REBELS: West Monroe survives

win.”

Unlike the previous week against the Ruston Bearcats, the (7-3) West Monroe Rebels got off to a sluggish start.

And unlike the week prior, the Rebels trailed for a good majority of the contest thanks to half a dozen fumbles and three fumbles lost.

“We scored 42 points on Ruston, and the players must have forgot how they scored some of those,” Arledge said. “We didn’t play with that same focus for whatever reason.”

But all is well that ends well for the Rebels.

The Rebels and Panthers traded scores back and forth in the second half before Chauncey Lee crossed the goal line on a fourth-and-two with 1:31 remaining in the contest to give West Monroe a 23-20 lead.

Northshore answered with an eight-play drive that set up a 27-yard field goal by Belle Airey as time expired, sending the Rebels and Panthers into overtime.

Quarterback Austin Jackson parted the red sea in the first overtime for a 10-yard score to lend Northshore a 30-23 lead. The Rebels leaned on its physical run game in the bottom half of the overtime period, as Noah Norman plowed his way in on a one-yard dive to tie the contest, 30-30.

The Rebels came right back on the ensuing possession with a 10-yard Lee touchdown run. One week after accumulating 15 tackles and two forced fumbles on defense against the Bearcats, the Rebels junior linebacker recorded 60 rushing yards and three touchdowns on 13 carries for West Monroe.

On defense, Lee led the team with 17 tackles and one forced fumble. Tag Banks accounted for 12 tackles, while Brock Harvey totaled nine tackles and one sack.

“Rayshawn (Pleasant) tweaked his ankle again, and Chauncey came in and really ran with the right mindset,” Arledge said. “He had a big night for us.”

Leading 37-30 in the double overtime period, West Monroe’s defense sealed the victory with a Jadais Richard sack on fourth down. Richard also recorded a 43-yard catch to set up the Rebels go-ahead score in the fourth quarter.

“That really put us in a position to go ahead, and it was an outstanding throw,” Arledge said. “(Hayden) Federico just made a great throw, and Richard made a great catch in pretty good coverage.”

West Monroe totaled 326 yards on 63 plays in the vic-

tory. The Rebels converted eight-of-14 third down opportunities, and Federico was five-of-seven passing for 93 yards. Pleasant led the team with 90 yards on 18 carries.

West Monroe found itself down, 13-3, in the first quarter.

The Rebels lost three fumbles in the first three quarters.

The Panthers came out with a pass-happy offense, and it was effective early on. Northshore’s Kohen Rowbatham tossed a 26-yard touchdown pass to Brandon Hines on the opening possession before the ensuing PAT failed. Zach Johnson nailed a 22-yard field goal later in the corner to cut the deficit in half, but a Kaleb Malcolm fumble was recovered by Northshore to put the Panthers back on top, 13-3.

Norman’s 18-yard touchdown run in the second quarter made it a 13-10 affair.

Northshore was limited to 241 yards of total offense. Rebels defensive lineman Wyatt Bagwell secured an interception in the victory.

The (8-1) Chalmette Owls defeated Haughton, 21-20, in the first round and have not lost a game since the 27-10 defeat against Holy Cross in the opening round.

LIONS: Ouachita hits road in second round

totalled 78 yards and two scores on 11 carries.

Chaunkiveon “Chunky” Lewis caught a 63-yard touchdown pass from Zach Jackson in the victory.

Glass totaled five tackles and four pass

breakups in the victory.

With the win, the Lions will travel to take on No. 27 Denham Springs, who pulled off a 42-14 upset against No. 6 Central in the first round. The matchup featured district oppo-

nents squaring off in a rematch, as Central beat Denham Springs by nearly 30 points one month prior.

“It’s hard to beat somebody twice,” Garvin said. “That’s the ol’ rivalry game with a lot

of underlying things there. It’s just like if we were playing West Monroe.”

Ouachita’s victory marks the first time the Lions have advanced to the second round since 2018.

 ORDINANCE 21-4262
 AN ORDINANCE TO PROVIDE FOR THE SALE OF ADJUDICATED PROPERTIES; AND FURTHER PROVIDING WITH RESPECT THERETO
 ORDINANCE NO. 21-4262
 AN ORDINANCE TO PROVIDE FOR SALE OF ADJUDICATED PROPERTIES; AND, FURTHER PROVIDING WITH RESPECT THERETO.
 WHEREAS, the City of Bastrop has an interest in the health, safety and welfare of its citizens; and
 WHEREAS, the City currently has adjudicated properties; and
 WHEREAS, Act 819 was enacted by the 2008 Legislative Session, revising La. R.S. 47:2121, et seq. to establish procedures for the sale of adjudicated properties, and the City of Bastrop desires to establish and adopt such procedures in order to place such adjudicated properties back into the economic stream of commerce for the benefit of its communities; and
 WHEREAS, R.S.47:2201, authorizes a political subdivision to adopt general ordinances governing the public sales and donations of adjudicated property.

NOW THEREFORE:
 ADMINISTRATION
 The City of Bastrop hereby establishes the City of Bastrop Adjudicated Property Program, which shall be administered by the Bastrop City Council (hereinafter "City Council" or "BCC"). The City shall contract with a third party administrator or management company (hereinafter "Management Company") to administer the sale or donation of adjudicated properties in the City at a cost of \$0 to the City Council.

The BCC hereby authorizes, pursuant to La. R.S.47:2196, the public sale of all properties adjudicated to the Parish since January 1, 1975, and for a period of at least three (3) years. The sale of said properties shall be governed by the laws of the State of Louisiana and this Ordinance.

PUBLIC INFORMATION AND DISCLOSURE
 Forms and instructions shall be accessible to the public from the Management Company web site or printed publication produced and provided by or for the City of Bastrop for such purposes.

PRE-BIDDING PROCESS
 Initiation of Sale
 The available adjudicated properties shall be pulled from the Morehouse Parish tax roll records which are available to the public on the Parish website.

Upon receipt of application and fee, the Management Company shall conduct a preliminary investigation to confirm that the property has been adjudicated to the City of Bastrop, has not been redeemed and has not been determined as needed for a public purpose. The Management Company shall calculate the minimum bid and convey that information to the interested purchaser.

After the preliminary investigation, the Management Company shall conduct title research and effect public notice. The Management Company shall prepare reports, send statutory notices to all interested parties, and confirm the minimum bid price, based upon total amount of liens and taxes due, and acquisition costs. Pursuant La. R.S. 47:2202, the City of Bastrop hereby establishes that there is no minimum bid at the public sale of an adjudicated property; however, unless circumstances demand otherwise, recommended bidding to ensure equivalent value shall not be less than the lesser of:

- The total amount for which the property was adjudicated, including all interest, costs, penalties, and the amount of any state, parish, city, levee district charges and all subsequent taxes and other local improvement or code enforcement charges; or,
- Two-third the assessed value.

NOTICE
 The Management Company, on behalf of the City for the benefit of the potential purchaser, shall give notice to any tax sale party whose interest that a prudent purchaser would intend to terminate, as determined by the Management Company, in its discretion, that he has until the later of the following to redeem the property or otherwise challenge in a court of competent jurisdiction the potential sale: (i) depending on the date of adjudication, either six months or the sixty days from the date of the notice provided in this Subsection; or (ii) the filing of the act of sale transferring the property.

The Management Company, on behalf of the City for the benefit of the potential purchaser, shall cause to be published in the official journal of the City of Bastrop a notice that any tax sale party whose interest that a prudent purchaser would intend to terminate has until the later of the following to redeem the property or otherwise challenge in a court of competent jurisdiction, the potential sale of the property: (i) Sixty (60) days or six (6) months from the first publication of the notice provided for in this Subsection; or (ii) The filing of the sale or donation transferring the property.

AUCTION
 Except as otherwise provided in this ordinance, or by La. R.S. 47:2121 et seq., the auction shall be governed by R.S. 9:3151 et seq. Following notice of sale being published in the official journal of the City of Bastrop, a public auction of adjudicated property shall be held at the BCC office and shall be handled by the office of City Manager and/or the Management Company on behalf of the BCC. All bid amounts are subject to final approval by the City. The City is hereby authorized to accept and/or reject any or all bids, and to execute any and all documents necessary to finalize the sale of properties sold pursuant to these procedures. If in any event a property is not sold at such public auction, the property shall remain adjudicated to the City.

All Acts of Sale of adjudicated property shall contain provisions, acceptable in form and substance to the City which provide that all such sales shall be for cash and shall be without warranty of title and without any warranty of merchantability or fitness; shall be "as is, where is"; that it shall be the obligation of the purchaser to obtain title insurance, if it is desired; that all such sales shall be subject to such encumbrances, liens, mortgages, real charges or other burdens reflected in the public records; and that the Act of Sale for such adjudicated property shall contain a condition which shall require the purchaser of such property to improve/renovate/make use of the tract, to the satisfaction of the administration, within 365 days of the passage of the Act of Sale and that, if the purchaser fails to timely comply with this provision, the BCC shall have the right to rescind, dissolve or cancel the sale.

After the Auction and the six (6) month or the sixty (60) day period set forth in the notices provided above, closing of the transactions shall oc-

cur. Such date may be extended by mutual agreement of the Management Company, acting on behalf of the City, and the potential purchaser. At closing, the purchaser shall pay the bid amount.

All sales are made without warranties whatsoever, except for warranty against eviction based on prior alienation by the political subdivision. Purchaser has the right to obtain title insurance, if available, at its sole cost and expense. All minerals and mineral rights shall be reserved by the City, if allowed by law. Cash Sales may contain additional reservations, requirements, restrictions, rights of way, and servitudes imposed by the City.

The Management Company on behalf of the City for the benefit of the potential purchaser or the successful bidder will file with the recorder of mortgages of Morehouse Parish a copy of the Purchaser's Affidavit and one of the notices that was sent to the tax debtor or the current owner. A transfer, mortgage, lien, privilege, or other encumbrance filed after the filing of the notice shall not affect the property. Pursuant to the provisions of La. R.S. 47:2206(C), the recorder of mortgages or recorder of conveyances shall cancel, erase, terminate, or release the acts upon the request of the Management Company or the successful bidder. Purchaser shall be responsible for recording and paying any other recording fees, including, without limitation, fees for recording any affidavits.

Upon recordation of the sale, disbursement of funds shall occur. All proceeds after the deduction of costs shall be paid pro rata to holders of statutory impositions and governmental liens, unless otherwise agreed.

LOT NEXT DOOR PROGRAM
 BCC hereby further elects to sell any eligible adjudicated property to any adjoining landowner for any price set by the City without public bidding if the landowner attests that he or she has maintained the adjudicated property for a period of one year prior to the sale. In the event that more than one adjoining land owner has maintained the property for a period of more than one year, the property shall be auctioned. Such a sale shall be deemed a public sale, pursuant to La R.S. 47:2202(B). The remaining aspects of this Ordinance involving notice and redemption opportunities will otherwise apply.

NOTICE

Notice is hereby given, pursuant to Article IV, Section 21(D)(1) of the Louisiana Constitution, that on November 9, 2021, Entergy Louisiana, LLC ("ELL"), a public utility providing retail electric and gas service throughout the State of Louisiana, filed with the Louisiana Public Service Commission ("LPSC") its Application for Approval of the 2021 Solar Portfolio, the Geaux Green Option, Cost Recovery and Related Relief (the "Application"). The Application requests LPSC approval to add four solar photovoltaic generating resources (the "2021 Solar Portfolio"), with a total nameplate capacity of 475 megawatts ("MW") to ELL's generation portfolio. The 2021 Solar Portfolio is comprised of the St. Jacques facility, the Vacherie facility, the Sunlight Road facility, and the Elizabeth Facility, each of which would be constructed in the State of Louisiana upon the LPSC's approval of the Application. ELL's Application also requests implementation of the Geaux Green Option ("Rider GGO"), which is a voluntary rate schedule that allows customers to subscribe to a portion of the 2021 Solar Portfolio (and potentially to other future resources) to receive value directly from those resources. Specifically, the proposed Rider GGO sets forth the parameters under which the Company's eligible customers can align some or all of their monthly electricity requirements with renewable resources by being able to receive value from both the energy from a renewable project along with renewable energy credits from the facilities. Although the Company's Application requests to recover the costs of the 2021 Solar Portfolio through existing rate mechanisms, the relief requested will not directly result in a change in rates unless approved by the LPSC and implemented through later filings.

For questions and comments regarding ELL's filing, please call the LPSC toll free at (800) 256-2397. Additionally, the filing, including its attachments may be viewed in the Records Division of the LPSC at the following address:

Court: Do not implement private vaccine mandate

BY DAN MCCAULEY
The Center Square

A federal appeals court last week ordered the Biden administration to stop implementation of its private sector vaccine mandate until legal challenges work their way through the court system.

The ruling, from the Fifth U.S. Circuit Court of Appeals in New Orleans, comes in response specifically to a case from a Louisiana businessman, but dozens of lawsuits have been filed by coalitions of states, business groups and individuals challenging President Joe Biden's orders requiring American workers be vac-

inated against COVID-19, agree to regular testing or lose their jobs.

"The Fifth Circuit's decision to put a stop to the Biden Administration's illegal vaccine mandate is a huge win for liberty and cements the reality that this mandate is an overreach by the federal government that would cause irreversible damage to American businesses and workers," Sarah Harbison, general counsel at the Louisiana-based Pelican Institute for Public Policy, said in a statement. The Pelican Institute and Chicago-based Liberty Justice Center are representing businessman Brandon Trosclair, who owns 15 gro-

cery stores in Louisiana and Mississippi, employing nearly 500 people.

Under Biden's direction, the U.S. Department of Labor's Occupational Safety and Health Administration (OSHA) last week released details of the vaccine mandate, which seeks to require private employers with 100 or more workers to provide proof they are vaccinated against COVID-19 or submit to weekly testing. The mandate, which could affect an estimated 74 million American workers, includes a Jan. 4 deadline for vaccination.

The policy also would impose nearly \$14,000 in fines per employee if business-

es are caught letting their workers skirt the mandate.

"The mandate is a one-size-fits-all sledgehammer that makes hardly any attempt to account for differences in workplaces (and workers)," the ruling states.

Trosclair celebrated the decision.

"Today's ruling marks a tremendous success because the court recognizes how this mandate would impair our liberty and infringe on our constitutional rights," he said in a statement provided by Liberty Justice Center. "I am proud to be in this fight on behalf of not just my employees, but all Americans. It's wrong for the federal government to order me to interfere in the private medical decisions of my team members or to impose insurmountable costs on my businesses."

The Fifth Circuit last weekend issued a temporary stay on the private sector vaccine mandate,

citing "grave" constitutional concerns. In its Friday's upholding of last week's decision, a three judge panel of the court added to its concerns.

"The Mandate threatens to substantially burden the liberty interests of reluctant individual recipients put to a choice between their job(s) and their jab(s)," the panel wrote.

The court also said "occupational safety administrations do not make health policy" and it ordered that the private sector mandate "remains stayed pending adequate judicial review of the petitioners' underlying motions for a permanent injunction. In addition, it is further ordered that OSHA take no steps to implement or enforce the Mandate until further court order."

An 11-state coalition consisting of Alaska, Arizona, Arkansas, Iowa, Montana, Missouri, Nebraska, New Hampshire, North Dako-

ta, South Dakota, and Wyoming filed a lawsuit last week in the 8th U.S. Circuit Court of Appeals against OSHA.

A similar lawsuit was filed in the 6th U.S. Circuit Court of Appeals by the attorneys general of Tennessee, Idaho, Kansas, Kentucky, Ohio, Oklahoma and West Virginia.

Georgia, Florida, and Alabama have also filed a lawsuit in the 11th U.S. Circuit Court of Appeals arguing the new rules exceed the Department of Labor's "statutory authority, fails to comply with the standards for issuing an [Emergency Temporary Standard], and conflicts with the First Amendment and the Religious Freedom Restoration Act."

Other lawsuits also are pending against the Biden administration's vaccine mandates on health care workers and members of the U.S. military.

Brandon B. Brown, a federal prosecutor in Shreveport, was tapped in a nomination by the White House last week to serve as the U.S. Attorney for the Western District of Louisiana.

President Joe Biden announced Brown's nomination on Nov. 12.

Brown currently is an Assistant U.S. Attorney in the U.S. Attorney's Office for the Western District of Louisiana, where he has served

since 2012.

From March 2018 to September 2018, Brown was an associate at the law firm Hammonds, Sills, Adkins & Guice, LLP where he focused on civil litigation, risk management, and government affairs.

Brown served as an Assistant District Attorney in the Fourth Judicial District Attorney's Office in Ouachita Parish from 2007 to 2012.

Brown received his J.D. from Southern University Law Center in 2007, his M.B.A. from Louisiana Tech University in 2004, and his B.S. from Louisiana Tech University in 2002.

NOTICE

Notice is hereby given, pursuant to Article IV, Section 21(D)(1) of the Louisiana Constitution, that on November 9, 2021, Entergy Louisiana, LLC ("ELL"), a public utility providing retail electric and gas service throughout the State of Louisiana, filed with the Louisiana Public Service Commission ("LPSC") its Application for Approval of the 2021 Solar Portfolio, the Geaux Green Option, Cost Recovery and Related Relief (the "Application"). The Application requests LPSC approval to add four solar photovoltaic generating resources (the "2021 Solar Portfolio"), with a total nameplate capacity of 475 megawatts ("MW") to ELL's generation portfolio. The 2021 Solar Portfolio is comprised of the St. Jacques facility, the Vacherie facility, the Sunlight Road facility, and the Elizabeth Facility, each of which would be constructed in the State of Louisiana upon the LPSC's approval of the Application. ELL's Application also requests implementation of the Geaux Green Option ("Rider GGO"), which is a voluntary rate schedule that allows customers to subscribe to a portion of the 2021 Solar Portfolio (and potentially to other future resources) to receive value directly from those resources. Specifically, the proposed Rider GGO sets forth the parameters under which the Company's eligible customers can align some or all of their monthly electricity requirements with renewable resources by being able to receive value from both the energy from a renewable project along with renewable energy credits from the facilities. Although the Company's Application requests to recover the costs of the 2021 Solar Portfolio through existing rate mechanisms, the relief requested will not directly result in a change in rates unless approved by the LPSC and implemented through later filings.

For questions and comments regarding ELL's filing, please call the LPSC toll free at (800) 256-2397. Additionally, the filing, including its attachments may be viewed in the Records Division of the LPSC at the following address:
