Central Catholic leads squad

By William Weathers

The theme of the teams for this year’s Class 1A Coaches of the Year in both baseball and softball was one of resilience.

ceaux took a team with three seniors to the school’s first state semifinal since 2013, advancing to the Division IV non-select contest against eventual state champion Oak Grove.

Central Catholic of Morgan City’s Brent Hidalgo took his No. 16 team a year after a loss in the opening round of the playoffs, guiding the Eagles to the Division IV state select semifinals.

Monceaux earned top honors for the job he did, leading No. 11 Grand Lake (18-8) to consecutive non-select playoff upsets of Mangham and Lakeside.

Hidalgo is the Class 1A Coach of the Year.

The Lady Hornets began the season 4-4 and reeled off 11 wins over their last 14 games of the regular season.

Central Catholic, which replaced eight seniors from 2025, overcame a 1-7 start and 4-9 record and finished 19-16 after its loss to eventual state champion Ouachita Christian.

St. John of Plaquemine senior Charli Neumann, a two-time, first team Class 1A All-State selection, earned Most Outstanding Player award in softball.

The application process for the Rural Health Transformation Program should begin at the end of this month. I plan to meet with my Administrative Team to go through the applications to see which ones we can take advantage of. At the Rural Hospital Coalition meeting last week, we found out that the turnaround time for the applications will be pretty fast considering they are off to a late start. We will keep the Board posted about this process as we work through the applications.

The speed bumps have been installed on the left side of the MOB roadway. We are in the process of adding more to the roadway at the back of the building and an additional set to the left side of the building. Safety is our number one priority, and we want to make sure drivers slow down as they are entering a very busy area.

We have completed the landscaping for our campus for our Spring season. Everything looks very nice on the campus.

We have several positions open throughout the hospital. We have several positions in nursing service especially ER- Nights, Lab-MT, Phlebotomy and Radiology- RT. All positions can be found on our Trinity Medical website. Please pass the word.
