Alderman Betts, seconded by Alderman Probst, and unanimously carried by those present.

The Mayor then opened the floor for public comments on current agenda items. There being no comments, the Mayor, noting that fact, closed the floor for public comments on current agenda items.

Prior to addressing Agenda Item No. 1, the Mayor advised the Board that, for the first time, he is asking that two agenda items be added to the agenda. The first item is a request by Mrs. Sheila McFarland to approve a Memorandum of Understanding with the Red River Delta Law Enforcement Agency to oversee obtaining a grant for \$997.00 for the Vidalia Police Department. The Mayor then indicated that a motion to add that agenda item is required and asked for that motion. Motion was made by Alderman Probst, seconded by Alderman Smith, and unanimously carried by those present, to add Agenda Item A-1 as requested, and the vote was unanimous by those present. The Mayor then recognized Mrs. McFarland to speak to the Board. Mrs. McFarland explained to the Board that Red River Delta will apply for a grant of \$997.00 to be used for equipment for the Police Department and that a Memorandum of Understanding will need to be signed by the Mayor in order to have them process the grant application. Then the Mayor explained to the Board the highlights of the Memorandum of Understanding and possible Cooperative Endeavor Agreement between the Town and Red River Delta which would need to be signed by him. There being no further discussion or questions, the Mayor asked for a motion. The motion was made by Alderwoman Demby, seconded by Alderman Betts, to approve the Memorandum of Understanding and possible Cooperative Endeavor Agreement between the Town and Red River Delta concerning the grant application. The vote thereon was unanimous by those present. The Mayor then addressed the next agenda item to be added and explained that this would be a Memorandum of Understanding between the Town and the Concordia Learning Center. The Mayor then asked for a motion to add this item to the agenda. A motion was made by Alderman Betts, seconded by Alderwoman Demby, to add the agenda item A-2 as requested. The vote thereon was unanimous by those present. The Mayor then asked Mrs. Williams to come to the podium and address the Board. Mrs. Williams indicated that she is applying for a grant which would be used in connection with several schools in the Parish and particularly the Vidalia Lower Elementary and the Vidalia High School. She indicated that in connection with the application of the grants to those schools, she would be asking for assistance from the Town for such things as supplying guards to take the children from the Elementary School to the Library for instance, or if the High School would be going on a field trip somewhere to provide escorts for those purposes. The Mayor then thanked Mrs. Williams and explained to the Board again what the request is being made for. He asked for questions or comments from the Board and there being none, he asked for a vote. A motion was made by Alderwoman Demby, seconded by Alderman Smith, to authorize the Mayor to sign the Memorandum of Understanding, as presented, and the vote in favor of the adoption was unanimous by those present. The Mayor then thanked the Board for allowing him to add those agenda items and for approving them. He then moved on to Agenda Item No. 1.

Agenda Item No. 1 was the presentation of the financial statement for February, 2022. The Mayor called on the Municipal Accountant, Debra Moak, CPA, who presented the financial statement. She began by explaining the various fund balances, which summaries included a comparison of actual expenses to budget expenses. The summary sheets, previously given to the Aldermen, were reviewed in detail, and she reported on the various positive and negative fund balances and indicated the net changes in the various funds through February 28, 2022. As usual, she reminded the Aldermen that those statements were provided to them in their meeting packet. Mrs. Moak then advised that the Town revenues are under budget and that new royalty rates began in January, which created a royalty of \$2.7 million for the month. She also advised that the Town is still working with FEMA to recover emergency work and debris removal costs caused by the 2021 winter storm. She concluded by telling the Board that the Town has begun working on the budget for FY 2022-2023, and that it will be necessary to amend the budget due to unforeseen changes during the year. The only funds which require amending of the General Fund and Special Revenue Funds. There being no questions or comments, the Mayor thanked Mrs. Moak for her usual thorough presentation.

Agenda Item No. 2 was Board discussion and vote on approval of occupational license applications. The first application was by Joe Reynolds for "JOE-2 MECHANIC SHOP" at 1204 Carter Street. There being no questions or comments, on motion for approval by Alderman Betts, seconded by Alderman Probst, and unanimously carried by those present, the application was approved. The second application was by Bethani Douglas for "GEAUX JOE, LLC" at 2008 Carter Street. Ms. Douglas spoke in favor of the application. There being no questions or comments, on motion for approval by Alderman Probst, seconded by Alderman Betts, and unanimously carried by those present, the application was approved. The third application was by Jacqueline Jackson for "SMOKE STAXX" at 4010 Carter Street. There being no questions or comments, on motion for approval by Alderman Betts, seconded by Alderwoman Demby, and unanimously carried by those present, the application was approved. The fourth application was by James Helmes for "LPR-AUTO REPAIR" at 1910 Carter Street. Mr. Helmes spoke in favor of the application. There being no questions or comments, on motion for approval by Alderman Probst, seconded by Alderman Smith, and unanimously carried by those present, the application was approved. The fifth application by Brenda Floyd for "THE BRANDIN' IRON, LLC" at 1102 Carter Street. There being no questions or comments, on motion for approval by Alderwoman Demby, seconded by Alderman Betts, and unanimously carried by those present, the application was approved. Application No. 6 was by Jessica Roberts for "PRETTY IN INK, LLC" at 4010 Carter Street. There being no questions or comments, on motion for approval by Alderman Smith, seconded by Alderman Probst, and unanimously carried by those present, the application was approved. The 7th application was by Jody Nichols for "MISS LOU FAMILY CARE" at 1648 Carter Street. There being no comments or questions, on motion for approval by Alderman Probst, seconded by Alderman Betts, and unanimously carried by those present, the application was approved. The 8th application was by Dennis Cooper for "DC AG" at 903 Carter Street. There being no questions or comments, on motion for approval by Alderman Smith, seconded by Alderman Betts, and unanimously carried by those present, the application was approved.

Agenda Item No. 3 was Board discussion and vote on approval of sign applica-

# Tigers invited

Two former LSU basketball players were announced Monday by the NBA G League as part of a field of 44 prospects for the NBA Draft 2022 who will attend the 2022 NBA G League Elite Camp, May 16-17 at Wintrust Arena in Chicago.

Based on performance, select players from the Camp will be invited to participate in the Microsoft Surface NBA Draft Combine 2022, while will be held May 18-22, also in Chicago.

The two LSU players on the list of 44 are Darius Days and Shareef O'Neal.

Days completed an outstanding four years at LSU, earning All-SEC second team honors in 2022, averaging 13.7 points, 7.8 rebounds and 1.5 steals per game. He posted 26 double figure games in 2021-22, 70 for his career with 25 double doubles for his days at LSU. Days hit 69 three-pointers this season with 10 games of three-or-more.

tions. The first application was by Finance America D/B/A "Cash 2 U" at 1642 Carter Street, Suite 3, for a sign on the building and one on a pole as shown on the attached pictures. There being no questions or comments, on motion for approval by Alderman Probst, seconded by Alderman Smith, and unanimously carried by those present, the application was approved. The second application was by Brenda Floyd for a 10' X 3' sign to advertise "THE BRANDIN' IRON" at 1102 Carter Street. The sign will advertise the steak house as per the application and attached material. The sign will be lighted. There being no questions or comments, on motion for approval by Alderman Probst, seconded by Alderman Betts, and unanimously carried by those present, the application was approved. It was noted however that attached to the application was an application for a 2022 Class A beer permit and liquor permit A by Brenda Floyd for "THE BRANDIN' IRON" at 1102 Carter Street. There being no questions or comments, on motion for approval by Alderman Smith, seconded by Alderman Betts, and unanimously carried by those present, the application was approved.

Agenda Item No. 4 was presentation on current millage issues for Town of Vidalia by Jeannie Archer, Concordia Parish Tax Assessor. The Mayor began by explaining the need to discuss the current millage issues at this time and turned the floor over to Ms. Archer who made her presentation. She said that currently the millage is set at 3.37 mills which brings in about \$129,000.00 a year and is one of the lowest in the State, but to increase it to the maximum of 3.39 mills, would only increase the revenues by approximately \$760.00. After a brief discussion with no questions or comments, it was the consensus of the Board to keep the millage at its current level of 3.37 mills. The Mayor thanked Ms. Archer for her presentation.

Agenda Item No. 5 was Board discussion and vote to set millage being levied to accept millage being levied on the 2022 tax roll on all property subject to taxation by the Town of Vidalia, Louisiana. The Mayor again reiterated the need to accept the millage at this time and after a short discussion, a motion to keep the millage at the current 3.37 mills was made by Alderman Betts, seconded by Alderman Probst, and the roll call vote was as follows: YEAS: Alderman Betts, Alderwoman Demby, Alderman Probst and Alderman Smith. NAYS: NONE. ABSENT: Alderman Gardner. The vote was 4 YEAS; no NAYS; one ABSENT. The resolution was declared adopted.

(A COPY OF THE RESOLUTION ATTACHED HERETO AND MADE A PART HEREOF)

At this point, the Municipal Clerk recognized that Alderman Gardner had joined the meeting.

Agenda Item No. 6 was request to re-direct a portion of funds budgeted for Vidalia Port Development. The Mayor then turned the floor over to Bryant Killen, Deputy Director of Vidalia Port who made a presentation to the Board. Mr. Killen explained to the Board that the funds that had been budgeted for Vidalia Port Development and that there is, at this time, approximately \$23,000.00 which is excess and will be funded by grants, and that is available for re-direction. He indicated that it is the Vidalia Port's request that they be allowed to re-direct \$23,000.00 to making a matching portion of a \$69,000.00 grant request. Following his presentation, there were no questions or comments, and on motion of Alderman Smith, seconded by Alderman Probst, and unanimously carried, the motion to re-direct the funds was approved.

Agenda Item No. 7 was presentation regarding possible projects to address litter and other related issues throughout the Town. The Mayor began by announcing that Mr. John Roland, with the Vidalia Beautification Committee, had asked to be on the agenda and was here to speak about the matter about this issue but that this was a very good time for this as the Lt. Governor's Office had just announced a "LOVE THE BOOT WEEK" of April 18-24, which is statewide litter removal project which most Towns would be asked to participate in and he intends to. He stated that although he receives many good reports from people who come through Town and think we have a very clean Town, he knows that the Town needs cleaning up in other places and that we intend to do this. The Mayor then turned the floor over to Mr. Roland for his presentation. Mr. Roland made a short but impassioned plea to the Board and gave instances of where people just don't care about what they do and that he believes that the Town would do well to have some sort of program to try and change people's attitude about keeping the Town clean. He says that there should be some sort of programs to instill pride in the townspeople and their Town and to change their attitudes about litter control. After his presentation, the Mayor thanked him and indicated that the Town would like to get with the Beautification Committee and come up with some plans to do exactly what Mr. Roland was talking about.

Agenda Item No. 8 was presentation regarding setting up a mobile unit for cancer screenings. The Mayor indicated that Myra Akers with Mary Bird Perkins Center could not make it and that he feels certain that she will re-schedule in the future. He also encouraged all to get their cancer screenings.

Agenda Item No. 9 was Board discussion and vote to approve renewal of contract for Municipal Membership with Air Med Care Network (AIR EVAC) providing emergency air lift services for Town of Vidalia residents. The Mayor announced the purpose of the item and then turned the floor over to Mr. Jay LaSyone, Municipal Manager, who is familiar with all of the aspects of the service. Mr. LaSyone then made a thorough presentation about how the ambulance and air evac service works; who is covered by it and who is not; and the various ways for paying for services. Following his presentation, the Mayor thanked him for his efforts in making the presentation. There being no questions or comments from the Board, the Board asked for a motion to approve the renewal of the contract. A motion to approve the renewal of the AIR EVAC contract, as presented was made by Alderwoman Demby, seconded by Alderman Probst, and unanimously carried.

Agenda Item No. 10 was introduction of an Ordinance to declare the malapportionment status of the current districting plan of the election districts of the Town of Vidalia utilizing the population data from the 2020 Federal Decennial Census. The Mayor began by explaining the need for the Ordinance. Following his explanation, there being no comments, he formally introduced the Ordinance.

(A COPY OF THE ORDINANCE IS ATTACHED HERETO AND MADE A PART HEREOF)

Agenda Item No. 11 was Board discussion and vote on approval of Resolution authorizing the Town of Vidalia to terminate its 457 Retirement Plan in accordance with the amendment to terminate. After announcing Agenda Item No. 11, the Mayor turned the floor over to City Manager, Jay LaSyone, who explained the reasons for wishing to terminate the 457 Plan. Following his explanation, after short discussion, it was moved by Alderman Smith, seconded by Alderman Betts, and unanimously carried, that the Resolutions contained in the "Confirmation of Action" document, as presented at the meeting and Amendment to Terminate the City of Vidalia 457 Plan, as presented at the meeting, be executed by the appropriate parties.

Agenda Item 12 was presentation and Board discussion on annual backflow inspections and associated costs. After announcing Agenda Item No. 12, the Mayor briefly spoke on the annual backflow inspections and then turned the floor over to Mr. Cornell Lewis, Water Department Supervisor, who explained the annual backflow inspections and associated cost at length and indicated that it was his opinion that the Town should take over making those inspections, as he is a qualified inspector, which would save the customers and the Town what he believed would be significant monies in the future. Following a short discussion between the Mayor, the Board and Mr. Lewis, it was the consensus of the Board that they would table this matter and research to determine how to structure the Town taking over responsibilities of doing the backflow inspections and assessing the cost.

Agenda Item No. 13 was Board discussion and vote on approval of new hire for Vidalia Police Department; Latoya Corey – Full time dispatcher. The Mayor turned the floor over to Officer Frankie Carroll who explained the Police Department's need to hire Latoya Corey as a full time dispatcher. Following a short discussion concerning training, a motion to approve the new hire of Latoya Corey as full time dispatcher was made by Alderman Gardner, seconded by Alderwoman Demby, and unanimously carried.

Agenda Item No. 14 was Board vote on approval to enter Executive (CONTINUED TO PAGE 6B )

# Public Notices

(CONTINUED FROM PAGE 5B)

Session regarding issues related to possible litigation. After explaining the need to have a motion passed to enter into Executive Session, the motion to enter into Executive Session was made by Alderwoman Demby, seconded by Alderman Betts, and unanimously carried. The Mayor and Board then entered into Executive Session and exited the meeting room.

Agenda Item No. 15 was Board vote on approval to exit Executive Session. On returning to the meeting room from Executive Session, motion was made by Alderman Gardner to exit Executive Session, which was seconded by Alderman Smith and unanimously carried. The Mayor and Board then resumed the regular meeting.

Agenda Item No. 16 was adjournment. After resuming the regular meeting, the Mayor noted that no formal action was taken in the Executive Session and that there were no further agenda items and asked for a motion to adjourn. A motion to adjourn was made by Alderman Gardner, seconded by Alderwoman Demby, and unanimously carried. As the motion passed, the meeting was adjourned.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE TO DECLARE THE MALAPPORTIONMENT STATUS OF THE CURRENT DISTRICTING PLAN OF THE ELECTION DISTRICTS OF THE TOWN OF VIDALIA UTILIZING THE POPULATION DATE FROM THE 2020 FEDERAL DECENNIAL CENSUS; AND OTHERWISE TO PROVIDE WITH RESPECT THERETO.**

BE IT ORDAINED, BY THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF VIDALIA, LOUISIANA, in regular session, duly convened as the governing authority of said municipality, that:

WHEREAS, the TOWN OF VIDALIA is elected from single member and multi-member districts;

WHEREAS, interposing the population data from the 2020 federal decennial census into the current districting plan for the TOWN OF VIDALIA discloses that there are districts within the current plan that exceed the acceptable population deviation under the principal of one-person-one-vote;

WHEREAS, Louisiana law requires the TOWN OF VIDALIA to declare whether its existing districting plan is malapportioned following a federal decennial census;  
NOW, THEREFORE, BE IT ORDAINED BY THE TOWN OF VIDALIA THAT:

The current districting plan of single member and multi-member districts of the Town of Vidalia is malapportioned utilizing the population data from the 2020 federal decennial census, and the TOWN OF VIDALIA shall adopt a new districting plan for use in the next regularly scheduled election.

FURTHER BE IT ORDAINED THAT:

The TOWN OF VIDALIA authorizes and directs Strategic Demographics, LLC, to further proceed with crafting a redistricting plan.

The foregoing Ordinance was read and considered, section by section, and as a whole, and the vote thereon was as follows:

YEAS:  
NAYS:  
ABSTAINING:  
ABSENT:

WHEREUPON, the foregoing ordinance was declared to be duly adopted this \_\_\_\_ day of May, 2022, to be effective immediately.

**Public Water Supply ID: LA1029003**

We are pleased to present to you the Annual Water Quality Report for the year 2021. This report is designed to inform you about the quality of your water and services we deliver to you every day (Este informe contiene información muy importante sobre su agua potable. Tradúzcalo o hable con alguien que lo entienda bien). Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water.  
Our water source(s) are listed below

Source Name	Source Water Type
WELL 6	Ground Water
WELL 3	Ground Water
WELL 5	Ground Water
WELL 4	Ground Water

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. Contaminants that may be present in source water include:

**Microbial Contaminants** - such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.

**Inorganic Contaminants** - such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial, or domestic wastewater discharges, oil and gas production, mining, or farming.

**Pesticides and Herbicides** - which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.

**Organic Chemical Contaminants** – including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.

**Radioactive Contaminants** – which can be naturally-occurring or be the result of oil and gas production and mining activities.

A Source Water Assessment Plan (SWAP) is now available from our office. This plan is an assessment of a delineated area around our listed sources through which contaminants, if present, could migrate and reach our source water. It also includes an inventory of potential sources of contamination within the delineated area, and a determination of the water supply's susceptibility to contamination by the identified potential sources. According to the Source Water Assessment Plan, our water system had a susceptibility rating of 'MEDIUM'. If you would like to review the Source Water Assessment Plan, please feel free to contact our office.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. Food and Drug Administration regulations establish limits for contaminants in bottled water which must provide the same protection for public health. We want our valued customers to be informed about their water utility. If you have any questions about this report, want to attend any scheduled meetings, or simply want to learn more about your drinking water, please contact JEAN FAIRBANKS at 318-757-4353.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. CONCORDIA WATERWORKS DISTRICT 1 is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safe-water/lead>.

The Louisiana Department of Health routinely monitors for constituents in your drinking water according to Federal and State laws. The tables that follow show the results of our monitoring during the period of January 1st to December 31st, 2021. Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk.

In the tables below, you will find many terms and abbreviations you might not be familiar with. To help you better understand these terms, we've provided the following definitions:

**Parts per million (ppm) or Milligrams per liter (mg/L)** – one part per million corresponds to one minute in two years or a single penny in \$10,000.

**Parts per billion (ppb) or Micrograms per liter (ug/L)** – one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.

**Picocuries per liter (pCi/L)** – picocuries per liter is a measure of the radioactivity in water.

**Treatment Technique (TT)** – an enforceable procedure or level of technological performance which public water systems must follow to ensure control of a contaminant.

**Action level (AL)** – the concentration of a contaminant that, if exceeded, triggers treatment or other requirements that a water system must follow.

**Maximum contaminant level (MCL)** – the "Maximum Allowed" MCL is the highest level of a contaminant that is allowed in drinking water. MCL's are set as close to the MCLG's as feasible using the best available treatment technology.

**Maximum contaminant level goal (MCLG)** – the "Goal" is the level of a contaminant in drinking water below which there is no known or expected risk to human health. MCLG's allow for a margin of safety.

**Maximum residual disinfectant level (MRDL)** – The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

**Maximum residual disinfectant level goal (MRDLG)** – The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

**Level 1 assessment** – A study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in our water system.

**Level 2 Assessment** – A very detailed study of the water system to identify potential problems and determine (if possible) why an E. coli MCL violation has occurred and/or why total coliform bacteria have been found in our water system on multiple occasions.

During the period covered by this report we had the below noted violations.

Compliance Period	Analyte				Type		
5/29/2021 - 1/26/2022	GROUNDWATER RULE				FAILURE ADDRESS DEFICIENCY (GWR)		
5/29/2021 - 1/26/2022	GROUNDWATER RULE				FAILURE ADDRESS DEFICIENCY (GWR)		

Our water system tested a minimum of 8 samples per month in accordance with the Total Coliform Rule for microbiological contaminants. With the microbiological samples collected, the water system collects disinfectant residuals to ensure control of microbial growth.

Disinfectant	Date	HighestRAA	Unit	Range	MRDL	MRDLG	Typical Source
CHLORINE	2021	2.8	ppm	1.9 - 3.4	4	4	Water additive used to control microbes.

In the tables below, we have shown the regulated contaminants that were detected. Chemical Sampling of our drinking water may not be required on an annual basis; therefore, information provided in this table refers back to the latest year of chemical sampling results. To determine compliance with the primary drinking water standards, the treated water is monitored when a contaminant is elevated in the source water.

Source Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
FLUORIDE	12/15/2020	1.6	1.2 - 1.6	ppm	4	4	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories

Treated Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
NITRATE-NITRITE	12/8/2021	0.2	0.2	ppm	10	10	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits

Source Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
COMBINED RADIUM (226 & 228)	12/15/2020	0.843	0 - 0.843	pCi/l	5	0	Erosion of natural deposits
GROSS ALPHA PARTICLE ACTIVITY	12/15/2020	4.15	0 - 4.15	pCi/l	15	0	Erosion of natural deposits
GROSS BETA PARTICLE ACTIVITY	12/15/2020	2.3	0 - 2.3	pCi/l	50	0	Decay of natural and man-made deposits. Note: The gross beta particle activity MCL is 4 millirem/year annual dose equivalent to the total body or any internal organ. 50 pCi/L is used as a screening level.

Treated Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2021							

Lead and Copper	Date	90 <sup>th</sup> Percentile	Range	Unit	AL	Sites Over AL	Typical Source
COPPER, FREE	2018 - 2020	0.1	0 - 0.3	ppm	1.3	0	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD	2018 - 2020	1	0 - 3	ppb	15	0	Corrosion of household plumbing systems; Erosion of natural deposits

Disinfection Byproducts	Sample Point	Period	Highest LRAA	Range	Unit	MCL	MCLG	Typical Source
TOTAL HALOACETIC ACIDS (HAAs)	1877 DOTY ROAD	2021	22	20.9 - 23.5	ppb	60	0	By-product of drinking water disinfection
TOTAL HALOACETIC ACIDS (HAAs)	19078 HWY 15	2021	30	27.1 - 31.8	ppb	60	0	By-product of drinking water disinfection
THM	1877 DOTY ROAD	2021	40	39.6 - 39.6	ppb	80	0	By-product of drinking water chlorination
THM	19078 HWY 15	2021	59	57.5 - 61.2	ppb	80	0	By-product of drinking water chlorination

Source Secondary Contaminants	Collection Date	Highest Value	Range	Unit	SMCL
ALUMINUM	12/15/2020	0.03	0 - 0.03	MG/L	0.2
CHLORIDE	12/15/2020	59	35 - 59	MG/L	250
PH	12/15/2020	8	7.74 - 8	PH	8.5

Treated Secondary Contaminants	Collection Date	Highest Value	Range	Unit	SMCL
IRON	12/8/2021	0.01	0.01	MG/L	0.3

Unresolved significant deficiencies that were identified during a survey done on the water system are shown below.

Date Identified	Facility	Code	Activity	Due Date	Description
10/29/2019	ELEVATED JONESVILLE HWY	ST14	GWR APPROVED CORRECTIVE ACTION PLAN	5/28/2021	LAC 51.XII.337.C - Protection from Birds, Insects, and Other Contaminants
10/29/2019	ELEVATED VIDALIA HWY	ST14	GWR ADDRESS TT45 DEFICIENCIES	2/12/2020	LAC 51.XII.337.C - Protection from Birds, Insects, and Other Contaminants
10/29/2019	ELEVATED VIDALIA HWY	ST14	GWR APPROVED CORRECTIVE ACTION PLAN	5/28/2021	LAC 51.XII.337.C - Protection from Birds, Insects, and Other Contaminants
10/29/2019	ELEVATED JONESVILLE HWY	ST14	GWR ADDRESS TT45 DEFICIENCIES	2/12/2020	LAC 51.XII.337.C - Protection from Birds, Insects, and Other Contaminants

++Environmental Protection Agency Required Health Effects Language++  
Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

There are no additional required health effects notices.

There are no additional required health effects violation notices.
