

ULM softball coach finds way to get creative

ULM head softball coach Molly Fichtner has taken creative efforts to ensure members of the ULM softball team remain connected while away from campus.

Once courses moved online in mid-March, "Coach Molly," as she's known, texted each softball player to check in with her. Fichtner also began to send her players snail mail.

"Everyone loves receiving mail!" said Fichtner.

Recently, Zoom has become the softball program's favorite source of connection. The coaching staff had end-of-the-year evaluations with each student-athlete through Zoom.

Fichtner is also still reaching out to Warhawk softball recruits via Zoom.

"I have connected regularly with every

student-athlete committed to play at ULM softball, along with watching video and making phone calls for others.

There is so much that we can do for recruiting during this time. We receive emails daily of recruits that are interested in our program, and our circumstances are providing us additional time to evaluate those videos and profiles thoroughly," said Fichtner.

For the month of April, Fichtner began a series called "Gold Coin Calls" with the softball players. Dubbed "Gold Coin Calls" because the ULM softball team uses the term "gold coins" to refer to something someone is extremely passionate about.

"This was an idea that I heard from a former teammate and USA Olympic Softball player Haylie McCleney. On a

podcast, someone had asked her how the USA team was staying connected during this time (considering they are from all over the country). She had mentioned they had been doing Zoom 'Ted Talks,' where each teammate would have a day that they would talk about something with their team they were passionate about outside of softball," stated Fichtner.

Public Notices

NOTICE

Safe Drinking Water Act:
Notice of Violation/Public Notification of Non-Compliance
Disinfectants/Disinfection By-Products Rule (TTHMs and 4 HAA5) MCL Violation
Community Water System
Lake St John Waterworks District 1/318-757-3853
pws ID # LA 1029006
Concordia Parish

The Lake St John Waterworks District 1 is currently in violation of the **maximum contaminant level (MCL) for total trihalomethanes and haloacetic acids** as set forth by the State (Part XII of the Louisiana State Sanitary Code (LAC 51:XII)) and the Federal Primary Drinking Water Regulations (40 CFR Part 141).

The United States Environmental Protection Agency (EPA) and the Louisiana Department of Health (LDH) set drinking water standards and requires the disinfection of drinking water. Where disinfection is used in the treatment of drinking water, disinfectants combine with naturally occurring organic and inorganic matter present in water to form chemicals called disinfection byproducts (DBPs). EPA and LDH set standards for controlling the levels of disinfectants and DBPs in drinking water, including trihalomethanes (THMs) and haloacetic acid (HAAs). Some people who drink water containing TTHMs in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer. Some people who drink water containing HAAs in excess of the MCL over many years may have an increased risk of getting cancer.

In December 1998, EPA set enforceable drinking water standards for TTHMs at 80 parts per billion (ppb) and for HAA5 at 60 parts per billion (ppb) to reduce the risk of cancer or other adverse health effects. Compliance with the TTHMs and HAA5 standards are determined by calculating a locational running annual average (LRAA) of quarterly TTHMs and HAA5 sample results. Compliance calculations performed for the first quarter of 2020 show that the system's current TTHMs LRAA is 81 ppb at DBP02 - 5861 HWY 568. The system's current HAA5 LRAA is 70 ppb at DBP02 - 5861 HWY 568; thus, the system is currently in violation of the TTHMs and HAA5 standards.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This is not an emergency. If it had been, you would have been notified immediately. EPA and LDH do not consider this violation to have any serious adverse health effects on human health as a result of short-term exposure; however, continued long-term exposure to TTHMs and HAA5 levels above the standard (e.g., 20 years of exposure) has the potential to have serious adverse effects on human health.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the City of Vidalia (Owner/Buyer), electronically at medwards@bha-engineers.com or mailed to the office of the Engineer at Bryant Hammett & Associates, LLC, 6885 Hwy. 84, Ferriday, Louisiana 71334, **until 2:00 p.m. on Thursday, May 14, 2020** for the project described as follows:

**City of Vidalia
Electrical Upgrades
Procurement of Breakers**

Due to the Stay-at-Home Order issued by the Louisiana Governor for COVID-19, bids will not be publicly opened. **Bids will be read aloud via conference call at 2:10 p.m. by calling (712)770-5505 ID: 630-738-215.**

Any bids submitted after **2:00 p.m., Local Time, on Thursday, May 14, 2020 will not be considered.**

Bidders submitting bids electronically are required to provide the same documents as bidders submitting through the mail. These items include, but are not limited to the Bid Form and Corporate Resolution. Regardless of the bid results, the bidder will have 48 hours from opening of the bids to provide the City of Vidalia the original bid documents. If a bidder fails to provide the original hard copies of these documents within 48 hours of the bid opening, their bid shall be considered nonresponsive.

Bidders interested in bidding must be registered with the Engineer and obtain Procurement Bid Documents from the Engineer in order to submit a bid. Electronic bidding documents may be requested by email at bhallc@bha-engineers.com or by phone (318)757-6576.

The Owner cannot waive any informalities on the bid form. The Owner reserves the right to reject any and all bids in accordance with the Public Bid Law.

The contractor may withdraw a bid by affidavit within 48 hours of the bid opening in accordance LA R.S. 38§2214.C; for patently obvious, unintentional and substantial mechanical, clerical or mathematical errors.

The Bids will remain subject to acceptance for forty-five (45) days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

MINUTES OF A REGULAR PUBLIC MEETING OF THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF VIDALIA, LOUISIANA, HELD ON TUESDAY, APRIL 14, 2020 AT 6:00 P.M. IN THE TOWN HALL MEETING ROOM

The Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, met, in regular session, in the Town Hall Meeting Room in Vidalia, Louisiana, on Tuesday, April 14, 2020, at 6:00 p.m.

There were present: Mayor Buz Craft, Aldermen Jon Betts, Robert Gardner, Tommy Probst, Alderwoman Sabrina Dore', and Alderman Tron McCoy by telephone.

There was absent: NONE.

There were also present: Jay LaSylene, Town Clerk; Debra Moak, Town Accountant; and George C. Murray, Jr., Town Attorney. Town Clerk LaSylene noted that due to the COVID-19 outbreak and subsequent orders limiting the number of persons allowed at gatherings, public access is restricted. He further advised how citizens wishing to submit comments may do so and advised that the meeting may be viewed on Facebook live or citizens are invited to park around the Municipal Complex and listen on the radio at 96.5 FM.

The meeting was opened with the reciting of the Pledge of Allegiance and the invocation was given by Alderman Betts.

A quorum being present, the Mayor declared the Mayor and Board of

Aldermen of the Town of Vidalia, Louisiana, to be duly convened, in regular session, as the governing authority of said municipality, and opened the meeting for the conduct of business.

After being reviewed, the typed minutes from the regular meeting of March 10, 2020, and the Emergency Meeting of March 17, 2020, were both approved. The motion for approval in globo was made by Alderwoman Dore', seconded by Alderman Probst, and unanimously carried.

Addressing Agenda Item No. 1, the Mayor called on the Town Accountant, Debra Moak, who presented the financial statement for the month ending February, 2020. As customary, she explained the various fund balances, which summaries included a comparison of actual expenses to budget expenses. She reviewed the summary sheets, previously given to the Aldermen, and reported on the various positive and negative fund balances and indicated the net changes in the various funds through February 29, 2020. She then specifically reported on the amounts in the various fund balances and reminded the Aldermen that those statements were provided to them in their meeting packet. There being no comments or questions, the Mayor commented on the report, indicating that the Town's finances are in good shape and that the Hydropower plant is generating more than usual electricity due to the high river water. He then thanked Mrs. Moak for her thorough presentation.

Agenda Item No. 2 was the consideration of occupational license applications. The first application was by Alma Jean Bowman for "Bowman Home Daycare" at 618 Riverside Street. It was noted that the application is for an existing business which is moving its location to 618 Riverside Street. There being no questions or comments, it was moved by Alderwoman Dore', seconded by Alderman Probst, and unanimously carried that the application be granted. The second application was by Eric M. Finley for "River Park Dermatology Services, LLC", at 107 Front Street. There being no questions or comments, it was moved by Alderwoman Dore', seconded by Alderman Gardner, and unanimously carried, that the application be granted.

Agenda Item No. 3 was the consideration of outdoor sign applications, and the Mayor noted there were none.

Agenda Item No. 4 was an update and discussion by the Mayor on Town services and on-going projects as related to the COVID-19 outbreak and its ramifications. The Mayor began by reminding everyone that the river is still high so that although several streets have been completed, or partially completed, including Apple, Peach, Azalea, Hickory and South Spruce, the Town cannot do much more until the river goes down. He reminded everyone that the curfew is still in effect from 10:00 P.M. through 5:00 A.M. He also noted that the elections have been moved – the primary being July 11, 2020, and the general election being August 13, 2020. He also reported that trash pick-up is back to its normal schedule. Following his presentation, Alderwoman Dore' said she had had questions about code enforcement, particularly grass which is too high. The Mayor advised that there will be code enforcement and that the person should advise Town Hall of the problem. Alderman Probst added that he has been concerned over the lack of enforcing the grass cutting laws in the past and would like to amend the ordinance to provide for fines for habitual offenders who do not cut the grass. The Mayor indicated that he would look into that. Alderwoman Dore' also commented concerning using Hydro funds to give the utility users a break on their utility bills. Her suggestion was to drop the power adjustment to zero. The Mayor indicated that he is not able to do that as the new Power Ordinance which we passed recently addresses that item. It was the consensus that the Board will work with the Mayor on providing a break to the utility customers on their utility bills.

It being noted that there were no additional agenda items, a motion to adjourn was made by Alderman Gardner, seconded by Alderman Betts, and unanimously carried. The meeting was declared adjourned.
