LSU

And next season expect another freshman, Zalance Heard — Campbell's former teammate at Neville — to possibly start next season.

Look at your power teams. They have solid offensive lines, and make the offense go. Brian Kelly knows that.

And look at what happens when Nick Saban loses "a" ballgame at Alabama.

After the Tennessee game I had a good friend and Alabama fan who used to cover the Tide tell me, "Saban should have run the ball more on their last drive and take more time off the clock so Tennessee would not have had time to kick the field goal at the end."

Kelly will face more criticism as he continues to build LSU back to glory. It comes

with the territory.

But for now we'll enjoy the six wins and a bowl game where key members of the team are not bailing.

I can definitely see LSU on top of the college football world again in the near future.

Maybe Russ Mitchell can be Grand Marshall at the celebraion parade.

LSU wins sixth game vs. Rebs

Quarterback Jayden Daniels accounted for five touchdowns — two passing and three rushing — to lead LSU past No. 7 Ole Miss, 45-20, on Saturday in Tiger Stadium.

LSU improved to 6-2 and moved into the lead in the SEC Western Division at 4-1. The Rebels fell to 7-1, 3-1 in the SEC.

The Tigers have an open date on Oct. 29 before returning to action on Nov. 5 in Tiger Stadium against Alabama.

Daniels posted another strong performance, going 21-of-28 for 248 yards passing and 121 yards rushing with zero turnovers.

Senior linebacker Micah

Baskerville recorded a team-high eight tackles, one for loss with a QB hurry and two pass breakups. Mekhi Wingo and Greg Penn III were close behind with seven tackles and six tackles, respectively.

Kayshon Boutte led the offense in receiving with four catches for 43 yards, with a long of 20. Mason Taylor and Jaray Jenkins each caught a touchdown.

Armoni Goodwin rushed for 76 yards on 17 carries, averaging 4.5 yards per touch, with a touchdown.

KEY PLAYS

Quarterback Jaxson Dart found Jordan Watkins for a 24-yard pickup to the LSU 37-yard

line. Dart continued to move the ball quickly on the opening drive, connecting with Jonathan Mingo over the middle of the field for 37 yards down to the LSU 1.

Quinshon Judkins punched it in from the 1-yard line to give Ole Miss an early 7-0 lead with 13:23 to go in the quarter.

On 3rd-and-goal from the Ole Miss 6-yard line, Daniels' pass to Malik Nabers was caught, but caught out of bounds. The Tigers still salvaged points as placekicker Damian Ramos converted a 23-yard field goal to cut the deficit to 7-3 with 8:44 to play.

On 4th-and-2 from the LSU 13, Dart's pass to Casey Kel-

ly fell incomplete, but the Tigers were penalized for pass interference, moving the ball to the LSU 6-yard line. Judkins rushed up the middle for a 3-yard touchdown to give the Rebels a 14-3 advantage with 6:01 remaining.

Ramos' 42-yard field goal was no good, giving Ole Miss the ball at their own 32.

Dart found Malik Heath for a 27-yard completion, advancing the ball to the LSU 29-yard line. On 3rd-and-9 from the LSU 17, Dart's pass to Mingo was complete for 4 yards. Cruz's 32-yard field goal was good, extending the Ole Miss lead to 17-3 with 14:57 to go in the first half.

PROCEEDINGS OF THE SCHOOL BOARD OF THE PARISH OF CONCORDIA, STATE OF LOUISIANA, TAKEN AT A REGULAR MEETING HELD ON THURSDAY, SEPTEMBER 8, 2022

The School Board of the Parish of Concordia, State of Louisiana, met in Regular Session at the Concordia Parish School Board office in Vidalia, Louisiana, on Thursday, September 8, 2022, at 6:00 p.m. The meeting was called to order by Mr. Fred Butcher following the close of the public hearing for comments on the budget presented for 2023. Mr. Butcher, after prayer and the Pledge, declared that the Board was ready for the transaction of business.

Superintendent Toyua W. Bachus and Board President Fred T. Butcher recognized students from Concordia Parish Academy for perfect scores on their LEAP tests:

2. Meredith Black, English II on LEAP 2025 for 2021-22 school year
3. Kailey Freeman, English II on LEAP 2025 for 2021-22 school year.

Marco Gonzalez with Volkert, Inc., gave an update on the Monterey High School Gym via a Zoom Call. During his report, Gonzalez stated there had been a request from the principal and coach to change the color of the paint on the interior walls and also the color of the backboard pads. There is also a request to change the half-court emblem to the letter "M," and to reduce the striping on the court to be a little less confusing.

Gonzalez gave an amount of \$9,945 to change the paint colors, but did not have the cost to change the wall pads. He also noted a broken water line had held up work for a few days. The cost for repairing the line will be \$1,620. Mr. Carson pointed out the school board should not be responsible for this repair. Gonzalez agreed he will talk with the contractor about it. Gonzalez noted there will need to be a change order for these altered items. He was not able to give a definite date for completion of the project.

There was some discussion on the ESSER III. Mr. Butcher asked the board members to submit any questions they had on the ESSER projects to Supt. Bachus, and she will give them to Gonzalez. There will be a meeting later with the architects to discuss the questions.

It was moved by Mr. Carson, seconded by Mr. Raven and unanimously carried to add an item to the agenda to change the color of the walls and the pads at the Monterey gym and to change the emblem at half-court. On the referenced motion, the item was unanimously carried as approved.

There was discussion led by Mr. Butcher on a leak on the Ferriday Lower Elementary School roof and the Monterey High School roof. Supt. Bachus stated that Mr. Henderson turned in a quote to her today to replace the whole roof at Ferriday Lower Elementary School. Due to the amount of the quote, Mr. Butcher asked that we request RFPs on the roof and discuss them at the October meeting. Mr. Carson asked about the HVAC installations needed in all the cafeterias. This project was approved by the school board several years ago but has not been done. The money, \$36,000, was set aside to do this. Supt. Bachus noted that some of the money has been set aside. Now, three years later, the cost is \$81,362. It was moved by Mr. Carson, seconded by Mrs. Forman and unanimously carried to give the superintendent the authority to have the HVAC systems installed.

Mr. Carson asked about the Phase 3 of the Ferriday Junior High School Gym Project. He noted that he was not on the board then, but he understood that the first phase was the gym, the second phase was the parking lot, and the third phase was to install a picnic area with a canopy over it for the students. At 8:23 PM the board members returned to the board room. It was moved by Mrs. Parker, seconded by Mr. Raven and unanimously carried to enter back into regular session. Mr. Butcher asked Mr. Guice to report on the executive session. Guice explained that the central administration office is in need of repairs due to a moisture problem that has contributed to some mold growth, and what is being proposed is that we bring in some people who are more knowledgeable than us and our maintenance department and do an assessment of that and the exact nature of it and what we can do to remediate that. We want to contact the owner of the building, Mr. Weeks, and let him know about the situation. In the interim, in an abundance of caution, we feel it would be best for our employees if the building was vacated until the repairs were complete. It was moved by Dr. Riley, seconded by Mrs. Parker and unanimously carried to accept the recommendations of the attorney to have the repairs made to the building and that it will be vacated until such repairs are complete.

Supt. Bachus made the following announcements:

- She attended the BESE meeting a few weeks ago concerning the accountability proposal. There is an over view of the meeting in your binders. As a member of LASS – we are not in favor of this, and we are preparing our own accountability proposal to report to BESE, but we'll see how that goes.

- The FYI from last week is in your binders for you to read over again. There is a lot of information in it.
