HASTINGS TRIBUNE

Fifty-six seniors from Adams County's five high schools will be honored for their academic achievements Friday during the Hastings Noon Rotary Club's 2022 Senior Recognition Luncheon at Central Community College-Hastings.

The event honors soon-to-be graduates of Adams Central, Hastings, Kenesaw, St. Cecilia and Silver Lake high schools who are graduating in the top 10% of their class and/or are being recognized for distinguished performance in a particular academic discipline. Parents, teachers, school administrators and Rotarians will be on hand to congratulate them.

Each student receives a certificate and commemorative gift. Rotary Scholarship winners also will be announced.

The Senior Recognition Luncheon is a long-running tradition for Hastings Noon Rotary, which collaborates on the project with the Central Community College Foundation.
