ESSAY TITLE:

Veteran's Day
Veteran's Day to me is all about the brave soldiers that helped so much because without them we would not be here now because what would we do if the military had no men we could not have fought the world wars 1-2 and if we had no military men today then if someone started world war 3 then we would lose everything all the progress in life it would be gone plus we would have nothing to recover to and my dad was in the military and he did survive he was in the war I don't know but he was in the military and I like that he is still alive.
