NOTICE OF PENDING FORFEITURE
On February 28, 2020, in Ouachita Parish, Metro Narcotics Unit seized for forfeiture \$1,596 U.S. Currency from Andre' D. Tippit pursuant to LSA-R.S.40:2601 et seq.
The property was seized with respect to the alleged violation of Section 2603 and 2604 of the Seizure and Controlled Dangerous Substances Property Act of 1989 and will be forfeited pursuant to that Act.
If any person desires to contest the forfeiture of this property, they must mail a claim to the seizing agency and the District Attorney's Office, P.O. Box 1652, Monroe, LA, 71210 stating your interest in the property. The claim must be mailed, certified mail, return receipt requested, within thirty (30) days from the date this notice appears in the Ouachita Citizen. The seizing agency in this matter is the Metro Narcotics Unit, 500 Natchitoches St., West Monroe, LA 71291.
Under R.S.40:2610, the claim shall be in affidavit form, signed by the claimant under oath, before one who has authority to administer the oath, under penalty of perjury or false swearing. It shall set forth the caption of the forfeiture proceedings, the address where the claimant will accept mail, the nature and extent of claimant's interest in the property, the date and identity of the transferor/seller, and the circumstances of the claimant's acquisitions, the specific provisions of this law asserting that the property is not subject to forfeiture, all essential facts supporting the assertion and the specific relief sought.

The failure to timely mail a claim to the seizing agency and the District Attorney's Office will result in forfeiture of the property to the State of Louisiana without further notice or hearing.

MINUTES OF REGULAR MEETING
TOWN OF STERLINGTON
MAYOR AND BOARD OF ALDERMEN
STERLINGTON, LOUISIANA
6:30 P.M. TUESDAY, MARCH 10, 2020
TOWN HALL COUNCIL MEETING
CALL TO ORDER/ROLL CALL
Mayor Caesar Velasquez called the meeting to order. Aldermen present: Zack Howse, Matt Talbert, Ron Hill, Brian McCarthy, and Ben Hobson. A quorum was present and acting.
INVOCATION AND PLEDGE OF ALLEGIANCE
Alderman Ron Hill gave the invocation and led the group in the Pledge of Allegiance.

GUESTS (roll sheet)
Guests in attendance were Zachary Parker with the Ouachita Citizen, Trey Emory, Pastor of Faith Baptist Church, Justin Smith, Justin Gross, Tyler H. Rhodes, Kimberly Velasquez, Lee Riordan with Cross Keys Bank, and Bonnie Bolden with the News Star.

Town Personnel in attendance were Town Clerk Marilyn Dilmore, Town Attorney Devin Jones, Chief of Police Barry Bonner, Mr. Shelton our Fiscal Administrator, Wes Shafto the Town's Bonding Attorney.

MAYOR AND ALDERMEN REPORTS
Mayor Velasquez attended the Grand Opening of Ludwig Marine Saturday. There were about 45 people there, plus they had three different sales going on at the same time. The Mayor talked to Mr. Ludwig and they are going to be an asset to this community.

Alderman Zack Howse went to a meeting on the Gardens of Somerset Park today and they are looking to open their Activity Center this June. The full facility should be opening spring of 2021. This should create about 80 full-time and part-time jobs and it will house about 100 people. Alderman Howse has a pamphlet if anyone is interested in looking at.

Alderman Talbert reported this past weekend the Sports Complex helped host the Trey Altick Tournament and a lot of teams came to play in this tournament. Alderman Talbert heard a lot of positive comments about our Sports Complex. He went on to report that this coming weekend we will host a men's softball tournament and another baseball tournament. For right now all the weekends are booked with tournaments.

PUBLIC COMMENTS
Mayor Velasquez read the Public Comments Law out loud to the audience and read each item listed for discussion on the agenda.
There were no questions or comments, so the Mayor closed the public comments.

NEW BUSINESS
OCCUPATIONAL LICENSES
M/S/C (MOVED, SECONDED, AND CARRIED) (Zack Howse, Brian McCarthy) to approve the new occupational license for Dusti Wright with Beauty on the Bayou.

M/S/C (Zack Howse, Brian McCarthy) to approve the new occupational license for Olivia Jones with Beauty on the Bayou.
M/S/C (Ron Hill, Brian McCarthy) to approve the new occupational license for Van's Storage pending a copy of the Corporate Resolution or the second signature on the occupational license application.

M/S/C (Zack Howse, Brian McCarthy) to approve the new occupational license for Billeco Brewster Shortstop Convenience Stores LLC dba Short-stop 1.
COOPERATIVE ENDEAVOR FOR CONCESSION STAND OPERATOR

M/S/C (Brian McCarthy, Zack Howse) to approve the CEA between the Town and RKS Concessions (Randy Stewart) to commence on March 1, 2020.

COOPERATIVE ENDEAVOR FOR LIVE STREAMING VIDEO SERVICES

M/S/C (Brian McCarthy, Zack Howse) to approve the CEA between the Town and LSPN.LIVE, LLC (James Michael Bader) to commence on March 1, 2020.

FEMA WEST STERLINGTON SEWER PROJECT
Mayor Velasquez stated there is nothing to act on but FEMA will repair the sewer line in West Sterlington when they repair the bridge on Lochlmond Road.

RESOLUTION PROVIDING NOTICE OF INTENT TO CREATE STERLINGTON ECONOMIC DEVELOPMENT DISTRICT NO. 1

M/S/C (Zack Howse, Brian McCarthy) to adopt the resolution authorizing the publication of a notice of intention to (I) create Economic Development District No. 1 of the Town of Sterlington, State of Louisiana, and (II) Levy a 2% sales and use tax therein, under the authority of Part II, Chapter 27 of Title 33 of the LA Revised Statutes of 1950, as amended (LA. R.S. 33:9038.31 ET SEQ.); and providing for other matters in connection therewith.

INTRODUCTION OF ORDINANCE CREATING STERLINGTON ECONOMIC DEVELOPMENT DISTRICT NO. 1

M/S/C (Zack Howse, Brian McCarthy) to introduce an ordinance creating "Economic Development District No. 1 of the Town of Sterlington, State of Louisiana;" defining the boundaries thereof from which area local sales tax increments will be determined and used to finance Economic Development Projects in accordance with and as authorized by Part II of Chapter 27 of Title 33 of the LA Revised Statutes of 1950, as amended; and providing for other matters in connection with the foregoing.

ANNOUNCEMENT OF PUBLIC HEARING CONCERNING SALES TAX

Mayor Velasquez read the Notice of Public Meeting plan to consider levying 2% sales tax in a proposed economic development district to be created within portions of Sterlington's city limits and to be designated as the "Sterlington Economic Development District No. 1" and the ordinance will be considered after a public meeting set for Tuesday, April 14, 2020 at 6:30 p.m. at the town hall council room/courtroom in Sterlington, Louisiana.

ADJOURN
M/S/C (Brian McCarthy, Ben Hobson) to adjourn, given there was no further business to discuss.
Marilyn Dilmore, Town Clerk
Caesar Velasquez, Mayor

TOWN HALL COUNCIL MEETING
CALL TO ORDER/ROLL CALL

Mayor Caesar Velasquez called the meeting to order. Aldermen present: Zack Howse, Matt Talbert, Ron Hill, and Brian McCarthy. A quorum was present and acting. Alderman Ben Hobson was not present due to turning in his resignation yesterday, April 13, 2020.

INVOCATION AND PLEDGE OF ALLEGIANCE
Alderman Ron Hill gave the invocation and led the group in the Pledge of Allegiance.

GUESTS (on Zoom Video)
There were no guests in attendance, due to the COVID-19 pandemic inside Town Hall, so the meeting was live video through Zoom, which showed there was a total of 21 people logged-in, which includes the Mayor, the Aldermen present and the town personnel listed below.

Town Personnel in attendance on Zoom video were Town Clerk Marilyn Dilmore, Town Attorney Devin Jones, Chief of Police Barry Bonner, Mr. Shelton our Fiscal Administrator, and Wes Shafto the Town's Bonding Attorney.

AGENDA MODIFICATIONS
Alderman Talbert made the motion to add to New Business new occupational licenses for Sterlington Physical Therapy and Asher Holdings dba Intensity Fitness. Mayor Velasquez read the Louisiana Open Meetings Law out loud and there were no questions or comments, The public comments was closed. Alderman Brian McCarthy seconded the motion to add these two items to the agenda under New Business.

MAYOR AND ALDERMEN REPORTS
Mayor Velasquez informed everyone about the damage from the two tornadoes that came through on Easter Sunday. The areas that were hit hard was Lonewa Road, the Sterlington High School, and the Fairbanks area.

The Mayor also reported the new pump at Cliff Bullock has not worked properly since it was installed. The Mayor has been in contact with Delta Process on rectifying this issue.

Alderman Talbert stated he had a conference call with the State Treasurer, John Schroeder. They talked about what was going on in Sterlington. Mr. Schroeder wants to stay in regular contact and Aldermen Talbert was very pleased with their conversations.

Alderman Brian McCarthy has been in contact with a music promoter that wants to meet when the COVID-19 pandemic issues are over.

Alderman McCarthy is trying to get the Sports Complex Board Members set up, and he is needing one more person that is willing to serve on this board.

Chief Bonner didn't have anything to report tonight.
PUBLIC COMMENTS
Mayor Velasquez read the Public Comments Law out loud to the audience and read each item listed on the agenda for discussion.

There were no questions or comments, so the Mayor closed the public comments.

UNFINISHED BUSINESS
Mayor Velasquez asked due to this meeting being by live video that we have roll call voting on all town business.

BID OPENING ON THE TOWN'S RIVER PROPERTY
Mayor Velasquez stated we received one sealed bid. The Mayor opened the bid from HATH Enterprises LLC which is Charles Hamby and Wayne Thurmon and the bid amount is \$114,111 contingent on them obtaining acceptable financing for a RV Park project.

M/S/C (MOVED, SECONDED, AND CARRIED) (Matt Talbert, Brian McCarthy) to accept the bid from HATH Enterprises in the amount of \$114,111 and contingent on their financing. The roll call vote being: Ron Hill – Aye, Brian McCarthy – Aye, Zach Howse – Aye, Matt Talbert – Aye.

ADOPT AN ORDINANCE CREATING THE ECONOMIC DEVELOPMENT DISTRICT

M/S/C (Zach Howse, Ron Hill) to adopt the ordinance creating the Economic Development District as Ordinance No. 2020-02 TAX. The roll call vote being: Ron Hill – Aye, Brian McCarthy – Aye, Matt Talbert – Aye, Zach Howse – Aye.

NEW BUSINESS
ADOPT RESOLUTION OPPOSING ALL LEGISLATION THAT ENABLES THE STATE TO TAKE OVER COLLECTIONS OF SALES AND USE TAXES

M/S/C (Brian McCarthy, Zach Howse) to adopt the resolution opposing all legislation that enables the legislature to remove the authority of local governments to administer and collect local sales and use taxes. The roll call vote being: Matt Talbert – Abstains, Brian McCarthy – Aye, Zach Howse – Aye, Ron Hill – Abstains, the Mayor votes Aye to break the tie vote.

INTRODUCE ORDINANCE 2% SALES TAX ORDINANCE FOR THE ECONOMIC DEVELOPMENT DISTRICT

There was much discussion on the beginning date for this ordinance. M/S/C (Zach Howse, Ron Hill) to introduce the ordinance adding 2% sales tax for the Economic Development District and to have the adoption of such ordinance at the May 26th meeting. The roll call vote being: Zach Howse – Aye, Matt Talbert – Aye, Brian McCarthy – Aye, Ron Hill – Aye.

COOPERATIVE AGREEMENT WITH LARRY CULP

This agreement increases the force main on Cliff Bullock to a 4 inch and Mr. Culp will be responsible for the bills associate with this project. M/S/C (Brian McCarthy, Matt Talbert) to agree to the cooperative endeavor or agreement as written. The roll call vote being: Zach Howse – Aye, Matt Talbert – Aye, Ron Hill – Aye, Brian McCarthy – Aye.

REVOCATION OF LAND DONATION BY LAND SHARK TO THE TOWN FOR A 60' ROAD RIGHT-OF-WAY FROM HIGHWAY 165 TO THE SPORTS COMPLEX

Mr. Holmes has requested his land back since the town has not done anything with it or does not plan to do anything in the near future. M/S/C (Zach Howse, Matt Talbert) to give our Town Attorney, Devin Jones the authority to handle this revocation. The roll call vote being: Zach Howse – Aye, Matt Talbert – Aye, Ron Hill – Aye, Brian McCarthy – Aye.

RESIGNATION OF ALDERMAN BENJAMIN HOBSON

Mayor Velasquez stated Ben Hobson gave his resignation letter yesterday. We have been in contact with the Secretary of State on what needs to be done. The Secretary of State will send a step-by-step letter on what needs to be done.

OCCUPATIONAL LICENSES
M/S/C (MOVED, SECONDED, AND CARRIED) (Brian McCarthy, Zack Howse) to approve the new occupational license for Intensity Fitness. A roll call vote: Zach Howse – Aye, Matt Talbert – Aye, Ron Hill – Aye, Brian McCarthy – Aye.

M/S/C (Brian McCarthy, Zack Howse) to approve the new occupational license for Sterlington Physical Therapy. A roll call vote: Zach Howse – Aye, Matt Talbert – Aye, Ron Hill – Aye, Brian McCarthy – Aye.

MINUTES
M/S/C (Matt Talbert, Ron Hill) to approve the minutes as typed for February 25, 2020. The roll call vote being: Zach Howse – Abstains, Ron Hill – Aye, Brian McCarthy – Abstains, Matt Talbert – Aye. The Mayor votes to break the tie and votes Aye.

M/S/C (Brian McCarthy, Matt Talbert) to approve the minutes for March 10, 2020 with a minor edit on the back page. The roll call vote being: Zach Howse – Aye, Ron Hill – Aye, Brian McCarthy – Aye, Matt Talbert – Aye.

BUDGETS AND FINANCIALS
M/S/C (Brian McCarthy, Ron Hill) to approve the Budget and Financials with answers to the questions asked by the next meeting. Roll call vote was four ayes.

MONTHLY EXPENDITURES
M/S/C (Zach Howse, Brian McCarthy) to approve the monthly expenditures. Roll call vote was four ayes.

AGED PAYABLES
These were reviewed.
ADJOURN
M/S/C (Brian McCarthy, Zach Howse) to adjourn, given there was no further business to discuss.
Marilyn Dilmore, Town Clerk
Caesar Velasquez, Mayor
5/14

NOTICE
The Ouachita Parish School Board met in regular session on Tuesday, March 10, 2020 at two (2:00) o'clock p.m. at its regular meeting place, the Ouachita Parish School Board office.

President Hicks called the meeting to order and welcomed visitors and guests to the meeting.

The roll was called and the following members were present: Tommy Comeaux, Shere May, Scotty Waggoner, Jerry R. Hicks, Harold McCoy, Dabo Graves and Greg Manley. There were none absent.

The Pledge of Allegiance to the American Flag was led by Board member Shere May.

The Invocation was given by Greg Manley.
On motion by Greg Manley, seconded by Dabo Graves, the Board unanimously approved the Minutes of February 11, 2020 as written.

Tommy Comeaux moved, seconded by Shere May, that the Board approve the Agenda as presented. Motion unanimously carried by all members present.

No Personnel Report was discussed.
Communication Specialist Aline Smead invited Dr. Coker and President Hicks to come forward and help recognize an eighth grade art student from West Ridge Middle School. Caroline Joslin was selected the first place winner of the statewide 2020 Louisiana School Board Association art contest. Her art was displayed on the screen as Dr. Coker proudly presented her an award from the LSBA.

Upon motion by Sherri May, seconded by Dabo Graves, the Board approved the following policies recommended by Title I Supervisor Cynthia Osborne, that were reviewed and approved in advance by district personnel, Board attorney Elmer Noah and the Board's policy provider, Forethought Consultants, Inc.: (1 Policy: GAEAA (Sexual Harassment) and (2 Policy: GBN (Dismissal of Employees) as presented. In addition, the following two policies are to be presented for the Board's consideration at their next meeting: (1 Policy: GBRL (Holidays) and (2 Policy: II (Testing Program). Following an offer for public comment by President Hicks, motion carried unanimously by all members present.

Finance Committee Chairman Todd Guice presented a brief report by the Finance Committee from their meeting of February 27, 2020 along with a copy of the Agenda for that meeting. Chairman Guice informed the Board that the Director of Business Regina Mekus and her staff reported on finances along with a report on cash investments from accountant Sharon Bennett. A recommendation was also made by the Finance Committee to consider a request for a donation of \$2,500.00 from Youth Services of Northeast Louisiana to assist with the funding of Teen Court. This recommendation will be brought for consideration before the Board at a later date. A substitute teacher for our system, Diane Porter-Lloyd, presented a request to the Committee to grant a pay raise for certified substitute teachers. Following discussion, no action was taken at this time. In conclusion, Mr. Guice announced that the next Finance Committee meeting will be held on Thursday, May 14, 2020 at 9:00 a.m. in the Board Room.

On motion by Scotty Waggoner, seconded by Shere May, the Board approved the Financial Committee report as presented by Chairman Guice. Following an offer for public comment, motion unanimously carried by all members present.

Personnel Director Todd Guice reported that the 2020-2021 School Calendar Committee met and gave two options to employees and principals and they overwhelmingly accepted the one with a full week before Christmas to return the first of January. Whereby, Shere May moved, seconded by Dabo Graves, that the Board adopt the 2020-2021 School Calendar as recommended by the School Calendar Committee. President Hicks offered a brief period for public comment and motion carried unanimously.

The monthly 2019-20 Interim Financial Report for the Period ended January 31, 2020 was presented to the Board by Business Director Regina Mekus. From Page 1 she pointed out that the General Fund had a fund balance of \$36,562,542 and the District #1 M&O ending fund balance was 99% of the prior YTD balance or \$17,503,537. Consequently, she announced that she would be looking at a budget revision in May as we are running close to the budget for the year and no major revisions need to be made. In anticipation of a partial drop in students, she stated they will be revising additional revenues according to what was actually seen in February and will be addressing that issue between now and the end of the year. The refunding of the bonds will significantly reduce the balance in the sales tax revenue account due to the repayment of those bonds. Ms. Mekus concluded her report referring the Board to the last 2 pages of the report, where she pointed out the comparison of monthly accumulation of revenues and expenditures to prior fiscal year periods provided for the Board's review on the accumulation of funds for the current fiscal year and the prior two fiscal years. This enables all to see the trend of performance in these two primary operating funds of the School Board. Whereby, Greg Manley moved, seconded by Dabo Graves, that the Board approve the Interim Financial Report for the Period ended January 31, 2020 as presented by Business Director Regina Mekus. Following a brief moment allowed for public comment by President Hicks, motion carried unanimously.

Purchasing Agent Bobby Jones reported that at the last Board meeting, the Board allowed him to approve the copy paper bid prior to the next meeting and on February 19, 2020, Mr. Jones accepted the low responsive/responsible bidders for the copy paper [Bid No. 44-20] as listed in bold print on the bid sheet provided the Board members.

On the recommendation of Supervisor of Safety/Construction Kenneth Slusher, Tommy Comeaux moved, seconded by Dabo Graves, that the Board grant permission to select an architect for roof replacements at Pinecrest and Lenwil to be paid from next fiscal year's budget to begin at the end of April or 1st of June. TBA was selected as the architect for both schools. Motion carried unanimously following much discussion.

Supervisor of Safety/Construction Kenneth Slusher reported that Entergy is proposing a 13 foot right of way request for School Board property at Sterlington High School and a 17 foot portion of the right of way from the property owner adjacent the school property for a total of 30 feet of right of way along Panther Drive. Following much discussion, Greg Manley moved, seconded by Dabo Graves, that the Board decline Entergy's easement request for a 13 foot right of way along Panther Drive at Sterlington High School. President Hicks offered a brief moment for public comment and motion carried unanimously by all members present.

Before concluding his report, Supervisor of Safety/Construction Kenneth Slusher stated that Woodlawn needs a lot of dirt work performed and property needs to dry out before the project can be completed. Edge-wood's parking lot at West Monroe High School is also too saturated from rains to finish their parking lot.

There were no Evaluation of Bids reported.

On motion by Tommy Comeaux, seconded by Shere May, the Board granted permission to bid the following 3 items: 1.) Large Cafeteria Equipment [Bid No. FS11-20], funded with Child Nutrition Funds with a budget of \$75,000; 2.) Kiroli WI Cooler Freezer [Bid No. FS6-21], funded with Child Nutrition Funds with a budget of \$55,000; 3.) Shady Grove WI Cooler/Freezer [Bid No. FS7-21], funded with Child Nutrition Funds with a budget of \$55,000. Motion carried unanimously by all member present.

At the time, Superintendent Dr. Coker reported on the Coronavirus problem invading America right now. As he reported, this is a BIG concern and is trying to be cautious because the safety of our students/faculty/staff is our priority. He intends to be pro-active as possible by keeping his administrators/principals informed. All the information he receives is forwarded to his Safety Director, Marsha Baker for review. He is taking this very serious in trying to prepare. A time is being set up to meet with all his directors and principals to establish some type of plan for travel in regard to trips that are already scheduled. He assured the Board and the public that he is giving top priority to the safety of our students/faculty/staff at this time. He will keep everyone up to date as he receives directions from our governor and the President of the United States.

President Hicks set the next meeting for April 21, 2020 at 12:00 noon.

There being no further business to discuss, Greg Manley moved, seconded by Dabo Graves, that the meeting adjourn. Motion carried unanimously.

OUACHITA PARISH SCHOOL BOARD
Jerry R. Hicks, President
ATTEST: Don Coker, Secretary /ps

PUBLIC NOTICES

(Continued from Page 10B)

The Water We Drink

WESTERN UTILITIES, INC
Public Water Supply ID: LA1073097

We are pleased to present to you the Annual Water Quality Report for the year 2019. This report is designed to inform you about the quality of your water and services we deliver to you every day (Este informe contiene información muy importante sobre su agua potable. Tradúzcalo o hable con alguien que lo entienda bien). Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water.

Our water source(s) are listed below:

Source Name	Source Water Type
WELL #2 (NORTH)	Ground Water
WELL #3, CHURCH ST.	Ground Water

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. Contaminants that may be present in source water include:

Microbial Contaminants – such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
Inorganic Contaminants – such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial, or domestic wastewater discharges, oil and gas production, mining, or farming.
Pesticides and Herbicides – which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
Organic Chemical Contaminants – including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
Radioactive Contaminants – which can be naturally-occurring or be the result of oil and gas production and mining activities.

A Source Water Assessment Plan (SWAP) is now available from our office. This plan is an assessment of a delineated area around our listed sources through which contaminants, if present, could migrate and reach our source water. It also includes an inventory of potential sources of contamination within the delineated area, and a determination of the water supply's susceptibility to contamination by the identified potential sources. According to the Source Water Assessment Plan, our water system had a susceptibility rating of "MEDIUM". If you would like to review the Source Water Assessment Plan, please feel free to contact our office.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. Food and Drug Administration regulations establish limits for contaminants in bottled water which must provide the same protection for public health. We want our valued customers to be informed about their water utility. If you have any questions about this report, want to attend any scheduled meetings, or simply want to learn more about your drinking water, please contact TOM L OWENS at 318-397-9336.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. WESTERN UTILITIES, INC is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

The Louisiana Department of Health routinely monitors for constituents in your drinking water according to Federal and State laws. The tables that follow show the results of our monitoring during the period of January 1st to December 31st, 2019. Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk.

In the tables below, you will find many terms and abbreviations you might not be familiar with. To help you better understand these terms, we've provided the following definitions:

Parts per million (ppm) or Milligrams per liter (mg/L) – one part per million corresponds to one minute in two years or a single penny in \$10,000.
Parts per billion (ppb) or Micrograms per liter (ug/L) – one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.
Picocuries per liter (pCi/L) – picocuries per liter is a measure of the radioactivity in water.
Treatment Technique (TT) – an enforceable procedure or level of technological performance which public water systems must follow to ensure control of a contaminant.
Action level (AL) – the concentration of a contaminant that, if exceeded, triggers treatment or other requirements that a water system must follow.
Maximum contaminant level (MCL) – the "Maximum Allowed" MCL is the highest level of a contaminant that is allowed in drinking water. MCL's are set as close to the MCLG's as feasible using the best available treatment technology.
Maximum contaminant level goal (MCLG) – the "Goal" is the level of a contaminant in drinking water below which there is no known or expected risk to human health. MCLG's allow for a margin of safety.
Maximum residual disinfectant level (MRDL) – The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
Maximum residual disinfectant level goal (MRDLG) – The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
Level 1 Assessment – A study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in our water system.
Level 2 Assessment – A very detailed study of the water system to identify potential problems and determine (if possible) why an E. coli MCL violation has occurred and/or why total coliform bacteria have been found in our water system on multiple occasions.

During the period covered by this report we had the below noted violations.

Compliance Period	Analyte	Type
No Violations Occurred in the Calendar Year of 2019		

Our water system tested a minimum of 1 samples per month in accordance with the Total Coliform Rule for microbiological contaminants. With the microbiological samples collected, the water system collects disinfectant residuals to ensure control of microbial growth.

Disinfectant	Date	HighestRAA	Unit	Range	MRDL	MRDLG	Typical Source
CHLORINE	2019	2.2	ppm	1.09 - 3.1	4	4	Water additive used to control microbes.

In the tables below, we have shown the regulated contaminants that were detected. Chemical Sampling of our drinking water may not be required on an annual basis; therefore, information provided in this table refers back to the latest year of chemical sampling results. To determine compliance with the primary drinking water standards, the treated water is monitored when a contaminant is elevated in the source water.

Source Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
FLUORIDE	10/25/2017	0.26	0.24 - 0.26	ppm	4	4	Discharge of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories

Treated Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2019							

Source Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2019							

Treated Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2019							

Lead and Copper	Date	90 th Percentile	Range	Unit	AL	Sites Over AL	Typical Source
COPPER, FREE	2019	0.2	0 - 0.2	ppm	1.3	0	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives

Disinfection Byproducts	Sample Point	Period	Highest LRAA	Range	Unit	MCL	MCLG	Typical Source
TOTAL HALOACETIC ACIDS (HAAs)	100 YELLOWSTONE CIRCLE	2019	28	28.2 - 28.2	ppb	60	0	By-product of drinking water disinfection
TOTAL HALOACETIC ACIDS (HAAs)	208 WINTERPARK DRIVE	2019	16	15.6 - 15.6	ppb	60	0	By-product of drinking water disinfection
THM	100 YELLOWSTONE CIRCLE	2019	61	61 - 61	ppb	80	0	By-product of drinking water chlorination
THM	208 WINTERPARK DRIVE	2019	35	35 - 35	ppb	80	0	By-product of drinking water chlorination

Source Secondary Contaminants	Collection Date	Highest Value	Range	Unit	SMCL
MANGANESE	10/18/2017	0.004	0 - 0.004	MG/L	0.05
ZINC	10/25/2017	0.034	0 - 0.034	MG/L	5

Treated Secondary Contaminants	Collection Date	Highest Value	Range	Unit	SMCL
No Detected Results were Found in the Calendar Year of 2019					

Unresolved significant deficiencies that were identified during a survey done on the water system are shown below.					
Date Identified	Facility	Code	Activity	Due Date	Description
11/20/2017	WELL #2 (NORTH)	SO21	GWR ADDRESS TT45 DEFICIENCIES	10/26/2019	SRC WL - LAC S1.X01.327.A.15 - GW - Sample Tap

+++++Environmental Protection Agency Required Health Effects Language+++++
Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

There are no additional required health effects notices.

There are no additional required health effects violation notices.

Thank you for allowing us to continue providing your family with clean, quality water this year. In order to maintain a safe and dependable water supply we sometimes need to make improvements that will benefit all of our customers.

We at the WESTERN UTILITIES, INC work around the clock to provide top quality drinking water to every tap. We ask that all our customers help us protect and conserve our water sources, which are the heart of our community, our way of life, and our children's future. Please call our office if you have questions.

Maximum contaminant level goal (MCLG) – the "Goal" is the level of a contaminant in drinking water below which there is no known or expected risk to human health. MCLG's allow for a margin of safety.
Maximum residual disinfectant level (MRDL) – The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
Maximum residual disinfectant level goal (MRDLG) – The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
Level 1 Assessment – A study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in our water system.
Level 2 Assessment – A very detailed study of the water system to identify potential problems and determine (if possible) why an E. coli MCL violation has occurred and/or why total coliform bacteria have been found in our water system on multiple occasions.

During the period covered by this report we had the below noted violations.

Compliance Period	Analyte	Type
1/1/2017 - 12/31/2019	LEAD & COPPER RULE	FOLLOW-UP OR ROUTINE TAP M/R (LCR)
1/1/2019 - 3/31/2019	TTTH	MCL LRAA
1/1/2019 - 3/31/2019	TTTH	MCL LRAA
1/1/2019 - 3/31/2019	PUBLIC NOTICE	PUBLIC NOTICE RULE LINKED TO VIOLATION
4/1/2019 - 6/30/2019	TTTH	MCL LRAA
4/1/2019 - 6/30/2019	PUBLIC NOTICE	PUBLIC NOTICE RULE LINKED TO VIOLATION
7/1/2019 - 9/30/2019	TTTH	MCL LRAA
10/1/2019 - 12/31/2019	TTTH	MCL LRAA

Our water system tested a minimum of 5 samples per month in accordance with the Total Coliform Rule for microbiological contaminants. With the microbiological samples collected, the water system collects disinfectant residuals to ensure control of microbial growth.

Disinfectant	Date	HighestRAA	Unit	Range	MRDL	MRDLG	Typical Source
CHLORINE	2019	2.3	ppm	0 - 5	4	4	Water additive used to control microbes.

In the tables below, we have shown the regulated contaminants that were detected. Chemical Sampling of our drinking water may not be required on an annual basis; therefore, information provided in this table refers back to the latest year of chemical sampling results. To determine compliance with the primary drinking water standards, the treated water is monitored when a contaminant is elevated in the source water.

Source Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
BARIUM	5/23/2017	0.008	0.0065 - 0.008	ppm	2	2	Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits
FLUORIDE	3/20/2017	0.45	0.26 - 0.45	ppm	4	4	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories
TOLUENE	5/23/2017	0.00066	0 - 0.00066	ppm	1	1	Discharge from petroleum factories

Treated Water Regulated Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2019							

Source Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2019							

Treated Water Radiological Contaminants	Collection Date	Highest Value	Range	Unit	MCL	MCLG	Typical Source
No Detected Results were Found in the Calendar Year of 2019							

Lead and Copper	Date	90 th Percentile	Range	Unit	AL	Sites Over AL	Typical Source
COPPER, FREE	2017 - 2019	0.4	0 - 0.4	ppm	1.3	0	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD	2017 - 2019	3	0 - 3	ppb	15	0	Corrosion of household plumbing systems; Erosion of natural deposits

Disinfection Byproducts	Sample Point	Period	Highest LRAA	Range	Unit	MCL	MCLG	Typical Source
TOTAL HALOACETIC ACIDS (HAAs)	DR DAVIS DR AT GILSON RD	2019	16	15 - 15	ppb	60	0	By-product of drinking water disinfection

+++++Environmental Protection Agency Required Health Effects Language+++++
Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Additional Required Health Effects Language:

Some people who drink water containing haloacetic acids in excess of the MCL over many years may have an increased risk of getting cancer.

Some people who drink water containing trihalomethanes in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous systems, and may have an increased risk of getting cancer.

Coliforms are bacteria that are naturally present in the environment and are used as an indicator that other, potentially-harmful, bacteria may be present. Coliforms were found in more samples than allowed and this was a warning of potential problems.

There are no additional required health effects violation notices.

+++++
Thank you for allowing us to continue providing your family with clean, quality water this year. In order to maintain a safe and dependable water supply we sometimes need to make improvements that will benefit all of our customers.

We at the CADEVILLE WATER DISTRICT work around the clock to provide top quality drinking water to every tap. We ask that all our customers help us protect and conserve our water sources, which are the heart of our community, our way of life, and our children's future. Please call our office if you have questions.

Monroe-West Monroe Convention and Visitors Bureau
212 Walnut Street, Suite 100
Monroe, Louisiana 71201
Board of Directors Meeting

Minutes
February 17, 2020

Date and Place: The Monroe-West Monroe Convention and Visitors Bureau held at the Convention and Visitor Bureau, 212 Walnut Street, Suite 100, Monroe, Louisiana 71201 at 4:00 p.m., February 17, 2020. Chairman Ryan Roark presided.

Roll Call: Present
Kevin Crosby
Omar Elgourani
Sammy Gordy
Jordan Guillot
Sue Nicholson
Don O'Toole, Jr.
Nash Patel
Ryan Roark
Norene Smith
Roderick Worthy

Absent
Mickey Merritt (Excused)

Staff: Alana Cooper, President and CEO
Elmer Noah, Board Attorney
Krystle Ivey, Operations Administrator
Ruth Canales, Office Manager
Scott Bruscato, Senior Vice President of Sales
Sheila Snow, Vice President of Communications

Agenda: Sammy Gordy moved, and Omar Elgourani seconded to amend the agenda to consider a change order on the building in Other Business. Motion carried by a vote of ten (10) affirmative votes to zero (0) negative votes.

Norene Smith moved, and Roderick Worthy seconded to approve the February 17, 2020 board meeting agenda as amended. Motion carried by a vote of ten (10) affirmative votes to zero (0) negative votes.

Presentation: Scott Bruscato, Senior Vice President of Sales, presented a summary of 2019 sales and an overview of the events we are pursuing. He presented the 2020 goals.

Sheila Snow, Vice President of Communications, presented a summary of 2019 communications. The calendar of events is the top information viewed on our website. She also presented the 2020 Communications Department goals.

Minutes: Sammy Gordy moved, and Jordan Guillot seconded to approve the minutes of the January 27, 2020 board meeting as read. Motion carried by a vote of ten (10) affirmative votes to zero (0) negative votes.

Treasurer's Reports

Edwards to lift stay-at-home order

BY ZACH PARKER
zach@ouachitacitizen.com

Gov. John Bel Edwards says he will lift the stay-at-home order on Friday, allowing the state to advance to Phase One of President Trump's Opening Up America Again plan.

Edwards made that announcement on Monday at the State Capitol in Baton Rouge.

"We will be lifting the stay-at-home order," Edwards said. "The bottom line is the people of Louisiana have worked really hard since this public health emergency was first announced to slow the spread of COVID-19."

The stay-at-home order will remain in place until Friday, May 15.

Under the new proclamation, some restrictions will still curtail operations of some businesses, especially those deemed non-essential. For example, tattoo parlors, amusement parks, children's museum, bars without health department permits, massage parlors and spas among others will remain closed to the public.

Churches and most businesses — such as movie theaters, restaurants or gym and fitness centers — may open up at no more than 25-percent of total occupancy capacity.

Some business groups have objected they cannot reopen if they can allow only 25-percent of total occupancy capacity. Edwards noted the 25-percent capacity rule was common across the country.

"It wasn't arbitrary, it wasn't some number drawn out of the air," Edwards said.

The upcoming proclamation proceeding to Phase One will last 21 days, until June 5. Edwards said he will announce on June 1 whether more restrictions will be es-

tablished or relaxed.

"Obviously, like all decisions, this one involved a lot of time and work," Edwards said.

It was possible Phase One could be rolled back, according to Edwards, if there was a spike in COVID-19 case numbers.

According to the state Department of Health, there were nearly 32,000 cases of COVID-19 reported across the state as well as some 2,200 deaths as of Monday. In Ouachita Parish, there were 842 cases and 25 deaths. Nearly 23,000 people are presumed recovered from COVID-19, LDH says.

Alex Billioux, Assistant Secretary for the state Office of Public Health, said they believed they saw a downward trend in the Monroe area.

The net increases in hospitalizations because of COVID-19 in the Monroe area were less than 10, according to Billioux. Previously, an increase of COVID-19 cases in the Monroe area (or Region 8) was one of the reasons why Edwards prolonged the stay-at-home order through the first two weeks of May.

The amount of testing across the state has increased under Edwards' goal to administer 200,000 tests by the end of May. Billioux asked people to become accustomed to the "new normal," remaining socially distant, wearing masks, staying home while sick, and more.

Business groups across the state welcomed the news. Louisiana Association of Business and Industry President Stephen Waguespack said a closed economy was a broken economy and listed the numerous economic hardships facing the state's businesses in light of social distancing restrictions.

"Now, begins the hard part of rebuilding consumer confidence, helping small businesses stay afloat, keeping the jobs we have and attracting the new ones we desperately need," Waguespack said. "It will take an Apollo-like mission to save this economy, on the part of our legislature, governor and regulators, to rethink both new and chronic challenges to economic opportunity. We stand ready to work with all policymakers across the state to collaborate on the best ways tackle this enormous challenge and help Louisiana come back stronger than ever."

A full list of how Edwards' upcoming order will affect businesses and other organizations is below:

Churches will be able to conduct indoor service at 25 percent of their State Fire Marshal capacity, with continued allowance for additional outdoor seating with SFM guidance on social distancing. In line with this, indoor funerals and weddings may resume indoor at 25 percent capacity of the building and may continue outdoor services with no crowd size limitation as long as social distancing is practiced.

All non-CISA and non-closed businesses will be able to be open to the public at 25 percent of their State Fire Marshal capacity.

Restaurants, coffee shops, and cafes will be able to be open to the public for indoor table service at 25 percent of their State Fire Marshal capacity, with continued allowance for additional outdoor seating with SFM guidance on social distancing.

Bars that hold an LDH food service certificate will be able to do or take-out and delivery of food and alcohol and dine-in seating in line with State

Fire Marshal guidance on social distancing for restaurants, with no more than 25 percent of their State Fire Marshal capacity. No on site consumption will be allowed if not seated at SFM approved seating.

Gyms and fitness centers will be allowed to be open to the public at 25 percent of their capacity. The State Fire Marshal and LDH will be issuing guidance on social distancing and sanitization.

Anchor stores of shopping malls with exterior doors accessible by the public will be allowed to be open to the public at 25 percent of their State Fire Marshal capacity. Interior mall stores can continue to offer their goods for sale to the public for curbside delivery only.

Movie theaters may be open to the public at 25 percent of their State Fire Marshal capacity, with new guidance from SFM and LDH on social distancing and sanitation.

Casinos and video poker may be open in line with guidance from Gaming Control Board and the Louisiana Racing Commission and at no more than 25 percent of their capacity and gaming positions. Racetracks may open for races without spectators only if approved by the Louisiana Racing Commission.

Museums, zoos, and aquariums may be open to the public at 25 percent of their capacity, with no organized tours and no tactile exhibits. Children's museums remain closed. Barbers, hair salons, and nail salons may be open to the public at 25 percent of their capacity with SFM guidance on social distancing.

Massage establishments, spas, tattoo parlors, and all other places of public amusement from 52 JBE 2020 remain closed.

PUBLIC NOTICES

ADVERTISEMENT OF EMERGENCY PROCUREMENT

Miller Square, property of Monroe Housing Authority, was impacted by the tornado on April 12, 2020. Due to this Natural Disaster that caused physical damage to the property and dwelling units Monroe Housing Authority procured a Contractor to repair tornado damage using the Noncompetitive proposal method due to circumstances described in 24CFR 85.36(d)(4)(i)(B) as follows:

"(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation."

For any questions you can call 318-388-1500 for the office of the Monroe Housing Authority, located at 300 Harrison Street, Monroe, LA.
