

THE 2019-20 MONTEREY LADY WOLVES are, bottom row from left: Cammie Duncan, Katelyn Berry, Briana King, Allie Lipsey, Harlie Murray, Maddy Green and Sarah Gray. Top row: Hadli Farris, Addy LaCaze, Marlee Crouch, Sara Beard, Avery Cupit, Andy Gray, Jessica Woodrum, Isabella Smith, Kayleigh Mount, Emily Guillot and head coach Cary Shively.

THE 2019-20 MONTEREY WOLVES are: front row from left: Hayden Arcemont, Cole Centanni, Jake Crawford, Treyten Charrier, Brady Avery, Phillip Atkins, Daylen Gray, Tyson Beard and Nathan Blount. Back row: Blaise Bass, Austin Ward, Conner Boyd, Trey Boyd, Ethan Clark, Dathan Trant, Tyler Boyette, Brandon Tiffie and head coach Eric Richard.

LSU freshman gymnast carries greatness

Some athletes walk in the door different than the rest. You can sense their greatness before it takes place. For LSU, freshman all-around gymnast Kiya Johnson is a prime example.

Committed to the Tigers since July of 2018, Johnson was captivated by the LSU gymnastics culture built under head coach D-D Breaux and couldn't pass the opportunity up. In fact, Johnson was so eager to get to Baton Rouge that she graduated a year early at Coppell High School in her hometown of Dallas, Texas to enroll at LSU at just 17 years old.

Johnson has yet to fully develop into a vocal leader, but she's leading with her actions, which have been loud and clear so far this season.

"She's leading by example. As we go, that role will increase," Clark said. "To this point, she's not our big vocal leader, but Kiya has definitely set the pace with the way she trains. She's consistent with everything she does. There's no doubt that everybody in the room would say they look to her in terms of the example to follow."

For Johnson, the former two-time Junior Olympics national champion, it was the combination of many aspects that attracted her to LSU.

"It's close to home. The family aspect. The coaches, the facilities, the team ... everything about it," said Johnson on her decision to come to LSU. "[Coach Breaux] was really nice on my visit."

Johnson's routines have become must-watch television, already earning SEC Freshman of the Week and SEC Gymnast of the Week honors in the month of January. Against Florida on Jan. 24, Johnson scored her first career perfect 10 on beam and a career-high 39.725 in the all-around.

She remains the only freshman in the SEC to score a 10 this year. On floor, she's matched her career-high of 9.975 for three consecutive meets.

On Friday vs. Alabama, Johnson claimed another all-around title with a score of 39.600. For the season, Johnson's all-around average of 39.49 ranks fifth nationally and first regionally.

"This was something that I wanted to do, coming to college early," said Johnson. "I had to convince my parents. From the beginning, I was ready for it."

The staff recognized the generational talent they were getting with Johnson's pledge, but she has brought intangibles like self-confidence and maturity to campus that the coaches didn't necessarily know she possessed at such a high level.

"We knew we were getting a special athlete," said co-head coach Jay Clark of Johnson. "What we didn't know was her maturity level, and the way she's been able to be as consistent and conduct herself in such an even-keeled mindset, we had no way of knowing that. It's been amazing so far to see her stay so steady in pressure packed situations."

"I get my confidence from my teammates and my coaches," Johnson said. "I see that they believe in me, so I try to believe in myself."

Understandably, Clark says

 Office: 318-435-5999 1-800-242-6924 Fax: 318-435-5599

January 27, 2020

Dear Valued Member of North Lake St. John Water System,

The North Lake St. John Water System is currently in violation of the maximum contaminant level (MCL) for total trihalomethanes and haloacetic acids as set forth by the State [Part XII of the Louisiana State Sanitary Code (LAC 51:XII)] and the Federal Primary Drinking Water Regulations (40 CFR Part 141).

The United States Environmental Protection Agency (EPA) and the Louisiana Department of Health (LDH) set drinking water standards and requires the disinfection of drinking water. Where disinfection is used in the treatment of drinking water, disinfectants combine with naturally occurring organic and inorganic matter present in water to form chemicals called disinfection byproducts (DBPs). EPA and LDH set standards for controlling the levels of disinfectants and DBPs in drinking water, including trihalomethanes (THMs) and haloacetic acid (HAAs). Some people who drink water containing THMs in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer. Some people who drink water containing HAAs in excess of the MCL over many years may have an increased risk of getting cancer.

In December 1998, EPA set enforceable drinking water standards for TTHMs at 80 parts per billion (ppb) and for HAA5 at 60 parts per billion (ppb) to reduce the risk of cancer or other adverse health effects. Compliance with the TTHMs and HAA5 standards are determined by calculating a locational running annual average (LRAA) of quarterly TTHMs and HAA5 sample results. Compliance calculations performed for the fourth quarter of 2019 show that the system's current TTHMs LRAAs are 82 ppb at DBP01 - 899 HWY 570 and 86 ppb at DBP02 - 5574 HWY 568. The system's current HAA5 LRAAs are 77 ppb at DBP01 - 889 HWY 570 and 80 ppb at DBP02 - 5574 HWY 568; thus, the system is currently in violation of the TTHMs and HAA5 standards.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This is not an emergency. If it had been, you would have been notified immediately. EPA and LDH do not consider this violation to have any serious adverse health effects on human health as a result of short-term exposure; however, continued long-term exposure to TTHMs and HAA5 levels above the standard (e.g., 20 years of exposure) has the potential to have serious adverse effects on human health.

This notice is being sent to you by The North Lake St. John Water System (LA1029014). We have contracted with a certified water operator to assist us in meeting the minimum State and Federal Primary Drinking Water Regulations. If you have questions about this notice, please contact our office at (318) 435-5999.

Sincerely,
 North Lake St. John Water System

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Village of Ridgcrest Water Supply Failed to Take Corrective Action Following

Identification of a Significant Deficiency
 On February 13, 2019 the Louisiana Department of Health and (LDH) performed a detailed inspection and engineering evaluation of our water system called a sanitary survey. During this sanitary survey, they identified one or more significant deficiencies in our system. As our customers, you have a right to know what happened and what we are doing to correct this situation. According to EPA's Ground Water Rule, we were required to correct the deficiency (or deficiencies) or work with the State to develop a plan to correct the deficiency (or deficiencies). However, we failed to correct the deficiency or contact the State before the established deadline and have therefore violated a requirement of the Ground Water Rule.

What should I do?
 There is nothing you need to do. You do not need to boil your water or take other corrective actions. If a situation arises where the water is no longer safe to drink, you will be notified within 24 hours.

What does this mean?
 This is not an emergency. If it had been an emergency, you would have been notified within 24 hours.

This significant deficiency has the potential to result in lack of proper treatment and oversight of the water system. Inadequately treated or inadequately protected water may contain disease-causing organisms. These organisms can cause symptoms such as diarrhea, nausea, cramps and associated headaches. While we have not detected any evidence of contamination or other health threats related to our source water, we are still committed to correcting the deficiency to eliminate the threat of contamination.

What was done?
 We have applied to the United States Department of Agriculture (USDA) and to the FY 2020-2021 Louisiana Community Development Block Grant Program (LCBDG) to upgrade our water system and tie-in to the Town of Ferriday's potable water system. Our application to the LCBDG Program is under review and official notification of award of funding will not be known until April 2020. Our total projected project cost estimate is approximately \$1,000,000 to complete the Village's short term and long term needs.

**Safe Drinking Water Act:
 Notice of Violation/Public Notification of Non-Compliance
 Disinfectants/Disinfection By-Products Rule (TTHMs and HAA5)
 MCL Violation
 Community Water System
 Lake St John Waterworks District I
 PWS ID #LA1029006
 Concordia Parish
 318-757-3853**

The Lake St John Waterworks District 1 is currently in violation of the maximum contaminant level (MCL) for total trihalomethanes and haloacetic acids as set forth by the State [Part XII of the Louisiana State Sanitary Code (LAC 51:XII)] and the Federal Primary Drinking Water Regulations (40 CFR Part 141).

The United States Environmental Protection Agency (EPA) and the Louisiana Department of Health (LDH) set drinking water standards and requires the disinfection of drinking water. Where disinfection is used in the treatment of drinking water, disinfectants combine with naturally occurring organic and inorganic matter present in water to form chemicals called disinfection byproducts (DBPs). EPA and LDH set standards for controlling the levels of disinfectants and DBPs in drinking water, including trihalomethanes (THMs) and haloacetic acid (HAAs). Some people who drink water containing TTHMs in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer. Some people who drink water containing HAAs in excess of the MCL over many years may have an increased risk of getting cancer.

In December 1998, EPA set enforceable drinking water standards for TTHMs at 80 parts per billion (ppb) and for HAA5 at 60 parts per billion (ppb) to reduce the risk of cancer or other adverse health effects. Compliance with the TTHMs and HAA5 standards are determined by calculating a locational running annual average (LRAA) of quarterly TTHMs and HAA5 sample results. Compliance calculations performed for the fourth quarter of 2019 show that the system's current TTHMs LRAA is 82 ppb at DBP02 - 5861 HWY 568. The system's current HAA5 LRAA is 72 ppb at DBP02 - 5861 HWY 568; thus, the system is currently in violation of the TTHMs and HAA5 standards.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This is not an emergency. If it had been, you would have been notified immediately.

Public Notices

(Continued from 6B)

shall have the following respective meanings, such definitions to be equally applicable to both the singular and plural sense of any of such terms:

“**Act**” means Section 1430 of Title 39 of the Louisiana Revised Statutes of 1950, as amended (R.S. 39:1430).

“**Bond**” means any Bond of the Issuer authorized to be issued, pursuant to this Ordinance, whether initially delivered or issued in exchange for, upon transfer of or in lieu of any Bond previously issued.

“**Bonds**” means the Electric Utility Revenue Bonds, Series 2020, of the Town of Vidalia, State of Louisiana, authorized by this Ordinance, in the aggregate principal amount of \$7,000,000.

“**Code**” means the Internal Revenue Code of 1986, as amended, and the regulations and rulings thereunder.

“**Executive Officers**” means, collectively, the Mayor and the Clerk of the Town of Vidalia, State of Louisiana.

“**Governing Authority**” means the Mayor and Board of Aldermen of the Town of Vidalia, State of Louisiana, or any legal successor thereto.

“**Government Securities**” means direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, which are non-callable prior to their maturity, may be United States Treasury Obligations such as the State and Local Government Series and may be in book-entry form.

“**Interest Payment Date**” means March 1 and September 1 of each year, commencing September 1, 2020, until the Bonds are paid.

“**Issuer**” means the Town of Vidalia, State of Louisiana.

“**Ordinance**” means this ordinance authorizing the issuance of the Bonds, including same as it may hereafter be amended or supplemented.

“**Owner**” or “**Owners**” when used with respect to any Bond, means the Person in whose name such Bond is registered in the Bond Ordinance.

“**Parity Obligations**” means any pari passu obligations hereafter issued by the Issuer on a parity with Bonds with respect to the revenues of the System in accordance with the provisions of Section 17 of this Ordinance.

“**Paying Agent**” means Concordia Bank & Trust Company, in the Town of Vidalia, Louisiana, or such successors as Paying Agent which may be named by this Governing Authority.

“**Person**” means any individual, corporation, partnership, joint venture, association, joint-stock company, trust, unincorporated organization, or government or any agency or political subdivision thereof.

“**Purchaser**” means said Concordia Bank & Trust Company.

“**Record Date**” for the interest payable on any Interest Payment Date means the 15th calendar day of the month next preceding such Interest Payment Date.

“**Reserve Fund Requirement**” means, as of any date, the lesser one-half of (i) 10% of the proceeds of the Bonds and any Parity Obligations, (ii) the maximum scheduled principal and interest requirements in any succeeding calendar year on the Bonds and any Parity Obligations, or (iii) 125% of the average annual principal payments and interest becoming due in any bond year on the Bonds and any Parity Obligations.

“**System**” means the electric utility system owned and operated by the Issuer, as now existing and as constructed, acquired, extended and improved or as said System shall hereafter be improved, extended or supplemented from any source whatsoever while any of the Bonds remain outstanding, including all properties of every nature owned by the Issuer and used or useful in the operation of the System, including real estate, personal and intangible properties, contracts, franchises, leases and choses in action.

SECTION 2. Authorization of Bonds. (a) In compliance with and under the authority of the Act and other constitutional and statutory authority, there is hereby authorized the incurring of an indebtedness of Seven Million Dollars (\$7,000,000) on behalf of and in the name of the Issuer, for the purpose of paying costs of constructing and acquiring extensions and improvements to and for the electric utility system of the Issuer, including appurtenant equipment and fixtures thereof, and paying the costs of issuance of the Bonds, and to represent the said indebtedness, this Governing Authority does hereby authorize the issuance of Seven Million Dollars (\$7,000,000) of Electric Utility Revenue Bonds, Series 2020, of the Issuer. The principal of the Bonds will be advanced by the Purchaser to the Issuer on an “as needed” basis. The Bonds shall be issued as a single fully registered Bond, numbered R-1, in the denomination of \$7,000,000, shall be dated the date of delivery thereof, with the principal being payable in eighteen (18) annual installments on the dates and amounts hereinafter set forth as follows:

YEAR (MARCH 1)	PRINCIPAL INSTALLMENTS
2023	\$290,000
2024	300,000
2025	310,000
2026	320,000
2027	330,000
2028	340,000
2029	355,000
2030	365,000
2031	375,000
2032	390,000
2033	405,000
2034	415,000
2035	430,000
2036	445,000
2037	460,000
2038	475,000
2039	490,000
2040	505,000

The outstanding principal of Bond R-1 shall bear interest at the rate of three and one-fourth per centum (3-1/4%) per annum, said interest to be payable on each INTEREST PAYMENT DATE, or from the most recent Interest Payment Date, to which interest has been paid or duly provided for commencing September 1, 2020.

(b) Principal of the Bonds, upon maturity or prepayment, shall be payable at the principal corporate office of the Paying Agent with the Bonds being surrendered upon payment of the final installment of principal, and interest on the Bonds shall be payable by check of the appropriate Paying Agent mailed by said Paying Agent to the Owner (determined as of the close of business on the Record Date) at the address shown on the Bond Register. Each Bond delivered under this Ordinance upon transfer of, in exchange for or in lieu of any other Bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond, and each such Bond shall bear interest (as herein set forth) so that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

(c) No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond a certificate of registration, substantially in the form provided in this Ordinance, executed by the appropriate Paying Agent by manual signature.

SECTION 3. The principal installments of the Bond may be prepaid at the option of the Issuer in full or in part at anytime at a price equal to the principal installments to be prepaid plus accrued interest from the most recent Interest Payment Date to which interest has been paid. The prepayment of any installment(s) of principal shall cause the Bond to be surrendered to the Paying Agent for notation of such prepayment on the payment record on such Bond. Official notice of such call of any of the Bond for prepayment shall be given by means of first class mail, postage prepaid, by notice deposited in the United States mail by the Paying Agent s not less than thirty (30) days prior to the prepayment date addressed to the Owner of each Bond to be redeemed at his address as shown on the Bond Register.

SECTION 4. Registration and Transfer. The Issuer shall cause a Bond Register to be kept by the Paying Agent. The Bond may be transferred, registered and assigned only on the Bond Register, which such registration shall be at the expense of the Issuer, and only by the execution of an assignment form on the Bonds being transferred. A new Bond, may, upon request, be delivered by the Paying Agent to the last assignee (the new Owner) in exchange for such transferred and assigned Bond after receipt of the Bond to be transferred in proper form. Such new Bond shall be in [the denomination of \$100,000 or any integral multiple of \$5,000 in excess thereof within a single maturity] [an authorized denomination of the same maturity and like principal]. The Paying Agent shall not be required to issue, register the transfer of, or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the Interest Payment Date.

SECTION 5. Form of Bond. The Bond and the endorsements to appear thereon shall be in a form acceptable to the Issuer and the Executive Officers as the same may be advised by Bond Counsel.

SECTION 6. Execution of Bonds. The Bonds shall be signed by the Executive Officers for, on behalf of, in the name of and under the corporate seal of the Issuer, which signatures and corporate seal may be either manual or facsimile.

SECTION 7. Security for Bonds. Subject to the prior payment of the reasonable and necessary expenses of operating and maintaining the System, the Bonds shall be secured and payable in principal and interest exclusively by a pledge of the income and revenues derived or to be derived from the operation of the System, as now existing or as the System shall hereafter be improved, extended or supplemented from any source whatsoever while the Bonds remain outstanding, including, specifically, all properties of every nature owned by the Issuer and used or useful in the operation of the System, including real estate, personal and intangible properties, contracts, franchises, leases and choses in action. The said income and revenues are hereby irrevocably and irrepealably pledged in an amount sufficient for the payment of the Bonds in principal and interest as they fall due, and the income and revenues thus pledged shall remain so pledged for the security of the Bonds in principal and interest until they shall have been fully paid and discharged.

SECTION 8. Rate Covenant; Funds and Accounts. The Issuer, through its Governing Authority, covenants to fix, establish and maintain such rates and collect such fees, rents or other charges for the services and facilities of the System, and all parts thereof, and to revise the same from time to time whenever necessary, as will always provide revenues in such year sufficient to pay the reasonable and necessary expenses of operating and maintaining the System in such year, the principal and interest falling due on the Bonds in such year, all reserve and sinking fund and other payments required for such year by this Ordinance and all other obligations or indebtedness payable out of the revenues of the System for such year, and which will provide revenues in each year, after paying all reasonable and necessary expenses of administering, operating and maintaining the System in such year, at least equal to 120% of the largest amount of principal and interest maturing in any future fiscal year on the Bonds and on any Parity Obligations hereafter issued as provided herein in any future year. The Issuer further covenants:

That all of the income and revenues derived or to be derived by the Issuer from the operation of the System shall be deposited as the same may be collected in a separate and special bank account heretofore established and maintained with the regularly designated fiscal agent bank of the Issuer, and designated as the “Electric Utility System Fund”(the “Revenue Fund”), said Fund to be maintained and administered in the following order of priority and for the following express purposes:

(a) The payment of all reasonable and necessary expenses of operating and maintaining the System.

(b) The establishment and maintenance of the “Electric Utility Revenue Bond and Interest Sinking Fund” (the “Sinking Fund”), sufficient in amount to pay promptly and fully the principal of and the interest on the Bonds and any Parity Obligations issued hereafter in the manner provided by this Ordinance by transferring from the Revenue Fund to the fiscal agent of the Issuer monthly in advance on or before the 20th day of each month of each year, a sum equal to the principal and interest accruing on said debt obligations for such calendar month together with such additional proportionate sum as may be required to pay said principal and interest as the same respectively become due. If Parity Obligations are hereafter issued by the Issuer in the manner provided in this Ordinance, moneys in the Sinking Fund shall be equally available to pay principal and interest on such Parity Obligations. Said fiscal agent bank shall transfer from the Sinking Fund to any paying agent or pay directly to the registered owner, for all bonds payable from the said Sinking Fund, at least one (1) day in advance of the date on which each payment of principal or interest falls due, funds fully sufficient to pay promptly the principal and/or interest so falling due on such date.

(c) The establishment and maintenance of the “Electric Utility Revenue Bond Reserve Fund” (the “Reserve Fund”), by transferring from the Revenue Fund to the Reserve Fund monthly in advance on the 20th day of each month, commencing the first month following the completion of the Project, a sum at least equal to twenty percent (20%) of the amount to be paid in such month into the Sinking Fund, the payments into the Reserve Fund to continue until such time as there has been accumulated therein a sum equal to the Reserve Fund Requirement. The money in the Reserve Fund shall be retained solely for the purpose of paying the principal and interest on the Bonds and any Parity Obligations as to which there would otherwise be default. In the event that Parity Obligations are issued, then such payments shall be resumed until such time as there has been accumulated in the Reserve Fund an amount of money equal to the Reserve Fund Requirement.

(d) The establishment and maintenance of the “Electric Utility Depreciation and Contingency Fund” (the “Contingency Fund”), to care for extensions, additions, improvements, renewals and replacements necessary to operate properly the System, by transferring from the Utilities System Fund to the regularly designated fiscal agent bank of the Issuer (or such other bank designated by the Issuer), monthly in advance on or before the 20th day of each month of each year, commencing the first month following the completion of the Project, a sum equal to five percent (5%) of the amount to be paid in such month into the Sinking Fund until \$200,000 is on deposit in the Contingency Fund. Should the funds in the Contingency Fund be reduced to an amount less than \$200,000, said monthly payments shall recommence until a sum of \$200,000 is on deposit therein, provided such sum is available after provision is made for the payments required under paragraphs (a), (b) and (c) above. Money in the Contingency Fund may also be used to pay the principal of and the interest on the Bonds and any Parity Obligations for the payment of which there is not sufficient money in the Sinking Fund or the Reserve Fund, but if so used, such money shall be replaced by the Issuer as soon as possible thereafter out of the earnings of the System after making the required payments into the respective funds and accounts hereinabove set out.

Subject to the foregoing, which are cumulative, the balance of the excess funds on deposit in the Revenue Fund and/or the Contingency Fund may be used by the Issuer for the purpose of calling and/or paying bonds payable from the income and revenues of the System or for such other lawful corporate purposes as this Governing Authority may determine, whether or not such purposes are or are not related to the System.

If at any time it shall be necessary to use moneys in the Reserve Fund or the Contingency Fund for the purpose of paying principal of or interest on bonds payable from the Sinking Fund as to which there would otherwise be default then the moneys so used shall be replaced from the revenues first thereafter received, not hereinabove required to be used for operation and maintenance of the System or for current principal, interest and reserve requirements. If at any time there are sufficient moneys on deposit in the Reserve Fund and the Contingency Fund to retire all of the Bonds and any outstanding Parity Obligations payable from the Sinking Fund by defeasance, by exercising the redemption option provided by such bonds or by purchase on the open market, the Issuer may utilize such funds for such purpose.

All or any part of the moneys in the foregoing funds and accounts shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana. All income derived from such investments shall be added to the money in said respective funds or to the Revenue Fund, as appropriate, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purpose for which the respective funds are herein created.

SECTION 9. Deposit of Funds and Security Therefor. All of the income and revenues to be earned from the operation of the System shall be deposited promptly as provided in Section 8 hereof in the Revenue Fund, which Revenue Fund shall be maintained separate and apart from all other funds of the Issuer. The Sinking Fund, the Reserve Fund and the Contingency Fund shall be held by the depository banks as special trust funds for the purposes provided in this Resolution, and all other funds shall be held by the designated banks as special deposits for the purposes set forth in this Ordinance, and subject to such reasonable instructions as this Governing Authority may give in writing to the banks holding such funds. The Owners are hereby granted a lien on all funds established and/or maintained pursuant to the requirements of this Ordinance, except for the Contingency Fund, until applied in the manner herein provided. The moneys on deposit in all of the funds herein required shall at all times be secured to the full extent thereof as required by the laws of the State of Louisiana.

SECTION 10. Rates and Charges. Except as provided herein, nothing in this Ordinance or in the Bonds shall be construed to prevent the Issuer from altering, amending or repealing from time to time as may be necessary any resolution or ordinance setting up and establishing a schedule or schedules of rates and charges for the services and facilities to be rendered by the System, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the income and revenues of the System, not alone for the payment of the principal of and interest on the Bonds, but to give assurance and insure that the income and revenues of the System, together with such other lawfully available funds as are used by the Issuer for such purposes, shall be sufficient at all times to meet and fulfill the other provisions stated and specified in Section 8 of this Ordinance. It is understood and agreed, however, that the Issuer shall fix and maintain and collect rates and charges for the services and facilities to be rendered by the System, irrespective of the user thereof, that no free service shall be furnished to any Person, or even to the Issuer itself and that no discrimination shall be made as to rates and charges for the services and facilities of the System as between users of the same type or class.

The Issuer agrees that failure of any individual, partnership or corporation to pay said charges within fifteen (15) days of the date on which it is due shall cause such charge to become delinquent; that if such delinquent charge, with interest and penalties accrued thereon, is not paid within thirty (30) days from the date on which it became delinquent, the Issuer will shut off gas service to the affected premises, and that the Issuer and this Governing Authority and its officials, agents and employees will do all things necessary and will take advantage of all remedies afforded by law to collect and enforce the prompt payment of all charges made for services rendered by the System. All delinquent charges for such services shall on the date of delinquency have added thereto a penalty of ten percent (10%) of the amount of the charge, and the amount so due, including any penalty charge, may, in the discretion of this Governing Authority, after ten (10) days from the date of delinquency, bear interest at a reasonable rate to be established by the Governing Authority, which rate shall not be less than six per centum (6%) per annum. If services shall be discontinued as above provided, the customer shall, in addition to paying the delinquent charges, penalties and interest, if any, pay as a condition precedent to the resumption of service, a reasonable reconnection charge.

It is further understood and agreed that the schedule of rates, fees, rents and other charges being charged as of the date of the adoption of this Ordinance for services and facilities rendered by the System shall remain in effect and neither said existing schedule nor any subsequent schedule shall be reduced at any time unless all payments required for all funds by this Ordinance, including any deficiencies for prior payments, have been fully made, and unless such schedule as so reduced will in each year thereafter produce sufficient revenues to meet and fulfill the other provisions stated and specified in Section 9 of this Ordinance.

SECTION 11. Right to Pledge Revenues; Rank of Lien. In providing for the issuance of the Bonds, the Issuer does hereby covenant and warrant that it is lawfully seized and possessed of the System, that it has a legal right to pledge the revenues of the System as herein provided, that the Bonds will have a lien and privilege on said revenues subject only to the prior payment from such revenues or from other lawfully available sources of all reasonable and necessary expenses of administration, operation and maintenance of the System and that the Issuer will at all times maintain the System in first class repair and working order and condition.

SECTION 12. Records and Accounts; Audit Reports. As long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books and accounts of the System separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the System. Not later than six (6) months after the close of each fiscal year, the Issuer shall cause such an audit to be made by a recognized independent firm of certified public accountants, which audit shall reflect all receipts and disbursements of the Issuer, including those made for the account of the System. Such audit shall be available for inspection by the Owners and a copy of such audit shall be furnished to the Purchaser upon request. Each such audit, in addition to whatever matters may be thought proper by the accountant to be included therein, shall include the following:

1. A statement in detail of the income and expenditures of the System for such fiscal year.
2. A balance sheet as of the end of such Fiscal Year.
3. The accountant’s comments regarding the manner in which the Issuer has carried out the requirements of this Ordinance, and the accountant’s recommendations for any changes or improvements in the operation of the System or the method of keeping the records relating thereto.
4. A list of the insurance policies in force at the end of the Fiscal Year, setting out as to each policy the amount of the policy, the risks covered, the name of the insurer and the expiration date of the policy.
5. The number of metered gas customers and the number of un-metered gas customers, if any.

All expenses incurred in the making of the audits required by this Section shall be regarded and paid as a maintenance and operating expense. The Issuer further agrees that the Purchaser, the Paying Agent and any Owner shall have the right to discuss with the accountant making the audit the contents of the audit and to ask for such additional information as they may reasonably require. The Issuer further agrees that the Purchaser, the Paying Agent, and the Owners shall have at all reasonable times the right to inspect the System and the records, accounts and data of the Issuer relating thereto.

SECTION 13. Rights of Owners; Appointment of Receiver in Event of Default. The Owners from time to time shall be entitled to exercise all rights and powers for which provision is made in the laws of the State of Louisiana. Any Owner or any trustee acting for such Owners in the manner hereinafter provided, may, either at law or in equity, by suit, action, mandamus or other proceeding in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State of Louisiana, or granted and contained in this Ordinance, and may enforce and compel the performance of all duties required by this Ordinance, or by any applicable statutes to be performed by the Issuer or by any agency, board or officer thereof, including the fixing, charging and collecting of rentals, fees or other charges for the use of the System, and in general to take any action necessary to most effectively protect the rights of the Owners.

In the event that default shall be made in the payment of the interest on or the principal of any of the Bonds as the same shall become due, or in the making of the payments into any Sinking Fund or Reserve Fund or any other payments required to be made by this Ordinance, or in the event that the Issuer or any agency, board, officer, agent or employee thereof shall fail or refuse to comply with the provisions of this Ordinance or shall default in any covenant made herein, and in the further event that any such default shall continue for a period of thirty (30) days after written notice, any Owner of such Bonds or any trustee appointed to represent the Owners as hereinafter provided, shall be entitled as of right to the appointment of a receiver of the System in an appropriate judicial proceeding in a court of competent jurisdiction.

The receiver so appointed shall forthwith directly or by his agents and attorneys, enter into and upon and take possession of the System, and each and every part thereof, and shall hold, operate and maintain, manage and control the System, and each and every part thereof, and in the name of the Issuer shall exercise all the rights and powers of the Issuer with respect to the System as the Issuer itself might do. Such receiver shall collect and receive all rates, fees, rentals and other revenues, maintain and operate the System in the manner provided in this Ordinance, and comply under the jurisdiction of the court appointing such receiver, with all of the provisions of this Ordinance.

Whenever all that is due upon the Bonds and interest thereon, and under any covenants of this Ordinance for reserve, sinking or other funds, and upon any other obligations and interest thereon, having a charge, lien or encumbrance upon the fees, rentals or other revenues of the System, shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Owner, or any trustee appointed for Owners as hereinafter provided, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver shall in the performance of the powers hereinabove conferred upon him be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court, and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Owners. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any property of any kind or character belonging or pertaining to the System but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and the Owners and the curing and making good of any default under the provisions of this Ordinance, and the title to and the ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any property of the System except with the consent of the Issuer and in such manner as the court shall direct.

The Owner or Owners in an aggregate principal amount of not less than twenty-five percent (25%) of the Bonds then outstanding may by a duly executed certificate appoint a trustee for the Owners with authority to represent such Owners in any legal proceedings for the enforcement and protection of the rights of such Owners. Such certificate shall be executed by such Owners, or by their duly authorized attorneys or representatives, and shall be filed in the office of the Clerk of the Issuer.

Until an event of default shall have occurred, the Issuer shall retain full possession and control of the System with full right to manage, operate and use the same and every part thereof with the rights appertaining thereto, and to collect and receive, and, subject to the provisions of this Ordinance, to take, use and enjoy and distribute the earnings, income, rent, issue and profits accruing on or derivable from the System.

SECTION 14. Maintenance of System, Limitations on Sale, Lease or Other Disposition of Property. So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall be bound and obligated at all times to (i) maintain the System in first class repair and working order and condition and (ii) not sell, lease, encumber or in any manner dispose of the System or any substantial part thereof; provided, however, that this covenant shall not be construed to prevent the disposal by the Issuer of property which in its judgement has become worn out, unserviceable, unsuitable or unnecessary in the operation of the System, when other property of equal value is substituted therefor or the sale price thereof is deposited in the Contingency Fund.

SECTION 15. Competitive Franchises. So long as any of the Bonds are outstanding and unpaid in principal and interest, the Issuer obligates itself not to grant a franchise to any utility for operation within the boundaries of the Issuer which would render services or facilities similar to those of the System and also obligates itself to oppose the granting of any such franchise by any other public board having jurisdiction over such matters. Further, the Issuer shall maintain its corporate identity and existence as long as any of the Bonds remain outstanding.

SECTION 16. Prohibition Against Encumbrances. Except as hereinafter provided in Section 17 hereof, the Issuer hereby covenants that it will not voluntarily

(Continued to Page 8B)

Public Notices

(Continued from 7B)

create or cause to be created any debt, lien, pledge, mortgage, assignment, encumbrance or any other charge whatsoever having priority over or a parity with the lien of the Bonds and the interest thereon upon any of the Revenues pledged as security therefor in this Ordinance.

SECTION 17. Issuance of Parity Obligations; Parity Requirements. The Bonds shall enjoy complete parity of lien on the net revenues of the System despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer hereby covenants that it shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the revenues of the System having priority over or parity with the Bonds, except that Parity Obligations may be issued hereafter if the following conditions are met:

- 1. The Bonds or any part thereof may be refunded and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues as may have been enjoyed by the Bonds refunded, provided, however, that if only a portion of the Bonds outstanding is so refunded and if the refunding bonds require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds issued hereunder; or

- 2. Parity Obligations may also be issued on a parity with the Bonds if all of the following conditions are met:

- (a) The net revenues for (a) any consecutive twelve (12) calendar months in the eighteen (18) month period immediately preceding the date of issuance of the proposed Parity Obligations or (b) the fiscal year immediately preceding the date of issuance of such Parity Obligations, adjusted to reflect any increase in rates which has been adopted by this Governing Authority and which will take effect prior to a date not later than the date of the delivery of such Parity Obligations, are equal to at least 120% of the average annual debt service requirements on all bonds or obligations whatsoever then outstanding which are payable from the revenues of the System, and any Parity Obligations theretofore issued and then outstanding (but not including bonds which have been refunded or provision otherwise made for their full and complete payment and redemption), and the Parity Obligations so proposed to be issued; provided, however, that this limitation may be waived or modified by the written consent of the owners of the Bonds then outstanding. (Junior and subordinate bonds may be issued without restriction). In making the calculation set out in this paragraph it will not be necessary to include in any calculation future interest payments to be paid from capitalized interest.
- (b) The payments required to be made into the various funds provided in Section 8 hereof must be current.
- (c) The existence of the facts required by paragraphs (a) and (b) above must be determined by the chief financial officer of the Issuer.
- (d) The proceeds of the additional bonds must be used solely for the making of improvements, extensions, renewals, replacements or repairs to the System or to refund the Bonds or any Parity Obligations.

SECTION 18. Fidelity Bonds. So long as any of the Bonds are outstanding and unpaid, the Issuer, in operating the System, shall require all of its officers and employees who may be in a position of authority or in possession of money derived from the operation of the System, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Issuer from loss.

SECTION 19. Retention and Duties of Consulting Engineer in Event of Failure to Make Required Payments. The Issuer covenants and agrees that in the event it should fail to derive sufficient income from the operation of the System to make the required monthly payments into the funds established by Section 9 hereby, it will retain a Consulting Engineer (the "Engineer") on a continuous basis until all defaults are cured, for the purpose of providing for the Issuer continuous engineering counsel in the operation of its System. Such Engineer shall be retained under contract at such reasonable compensation as may be fixed by this Governing Authority, and the payment of such compensation shall be considered to be one of the costs of maintaining and operating the System. Any Engineer appointed under the provisions of this Section may be replaced at any time by another Engineer appointed or retained by the Issuer, with the consent and approval of the original Purchaser of the Bonds.

The Engineer shall prepare within ninety (90) days after the close of each Fiscal Year a comprehensive operating report, which report shall contain therein or be accompanied by a certified copy of an audit of the preceding Fiscal Year prepared by the Issuer's certified public accountants, and in addition thereto, shall report upon the operations of the System during the preceding Fiscal Year, the maintenance of the properties, the efficiency of the management of the System, the proper and adequate keeping of books of record and account, the adherence to budget and budgetary control provisions, the adherence to the provisions of this Ordinance and all other things having a bearing upon the efficient and profitable operation of the System, and shall include whatever criticism of any phase of the operation of the System the Engineer may deem proper, and such recommendations as to changes in operations and the making of repairs, renewals, replacements, extensions, betterments and improvements as the Engineer may deem proper. Copies of such report shall be placed on file with the Clerk of the Issuer and sent to the Purchaser, and shall be open to inspection by any Owners of any of the Bonds. It shall be the duty of the Engineer to pass on the economic soundness or feasibility of any extensions, betterments, improvements, expenditures or purchases of equipment and materials or supplies, which will involve the expenditure of more than Five Thousand Dollars (\$5,000.00), whether in one or more than one order, and whether authorized by a budget or not, from funds on deposit in the Contingency Fund, and the Engineer shall devise and prescribe a form or forms wherein shall be set forth his or its approval in certificate form, copies of which shall be filed with the Clerk of the Issuer and the depository for the Contingency Fund.

Sixty (60) days before the close of each Fiscal Year, the Engineer shall submit to this Governing Authority a suggested budget for the ensuing year's operation of the System and shall submit recommendations as to the schedule of rates and charges for services supplied by the System, taking into account any other lawfully available funds of the Issuer that may be available for such purposes. A copy of said suggested budget and recommendations shall also be furnished by said Engineer directly to the Purchaser. Such recommendations as to rates and charges, consistent with the requirements relating thereto contained herein, shall be followed by this Governing Authority insofar as practicable and all other recommendations shall be given careful consideration by this Governing Authority and shall be substantially followed, except for good and reasonable cause. No expenditures for the operation, maintenance and repair of the System in excess of the amounts stated in said budget shall be made in any year, except upon the certificate of the Engineer that such expenditures are necessary and essential to the continued operation of the System.

It shall be the duty of the Engineer to prescribe a system of budgetary control along with forms for exercising of such control which shall be utilized by the manager or superintendent of the System and his staff, and the manager or superintendent shall cause to be prepared monthly reports not later than the twentieth day of each month, for the preceding month's business and operation of the System, which reports shall be submitted to the Engineer, who shall prepare an analysis of each such report, which analysis shall be filed monthly as expeditiously as possible with the chief financial officer of the Issuer and with the Owner(s).

In the event this Governing Authority shall fail to select and retain an Engineer in accordance with the first paragraph hereof within thirty (30) days after the occurrence of the conditions prescribed thereby, then upon the petition of the Owners of twenty-five percent (25%) of the aggregate principal amount of the Bonds then outstanding, this Governing Authority shall select and retain such Engineer as is named in the petition of said Owners.

The provisions of this Section shall apply only during any period when the Issuer may be in default in making required payments into the funds required by Section 9 of this Ordinance

SECTION 20. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with the Bonds herein authorized and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana."

SECTION 21. Ordinance a Contract; Amendment. The provisions of this Ordinance shall constitute a contract between the Issuer and any Owner or Owners, and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority as a result of issuing the

Bonds.

No material modification or amendment of this Ordinance, or of any ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no such modification or amendment shall permit a change in the maturity or the redemption provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and interest on the Bonds as the same shall become due from the revenues of the System, or change the requirements specified herein for the issuance of Parity Obligations under the provisions of this Ordinance, or reduce the percentage of the Owners required to consent to any material modification or amendment of this Ordinance, without the consent of such Owner or Owners.

SECTION 22. Issuance of Bonds; Application of Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Ordinance, to cause the necessary Bonds to be printed, to issue, execute and seal the Bonds and to effect delivery thereof as hereinafter provided.

All of the proceeds derived from the sale of the Bonds shall be deposited by the Issuer in a Construction Fund (the "Construction Fund"). The funds in the Construction Fund shall be used solely for the purpose of paying the costs of constructing and acquiring extensions, improvements and replacements to the System, including appurtenant equipment and accessories, works of public improvement for the Issuer and all legal, engineering and other incidental costs and fees incurred in connection therewith, and in connection with the authorization and issuance of the Bonds (the "Project"), upon certification to the Issuer by the consulting engineer for the Project that such expenditures are necessary for the completion of the Project or for additional improvements to the System (except that no such certificate shall be required for the payment of legal and other expenses incurred in connection with the issuance of the Bonds) or for the payment of interest accruing on the Bonds during the period the Project is under construction.

SECTION 23. Insurance. So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall carry full coverage of insurance on the System at all times against those risks and in those amounts normally carried by privately owned public utility companies engaged in the operation of such utilities. Said policies of insurance shall be issued by a responsible insurance company or companies duly licensed to do business under the laws of the State of Louisiana. In case of loss, any insurance money received by the Issuer shall be used for the purpose of promptly repairing or replacing the property damaged or destroyed, or shall be deposited in the Contingency Fund to supplement any other amounts required to be paid therein.

SECTION 24. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 25. Notices to Owners. Wherever this Ordinance provides for notice to Owners of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners is given by mail, neither the failure to mail such notice to any particular Owner, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 26. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent. All canceled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 27. Severability; Application of Subsequently Enacted Laws. In case any one or more of the provisions of this Ordinance or of the Bonds shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Ordinance or of the Bonds, but this Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Ordinance which validate or make legal any provision of this Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Ordinance and to the Bonds.

SECTION 28. Discharge of Ordinance; Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of the money, securities, and funds pledged under this Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owners shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Ordinance to the Issuer.

Principal installments or interest installments for the payment or redemption of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 29. Paying Agents; Paying Agent Agreements. The Issuer will at all times maintain a Paying Agent having the necessary qualifications for the performance of the duties described in this Ordinance. The designation of Concordia Bank & Trust Company, as set forth in the definitions hereof, as the initial Paying Agent for the Bonds is hereby confirmed and approved. The Governing Authority reserves the right to appoint successor Paying Agents by (a) filing with the Person then performing such function a certified copy of a resolution or ordinance giving notice of the termination of the agreement and appointing a successor and (b) causing notice to be given to each Owner. Furthermore, the Paying Agent may be removed by the Issuer at any time for any breach of its duties set forth herein, effective upon appointment of a successor Paying Agent as set forth above. Every Paying Agent appointed hereunder shall at all times be a trust company or bank organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise trust powers, and subject to supervision or ex-

amination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on the agreements to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 30. Arbitrage; Designation as Qualified Tax-Exempt Obligations. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds".

SECTION 31. Qualified Tax-Exempt Obligations. The Bonds are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

- (a) the Bonds are not "private activity bonds" within the meaning of the Code; and
- (b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2020 will not exceed \$10,000,000.

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section. The Executive Officers are hereby authorized and directed to execute an appropriate agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures on such agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 32. Award of Bond. The Issuer hereby accepts the offer to purchase the Bond submitted by the Purchaser, a copy of which is on file with the Clerk of the Issuer. The Bond shall be delivered to the Purchaser upon payment of the initial advance of the principal amount of the Bonds.

SECTION 33. Disclosure Under SEC Rule 15c2-12. The Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c2-12(b) of the Securities and Exchange Commission 17 CFR §240.15c2-12(b).

SECTION 34. Publication of Ordinance; Peremption. A copy of this Ordinance shall be published immediately after its adoption in one issue of the official journal of the Issuer. For a period of thirty (30) days after the date of such publication any person in interest shall have the right to contest the legality of this Ordinance, the Bonds to be issued pursuant hereto and the security for such Bonds. After the expiration of said thirty (30) day period, no one shall have any right of action to contest the validity of the Bonds, the provisions of this Ordinance or the security for the Bonds, for any cause whatsoever, and the Bonds shall thereafter be conclusively presumed to be legal and no court shall thereafter have authority to inquire into such matters.

SECTION 35. Post-Issuance Compliance. The Executive Officers and/or their designees are directed to establish written procedures to assist the Issuer in complying with various State and Federal statutes, rules and regulations applicable to the Bonds and are further authorized to take any and all actions as may be required by said written procedures to ensure continued compliance with such statutes, rules and regulations throughout the term of the Bonds.

SECTION 36. Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof

SECTION 37. Effective Date. This Ordinance shall become effective immediately upon its approval by the Mayor.

There being a favorable vote on the ordinance of at least a majority of the authorized members of the Governing Authority, the ordinance was declared adopted on this the 14th day of January, 2020.

/s/ Jay Lasyone
Clerk
Presented to Mayor on January 14, 2020 for action as evidenced by his signature:

Approved: /s/ Edwy "Buz" Craft
Mayor
Disapproved: _____

Presented to Clerk on January 14, 2020.

Agenda Item No. 9 was discussion of the regulations on political signs. The Mayor opened the floor for discussion concerning political signs within the Town, as an election is forthcoming. There followed a general discussion covering topics of where signs should be allowed, how big the signs should be; the definition of public property; and other such matters. Following the discussion and the question and answer session, it being noted that there were no additional agenda items, a motion to adjourn was made by Alderwoman Dore', seconded by Alderman McCoy, and unanimously carried. The meeting was declared adjourned.

NOTICE OF PUBLIC HEARING

A series of Public Hearings will be held in accordance with LA R.S. 48:231 and conducted by the Joint Transportation, Highways, & Public Works Committee. Below is a list of the times and places where the hearings will be held. The purpose of the hearings is to review highway construction priorities for the fiscal year 2020-2021. A copy of the Preliminary Program for Fiscal Year 2020-2021 will be available for review on February 3, 2020, by interested persons at the LADOTD Headquarters Building, 1201 Capitol Access Road, Room 200U, Baton Rouge, LA 70802 or online at http://www.sps.dotd.la.gov/Inside_LaDOTD/Divisions/Multimodal/Transportation_Planning/Highway_Priority/Pages/default.aspx

All interested persons are invited for the purpose of becoming fully acquainted with the proposed program and will be afforded an opportunity to express their views. Oral testimony may be supplemented by presenting important facts and documentation in writing. Written statements and comments should be handed to the committee conducting the Hearing, or mailed to the following address, postmarked within 45 calendar days following the Hearing:

Joint Transportation, Highways, & Public Works Committee
C/O LA DOTD (SECTION 85)
P.O. BOX 94245
BATON ROUGE, LA 70804-9245

Should anyone requiring special assistance due to a disability wish to participate in this public hearing, please contact LADOTD (Attn: Ms. Mary Elliott) by mail at the address above or by telephone at (225) 379-1218 at least five days prior to the date of the public hearing.
