OBIT POLICY – It is the policy of The Wayne County News to obituary families that our obituaries are a few guidelines. All obituaries must come from a funeral home and the official obituary. We do not take submissions directly from the families. This is to avoid any conflict between families of the deceased. If you would like to run an obituary from out of state, please contact the funeral home that handled the arrangements. It is now easier than ever to e-mail it to a series of email to editor@wayneconnews.com.
