“Run the best store in town.”

K-VA-T Food Stores, Inc., the corporate banner for the Food City supermarket chain, is an acronym for its original service area of Kentucky, Virginia, and Tennessee. The privately held, family-owned company has grown over the years by expansion, new store construction, and acquisitions.

Having served their neighbors for over 100 years, the Food City banner dates back to 1918, with a store in Greeneville, TN. K-VA-T Food Stores' beginning came in 1955 when Jack C. Smith (founder), his father Curtis, cousin Ernest, and uncle Earl opened their first Piggly Wiggly in Grundy, VA. The company later acquired several other Piggly Wiggly locations in Southwest Virginia and Eastern Kentucky, followed by Quality Foods/Food City, White Stores, Winn Dixie and BI-LO stores in east Tennessee and north Georgia. Food City most recently acquired the Cooke's/Fresh n' Low family of stores in the greater Cleveland, TN area.

Today, the company spans five states, operating 18 locations in southeastern Kentucky, 28 in southwest Virginia, 97 in east Tennessee, 10 in north Georgia, and 2 in Alabama. The 155-store chain includes 133 Food City locations (with 120 pharmacies and 118 fuel/convenience stores), 3 Fresh n' Low locations, 4 Super Dollar Food Center limited assortment stores, 4 wine & spirits stores and 11 Curt's Ace Hardware stores. K-VA-T Foods also operates their own 1.2 million square-foot distribution center, located in Abingdon, VA, as well as Misty Mountain Spring Water, L.L.C. 11-12% of the company is owned by their associates through their employee profit-sharing plan. The company attributes their continued success to their talented team of associates and their dedication to their customers and the communities they serve.

Food City offers a wide variety of services and conveniences, ranging from in-store fresh baked goods, deli meats, cheeses, salads, hot foods, and large café seating areas to Floral Boutiques, staffed with trained designers seven days per week. Full-service meat and seafood departments offer pre-marinated/seasoned products and a complete selection of top-quality all-natural meats, including Certified Angus Beef. In-house butchers hand cut steaks, chops, and roasts to order. Expanded grocery, frozen food, produce and health & beauty care departments go well beyond the normal fare, with a huge selection of gourmet, international and hard-to-find items. The Farm to Food City partnership with local growers

provides their customers fresh-from-the-field fruits and vegetables, many of which are delivered the same day they're picked. The company purchases nearly \$5,000,000 in locally grown produce annually.

Food City pharmacies are staffed with highly trained professionals, and a number of locations offer the added convenience of drive-thru service. Their Gas N' Go fuel centers offer competitive prices on top quality fuel and diesel. A number of stores include national or local branch banks, offering ATM's and a full range of financial services. The company also offers the added convenience of on-line shopping with curbside pick-up in many locations. Orders are filled by professional shoppers and loaded into the vehicle upon arrival. Food City Home Delivery powered by Instacart is available at most locations, providing shoppers with the flexibility of same-day delivery to their door. Food City's partnership with DoorDash offers on demand grocery delivery in numerous stores, as well as on demand delivery of fresh floral arrangements in participating localities. A number of stores also include a Starbucks café, offering a wide assortment of blended hot and cold coffees and beverages, as well as an assortment of tasty breakfast sandwiches and pastries.

The company offers a full line of money saving private label products, including Food Club, Food City Fresh, Full Circle Market, Wide Awake Coffee Co., Tippy Toes, Harvest Club, Paws Happy Life, Evolve, Over the Top, Nostimo, Crav'n, CharKing, Misty Mountain, Flock's Finest, b-lieve, Simply Done, TopCare, Culinary Tours, That's Smart, Pure Harmony, and more. Food City also carries a line of exclusive regional brand products, including Kern's Bread, Kay's Ice Cream, Lay Meats, Terry's Snack Foods, and Moore's Potato Chips.

The company supports a number of non-profit organizations and community events throughout their market area. Food City's School Bucks Program has donated more than \$22,100,000 in much needed equipment to over a thousand area schools. Their annual Charity Golf Outing has raised nearly \$14 million to benefit area charitable organizations. Their annual Race Against Hunger campaign provides over \$500,000 in local hunger relief each year, in addition to their Friends & Pets in Need campaign, which raises nearly \$400,000 annually. Their Paralyzed Veterans of America partnership has raised \$3.7 million to benefit paralyzed veterans.

The company also raises over \$500,000 annually in support of Juvenile Diabetes Research Foundation and supports many other organizations, including United Way, The American Cancer Society, American Heart Association, Second Harvest Food Bank, Feeding Southwest Virginia, and countless others.

The Food City name is also synonymous with NASCAR racing through their title sponsorship of two of the sport's most popular events – the spring Food City 500 and fall Food City 300 at Bristol Motor Speedway in Bristol, TN. The second longest running sponsor in NASCAR motorsports, 2022 marked the 30th Anniversary of the company's race sponsorships. Food City served as the presenting sponsor of the historic “Battle at Bristol” football game between the University of Tennessee and Virginia Tech. The company also serves as the Corporate Champion for the University of Tennessee Athletic Center with the naming rights of the Thompson-Boling Arena at Food City Center and is a major corporate partner for several other local athletic programs, including East Tennessee State University, Radford University, University of Tennessee at Chattanooga, and Emory and Henry.

“We're proud to be locally owned and operated,” says Steven C. Smith, Food City President/CEO. “We're extremely passionate about what we do, and we're committed to providing our customers with exceptional service and top-quality products at the lowest possible price while continuing the mission our company was founded upon, to “run the best store in town”.

Get Your Glow On at Terrific Tan 24/7 Access – Now in Abingdon, Lebanon, & Bristol, VA!

When it comes to sun-kissed skin and five-star service, no one does it quite like Terrific Tan. For years, this locally owned tanning salon has been the go-to spot for residents in Abingdon and Lebanon, Virginia—and now, thanks to the dedication and vision of owner Naomi Cook, the golden standard of tanning is shining even brighter in Bristol.

Naomi, a passionate entrepreneur, first opened the doors of Terrific Tan in Abingdon with one simple mission: to offer clean, high-quality tanning options in a friendly, welcoming environment. Her commitment to customer care, attention to detail, and investment in the latest tanning technology quickly earned the salon a loyal following.

But Naomi wasn't finished. In early 2021 she opened her second location in Lebanon VA and in 2023, she took a bold step forward and purchased the existing tanning salon in Bristol, rebranding it as Terrific Tan and giving it the same warmth, cleanliness, and high standards that made the Abingdon and Lebanon location a local favorite. With a refreshed space, upgraded equipment, 24/7 Access, and Naomi's signature customer-first approach, the Bristol salon is already winning over the community.

And the results speak for themselves. After opening in Bristol, Terrific Tan was honored with the prestigious "Reader's Choice – Best Tanning Salon" award. This recognition is a testament not just to the quality of services offered, but also to the deep appreciation the local community has for Naomi's hard work and dedication.

Whether you're looking for a classic sunbed glow or Red Light Therapy, Terrific Tan offers options to fit every skin tone, schedule, and budget. Customers can choose from a range of high-performance beds, stand-up booths, —perfect for weddings, vacations, or just a confidence boost. Each visit is a personalized experience, and the team takes the time to make sure you get the results you're after in a safe and healthy way.

What truly sets Terrific Tan apart, however, is the vibe. From the moment you walk in, you're greeted with a smile. The staff are knowledgeable, helpful, and always happy to offer skincare tips or recommend the perfect tanning lotion to maximize your glow. The facilities are spotless, the atmosphere is relaxed, and the results? Absolutely radiant.

With three convenient locations in Abingdon, Bristol, and Lebanon, there's never been a better time to treat yourself. Whether you're a first-timer or a seasoned tanning pro, Naomi and her team are ready to help you look and feel your best.

Terrific Tan isn't just a tanning salon—it's a community favorite, a beauty destination, and now a Reader's Choice award winner. Stop by today and see why the glow-up starts here. Thank you for voting Terrific Tan the best tanning salon around!

When you visit the bakery, you will feel as though you stepped back to a time when neighbors and shop owners knew each other on a first name basis. Zoom Motors Voted #1

Zoom Motors is locally owned and operated pre-owned automotive group that offers many different car, truck, and SUV options for any budget. Since opening in July of 2022, Zoom has helped over 5,469 customers find a vehicle that meets their needs.

Zoom Motors of Bristol was originally established to bring affordable options to northeast Tennessee and southwest Virginia. Our goal is to bring a family owned experience to the community due to many locally owned family dealerships being sold out to large corporations.

Out dealership's owners have over 30 years experience in the automotive industry with multiple successes from sales to corporate franchise management. Our front end management, including foundational relationships with many leaders including local credit unions and national banks.

Our sales team strives to provide an industry leading experience with our customers by focusing on the customer's wants and needs in store, while our internet team works diligently to assist customers locally and hundreds of miles away. This has contributed to the success of our family owned dealership which has in turn allowed us to open a second location in Johnson City to better serve our customers in northeast Tennessee and the western Carolinas. Zoom Motors has a vast hand-picked inventory of 200+ vehicles in stock between two locations with many make and model options that are competitively priced within the market.

In May of 2024, Zoom Motors was nationally recognized by Automotive News as a "new to the list" of upcoming top contenders in non-franchise inde-

pendent groups which highlighted both Zoom Motors of Bristol and Johnson City collectively. Also in May 2025 made the list with an increase to the 2,139 sold in 2024 (178 sold monthly). This could not have been attained without our community giving us the opportunity to serve them with their needs. In addition, Zoom Motors has won a CarGurus Top Dealer award for our accomplishments in the 2023-2024 year. But we are most proud of CarGurus Top Value Dealer Award. This means more Value for your Money!! (Best Pricing)

Thanks to our growing clientele within the tri-cities, our service team has the opportunity to hire double the amount of locally trained automotive technicians with ASE certifications. This has allowed us to achieve first place in several Best of Bristol categories including best oil change service and domestic service department thanks to our loyal customers. Within our service department, we have had the ability to expand our reconditioning team to maintain our extensive inventory and customer demand.

Please feel free to reach out to Zoom Motors for any of your sales or service automotive needs. Service appointment bookings are taken quick and easy through our website or give us a call to schedule maintenance and repairs.
