Valentine's Day has some sweetheart of games with Rayville at Ferriday, Monterey hosting Oak Hill and Ferriday welcoming Beekman Charter.

way to a 83-29 win.

Thirteen players contributed to the scoring for the Wolves.

"There was some rust, but we were able to knock some of it off," said Monterey boys coach Eric Richard. "It was a good game to

get everyone some minutes. Our second unit got a lot of playing time which should help us with depth down the stretch."

Calan McCartney led the Wolves with 23 points, scoring 11 in the second quarter. Daylen Gray added eight points.

That game was originally scheduled for Monterey, but was changed.

"That should be a playoff-type atmosphere," Richard said. "They have a really good team."

Louisiana Tech extends streak vs. USM

Louisiana Tech proved too much for Southern Miss for the second time in six days, winning 78-50 on Saturday afternoon in front of 2,341 fans inside the

Thomas Assembly Center. LA Tech (11-3, 2-0 C-USA) extended its winning streak to five by using basically the same recipe for beating Southern Miss

(4-11, 0-2 C-USA) by 31 this past Monday and that was turning great defense into great offense.

The Bulldogs forced 21 turnovers, 10th time this season

forcing 15+, and cashed those in for 27 points. In doing so, they also held the opponent to 50 points or less for a fifth time and for a third straight game.

TOWN OF CLAYTON
SPECIAL MEETING
31 OCTOBER, 2019

The Mayor and Board of Aldermen met in special session at the City Hall, Clayton, LA on October 31, 2019.

The meeting was call to order by Mayor Washington and opened with prayer followed by the Pledge of Allegiance. Roll call was done by the clerk. Present were Mayor Josephine Washington, aldermen Lavon Barber, Wilbert Washington, Houston Holmes and alderwoman Shannon Madison. Absent was Alderman Willie Evans. Also present were Sally Lewis clerk, chief Bobby Madison and Attorney Myisha Davis. Mayor read the items on the agenda.

Mayor Washington stated we are here to discuss a Capital Outlay grant to get our lift stations repaired. Mayor said she went to Andy Anders office first and spoke with him. Mr. Anders told her the application had to be in by November 1, 2019 and if we get it in they would handle the rest. I contacted Kisatchie Delta and asked them if they would help us out and they said yes, said Mayor Washington. Mayor stated she thought at first the Capital Outlay was a grant but it's a loan and we have to have matching funds with a 2% interest rate. Mayor said she spoke with Bryan Hammett & Associates and they done a lift station for Ferriday at a cost of \$125,000. Mayor stated she was told to apply for at least \$170,000 because the cost maybe gone up.

Alderwoman Madison said as long as we don't have our audit done we can't get any grants. Mayor Washington said that Silas and Simmons has sent the engagement letter and they have started on the audit. The last audit done for the town was 2016 & 2017.

"Even if we don't have the matching funds when the application come thought, it's better to have it & not need it than to need it and not have it" said Mayor Washington

Alderman Washington said his biggest concern is that the Capital Outlay is a loan and not a grant and he feel very leary to take out another loan and we still have an outstanding debt.

Alderman Holmes suggested that since the town already has one pump working and we don't have matching funds now why can't we get one pump to help the other out.

Mayor put a motion on the floor that we apply for the Capital Outlay Loan. Died due to a lack of a motion.

Mayor stated the CWEF money is a grant and we can use it to fix the water well. Mayor said Meyers Water Well out of Jonesville fix the other well at a cost \$4,667.00 and Grabner price was \$6,300.00 with total of \$10,900.00. Motion was made by Mr. Barber seconded by Mr. Washington to pass a resolution to apply for a CWEF grant, all voting aye motion carried.

Mayor Washington adjourned the meeting.

Myisha Davis, town attorney, advised the aldermen that Washington handles the vil- lage's day-to-day operations such as grass cutting in her position as mayor. Mr. Evans rescinded his motion until the board can get further classification.

Alderman Holmes stated Mayor Washington claim she received permission from mr to purchase generators and a pressure washer which is not true." We need to be paying the bank instead of buying generators and a pressure washer," Holmes said

Aldermen agreed to table further discussion until they could meet in executive session with the Mayor about both issues.

Concerned citizen advised aldermen she smelled gas every day and there were dead spots on her property where she believed leaks were located. Citizens complaint about several gas leaks located throughout the town and a water leak in the curve on Hwy 900.

Chief Madison asked the board if they had some type of policy on record stating people would be charge for breaking lines causing leaks?

Alderman Evans voice his concern again about the gates at the water plant being left open. "I will take it upon myself to contact fence companies and see what it will cost to replace or fix the gate" said Mr. Evans.
