NOTICE

Notice is hereby given, pursuant to article IV, section 21 (D)(1) of the Louisiana Constitution, that on September 26, 2018, CenterPoint Energy Arkla, a Division of CenterPoint Energy Resources Corp., ("CNP"), a natural gas public utility having facilities to permit the local distribution of natural gas to residential and commercial customers in the parishes listed below, filed with the Louisiana Public Service Commission ("LPSC" or "Commission") its Evaluation Report pursuant to its Gas Operation Rate Stabilization Plan ("RSP") for the test year ended June 30, 2018 ("TY 2018"), in accordance with LPSC Orders No. U-27676 (Corrected) and U-32996. CNP's Gas Operations RSP filing, if approved by the Commission as filed, will result in a rate increase of approximately $1.6 million annually inclusive of reductions due to the Tax Cuts and Jobs Act ("TCJA"), effective December 26, 2018.

Affected Parishes: Bienville, Bossier, Caddo, Claiborne, De Soto, Jackson, Lincoln, Ouachita, Union, and Webster

CNP's RSP filing for the 2018 Test Year reflects an Earned Return on Equity ("EROE") of 4.14% and pursuant to the RSP's cost of service sharing mechanism, the EROE requires a rate adjustment by CNP. It is estimated that the requested rate increase will have the following effect on average monthly bills: a Residential customer using 42 CCF will increase $0.82; a Small Commercial-Firm Service customer using 231 CCF will increase $4.53.

For questions and comments please call the LPSC toll free at (800) 256-2397. Additionally, the Company's filing and its attachments may be viewed in the Records Division of the LPSC at the following address:

Electronic bids will be received for the Bonds via PARITY®, in the manner described below, until 11:30 a.m., Louisiana time, on Thursday, November 1, 2018.

Bids may be submitted electronically via PARITY® pursuant to this Official Notice of Bond Sale until 11:30 a.m., Louisiana time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Official Notice of Bond Sale, the terms of this Official Notice of Bond Sale shall control. For further information about PARITY®, potential bidders may contact PARITY® at (212) 849-5021.

Each prospective electronic bidder shall be solely responsible to register to bid via PARITY® as described above. Each qualified prospective electronic bidder shall be solely responsible to make necessary arrangements to access PARITY® for the purposes of submitting its bid in a timely manner and in compliance with the requirements of the Notice of Sale. Neither the Issuer nor PARITY®, shall have any duty or obligation to provide or assure access to PARITY® to any prospective bidder, and neither the Issuer nor PARITY® shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY®. The Issuer is using PARITY® as a communication mechanism, and not as the Issuer's agent, to conduct the electronic bidding for the Bonds. No other form of electronic bid or provider of electronic bidding services will be accepted. The Issuer is not bound by any advice and determination of PARITY® to the effect that any particular bid complies with the terms of this Official Notice of Bond Sale and in particular the "Bid Requirements" hereinafter set forth. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via PARITY® are the sole responsibility of the bidders; and the Issuer is not responsible, directly or indirectly, for any of such costs or expenses. If a prospective bidder encounters any difficulty in submitting, modifying or withdrawing a bid for the Bonds, he should telephone PARITY® (212) 849-5021 and notify the Issuer's Municipal Advisor, Argent Advisors, Inc. at (318) 251-5851.

Electronic bids must be submitted for the purchase of the Bonds via PARITY®. Bids will be communicated electronically to the Issuer at 11:30 a.m., local Louisiana time, on November 1, 2018. Prior to that time, a prospective bidder may (1) submit the proposed terms of its bid via PARITY®, (2) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds, or (3) withdraw its proposed bid. Once the bids are communicated electronically via PARITY® to the Issuer, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY® shall constitute the official time.

The Bonds will be dated the date of delivery and will be in the denomination of Five Thousand Dollars ($5,000) each, or any integral multiple thereof within a single maturity. The Bonds will bear interest from date thereof or the most recent interest payment date to which interest has been paid or duly provided for, at a rate or rates not exceeding six per centum (6%) per annum on any Bond in any interest payment period, said interest to be payable on June 1, 2019, and semiannually thereafter on June 1 and December 1 of each year. The Bonds will mature serially on December 1 of each year as follows, to-wit:

YEAR	PRINCIPAL AMOUNT	YEAR	PRINCIPAL AMOUNT
2019	$380,000	2029	$560,000
2020	385,000	2030	585,000
2021	405,000	2031	605,000
2022	420,000	2032	630,000
2023	440,000	2033	655,000
2024	455,000	2034	680,000
2025	480,000	2035	705,000
2026	500,000	2036	735,000
2027	520,000	2037	765,000
2028	540,000	2038	800,000

The Bonds will be issued as fully registered bonds in "book-entry only" form and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the bonds, and purchasers of the Bonds will not receive certificates representing their interest in the Bonds purchased. The winning bidder (the "Purchaser") at the time of the sale, however, may elect to not receive book-entry only Bonds, in which case the Purchaser will receive one type written Bond per maturity, exchangeable in the manner provided in the Ordinance.

Those Bonds maturing December 1, 2029 and thereafter, will be callable for redemption by the Issuer in full, or in part, at any time on or after December 1, 2028, and if less than a full maturity, then by lot within such maturity, at the principal amount thereof and accrued interest to the date fixed for redemption. In the event any Bond to be redeemed is of a denomination larger than Five Thousand Dollars ($5,000), a portion of such Bond ($5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption will be given by first class mail, postage prepaid, by notice deposited in the United States mails, or by accepted means of electronic communication, not less than thirty (30) days prior to the redemption date addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the Paying Agent.

The principal of the Bonds, upon maturity or redemption, will be payable at the principal corporate trust office of the Paying Agent upon presentation and surrender thereof, and interest on the Bonds will be payable by the Paying Agent by check mailed by the Paying Agent to the registered owner (determined as of the 15th calendar day of the month next preceding said interest payment date) at the address as shown on the books of said Paying Agent. Said Paying Agent will be a qualified bank or trust company selected by the Issuer.

Except as provided under DTC's book-entry only system, the Bonds may be transferred, registered and assigned only on the registration books of the Paying Agent, and such registration shall be at the expense of the Issuer. A Bond may be assigned only by the execution of an assignment form on the Bonds. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds must be in the denomination of $5,000 or any integral multiple thereof within a single maturity. The Paying Agent shall not be required to issue, register, transfer or exchange (i) any Bond during a period beginning at the opening of business on the 15th day of the month next preceding an interest payment date and ending at the close of business on the interest payment date, or (ii) any Bond called for redemption prior to maturity during a period beginning at the opening of business fifteen (15) days before the date of the mailing of a notice of redemption of such Bonds and ending on the date of such redemption.

In connection with the sale of the Bonds, a good faith deposit of 1% of the principal amount of the Bonds will be required. *The manner and timing of such deposit shall be set forth in the Preliminary Official Statement for the Bonds.* The good faith deposit of the successful bidder or bidders will be deposited and the proceeds credited against the purchase price of the Bonds, or in the case of neglect or refusal to comply with such bid, will be forfeited to the Issuer as and for liquidated damages. No interest will be allowed on the amount of the good faith deposit.

Bidders shall name the rate or rates of interest the Bonds shall bear, not exceeding six per centum (6%) per annum on any Bond in any interest payment period. Bids must stipulate a purchase price for the Bonds of the par value thereof and accrued interest from the date of the Bonds to the date of delivery of the Bonds. No bid which specifies cancellation of the Bonds will be considered. No bids providing for additional or supplemental interest will be considered.

The Governing Authority will meet at the place and time hereinabove set forth for the receipt of bids. The Bonds will be awarded to the bidder whose bid offers the lowest "true interest cost" to the Issuer for the full authorized amount of the Bonds, to be determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments on the Bonds from the payment dates to the date of delivery, such that the sum of such present values is equal to the price bid, including any premium bid but not including interest accrued to the date of delivery (the preceding calculation is sometimes referred to as the "Canadian Interest Cost Method" or "Present Value Method"). In the case of a tie bid, the winning bid will be awarded by lot. If any bid for the Bonds shall be acceptable, a prompt award of the bonds will be made. The right is expressly reserved to waive any irregularity in any bid or to reject any and all bids received.

The Official Statement containing pertinent information relative to the authorization, sale and security of the Bonds is being prepared and may be obtained upon its completion from the Issuer's Bond Counsel, Foley & Judell, L.L.P., One Canal Place, Suite 2600, 365 Canal Street, New Orleans, Louisiana 70130. The Purchaser will be furnished a reasonable number of final official statements on or before the seventh business day following the sale of the Bonds.

The approving legal opinion of Foley & Judell, L.L.P., Bond Counsel, who have supervised the proceedings, the printed Bonds and the transcripts of record as passed upon will be furnished to the successful bidders without cost to them. Said transcripts will contain the usual closing proofs, including a certificate that up to the time of delivery no litigation has been filed questioning the validity of the Bonds or the respective tax revenues necessary to pay the same.

It is anticipated that the American Bankers' Association Committee on Uniform Security Identification Procedures (CUSIP) identification numbers will be printed on the Bonds, but the failure to print such numbers shall not constitute cause for refusal by the successful bidder to accept delivery of and to pay for the Bonds. No CUSIP identification number shall be deemed to be part of any Bond or a part of the contract evidenced thereby, and no liability shall hereafter attach to the Issuer or any of the officers or agents thereof because of or on account of such numbers. All expenses in relation to the printing of the CUSIP identification numbers on the Bonds shall be paid by the Issuer. However, the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid by the successful bidder.

In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the Governing Authority will undertake, pursuant to the ordinance providing for the issuance of the Bonds and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

In the event the Issuer does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), which would allow the Issuer to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "Hold-the-Offering-Price Rule" of Treasury Regulation § 1.148-1(f)(2)(ii), shall apply, which will allow the Issuer to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "Hold-the-Offering-Price Rule"). So long as the Hold-the-Offering-Price Rule applies to any maturity of the Bonds, the winning bidder will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the winning bidder has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth (5th) business day after the sale date. The winning bidder agrees to promptly report to the Issuer's municipal advisor named below when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth (5th) business day after the sale date.

In order to provide the Issuer with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the winning bidder will be required to complete, execute and deliver to the Issuer (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds substantially in the form attached as an appendix to the Preliminary Official Statement for the Bonds, subject to modification in a manner acceptable to the Issuer. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the Issuer. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Foley & Judell, L.L.P., Bond Counsel.

For information relative to the Bonds and not contained in the Notice of Bond Sale and Official Statement, address Mr. Benny Chelette, City Clerk, 2305 North Seventh Street, West Monroe, Louisiana, 71291, or Foley & Judell, L.L.P., One Canal Place, Suite 2600, 365 Canal Street, New Orleans, Louisiana 70130, Bond Counsel.

THUS DONE AND SIGNED at West Monroe, Louisiana, on this, the 11th day of September, 2018.

COLUMN

Seasons of Louisiana with Dianne Cage

I have been consumed, confused and saddened, by the Judge Brett Kavanaugh's sexual assault claims by Christine Blasey Ford! What in the world? Our TVs have been smoking! I can hardly believe what I am hearing and seeing. I never watch television during the day, but last week — I think Thursday — thank goodness I was having a dinner party, so I was buzzing around the kitchen, setting the table, arranging flowers and glued to the television. I thought I was watching the old Jimmy Stewart movie, "Mr. Smith Goes to Washington" but on monster doses of steroids! At some points, I became very emotional, tearing up, feeling sorry.

My personal opinion, I think something did happen to Dr. Ford, maybe just in her mind. But not to have told anyone, even her best friend or her mother ... she has no one to back her up this story. Too many things she said did not add up! Thirty five years ago to bring this up now ... come on! Now, I'm torn: a cartoon I saw this week has two men in silhouette with one saying, "Thirty-year-old sexual assault allegations shouldn't be taken seriously." The next frame is a clear picture of the two men who are Catholic Priests... the other saying "I totally Agree!" Christ said, "Better to have a mill stone tied around your neck and thrown into the ocean than to molest one of my little ones!"

Mike and I just returned from Gulfport, Miss. We had an appointment with the United States Customs Services to apply for a Global Entry Card. They interview you, fingerprint you and such. This card and number just makes it easier to cross borders and go through airport security. After our 1:30 appointment, we headed on down to New Orleans. We had dinner at Saffron on Magazine, an outstanding, Indian, French mix. Next time you are in The Big Easy, it is a must try! Be sure and get reservations. I loved it.

Arriving home I wish you could have seen my white car ... the whole front was covered with love bugs. After several trips to the carwash, I still have the love bug remains! Sunday, Teddy Allen's Column about love bugs made me laugh. It was so funny! Thank you Teddy for sharing your thoughts on love bugs! Perfect!

Speaking of love bugs, I have never seen so many in our neck of the woods. They are everywhere. I was at our camp on the river and they covered 2/3 of my car. It was really frightening. I felt like Tippi Hedren, in the Hitchcock movie "The Birds."

Another strange thing: three or four Saturdays ago, late afternoon, I was riding Louisville and I promise I had not been drinking. I was heading East and heading West very slowly was a Bat Mobile with Batman driving. I started to turn around and follow him. Did anyone else happen to see this?

Dinner with the George Snellings on Monday, Tuesday dinner here, Wednesday dinner with NANCY & CARRICK INABNETT, Thursday dinner at the home of Satchie & Katherine and Friday on to New Orleans. We saw Taylor Swift, had dinner at Antoine's and brunch at Commander's. Happy birthday to you! All rolled the royal carpet out for each happening! Nancy had Thurman customize a special cake for each. It was so much fun and all felt very special and blessed! We are so happy October is here!

One of my favorite sisters-in-law, Nancy Inabnett, invited me to a John Rea Realty breakfast at the West Monroe Convention Center and the new MAYOR, STACI ALLBRITTON MITCHELL. What a special treat! Wonderful happenings in West Ouachita Parish.... The West Monroe Recycling Plant has officially opened this new center. It is right behind the West Monroe Police Department. This process is simple, you pull up and toss items into bins labeled for each product. Paper and cardboard, some plastics, aluminum. They ask you to take tops off the bottles and wash out because it helps keep insects, animals, ants away. Do not bring in plastic bags, which cannot be recycled. You can read up on this amazing happening for our twin cities.

Mike and are enjoying sorting our trash neatly in large paper grocery bags. It just makes you feel good to know you are doing something to help our environment and future generations. This amazing project is going to take all of us to participate and make it a true success. The center is open 7 a.m. to 3 p.m. every Monday, Wednesday & Friday. It was such a treat meet the mayor and hear all the wonderful plans for our sister city. Hearing John Rea give an inspirational talk of all good, makes me want to join his team! The breakfast was delicious too!

There is a new kid on the block: "KAYBABY'S"... Kay Godfrey is smoking the best crackers, cheese, rice, you name it. Delicious! Chauvin Grocery will be selling her delectable treats, do not miss! I will keep you posted !

Starr Homeplace opens Oct. 13

Starr Homeplace will be open to visitors from 8 a.m.-3 p.m. Saturday, Oct. 13, in Oak Ridge.

Admission is $5 per person and children are free up to age 12. Contributions will be accepted for a home-cooked lunch on the grounds. Families are also welcome to pack a lunch and spread out a picnic or use one of the site's picnic tables. The event will be held rain or shine.

The plantation has many museums on the property, and is always adding more exhibits to see and use. Joe Rolfe, who lived on the premises, said, "We have a working wood shop that has wood and tools and a blacksmith is showing the kids how to make usable items. The Blacksmith also allows the kids to try their hand at the trade of blacksmithing. ... We usually have camera clubs or art students come out and use us as a backdrop. We also have had several brides every season come out and take their photos here. They can change in one of the houses or the main home.

An old fashioned dairy barn, outhouse , quilting frame, print shop and the unusual wooden puzzles all have charm of the olden ways that are nice to touch by these young students. There are always pictures outside the outhouse door every community opening.
