

# BEST OF 2022

VOTE NOW OR FOREVER HOLD YOUR PEACE

This is the 3rd year for our Best Of LKLD awards! Every year we ask YOU, our readers, to vote for your favorite small businesses. From pizza to plumbing, we want to know who you think is the best of Lakeland. We tally the votes in August and announce the winners in a special September issue of LKLD. Good luck to all!

Don't see a category you think should be on the ballot? Let us know. However, we tend to stay away from businesses where we can't fill a 1st, 2nd, and 3rd place.

Why do we do this? To celebrate the entrepreneurs, the dreamers, the doers, the people that make our community great!

There are no nominations. This is a people's choice award; simply fill in the blank with your choice.

You have to fill in at least 20 questions with legitimate choices.

Each IP address can vote up to four times, ballot stuffers will be tossed.

Own a business? Encourage your customers to vote for you!

Voting goes from June 1 to July 31.
