**Re: Safe Drinking Water Act:
Notice of Violation/Public Notification of Non-Compliance
Disinfectants/Desinfection By-Products Rule (Community Water System T-**

**THMs) MCL Violation
Town of Clayton Water System
PWS ID# LA 1029002
Concordia Parish**

The Town Of Clayton Water System is currently in violation of the maximum contaminant level (MCL) for total trihalomethanes as set forth by the State [part XII of the Louisiana State Sanitary Code (LAC 51:XII)] and the Federal Primary Drinking Water Regulations (40 CFR Part 141).

The United States Environmental Protection Agency (EPA) and the Louisiana Department of Health (LDH) set drinking water standards and requires the disinfection of drinking water. Where disinfection is used in the treatment of drinking water, disinfectants combine with naturally occurring organic and inorganic matter present in water to form chemicals called disinfection byproducts (DBPs). EPA and LDH set standards for controlling the levels of disinfectants and DBPs in drinking water, including trihalomethanes (THMs) and haloacetic acid (HAAs). Some people who drink water containing THMs in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer.

In December 1998, EPA set enforceable drinking water standards for TTHMs at 80 parts per billion (ppb) and for HAAs at 60 parts per billion (PPb) to reduce the risk of cancer or other adverse health effects. Compliance with the TTHMs and HAAs standard for public water systems serving less than 10,000 individuals initially became effective and enforceable on January 1, 2004. Compliance with the TTHMs standard is determined by calculating a locational running annual average (LRAA) of quarterly TTHMs sample results. Compliance calculations performed for the first quarter of 2019 show that the system's current TTHMs LRAA is 104 ppb at DBP02- 154 Carter; Thus, the system is currently in violation of the TTHMs standard.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This is not an emergency. If it had been, you would have been notified immediately. EPA and LDH do not consider this violation to have any serious adverse health effects on human health as a result of short-term exposure; however, continued long-term exposure to TTHMs and HAAs levels above the standard (e.g., 20 years of exposure) has the potential to have serious adverse effects on human health.

The Town of Clayton has informed our water operator JCP of this matter. JCP is working with the State to resolve the problem. If you have any questions please contact JCP Management, Inc., P. O. Box 624 -119 Pine street - Harrisonburg, LA 71340-PH: (318) 744-0308.

**PUBLIC HEARING
Village of Clayton, Louisiana**

The Village of Clayton will hold a public hearing at 6:30 PM on MAY 7, 2019, at the City Hall. The purpose of the meeting is to obtain views on the housing and community development needs of the Village and to discuss the submission of an application for funding under the State of Louisiana FY 2020 - FY 2021 Louisiana Community Development Block Grant (LCDBG) Program. The following items will be discussed at the hearing.

- A. The amount of funds available for proposed community development and housing activities.
- B. The range of activities available that may be undertaken, including the estimated amount of funds proposed to be used for activities that will benefit persons of low and moderate incomes;
- C. The plans of the Village for minimizing displaced persons as a result of activities assisted with such funds and the benefits to be provided by the Village to persons actually displaced as a result of such activities; and
- D. The Village's past performance on LCDBG projects funded by the State of Louisiana.

All citizens, particularly low and moderate income persons and residents of slum and blighted areas of the Village are encouraged to attend this meeting.

Accommodations will be made for persons with disabilities and non-English speaking individuals provided that a three day notice is received by the Village.

Those citizens unable to attend this hearing may submit their views and proposals until MAY 22, 2019, in writing to:
Village of Clayton
Post Office Box 277
Clayton, Louisiana 71326-0277
Honorable Josephine Taylor Washington, Mayor

5/1

**CLAYTON
REGULAR MEETING
FEBRUARY 5, 2019**

The Mayor and Board of Aldermen of the Town of Clayton met in regular session at the Town Hall, Clayton, LA on February 5, 2019.

The meeting was called to order by Mayor Washington and opened with prayer by Alderman Wilbert Washington followed by the Pledge of Allegiance. Roll call was done by the clerk. Present were Mayor Josephine Washington, Alderpersons Lavon Barber, Willie Evans, Shannon Madison and Wilbert S. Washington. Absent was alderman Houston Holmes. Also present were Sally Lewis clerk, attorney Myisha Davis and a visitor. Mayor read the items on the agenda.

Minutes of the Jan. 8, 2019 were read by the clerk. Motion was made by Ms. Madison seconded by Mr. Washington to accept the minutes as read with necessary corrections, all voting aye motion carried .

Mr. Evans stated he see in the Jan. minutes where the board had agreed to give Ms. Lewis her half hour back each day. Mr. Evans said to the Mayor you have cut the half hour plus two days a week and gone to a seven and half three day work week. Mr. Evans asked the Mayor if the legislature auditor told her to cut or if this was her decision? Mayor stated the auditors said not only for me to cut but the police department also. Mayor also stated the auditors are trying not to come in here, but trying to get me to go back to a three day work week and for us to do as many cuts as possible. Mayor said she explain to the auditor some days when the bills are to be done more days are needed so I asked if four days would be acceptable.

Motion was made by Mr. Evans that the board pull together and do a cross the board cut, died for a lack of second. Mayor Washington asked for a motion to do

Tech swept by Rice

HOUSTON – The No. 18 Louisiana Tech baseball team fell, 3-2 in 10 innings, to the Rice Owls in the third and final game of the weekend set on Sunday afternoon from Reckling Park in front of 2,339.

The Owls (21-23, 12-9 C-USA) clinched the weekend sweep over the Bulldogs (28-16, 12-9 C-USA), in walk-off fashion on Sunday, as a bases-loaded wild pitch allowed the winning run to score in the bottom of the 10th inning.

The Bulldogs were the aggressors early on in the contest, tagging Rice starter Jackson Pathasarthy for a run in the top of the first, courtesy of a two-out RBI double to left center field from Tech third baseman Tanner Huddleston, plating Mason Mallard, who had singled to center with two outs.

With a 1-0 cushion behind him, Tech starter Logan Bailey was sharp, keeping the hosts off the board through the first five in-

nings.

Tech would add a run in the sixth inning, after back-to-back HBPs from Taylor Young and Mallard chased Parthasarthy from the game. After a Huddleston deep flyout to center moved Young to third, Parker Bates beat out a potential double-play grounder, allowing Young to score on the RBI fielder's choice.

Trailing now, 2-0, the Owls scratched for the first time in the bottom of the sixth. Rice would lead off the inning with three consecutive singles, including an RBI knock from Trei Cruz, giving the hosts their first run of the game. Then, trailing by just one, cleanup man Andrew Dunlap drove in the tying run on an RBI fielder's choice, allowing right fielder Bradley Gneiting to score, evening the game at two.

The Owls built another threat in the bottom of the seventh after a catcher's interference extended the inning off Tech reliever Tyler Follis.

a four work day. Ms. Madison suggested a five days seven hours per day. Mr. Washington motion that we give the employee five days, seven hours a day, all voting aye except for Mr. Evans who wanted to give a five day eight hrs.

Motion was made by Mr. Washington seconded by Mr. Barber to introduce the ordinance authorizing the issuance of not exceeding \$250,000 of Certificates of Indebtedness. Mayor Washington stated that Concordia Bank & Trust Co. has agreed to give us a 2.5 percent flat interest rate for either three or five years. Attorney Myisha Davis suggested the Mayor meet with Mr. Bigland and get something in writing. Mayor said we may not get anything until we go before the bond commission in March.

There being no further business to come before the board, motion was made by Mr. Barber seconded by Ms. Madison that the meeting be adjourned. All voting aye, motion carried .

MAYOR/s/ Josephine T, Washington CLERK s/s Sally B. Lewis
5/1

**Clayton
REGULAR MEETING
MARCH 12, 2019**

The Mayor and Board of Aldermen of the Town of Clayton met in regular session at the Town Hall, Clayton, LA on March 12, 2019.

The meeting was called to order by Mayor Washington and opened with prayer followed by the Pledge of Allegiance. Roll call was done by the clerk. Present were Mayor Josephine Washington, Alderpersons Shannon Madison, Willie Evans, Wilbert Washington, Houston Holmes and Lavon Barber. Also present were Sally Lewis Clerk and Chief Bobby L. Madison. Mayor read the items on the agenda.

Minutes of the Jan. 8, 2019 were read by the clerk. Motion was made by Ms. Madison seconded by Mr. Barber to accept the minutes as read with necessary corrections, all voting aye, motion carried.

Mayor reported to the board that the Bond Commission will not except the 2.5% interest rate proposal for five years that Mr. Biglane wanted to give the town to payoff the loan. Mayor also said the Town has been removed from the Bond Commission's agenda for its March meeting and they will contact Mr. Alan Offner and he will let us know what they decided to do. Mr. Evans asked the Mayor if she had talked to Ms. Myshia Davis to get her opinion? Mayor stated Ms. Davis was in a murder trial and she had not gotten a chance to talk to her. Mr. Evans stated this is a matter we need to know and get heads up. Mr. Washington stated we should be able to contact someone with the Bond Commission instead of just sitting back waiting doing nothing? Mayor said she would get the men's number that they met with in Baton Rouge during the meeting.

Mayor asked the Board if they would think about a Go- Fund- ME account to help pay back the \$250,000.00.

Mayor Washington informed the board the town was approved a \$15,560.00 LGAP to be used to refurbish the levee surrounding the oxidation pond.

Mayor said a family day in the park flyer was posted on Face Book for April 5-7 which was not approved by the board. The flyer stated there will be a \$10.00 admission charge to be used for scholarships, insurance will be purchased to cover everyone in the park. Chief Madison stated it will be a problem to secure everyone coming from every direction in the park. Ms. Madison said the flyer said, "Clayton Family Day in The Park" which means the town is responsible. The flyer should have said, "The Thompson's Family Day in the Park". After a lengthy discussion Ms. Madison stated the Family Day in The Park will not be approved until someone meet with the board, all agreed.

The hiring of Officer Oliver Robinson was addressed by Mr. Washington stating that's the chief of police matter. Chief Madison said he would not make that recommendation to hire Officer Robinson due to the legality of Officer Robinson not being Post certified . Chief stated Robinson has worked for the town a year and he has nothing against him but he has to go to the police academy. Mayor Washington said some aldermen called her about hiring Robinson. Chief Madison read R.5.33 -404 what the powers, duties, & responsibilities of the Mayor of the Lawrason Act and Title 40 Public health & safety, RS 40:2405-Peace officer training. Chief also said if the board approved the hiring of Officer Robinson whatever actions he does will be on the Mayor and Board ,not him because he didn't make a recommendation to hire him. Mr. Washington suggested the board table hiring Mr. Oliver Robinson, all agreed.

Chief Madison stated when he totaled his vehicle, he asked the Mayor for a vehicle and she said, "no get you a bicycle". Mayor's response was, "I may have". Chief stated there was a insurance check issued to the town for the sum of almost \$14,000.00 and the Mayor did what she wanted with it. Chief Madison said he believed the police department was entitled to receive half of the money because the police department paid a portion of the vehicle's insurance. Mayor Washington said she paid \$10,000.00 to Silas & Simmons CPA and \$6,000.00 on the interest at Concordia Bank & Trust. Mr. Evans stated, "we are the decision making body of the town and we should have come together as one and decided on how we were going to spend the money". Chief addressed the Mayor stating the police department needs a vehicle. Mayor stated, "you chief need to bring some revenue in to buy a vehicle." Chief said he was putting it before the board. Mayor Washington commented on the police department stating, "there is no revenue coming in the and the department has not paid a bill in 10-12 months." Motion was made by Mr. Washington seconded by Mr. Evans that the town purchase a 2009 Chevrolet Tahoe from the Concordia Parish Sheriff's Department for the sum of \$1,000.00, all voting aye motion carried.

Motion was made by Mr. Barber seconded by Ms. Madison to declare the equipment inventory list to be auctioned off at a minimum of \$250.00 on each item, all voting aye motion carried.

Mr. Evans motioned that the board put their funds together each month until we get the loan paid. All of the aldermen agreed to take half of their pay to pay Concordia Bank & Trust Co. on the debt.

Ms. Madison stated as for new business she motions from here on out the Mayor notify all board members instead of certain ones with what is going on with any funds and anything about what bills have to be paid. Ms. Madison said the board used to get a financial report every meeting. Mayor informed the clerk to prepare a financial report. Ms. Sally the town clerk informed the board she could not prepare a report without records. Motion was made by Ms. Madison seconded by Mr. Barber that they receive a financial report with everything going on with the town's finance, all voting aye, motion carried.

Motion was made by Mr. Barber seconded by Mr. Holmes to adjourn, all voting aye motion carried.

/s/ Josephine T. Washington /s/ Sally B. Lewis
MAYOR CLERK

PARISH POLICE JURY REGULAR MEETING
April 8, 2019 6:00 P.M.
The Police Jury of Concordia Parish met this day in regular session convened. There were present the following members:
President: Jimmy Wilkinson
Members: Willie Dunbar, Jimmy Jernigan, Joseph Parker, Sr., Adam Probst, and Whest Shirley
Absent: Jerry Beatty, Carey Cook and Tommy Tiffiee
Secretary Treasurer: Sandi T. Burley
Invocation: Mr. Shirley
Pledge of Allegiance: Mr. Parker
Old Business: None

A motion was made by Mr. Probst seconded by Mr. Parker to approve the minutes of the regular meeting of March 25, 2019 as mailed. Motion carried.

A motion was made by Mr. Jernigan seconded by Mr. Parker to approve the minutes of the Public Works Committee held April 2, 2019 as mailed. Motion carried.

A motion was made by Mr. Shirley seconded by Mr. Parker to ratify the purchase orders and bank statements for March as presented. Motion carried unanimously.

A letter of request to re-appoint Mr. Jim Graves and Mr. Fred Marsalis to the Hospital Board was received. Mr. Jernigan began a discussion of term limits for the board that was thought to be established some years ago. Mr. Jernigan recapped a meeting where the board was to serve two-six year terms before being rotated off to allow for others to serve. Further discussed were former members of the board who were not re-appointed when the request was made due to such. A motion was made by Mr. Dunbar seconded by Mr. Shirley to table a decision to re-appoint Mr. Graves and Mr. Marsalis to determine whether term limits were previously established.

A letter of request to re-appoint Mr. Don Linder to the Concordia Waterworks District #1 was also received. A motion was made by Mr. Dunbar and seconded by Mr. Shirley to table the matter for applications and term consideration.

A letter was received from Concordia Recreation District #2 regarding the appointment of a new secretary – Ms. Anita Murray. No action was taken by the Jurors, since the boards have the authority to appoint their own Secretary without approval needed from the Jury.

Notices of ordinance violations were received on three properties within the town of Vidalia. The Public Works Committee had met prior to the meeting to discuss action and response to the citations. A response was prepared and sent to the DA's office for review and representation at the April 11th hearing date. The response is found in the minutes of the Public Works Committee meeting. Assistant DA Mr. Austin Lipsey was present at the meeting. Mr. Lipsey was aware of the court hearing and would be prepared to represent the Parish again on the matters at hand. No further action was taken by the Jurors.

The Parish office was made aware that the Louisiana Economic Development seeks to penalize Syrah Technologies if their new hires do not live in the state of Louisiana. Syrah has made valiant efforts to utilize resources to meet the workforce requirements for ITEP. The request to the Parish was to consider supporting Syrah to request a modification to the workforce requirements to pull a larger percentage from the areas around Concordia Parish. Syrah's efforts of holding job fairs and working with Louisiana resources were given as opportunities to pull applications from the area. However, due to the close proximity of Mississippi, support for consideration to hire from the Natchez area as part as our area to meet the requirements was requested in the form of a letter of support from the Jurors. No action was taken by the Jurors to formulate a letter of support due to more information is needed.

An ordinance compliancy letter was sent to Plains Marketing. The letter notified them of road bond permit requirements of the Parish and gave them thirty days' notice to comply. The letter was issued after the Parish was made aware of the damage made to Slocum Levee Road due to the hauling conducted by Plains Marketing. To date, Plains Marketing has not complied with the notice. A motion was made by Mr. Shirley and seconded by Mr. Dunbar to table the matter due to the areas most affected by the negligence of Plains Marketing was in Mr. Tiffiee's district and he was not present at the meeting to participate in discussion. Motion carried.

Parish projects were discussed.

Brushy Bayou – Jordan Kaiser and Sessions is revising the location and specs of the bridge to submit to LADOTD. This should be completed by the end of the week. Right of ways and easements previously drafted for land owners' signatures may need to be changed due to the modifications in the design. The revised H&H study has been submitted for GOHSEP approval. The 404 and 408 permits are still awaiting approval from USACE.

The Courtroom Renovation has received design and specification approval from the Capital Outlay Division in Baton Rouge. Mr. Brocato has been contacted numerous times for final designs needed to be submitted to the Fire Marshal and Building Inspector to identify any deficiencies as required before a bid packet can be created. So far there has been no response to any correspondence sent to proceed

with the project. A motion was made by Mr. Dunbar seconded by Mr. Probst to seek legal counsel toward Mr. Brocato for failure to respond and act productively to meet the requirements the project entails to stay compliant in which to keep the grant funding.

A recap of the current status of the Washington Heights project was given. A pre-bid meeting was held on April 8th at 11 am. At the meeting, the plans were discussed with Brian Harrell of Denmon Engineering who has designed the project. Mr. Harrell advised those in attendance that originally the redesign had taken out the lines at the entrance to the subdivision where occupants had denied service. After the revisions were reviewed at the state level, these lines had to be left in the design as it affected the original scope of work. Five companies have obtained the revised specifications and bidding information to date. Bid opening is scheduled for April 16th at 11 am.

Continued work needed to the Vidalia Canal was also discussed. Parts of the canal cannot be accessed to clean out because the embankment of the canal is too steep to allow for equipment to safely operate. Discussion ensued on what equipment and methods could be best used to clean the areas on the north end of the canal. A meeting was scheduled for Thursday, April 11th at 3:15 to meet at the culvert site on the north end of the canal to view the area and possible ways to remedy the grass and foliage that needs to be removed.

Under ordinance violations, Mr. Dunbar addressed Mr. Lipsey on the proper procedures to clean up a residence whose land owner has been sent several notifications over the past years but refuses to claim any of the registered letters sent to his attention. Mr. Dunbar requested that Mr. Lipsey submit a letter to the Jurors on the proper procedures for cleaning efforts that can be done by the Parish and ultimately have the costs applied to the tax roll on the property. Mr. Shirley brought forward an issue of a mobile home company that got stuck on Guido and Stephens Roads trying to deliver a trailer. The hauler got stuck and tore up the roads and shoulders. Mr. Shirley asked Ms. Burley what action could be taken to have the roads repaired. Ms. Burley explained that Mr. Pugh would have to get a cost estimate to repair the roads and the company would have to be notified of the costs and given the option to repair the roads themselves or have the Parish do the work and have the company pay for the costs. Both an estimate from Mr. Pugh and the company responsible for the damage will need to be obtained before moving forward.

Under the Secretary/Treasurer's report, Ms. Burley requested a meeting with the Finance Committee on April 17th at 3:30 to review the first quarter financials. Ms. Burley notified the Jurors that the Parish Office would be closed on April 19th and the barn would be closed April 18th in observation of Good Friday.

A motion was made by Mr. Parker seconded by Mr. Probst to approve the following occupational license and alcohol permits:

- 84 Quick Stop – 8675 Hwy 84, Ferriday – New Owners

Motion carried.
A motion was made by Mr. Jernigan seconded by Mr. Shirley to approve the following Superintendent's Work Orders:
Washrock: 14 yards for Como Road
Oversized Rock: 7 yards for Wild Cow Road
Pitrun: 15 yards for Ames Road, 15 yards for McCall Road
Motion carried.

Work orders issued and completed by the barn since the last meeting were distributed for review. No action taken by the Jurors.

Mr. Wilkinson opened the meeting to anyone in the audience that would like to address the Jurors on any agenda item. No public discussion was made.

Under correspondence, the following was distributed to the Jurors though no action was taken:

Riverland Medical Center – 2/26/19 minutes; Concordia Water Works #1 – 2/19 minutes; Recreation District #3 – 4/11 meeting agenda; Recreation District #2 – 3/13 minutes and agenda, 2019 budget, and 2019 meeting dates.

There being no further business, Mr. Parker made a motion seconded by Mr. Dunbar to adjourn the meeting. Motion carried.

Sandi T. Burley, Secretary / Treasurer
5-1

REGULAR MEETING OF THE RIVERLAND MEDICAL CENTER BOARD OF DIRECTORS
March 26, 2019 5:00 PM

I. CALL TO ORDER
The regular scheduled meeting of the Riverland Medical Center Board of Directors was called to order at 5:00 PM on Tuesday, March 26, 2019 by Board Chairman, Mr. Jim Graves.

II. PRAYER AND PLEDGE OF ALLEGIANCE
Mr. Marsalis opened the meeting with prayer, and the Pledge of Allegiance was led by Dr. Ingram.

III. ROLL CALL
A roll call revealed the following members present: Mr. Graves, Mr. Marsalis, Mrs. Lipsey, Mr. Hoggatt, Mr. King, and Dr. Ingram. The following member was absent: Mr. Butcher. Also present were: Sam Ellard, Administrator, Keisha Smith, COO, Spencer Holder, CFO, Bobby Miller, Lester, Miller, & Wells, and Walton Wilson, CCO

IV. OPEN TO PUBLIC COMMENTS
At this time, Chairman Graves opened the meeting to public comments.

V. APPROVAL OF MINUTES
Chairman Graves asked for a motion to approve the minutes of the Regular Board of Directors Meetings of February 26, 2019. The minutes were approved as presented on a motion by Mr. Marsalis and a second by Mr. King. The motion carried unanimously when put to a vote.

VI. PRESENTATION OF FY ENDING 9/30/2018 AUDIT – LESTER, MILLER & WELLS
Mr. Bobby Miller of Lester, Miller, & Wells presented the FY ending 9/30/18 Audit. The audit was approved as presented on a motion by Mr. Marsalis and a second by Dr. Ingram. The motion carried unanimously when put to a vote.

VII. FINANCIAL REPORT
The financial report was presented by Mr. Holder and approved on a motion by Dr. Ingram and a second by Mrs. Lipsey. The motion passed unanimously when put to a vote.

VIII. ADMINISTRATIVE REPORT
None to report

IX. MANAGEMENT REPORT
The following policies and procedures were presented by Mrs. Smith for approval:
1. Purchasing Policies and Procedures
2. Lab Kit Testing Policies and Procedures
3. Case Management Policies and Procedures
4. Risk Management Policies and Procedures
5. Patient Grievance Policy and Procedure
6. EMTALA Policy and Procedure
7. Marijuana for Therapeutic Use Policy and Procedure
8. Louisiana Ethics Administration Program and Board of Ethics: Ethics Education; Mandatory Requirements, and Ethics Designee Policy and Procedure

On a motion by Mr. Marsalis with a second by Dr. Ingram, the above policies and procedures were approved. The motion passed unanimously when put to vote.

Re: Safe Drinking Water Act: Notice Of Violation/Public Notification Of Non-Compliance Disinfection By-Products By Products Rule (TTHMs) MCL Violation Community Water System Village Of Ridgecrest Water Supply PWS ID: LA1029009 Concordia Parish
--

The Village Of Ridgecrest Water System is currently in violation of the **maximum contaminant level (MCL) for total trihalomethanes** as set forth by the State [PartXII of the Louisiana State Sanitary Code (LAC 51:XII)] and the Federal Primary Drinking Water Regulations (40 CFR P art 141).

The United States Environmental Protection Agency (EPA) and the Louisiana Department of Health and Hospitals (LDHH) set drinking water standards and requires the disinfection of drinking water. Where disinfection is used in the treatment of drinking water, disinfectants combine with naturally occurring organic and inorganic matter present matter present in water to form chemicals called disinfection byproducts (DBPs). EPA and LDHH set standards for controlling the levels of disinfectants and DBPs in drinking water, including trihalomethanes (THMs) and haloacetic acid (HAAs). Some people who drink water containing THMs in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer.

In December 1998, EPA set enforceable drinking water standards for TTHMs at 80 parts per billion (PPB) and for HAA5 AT 60 parts per billion (ppb) to reduce the risk of cancer or other adverse health effects. Compliance with the TTHMS and HAA5 standard for public water systems serving less than 10,000 individuals initially became effective and enforceable January 1, 2004. Compliance with the TTHMs standard is determined by calculating a locational running annual average (LRAA) of quarterly TTHMs sample results. Compliance calculations performed for the fourth quarter of 2018 show that the system's current TTHMs LRAA is 134 ppb at DBP02-119 Cottonwood Drive and 94 ppb at DBP03 – 800 Ferriday Drive; thus, the system is currently in violation of the TTHMs standard.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This is not an emergency. If it had been, you would have been notified immediately. EPA and LDHH do not consider this violation to have any serious adverse health effects on human health as a result of short-term exposure; however, continued long-term exposure to TTHMs and HAA5 levels above the standard (e.g., 20 years of exposure) has the potential to have serious adverse effects on human health.

****Please be advised that this violation has been acknowledged and JCP management as well as the Village of Ridgecrest are both actively responding to take the steps to resolve the situation. JCP Management 318-435-5999 / Village of Ridgecrest 318-757-4497.**

STATE OF LOUISIANA PARISH OF CONCORDIA LOUISIANA	7TH JUDICIAL DISTRICT VIDALIA,
---	---

NOTICE OF SHERIFF'S SALE AND APPRAISAL NOTICE
DELTA BANK
VS
SUIT NUMBER: 52007-B
AMANDA C. TIFFEE
