VII. ADMINISTRATIVE REPORT

We still have not heard if our hospital will be awarded funding from the Rural Health Transformation Program. As soon as we know, we will share with the board.

As stated last month, in fiscal year 2027 the hospital will see between an $800,000 - $1,000,000 cut in Directed payment to the hospital. This all has a direct correlation to the 27% decline in Medicaid applicants in Concordia Parish. In addition to the cuts in Concordia Parish, there is a decline in applicants across the entire state of Louisiana. We are available to help patients that qualify, get signed up for Medicaid. Please spread the word throughout the community. They can call 318-757-6551 Ext. 615 for an appointment.

Our goal is to find ways to make up for the cuts from the DPP. We will look at our expenses; make sure the services we provide bring in revenue and cut where we can. Now, thankfully, we are not in a position where we must cut staff or anything just yet, but we want to make sure we are very conscious of our spending and are proactive.

The administrative report presented by Mrs. Neely Greene, COO, was approved on a motion by Mrs. Lipsey, and a Second by Dr Ingram.

VIII. MANAGEMENT REPORT

Departmental Policies and Procedures for the Business office and Administration were approved on a motion by Mrs. Lipsey, and a second by Dr. Ingram.

Tech hoops opens with win

The Louisiana Tech men's basketball team won their season opener by a score of 85-75 over Kent State on Monday evening at the Thomas Assembly Center.

The word of the night for the Bulldogs was efficiency. They took a quick six point lead within two minutes after back-to-back threes from Braylon Wenger and Jay Tyler, and never let the Golden Flashes gain enough momentum to take a lead.

Through the first half, LA Tech shot 57.1% from the field (16-28), while holding Kent State to just 35.1% (13-37). No single player took control in the half, but everyone contributed. Jaylen Fenner and Jay Tyler each shot 3-5 during the half.
