Business history: Stamps & More was originally started in the early 1980's. It dates back to the Imperial Mall days.

Show & Tell: Besides packing and shipping through USPS, Fed Ex and UPS, we offer a large variety of Nebraska-made products. They include Baker's Chocolates, HR Poppin' Snacks Popcorn, Country Rhoads Jalapeño Jelly, Starlight Candles, Cup of Coa, and The Mill Coffee. We also feature Nebraska artists, including Kris Allphin's prints, cards and mugs, Christian Hessler's hand-blown glass pumpkins and Christmas ornaments, and finally Mary

Ann Warner's fabric baskets, placemats, and coasters. Other services include William's Dry Cleaning, Gift-wrapping, and large-scale printing and copying at both locations. As part of the printing services we offer comb-binding, laminating and also provide design services. We'll design banners, business cards, Christmas letters, posters, many types of announcements, including graduation, quinceañeras, birthday parties, baby showers and more. In addition, we can provide place cards and RSVP's.

The real experience: Great customer service. They will be met with a friendly atmosphere.

Shop local, it matters: It keeps tax dollars in Hastings and it continues to grow the city.
