ESSAY TITLE: Veterans Day

Veterans Day means to me a day to honor all veterans and victims of all wars. A day to give back to all for our country to give us a safer place to live without any fear. Veterans Day is a day to show respect to all arm forces and to let them know you appreciate all the things they have done for our country. My grand father was in WW II and I appreciate him and all his fellow arm forces for being so brave for our country and defending what belongs to the USA.
