

LSU Purple wins Series

LSU Baseball's Purple-Gold World Series wrapped on Friday night under the lights at Alex Box Stadium, with the Gold winning the final game, 3-0.

The Purple squad, which won Games 1 and 2, was the overall series winner.

"These three games were not the crispest of games, but you are able to learn a lot about players in these situations," said LSU coach Paul Mainieri. "You put them under the lights and put some pressure on them and see what happens. Some handle it a little better than others, but this week was great experience for our players."

Gold pitchers Will Hellmers, Blake Money and Aaron George combined to record Friday night's seven-inning shutout.

Hellmers, the starting pitcher, worked three scoreless innings, allowing two hits with four strikeouts.

"Will Hellmers is an unbeliev-

ably mature kid," Mainieri said. "He knows the game, and he's is a winner. He just has a great feel for the game that will help us a lot on the mound and with the bat this season."

The Gold scored two runs in the second inning against Purple starter Landon Marceaux, as right fielder Dylan Crews doubled and scored on second baseman Cade Doughty's RBI single, and Doughty later scored when third baseman Will Safford's grounder was misplayed by the Purple infield.

In the bottom of the sixth, a leadoff double by Braden Doughty put the Gold in business to start the inning. Doughty came around to score after Giovanni DiGiacomo ripped a double down the right field line. After a walk, Devin Fontenot was able to work out of the first-and-third jam and keep the score at 3-0.

George got the ball for the final two innings for Gold en route to

victory. George was able to strand two baserunners in his first inning of work, and he pitched around a leadoff single in the seventh to close out the game.

"Hellmers, Money and Aaron George all pitched very well tonight," Mainieri said. "The Gold only scored three runs, but they got a nice victory. Once again it proves that pitching is at least 90 percent of the game. The only thing that was concerning to me tonight was that we had four errors in the infield. That's certainly something we're going to have to tighten up."

"Overall, we got a lot done in this series. They weren't three particularly well-played games, but that shouldn't take away from some of the good performances that we had. We'll come back for preseason practice in January, and we will have a very competitive environment with guys working to earn roles on the team."

Southeastern football holds scrimmage

The Southeastern Louisiana football team closed its fourth week of fall practice preparations for the spring 2021 season on Friday morning at Strawberry Stadium.

Friday marked the 11th practice during the fall practice session, which has replaced the normal spring practice with the competition season being postponed until spring. The Lions will practice Mondays and Wednesdays at 3:40 p.m. and Fridays at 10:10 a.m. through Nov. 13.

Southeastern head coach Frank

Scelfo saw another competitive practice from his Lions.

"We started off practice with our offense coming out of their own end zone and the offense made some nice plays both in the running and passing game," Scelfo commented. "Then we had a blitz period where the defense dominated, so we continue to be evenly-matched throughout the fall."

The practice concluded with a session concentrating on red zone situations. The offense had the upper hand, as quarterbacks Cole

Kelley and Cephus Johnson III connected on touchdown passes to Nick Kovacs, Ed Magee, Taron Jones and JoMari Becnel. Johnson also ran in for a touchdown on a quarterback keeper.

The Southeastern defense had its moments in the red zone period, as well. Robert Buquoi intercepted a pass at the goal line, while Feletoa Ailua got free for a sack.

SLU is scheduled to open its six-game, conference-only spring schedule on Feb. 27 at Sam Houston State.

Tech holds baseball scrimmages

RUSTON, La. — A methodical, patient approach at the plate provided breakout hitting performances for Louisiana Tech's baseball team during its three intra-squad scrimmages over the weekend at Ruston High School Baseball Field.

Senior Taylor Young set the tone for the Diamond Dogs with three dominant performances at the plate over the weekend, following up a two-double performance on Friday with a 4-for-4 game on Sunday with two home runs, a double, a drag bunt for a single and a walk.

He also created havoc on the base paths by drawing a balk in Sunday's matchup.

"Taylor went bananas on Sunday," head coach Lane Burroughs said. "The kid just knows the game, and he just comes to play every day."

"He has those kinds of days, and as he goes, we go."

Seniors Steele Netterville and Hunter Wells also showed off their ability to hit for extra bases over the weekend.

Wells smacked a triple in Friday's contest before Netterville crushed a home run in Saturday's game.

Sophomore Ben Brantley polished off a solid weekend at the plate with a double, a single and two walks in Sunday's matchup.

The Bulldogs also provided key hits in high-pressure situations. Down 3-2 with one out left in Saturday's game, Manny Garcia smashed a three-run home run to put his team in the lead for good.

Overall, the Bulldogs remained more patient at the plate in their second weekend of intra-squad matchups, forcing opposing pitchers into longer innings.

"One thing our hitters did this weekend was draw a lot of walks and HBPs (hit-by-pitches)," Burroughs said. "When we talk about the ingredients of a big inning, that's something we prioritize every day. Our hitters did a great job of being more selective."

"For the most part, I was just proud of our guys."

Senior Alex Ray flashed the leather throughout the weekend, making stellar plays at shortstop. Netterville also showed off his arm in right field, raising his number of outfield assists to five in just six intra-squad matchups.

On the mound, returning starting pitchers Jarret Whorff and Jonathan Fincher delivered strong starts on Saturday.

Newcomer Tanner Knight pitched well in relief on Saturday, while Cade Gibson, Landon Tomkins and Mason Kelley all shined on Sunday.

Cajuns score late for win

Senior running back Elijah Mitchell's go-ahead touchdown run with 1:13 remaining in the game proved to be the difference as Louisiana picked up a 27-20 Homecoming victory over Arkansas State on Saturday afternoon.

Mitchell's score secured six of the Ragin' Cajuns' 27 second-half points, its highest point total in the final two quarters of any game this season.

Additionally, the 27 points were the most by the team in a second half since recording 35 at Ohio on Sept. 21, 2019.

Louisiana (6-1, 4-1 Sun Belt) finished the ballgame with a 440-423 edge in total offense, 332 of those yards coming in the final 30 minutes.

Ninety of those yards were produced by Mitchell, who totaled the ball 16 times and added a score. With his production, he moved into sixth all-time in career rushing with 2,891 yards, surpassing former Ragin' Cajun great and current tight ends coach Michael Desormeaux. Fellow back Trey Ragas carried the ball 12 times for 75 yards.

Senior quarterback Levi Lewis had another big day through the air, going 17-for-29 for 244 yards and a score.

Lewis also made moves in the career rankings, passing Brian Mitchell for fourth all-time in career passing with 5,640 yards.

Lewis' go-to target was sophomore Neal Johnson, who notched a career-high five receptions, three of which came on the team's final drive, for a career-high 68 yards.

He became the first tight end with at least five re-

ceptions in a game since Jacob Maxwell recorded six catches at Arkansas on Aug. 31, 2013.

Louisiana's defense had another strong performance, led by a career-high 13-tackle performance by linebacker Ferrod Gardner. Zi'Yon Hill and Andre Jones each added a sack in the contest and combined for eight tackles.

Eric Garror recorded another interception in the contest, his third in the last two games, while Mekhi Garner sealed the victory with another big interception, his second of the season.

After a first half that saw just two Arkansas State (3-5, 1-4 Sun Belt) field goals, Lewis got the offense going in the early part of the second half by avoiding the rush, breaking through the line and scampering 33 yards to the end zone to put Louisiana ahead 7-6 just 1:22 into the third quarter.

Fleming extended the Ragin' Cajuns' lead to 14-6 at the 5:56 mark of the third period, taking a pass from Lewis 52 yards down the sideline and into the end zone.

Arkansas State scored its first touchdown of the contest with 10:37 to play when Jamal Jones plunged across the goal line from four-yards out, but the two-point conversion attempt was picked off by Percy Butler to preserve the Louisiana lead at 14-12.

Redshirt freshman Kenneth Almendares, who had never made a field goal in his career entering the contest, extended Louisiana's lead to 20-12 in the fourth quarter with makes of 35 yards and 43 yards on back-to-back drives.

At the conclusion of Mr. Roth’s presentation, Mr. Ray Ainsworth had several questions of the Mayor, who answered his questions, item by item. Alderman Probst and Alderman Gardner also had comments. When there were no further comments or comments, the Mayor concluded his presentation.

Agenda Item No. 10 was a presentation by Mayor Craft on plan changes to Town Code Enforcement. The Mayor began by explaining why changes were needed on having a named Code Enforcement Officer as the Town is having problems with animals, also with residences not having 911 numbers in view as well as other issues. Following the Mayor’s presentation, Alderman Probst had comments to make about his views on what needs to be done and made a motion to table the matter, which motion died for a lack of a second. The Mayor advised the Board that he would not implement changes to the Town’s Code Enforcement without bringing the matter back for discussion to the Board.

Agenda Item No. 11 was Board vote to enter Executive Session to discuss investigative matters. The Mayor asked for the motion and a motion to enter into Executive Session was made by Alderwoman Demby, seconded by Alderman Betts, and the roll call vote thereon was as follows: YEAS: Aldermen Betts, Smith, Gardner, Probst and Alderwoman Demby. NAYS: NONE. The Clerk announced that by a vote of 5 YEAS and no NAYS, the Board went into Executive Session.

A quorum being present, the Mayor declared the Mayor and Board of Aldermen of the Town of Vidalia, Louisiana, to be duly convened, in special session, as the governing authority of said municipality, and opened the meeting for the conduct of business.

Agenda Item No. 1 was Board discussion and vote to approve a resolution accepting the bid for Vidalia Industrial Park Sub-station Control Building (Option 2) and awarding the project to Ernest P. Breaux Electrical, LLC, in the amount of \$158,500.00. The Mayor then gave the reasons for needing the Resolution and explained that, although there was only one bid, the Engineers have advised, in writing, that the bid should be accepted. It was explained to the Board that you do not have to receive more than one bid to award a contract. There being no further comments or questions, a motion was made by Alderman Probst to accept the bid and award the contract as proposed, which motion was seconded by Alderwoman Demby and the roll call vote thereon was as follows: YEAS: Aldermen Betts, Gardner, Probst and Smith, and Alderwoman Demby. The Clerk noted that the motion passed unanimously. Following Mr. LaSyone’s announcement, Alderman Probst moved to adjourn, which was seconded by Alderwoman Demby and unanimously carried. The meeting was declared adjourned.
