

LOCAL BUSINESS SPOTLIGHT

SPECIAL SCOOPS

237 N St. Joseph Ave
(402) 461-5860

Your name and title: Donna Bieck, president

Years in business: 2 Years

Business history: I have worked retail and food service and have had my own seamstress business, but never have been a manager of a store front.

Show & tell: Our business was created from a feeling in heart that the community of Hastings has been missing real ice cream locally. But especially that the Special Needs Community deserved a place where they could show the community how capable they are of serving them.

The real experience: A smile and a Welcome to Special Scoops. We sometimes are maybe a little slower with the final product, but we will make up your request in as timely a manner as possible, to get you what you've asked for.

Shop local, it matters: Shopping local means that we, as well as most of the shops in Downtown Hastings, can be here for you. Shopping local means that we do our level best to get you the gifts or products you want, or will do our best to help you choose something as good and perhaps sometimes even better than you expected.
