ESSAY TITLE: Veterans Day

A holiday that celebrates the people who fought for this country, and it is on November eleventh year and is also called Armistice day. I appreciate them because they fought for our country and work really hard every day. Just imagine having a hard bed to sleep on. Or waking up to screaming and always having a guy screaming in your face everyday and getting bad food. And when your in war seeing your bestfriends brain splatter on you or seeing your friends get shot.
