SUPERINTENDENT’S REPORT

Superintendent John Gullatt reported to the Board that he believes this will be the best month for teachers and staff. Hopefully this will set the stage for the next school year. I would like to commend Ms. Rebecca, Mr. Reagan and payroll for all of their hard work. There are several things happening during this legislative session going on right now. School choice being one of them and several other things that could affect us either way. I will discuss the items as they come through.

PRESIDENT’S REPORT –

The school board president, Mr. Richard Kelly, wanted to share, that Nick Poulos contacted him concerning the In-School-Nurse program. Employees have taken advantage of having the ISN but the hope is that the next school year will bring more student participation. The parents need to understand that this program is for the students. It will take the students participation to make this program work. The next agenda meeting will be, June 29th at 4:00 PM. And with the 4th of July celebration in July, the next regular meeting will be July 12th.
