Gaunt wins tourney

LSU's Connor Gaunt won the 2022 Arkansas Amateur Championship over the weekend with a three round total of 10-under 200 at the Hard-scrabble Country Club in Fort Smith, Arkansas. Gaunt opened the tournament on fire with a 5-under 65 that wound up being the lowest round of the tournament. His round one scorecard included five birdies and 13 pars to take the lead. In round two, he shot a 4-under 66 that featured an eagle, four birdies, and two bogeys. He closed out the wire-to-wire win with a 1-under 69 on Saturday for his total of 10-under 200. His 10-under score

was five shots clear of the runner up, Murphy Allard. "It's just a very big honor to put my name on this trophy where there are a bunch of great names already," Gaunt said in a post round interview with the Northwest Arkansas Gazette. "I felt like I did a pretty good job handling some adversity when I had it out there, and it's always reassuring that what I'm working on is starting to pay off." Gaunt has played in 45 career rounds for LSU with a career scoring average of 73.44, and he has two top-10 finishes to his name.

ULM women sign All-American

ULM women's basketball coach Brooks Donald Williams announced Friday the signing of NJCAA All-American Amani Brown. The 5-7 guard from Terre Haute, Indiana, played at Western Nebraska Community College in 2021-22, and will join the Warhawk backcourt for the upcoming 2022-23 season. "We are thrilled about Amani joining our program," Williams

said. "Amani is a big-time addition to our backcourt. She is a scoring punch and can play multiple positions. She is a high-level finisher and has an edge about her, offensively." Brown played in 32 games, starting 31, in her lone season at Western Nebraska Community College, averaging 11.8 points, dishing out 2.2 assists and collecting 2.2 steals per

game. "It's been my dream to play D1 somewhere down south since I was a kid," Brown said. "Actually getting this opportunity is a blessing. I am very grateful and excited for this next chapter at ULM and hope to bring success, positivity and more. I wouldn't be who I am without my parents, so thank you to them."

Lady Tigers end year

TEMPE, Ariz. – The No. 20/22 LSU (34-23) softball season concludes after a 3-2 loss to Cal State Fullerton (37-21) Saturday at Farrington Stadium. First baseman Georgia Clark registered her 10th multiple-hit game of the season and second of the tournament with a 2-for-2 performance with two RBIs and two walks to lead the team. Pitcher Ali Kilponen (18-9) tossed a complete game where she struck out four batters and gave up four hits, three runs, and two walks. The Tigers jumped out to a 2-0 lead after the top of the first inning. Third baseman Danieca Coffey singled to third and centerfielder Ciara Briggs singled to the pitcher before both runners moved to second and third on shortstop Taylor Pleasants' sacrifice bunt. Clark followed by driving in both Coffey and Briggs with a single to the shortstop. The Titans responded in the bottom half inning with three runs on two hits and one LSU error to hold a 3-2 lead after the

opening frame. Neither club scored another run in the game. The Tigers defense allowed only five base runners for the remainder of the contest, but was unable to push across another run despite having five runners in scoring position. Head Coach Beth Torina "I just want to thank Arizona State's staff for running a first-class event. It was really easy to participate in and just be a part of, so we appreciate it and congrats to the teams continuing on. Obviously, this year did not go how we had planned. I think our team is talented, but we just could not overcome some of the distractions and some of the things that happened throughout. It's not always about talent. This is not where we want to be, or where we plan to be, and we plan to use our off-season to find ways to improve so that we're not in this spot again. I am proud of a lot of the things this team accomplished this year, some of them not just between the lines, but proud of the things

that this team did in our community. They lead our department in things like service hours and things that you may not see in the wins and losses. This team was really special in a lot of ways and I'm proud of our three seniors and what they accomplished in their time. Shelby Wickersham, Jordyn Perkins, and Shelbi Sunseri, who just led our team and was a huge part in everything we did for the last five years." On the first inning... "I just feel like that sums up our whole season. How do you bounce a ball off a helmet, and it goes into the dugout for two runs? It feels like what we dealt with all year long. Just bad break after bad break, and I know that you create your own luck so that's on us, but it summed up the whole year in everything that happened to us." Pitcher Ali Kilponen On continuing to attack throughout the game... "I think that's just LSU softball. You can never count us out of a game."

Papierski joins Giants

Former LSU catcher Michael Papierski made his Major League Baseball debut Saturday as the starting catcher for the San Francisco Giants in their game at Oracle Park versus the San Diego Padres. Papierski is the 81st Major Leaguer in the illustrious history of LSU Baseball. He was the ninth-round selection of the Houston Astros in the 2017 MLB Draft and was traded earlier this season from the Astros. Papierski played at LSU from 2015-17, and played an integral role in the Tigers' drive to the 2017 College World

Series Finals. A product of Lemont, Ill., he played in 147 career games (114 starts) for LSU, batting .246 (84-for-342) with 17 doubles, 15 homers, 69 RBI, 61 runs, 76 walks and a .389 on-base percentage. Papierski played in 65 games (62 starts) in 2017, batting .256 (45-for-176) with six doubles, 11 homers, 39 RBI, 37 runs, 40 walks and a .401 on-base percentage, and he threw out 23 runners attempting to steal over the course of the season. He helped lead LSU to wins in 25 of its last 30 games, batting .302 (26-for-86) with three

doubles, eight homers and 26 RBI. Papierski batted .281 (9-for-32) in LSU's 2017 NCAA Tournament games with two doubles, four homers, 13 RBI and 10 runs. He launched three homers and drove in five runs in the 2017 College World Series. He had the game-winning RBI in both of LSU's 2017 NCAA Super Regional wins over Mississippi State. He lifted a sacrifice fly in the eighth inning of Game 1 to break a 3-3 tie, and his two-run double in the fifth inning of Game 2 erased a 4-3 MSU lead.

Whenever all that is due upon the Bonds and interest thereon, and under any covenants of this Order for or other funds, and upon any other obligations and interest thereon having a charge, lien or encumbrances upon the Pledged Revenues, shall have been paid and made good, and all defaults under the provisions of this Order shall have been cured and made good, possession of the Facility shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Owner of Bonds, or any trustee appointed for Owners as hereinafter provided, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver shall in the performance of the powers hereinabove conferred upon him be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court, and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically forth herein.

Any receiver appointed as provided herein shall hold and operate the Facility in the name of the Issuer and for the joint protection and benefit of the Issuer and Owners of the Bonds. Such receiver shall have full authority to collect the Pledged Revenues and pay the reasonable and necessary costs and expenses of operating and maintaining the Facility. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any property of any kind or character belonging or pertaining to the Facility but the authority of such receiver shall be limited to the possession of the Facility for the sole purpose of the protection of both the Issuer and Owners and the curing and making good of any default under the provisions of this Order, and the title to and the ownership of the Facility shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any property of the Facility except with the consent of the Issuer and in such manner as the court shall direct. The Owner or Owners of Bonds in an aggregate principal amount of not less than a majority of Bonds issued under this Order then outstanding may by a duly executed certificate appoint a trustee for the Owners with authority to represent such Owners in any legal proceedings for the enforcement and protection of the rights of such Owners. Such certificate shall be executed by such Owners, or by their duly authorized attorneys or representatives, and shall be filed in the office of the Executive Officer.

Until an event of default shall have occurred, the Issuer shall retain full possession and control of the Facility with full right to manage, operate and use the same and every part thereof with the rights appertaining thereto, and to collect and receive, and, subject to the provisions of this Order, to take, use and enjoy and distribute the earnings, income, rent, issue and profits accruing on or derivable from the Facility.

SECTION 9.7. Limitations on Sale, Lease or Other Disposition of Property. So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall be bound and obligated not to sell, lease, encumber or in any manner dispose of the Facility or any substantial part thereof, provided, however, that this covenant shall not be construed to prevent the disposal by the Issuer of property which in its judgment has become worn out, unseviceable, unsuitable or unnecessary in the operation of the Facility, when other property of equal value or capacity is substituted therefor.

SECTION 9.8. Prohibition Against Encumbrances. Except as hereinafter provided in Article X of this Order, the Issuer hereby covenants that it will not voluntarily create or cause to be created any debt, lien, pledge, mortgage, assignment, encumbrance or any other charge whatsoever having priority over or a parity with the lien of the Bonds and the interest thereon upon the Pledged Revenues.

ARTICLE X PARITY BONDS

SECTION 10.1. Issuance of Parity Bonds. All of the Bonds shall enjoy complete parity of lien on the Pledged Revenues despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Pledged Revenues having priority over or parity with the Bonds, except that bonds may hereafter be issued on a parity with such bonds ("Additional Parity Bonds") under the following conditions:

(a) The Bonds or any part thereof, including interest thereon, may be refunded and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Bonds refunded, provided, however, that if only a portion of Bonds outstanding is so refunded and the refunding bonds require total principal and interest payments during any Fiscal Year in excess of the principal and interest which would have been required in such Fiscal Year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds issued hereunder (provided such consent shall not be required if such refunding Bonds meet the requirements set forth in clause (b) below); or

(b) Additional Parity Bonds may also be issued on parity with the Bonds and if all of the following conditions are met:

(i) The average annual Pledged Revenues for the two (2) Fiscal Years immediately preceding the year in which such Additional Parity Bonds are to be issued, adjusted to reflect any increase in the per diem amounts currently approved and to be in effect prior to or coincident with the issuance of such Additional Parity Bonds determined pro forma as though such per diem increases had been in continuous effect during the preceding twelve month period, are equal to at least 120% of the Average Annual Debt Service on the Bonds, the Additional Parity Bonds, and any additional parity obligations theretofore issued and then outstanding (but not including any bonds which have been refunded or provisions otherwise made for their full and complete payment and redemption); provided however, that this limitation may be waived or modified by the written consent of the owners of the Bonds, and Additional Parity Bonds.

(ii) There must be no delinquencies in the payments required to be made into the various funds provided in this Order.

(iii) The existence of the facts required by paragraphs (i) and (ii) above must be determined and certified by the accountant who has previously audited the books of the Issuer, or by such successors thereof as may have been employed for that purpose or by a registered municipal advisor.

(iv) The proceeds of the Additional Parity Bonds must be used solely for making improvements, extensions, renewals, replacements or repairs to the Facility or acquiring additional facilities.

(c) Junior and subordinate lien bonds may be issued without restriction. The Issuer shall be empowered to issue bonds or other evidences of indebtedness which obligations are secured by a lien on the Pledged Revenues that is subordinate and inferior to the lien on the Pledged Revenues securing the Bonds.

ARTICLE XI EVENTS OF DEFAULT

SECTION 11.1. Events of Default. If one or more of the following events (in this Order called "Events of Default") shall happen, that is to say:

(a) if default shall be made in the due and punctual payment of the principal and/or interest of any Bond when and as the same shall become due and payable, whether at maturity or upon call for redemption, or otherwise; or

(b) if default shall be made by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part in this Order, any supplemental order or in the Bonds; or

(c) if the Issuer shall file a petition or otherwise seek relief under any Federal or State bankruptcy laws or similar law;

then, upon the happening and continuance of any Event of Default the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made in the Act or in any provision of law.

ARTICLE XII MISCELLANEOUS

SECTION 12.1. Defeasance.

(a) If the Issuer shall pay or cause to be paid to the Owners of all Bonds then outstanding, the principal and interest to become due thereon, at the times and in the manner stipulated therein and, in this Order, then the covenants, agreements and other obligations of the Issuer to the Bondholders shall be discharged and satisfied. In such event the Bondholders shall, upon the request of the Issuer, execute and deliver to the Issuer all such instruments as may be desirable to evidence such discharge and satisfaction and the Bondholders shall pay over or deliver to the Issuer all moneys, securities and funds held by them pursuant to this Order which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Bonds or interest installments for the payment or redemption of which Defeasance Obligations shall have been set aside and shall be held in trust by the Bondholders or an escrow agent (through deposit by the Issuer of funds for such payment or redemption or otherwise) at a maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section. Any Bond shall, prior to maturity or the redemption date thereof; be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if (i) in case such Bond is to be redeemed on any date prior to its maturity, the Issuer shall have given to the Bondholders in form satisfactory to it irrevocable instructions to give notice of redemption as provided in Article VI of this Order, (ii) there shall have been deposited with the Bondholders or an escrow agent Defeasance Obligations, in the amounts and having such terms as are necessary to provide moneys (whether as principal or interest) in an amount sufficient to pay when due the principal together with all accrued interest and (iii) the adequacy of the Defeasance Obligations so deposited to pay when due the principal and all accrued interest shall have been verified by an independent certified public accountant. Neither Defeasance Obligations deposited with the Bondholders pursuant to this Section 12.1 nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Bondholders shall, if permitted by the Code, and to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal or redemption price, if applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof as the case may be.

SECTION 12.2. Evidence of Signatures of Bondholders and Ownership of Bonds.

(a) (i) Any requests, consents, revocation of consent or other instrument which this Order may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys-in-fact appointed in writing. Proof of (A) the execution of any such instrument, or of an instrument appointing any such attorney, or (B) the ownership by any person of the Bonds shall be sufficient for any purpose of this Order (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Registrar, which may nevertheless in his discretion require further or other proof in cases where it deems the same desirable;

(ii) the fact and date of the execution by any Owner or his attorney-in-fact of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company or of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority;

(iii) the ownership of Bonds and the amount, numbers and other identification, and date of owning the same shall be proved by the registration books.

(b) Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Issuer or the Owners in accordance therewith.

SECTION 12.3. Moneys Held for Particular Bonds. The amounts held by the District for the payment due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it, without liability for interest, for the Owners of the Bonds entitled thereto.

SECTION 12.4. Parties Interested Herein. Nothing in this Order expressed or implied is intended or shall be construed to confer upon, or to give to, any person or corporation, other than the Issuer and the Owners of the Bonds any right, remedy or claim under or by reason of this Order or any covenant, condition or stipulation thereof and all the covenants, stipulations, promises and agreements in this Order contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer and the Owners of the Bonds.

SECTION 12.5. No Recourse on the Bonds. No recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Order against any member of the Governing Authority or officer of the Issuer or any person executing the Bonds.

SECTION 12.6. Successors and Assigns. Whenever in this Order the Issuer is named or referred to, it shall be deemed to include its successors and lawful assigns and all the covenants and agreements in this Order contained by or on behalf of the Issuer shall bind and inure to the benefit of its successors and assigns whether so expressed or not.

SECTION 12.7. Subrogation. In the event the Bonds herein authorized to be issued, or any of them, should ever be held invalid by any court of competent jurisdiction, the Owner or Owners thereof shall be subrogated to all the rights and remedies against the Issuer had and possessed by the Owner or Owners of the Bonds.

SECTION 12.8. Severability. In case any one or more of the provisions of this Order or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Order or of the Bonds) but this Order and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date of this Order which validates or makes legal any provision of this Order or the Bonds which would not otherwise be valid or legal shall be deemed to apply to this Order and to the Bonds.

SECTION 12.9. Execution of Documents. In connection with the issuance and sale of the Bonds, the Executive Officer is authorized, empowered and directed to execute on behalf of the Issuer such documents, certificates and instruments as he may deem necessary, upon the advice of Bond Counsel to effect the transactions contemplated by this Order, the signatures of the Executive Officer on such documents, certificates and instruments to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 12.10. Publication. A certified copy of this Order shall be published as soon as possible in the official journal of the Issuer or a newspaper of general circulation in Concordia Parish.

SECTION 12.11. Bonds are "Qualified Tax-Exempt Obligations." The Bonds are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

(a) the Bonds are not "private activity bonds" within the meaning of the Code; and

(b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2022 does not exceed \$10,000,000.

SECTION 12.12. Other Documents. The Executive Officer is delegated the authority to establish the final terms and conditions of the Bonds and execute

and deliver the Bonds to the Bondholders.

And the Order was declared adopted on this, the 23rd day of May, 2022.
