# Lady Techsters roll

RUSTON, La. – Raizel Guinto scored 16 points and Louisiana Tech held Arkansas State scoreless in the second quarter as the Lady Techsters defeated the Red Wolves 67-54 Sunday afternoon at the Thomas Assembly Center.

Tech (8-3) completed non-conference action with its seventh win in eight home games as it prepares to open up Conference USA action Saturday at Southern Miss.

Trailing 21-11 after the first quarter of action, the Lady Techsters clamped down defensively on Arkansas State (3-8) in the second quarter, outscoring the Red Wolves 23-0. It marked the first time since the NCAA changed to quarters in 2015 that LA Tech held an opponent without a point in a quarter.

Guinto scored 11 of her 16 points in the second quarter while the Lady Techsters held Arkansas State to 0-of-13 shooting and forced eight Red Wolves turnovers. Tech led 34-21 at the half.

Arkansas State made a couple of runs in the second half. Tech committed 10 turnovers in the third quarter as ASU closed to within six points on two different occasions. ‘\

However, Tech managed to maintain its 13-point lead with a 52-39 advantage through three quarters.

The fourth quarter saw ASU make a serious run. The Red Wolves opened the quarter on a 13-2 run as a pair of Jada Ford free throws with 4:12 remaining in the game cut the Tech lead to

54-52.

Tech responded. MeMe Amand, who finished with eight points and a season-high 11 rebounds, made a paint bucket and then Amber Dixon converted on a conventional three-point play on the ensuing possession, starting a 13-2 Tech run that ended the game.

Guinto added six rebounds, four assists and three steals while Dixon scored 12 points and Walker added 10 points and five rebounds.

Tech shot 42 percent (22-53) from the field while holding Arkansas State to just 33 percent (19-58) from the field.

Ford led Arkansas State with 17 points while Jireh Washington added 13 points and Peyton Martin scored 12 points.

# Demons cruise past Champion

From start to finish, the Northwestern State men’s basketball team did what it was supposed to Sunday afternoon.

Namely, the Demons used their superior size and athleticism to cruise to a 101-61 win against Champion Christian inside Prather Coliseum.

“There were some positive things,” head coach Mike McConathy said. “We shot the ball well from the 3-point line, 46 points in the paint. We out-rebounded them by (19), and we were supposed to. In the first half, we mixed our zones up. In the second half, we primarily played man-to-man until the bitter end, which allowed us to guard smaller people on the perimeter.”

Whatever defense the Demons (4-7) played, they were successful.

Mixing zone coverages in the first half, Northwestern State limited the Tigers to 26.5-percent shooting (9-for-34) in the first 20 minutes. The second half was even better, as NSU’s man-based de-

fense held Champion Christian to 24.2-percent shooting (8-for-33). All told, the Tigers connected on just 25.4 percent of their shots.

And when Champion Christian missed, the Demons put their size to good use.

Junior Larry Owens grabbed a career-best 11 rebounds, falling one point shy of his first career double-double. Owens was one of four Demons who grabbed at least eight rebounds, joining Nikos Chougkaz (9), Jamarue Gregg (8) and Gatdoar Kueth (8).

“It feels good, because we went into the gym and we decided we need to start a winning streak,” Owens said. “We won against Lamar, and we want to take it one game at a time. It’s gone from there.”

Owens hit four of six shots from the field, part of an NSU offense that blistered the nets at a 57.6-percent clip for the game. Included in that were 10 3-pointers, the most for the Demons since hitting 11 in a season-opening win against Centenary.

**Addressing Agenda Item No. 1**, the Mayor called on the Town Accountant, Debra Moak, who presented the financial statements for the month of October, 2019. As customary, she explained the fund balances for each of the funds, which summaries included a comparison of actual expenses to budget expenses. She reviewed the summary sheets, previously given to the Aldermen, and reported on the various positive and negative fund balances and indicated the net changes in the various funds through October 31, 2019. She specifically reported on the amounts and the various fund balances and noted that the Town is presently at 33% of the total budget. The Mayor then advised that the Town is being taken off the "List of Distressed Cities" and that the State will be making a public announcement to that effect in the near future.
