Second row: Nola Wiliams, Chesney Williams, Sarah Freeman, Madison Jackson and Layla Williams. Third row: Louis Jordan, Kabari Davis, Bralen Washington, Chris Brooks, Brenden McMillan and Tyson Davis. Back row: Matt Long, Semaj Hayes, Jalin Moody and manager Luke King. (Not pictured are Kirstin Grove, Trevor Davis and Kaden Trahern).

## Demons down Southeastern

A big swing from Jeffrey Elkins started Sunday afternoon off on the right foot for the Northwestern State baseball team while another from Austin Kirkpatrick bookended the Demons’ offensive output.

Sandwiched between the blasts were seven dominant innings from right-hander Drayton Brown as the Demons salvaged game three of a Southland Conference series against Southeastern, downing the Lions 5-2.

“From the get-go, it was aggressive,” sixth-year head coach Bobby Barbier said of Brown’s outing. “It was with intent. It was pounding the strike zone. He wasn’t going

to let us lose that game today. That’s what you need. We have starters who have done that for us for a lot of this season. Then Jeff’s big swing let everyone settle into the game.”

Elkins’ 20th career home run – a two-out, three-run blast to right-center – came after Brown (5-4) wiggled out of a two-on, two-out jam in the first inning.

Connecting on a first-pitch home run for the fourth time in his Demon career, Elkins gave Brown all the run support he needed, allowing the Demons (21-22, 9-9) to avoid the sweep and move back to .500 in league play.

It also allowed Brown to set-

tle in quickly and handcuff the Lions (19-25, 9-9) in the longest scoreless outing for a Demon pitcher this season.

“When those guys are able to help me out with run support, it’s amazing and we can do a lot of good stuff,” Brown said. “I’m proud of those guys. When Jeff gave us that run support, I just wanted to fight for those guys and get us a win.”

The Demons added a second-inning run off SLU starter Andrew Landry (2-5) on Daunte Stuart’s sacrifice fly before SLU reliever Hunter O’Toole, Daniel Dugas and Hayden Robb matched Brown zero for zero through seven innings.

## ULM falls to Little Rock

Noah Dickerson’s RBI double off the right field wall scored Jorden Hussein from second base as Little Rock walked off with a 7-6 win over ULM Sunday afternoon at Gary Hogan Field to sweep the series.

ULM (15-26-1 overall, 6-14-1 Sun Belt Conference) trailed 2-0 after the third inning and kept battling back, only to have Little Rock answer nearly every punch with another of their own.

Little Rock (20-19, 9-11) took the initial lead in the third as Hussein hit an RBI single and later scored on a wild pitch for the 2-0 advantage.

ULM was held without a hit for the first four innings, but had six base runners thanks to four walks, a hit batter and an error. However, ULM could not move the runners around.

The Warhawks broke through in the fifth inning as Grant Schulz grounded into a fielder’s

choice with runners on first and third. The throw came home, but was high and wide, allowing Trace Henry to slide by to cut the deficit in half, 2-1.

ULM tied the game in the seventh inning. With two outs, pinch hitter Chase DeJean singled on the first pitch from Little Rock reliever Sawyer Smallwood, driving in Ryan Cupit to knot the game at 2.

However, the Trojans answered right back in the bottom half of the inning. Hussein hit a sacrifice fly to score Soto, and a fielding error with two outs allowed Jake Wright to score to push the lead back to two, 4-2.

The Warhawks threw their next punch in the top of the eighth. With two outs and Matthew Lee on first base, Cupit drew his third walk of the game.

### PARISH POLICE JURY REGULAR MEETING APRIL 11, 2022 6:00 P.M.

The Police Jury of Concordia Parish met this day in regular session convened. There were present the following members:

President:	Collin Edwards
Members:	Maurice Bachus, Joseph Parker, Sr., Willie Yearby, Gary Neal, Genesis Allen, Scottie Whittington, Brad Adams
Absent:	Adam Probst
Secretary Treasurer:	Sandi T. Burley
Invocation:	Mr. Parker
Pledge of Allegiance:	Mr. Neal

1) The meeting was called to order by Mr. Edwards. Ms. Burley conducted the roll call and a quorum was declared present.

2) A motion was made by Mr. Adams seconded by Mr. Yearby to approve the minutes of the March 28, 2022 meeting as distributed. Motion carried unanimously.

3) A request to fill the board vacancy of Ms. Gloria Lloyd for the Concordia Recreation District No 1 was received. The Board recommended the appointment of Mr. Brandon Carter to the Board. A motion was made by Mr. Yearby seconded by Ms. Allen to approve the appointment. Motion carried unanimously.

4) A request was received from the Central LA Human Services District to re-appoint Dr. Brenda Moore for another 3-year term. A motion was made by Mr. Neal seconded by Mr. Bachus to approve the re-appointment. Motion carried unanimously.

5) A request and hold harmless were received from the Concordia Parish School Board office for a) spraying of the track field at Ferriday Lower Elementary and b) bus turn around needed on Perch Hole Road. A motion was made by Mr. Yearby seconded by Mr. Bachus to approve the requests. Motion carried unanimously.

6) Under Committee Reports the following was brought forward:  
A. Grants – Review items from meeting  
a) Revisions to the ARPA Allocations and Budget are needed before month end for reporting requirements. These will be brought forward at the next meeting.

b) Approval for a tractor and boom mower from grants allocations was needed. State contract quotes were received for a John Deere 6110M mower in the amount of \$85,735.36 and a Diamond side boom mower in the amount of \$68,272.15, totaling \$154,004.51. A motion was made by Mr. Yearby seconded by Mr. Neal to approve the purchase. Motion carried unanimously.

B. Finance – A motion was made by Mr. Bachus seconded by Mr. Adams to ratify the purchase orders and bank statements. Motion carried unanimously.

C. Public Works – A memo was received from the DOTD Off-System Program notifying the Parish of a \$1.5 million allocation from the Bridge Formula Program. Two bridges were identified as needing major repairs or replacement. These were bridges 700144 located at Poole Road, Ferriday and 700136 located on Boggy Bayou. Both of these bridges are the only remaining wood piling bridges in the parish. The cost estimate to replace both of these bridges is \$1.7 million. Under discussion, Jurors asked about replacing one of the bridges with culverts instead and would the funding cover the cost. No action was needed by the Jurors.

D. PAWS – Continued research has been conducted to help find funding for services for PAWS. After corresponding with our Auditor, the suggestion of an Attorney General’s opinion on the usage of the Public Health Millage was recommended. A motion was made by Mr. Neal seconded by Mr. Yearby to approve seeking an AG’s opinion on the usage of Public Health Millage and CEA with PAWS in which to conduct services that the Parish cannot currently perform.

7) Projects of the Parish were next discussed. Ms. Burley gave updates and overview of the following grants:

Brushy Bayou – DOTD has reviewed the bridge file and has returned the file to Jordan, Kaiser, and Sessions for further comments and corrections needed.

PA4462 – The asphalt portion of the grant is still in process. 406 Mitigation was added to the project. The project continues to move forward for funding awards.

LGAP – LGAP applications are due by June 3rd. Requests for funding are needed to move forward with the application.

EP&C – The applications for the Courthouse chiller replacement and road projects were not funded. Additional grant funding is being sought for the Courthouse chiller.

CPPJHM 2022 – Vidalia Canal – an RFP was conducted for engineering firms to conduct the work needed. Two proposals were received from Bryant Hammett & Associates and Jordan, Kaiser, & Sessions. These will be reviewed and scored by the appropriate committee before awarding.

8) Ordinance Violations of the Parish were brought forward. A motion was made by Mr. Neal seconded by Mr. Adams to approve the following:

Whittington – Resend certified letters to residents on Ron Road about culverts. (No return receipt or unclaimed letter has been received by the Parish office.)

- Discussed wanting an ordinance to put trashcans/tote containers behind the ditch/culverts on non-garbage days. He would like to hold a public meeting to adopt an ordinance to remove trash cans from the side of the road on non-garbage days. Ms. Burley was asked to research current ordinances and potential changes before proceeding.

Neal – 233 Crestview has a +100 foot culvert encompassing three lots. The

culverts need to be cleaned out as they are preventing water from flowing. The installed culverts do not comply with ordinances, where the maximum length of a culvert is 40 feet long and then must have a clean out or gap between another culvert installation. The current culvert set up does not allow the Parish to clean out the culverts to maintain proper drainage flow.

9) Under the Secretary/Treasurer’s Report, Ms. Burley reminded the Jurors to complete the Tier 3 reports and of the upcoming holidays with office and maintenance barn being closed.

10) A motion was made by Mr. Yearby seconded by Mr. Whittington and carried unanimously to approve the following Occupational Licenses: - Top Notch Security – 10639 Hwy 129, Monterey – Security Personnel for USACE - JC’s Fireworks – 6549 Hwy 129, Monterey – Retail Sales

11) Works orders conducted for the parish were next brought forward by Mr. Tony Guillory. A motion was made by Mr. Adams seconded by Mr. Yearby to approve the following: 610 (yards) – 8 on Robert Webber, 50 on Doty, 55 on Boggy Bayou, 45 on Eagle, 15 on BJ Road

Maintenance Gravel – 15 yards on Herbert Crouch Road  
Two standard culverts are needed for Shirley Circle (15x24) and Magoun Road (18x25).

Two large, banded culverts are needed for Bob Rife. A sixty inch culvert with two banded 40 feet length culverts is needed. Estimated cost is \$21,200. One large culvert (60”x40”) is needed for Enfinger Road. The estimate cost for the culvert is \$7,500.

Discussion of the quotes received for the trailer to be purchased under the Act 119 grant was held. Two quotes were received. One from Kenworth of Louisiana – a Trailboss Trailer totaling \$40,600. The second quote received was from Ater Warehouse – A Eager Beaver Trailer for \$36,840.00. A motion was made by Mr. Adams seconded by Mr. Yearby to approve the trailer purchase from Ater Warehouse.

Mr. Guillory also announced that the Caterpillar Trackhoe will be delivered on Monday.

12) Work order requests were next conducted. A motion was made by Mr. Parker seconded by Mr. Neal to approve the following:

Bachus – At 410 Tenth Street – ditches need spraying and long reach needed to clean out ditches  
Parker - Potholes on Upper Levee Road  
Yearby – Cancel request on 115 Howard; information received and resolved  
Whittington – Shoulders on Moose Lodge need repairing; limbs at Eagle and Roundtree need to be picked up  
Adams – Trash site in Monterey needs gravel; 320 Plouden Bayou needs drainage checked during heavy rainfall to see why the area isn’t draining properly  
Neal – Shoulder on Calhoun Road is damaged by gas utility; needs repair

13) Under Public Comments, the following was brought forward:  
A motion was made by Mr. Parker seconded by Mr. Yearby to add to the agenda announcement by Syrah Technologies. Mr. Paul Jahn was given the floor to make an announcement of his leaving and the introduction of Mr. Peter Odgers. Mr. Jahn stated his last five years was spent working with Syrah was a journey of love. He thanked the Jurors for their support in helping make a home for Syrah.

14) No Executive Session was needed.

15) A motion was made by Ms. Allen seconded by Mr. Adams to adjourn. Motion carried unanimously.

5/4  
Sandi T. Burley, Secretary/Treasurer

### NOTICE

The family of Robert Edward Williams, (AKA Bob Williams) is seeking any known heirs, and or creditors of his to please contact (Kemi Briscoeray at #206-914-2999-2810 East Olive St, Seattle, Wa 98122) as soon as possible, Thank You, the Family of Robert Edward “Bob” Williams.

### North Lake St. John Water System

PO Box 624  
Harrisonburg LA 71340  
Office: 3 18-744-0308  
April 26, 2022

Dear Valued Member of North Lake St. John Water System,

### IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

The North Lake St. John Water System is currently in violation of the maximum contaminant level (MCL) for total trihalomethanes as set forth by the State [Part XII of the Louisiana State Sanitary Code (LAC 51 and the Federal Primary Drinking Water Regulations (40 CFR Part 141).

The United States Environmental Protection Agency (EPA) and the Louisiana Department of Health (LDH) set drinking water standards and requires the disinfection of drinking water. Where disinfection is used in the treatment of drinking water, disinfectants combine with naturally occurring organic and inorganic

matter present in water to form chemicals called disinfection byproducts (DBPs). EPA and LDH get standards for controlling the levels of disinfectants and DBPs in drinking water, including trihalomethanes (THMs) and haloacetic acid (HAA5). Some people who drink water containing THMs excess of the MCL over many years may experience problems with their liver kidneys or central nervous system and may have an increased risk of getting cancer.

In December 1998, EPA enforceable drinking water standards for TTHMs at 80 parts per billion (ppb) and for HAA5 at 60 parts per billion (ppb) to reduce the risk of or other adverse health Effects. Compliance with the TTHMs and HAA5 standard for public water systems serving less than 10+000 individuals initially became effective and enforceable on January 1, 2004. Compliance with the TTHMs standard is determined by calculating a locational running annual average (LRAA) of quarterly TTHMs sample results. Compliance calculations performed for the first quarter 2022 show that the systems current TTHMs LRAAs is 87 ppb at DB-POI- 899 HWY 570. The system’s current HAA5 LRAAs are 78 ppb at DBPOI - 899 HWY 570 and 63 at DBP02 – 5574 HWYT 568; Thus, system is in violation of TTHMs and HAA5 standard.

Please share this information with all the other who drink this water, especially those who may have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses), You can do this by posting this notice in a public place or distributing copies by hand or mail.

This is not an emergency, if it had you would have been notified immediately. EPA and LDH do not consider this violation to have any serious adverse health effects on health as a result of short-term exposure; however, continued long-term exposure to TTHMs and HAA5 levels above the standard (e.g., 20 years of exposure) has the potential to have serious adverse effects on human health.

### PUBLIC HEARING TO ADOPT ORDINANCE 2022-04 REDISTRICTING PLANS FOR CONCORDIA PARISH POLICE JURY

The Concordia Parish Police Jury will hold a public hearing for review and comments on the revised re-districting plans for the Concordia Parish Police Jury. The meeting will be held at 6 pm on Monday, May 9, 2022 at the Police Jury Meeting Room located at 4001 Carter Street, Room 2, Vidalia, LA 71373.

05/04/22

### WHEREABOUTS

Anyone knowing the whereabouts of John Rice Baker, Jr. and/or the heirs of Carol M Baker whose last known address was 157 LaGrange Road, Natchez MS please contact James R. Boyd, Attorney at Law at 31-757-3000.
