Jags’ Holly leads SWAC

Southern University junior running back Trey Holly is making his presence felt across the Southwestern Athletic Conference and on the national stage, establishing himself as one of the top rushing threats in the Football Championship Subdivision.

Through seven games, Holly leads the SWAC with 673 rushing yards on 139 car-

ries, averaging 4.8 yards per attempt and 96.1 yards per game. His consistent production has also earned him a spot among the nation’s elite, ranking 12th in the FCS.

Holly has scored six rushing touchdowns this season, further solidifying his role as a key contributor to the Jaguars’ offensive attack. His longest run of the season covers 69

yards, highlighting his ability to break through defenses and turn routine carries into explosive plays.

The junior running back has provided Southern with a dependable presence in the backfield, combining power, vision and big-play potential. His ability to consistently gain yards has helped establish the Jaguars’ ground game.

Ordinance #202_ - _ - ELECTRIC LOW-SPEED SCOOTERS; OPERATION; EXCEPTIONS

Whereas, electric low-speed scooters are utilized in, around, and on the streets of the Town; and

Whereas, Mayor & Council wishes to ensure the safety of its citizens, operators or said scooters, operators of other vehicles, pedestrians, and public and private property in the Town;

Now, therefore, the Mayor and Council of the Village of Jonesville Gas System hereby adopt the following rules and requirements for the operation of electric low-speed scooters:

SECTION I:

A. (1) Electric low-speed scooters may operate on sidewalks, bicycle paths, and highways, except that the Town may limit or prohibit the operation of such scooters on any sidewalk, bicycle path, or highway under its jurisdiction if such prohibition or regulation is in the interest of safety.

(2) The Town may reasonably regulate and assess penalties for moving or parking violations applicable to the operator of an electric low-speed scooter on any sidewalk, bicycle path, or highway under its jurisdiction

B. For purposes of this Section, the term "electric low-speed scooter" shall mean a rental or commercial scooter weighing less than one hundred pounds that has handlebars and an electric motor, is solely powered by an electric motor or human power, and has a maximum speed of not more than twenty miles per hour on a paved level surface when powered solely by an electric motor. An electric low-speed scooter shall not be considered a motor-driven cycle, a vehicle, or a motor vehicle.

C. No electric low-speed scooter shall be used to carry more persons at one time than the number of persons for whom it is designed and equipped.

D. No person operating an electric low-speed scooter shall attach himself or the scooter to any other vehicle being operated upon a highway.

E. No person operating an electric low-speed scooter on a roadway shall carry any package, bundle, or article that prevents the operator from keeping at least one hand on its handlebars.

F. (1) Every person operating an electric low-speed scooter upon a roadway shall ride as near to the right side of the roadway as practicable, exercising due care when passing a standing vehicle or a vehicle proceeding in the same direction, except under any of the following circumstances:

(a) When overtaking and passing another electric low-speed scooter, bicycle, or vehicle proceeding in the same direction.

(b) When preparing to turn or turning left at an intersection, or into a private road or driveway.

(c) When reasonably necessary to avoid fixed or moving objects, vehicles, bicycles, pedestrians, animals, surface hazards, substandard width lanes, or any other condition that makes it unsafe to continue along the right-hand curb or edge of the roadway. For purposes of this Paragraph, a "substandard width lane" is a lane that is too narrow for an electric low-speed scooter and another electric low-speed scooter, bicycle, or a vehicle to travel safely side-by-side within the lane.

(2) The operator of a motor vehicle, when overtaking and passing an electric low-speed scooter proceeding in the same direction on the roadway, shall exercise due care when the motor vehicle is passing the electric low-speed scooter, and shall leave a safe distance between the motor vehicle and the electric low-speed scooter of not less than three feet, and shall maintain such safe distance until safely past the overtaken electric low-speed scooter. The operator of a motor vehicle may pass an electric low-speed scooter traveling in the same direction in a no-passing zone only when it is safe to do so.

(3) Every person operating an electric low-speed scooter upon a highway of this state shall be granted all of the rights and shall be subject to all the duties applicable to the driver of a vehicle by this Chapter, except as provided in this Section or as otherwise limited or prohibited by the department or any parish or municipal governing authority, and except as to those provisions of this Chapter which by their very nature can have no application.

G. An electric low-speed scooter shall be equipped with a brake which enables the operator to make its braked wheels skid on dry, level, and clean pavements.

H. An electric low-speed scooter, when in use during the times specified in R.S. 32:301, shall be equipped with appropriate lights, reflectors, or reflective markings.

I. Any operator of an electric low-speed scooter under the age of seventeen years shall wear an approved helmet as provided in R.S. 32:199.

SECTION II: REPEALER:

All ordinances, resolutions or parts of ordinances or resolutions in conflict with the provisions of this ordinance are hereby repealed.

SECTION III: SEVERABILITY:

If any section, provision, or part of this resolution shall be adjudged to be invalid or unconstitutional, such adjudication shall not affect the validity of the resolution as a whole or any section, provision, or part thereof, not adjudged invalid or unconstitutional.

SECTION IV: EFFECTIVE DATE:

This ordinance shall be in effect on December 1, 2026, after its final passage approval, and publication as provided by law.

RESOLUTION

TOJ-10-16-26

A RESOLUTION DECLARING A STATE OF EMERGENCY

The Town of Jonesville, Catahoula Parish, Louisiana, on the 16th day of October 2023, at a special council meeting, heard the following resolution proposed for adoption:

WHEREAS one (1) of the two (2) transformers in the Town of Jonesville substation has failed internally and is no longer operational; and

WHEREAS it is necessary that the Town have a second operational transformer because there is no backup if the remaining transformer fails;

WHEREAS the remaining transformer is the same model and age as the one that failed and thus there is a substantial risk of it failing imminently; and

WHEREAS the Town of Jonesville is in need of assistance from state and federal authorities;

THEREFORE, the Mayor of the Town of Jonesville, Loria Hollins, has declared a state of emergency; and

THEREFORE, BE IT RESOLVED that the Town of Jonesville be and is under a state of emergency during the pendency of this situation, and the Council has authorized and directed the mayor to seek any and all assistance available from any state, federal, or other entity to ensure the safety of the Town and its citizens

Motion by Catina Branch and seconded by Angelo Carter. The above resolution has been approved by the Council and having declared said resolution passed and affixed by the signature in open session.

NOTICE OF PUBLIC HEARING			
A series of Public Hearings will be held in accordance with LA R.S. 48:231 and conducted by the Joint Transportation, Highways and Public Works Committee. Below is a list of the times and places where the hearings will be held. The purpose of the hearings is to review highway construction priorities for the state fiscal year 2027-2028. A copy of the Preliminary Program for Fiscal Year 2027-2028 will be available for review on October 1, 2026, by interested persons at the LADOTD Headquarters Building, 1201 Capitol Access Road, Room 200M, Baton Rouge, LA 70802 or online at https://www.dotd.la.gov/.			
All interested persons are invited for the purpose of becoming fully acquainted with the proposed program and will be afforded an opportunity to express their views in person. Oral testimony may be supplemented by presenting important facts and documentation in writing. Comments may also be provided at the link above. All interested parties will be able to listen to the meeting virtually. The information to participate virtually will be posted at the link above. Written statements and comments can be handed to the committee conducting the hearing or mailed to the following address, postmarked within 45 calendar days following the final hearing:			
JOINT TRANSPORTATION, HIGHWAYS AND PUBLIC WORKS COMMITTEE C/O LA DOTD (SECTION 85) P.O. BOX 94245 BATON ROUGE, LA 70804-9245			
Should anyone requiring special assistance due to a disability wish to participate in this public hearing, please contact LADOTD (Attn: Ms. Mary Elliott) by mail at the address above or by telephone at (225) 379-1218 at least five days prior to the date of the public hearing.
